 2000 10000

Commissairerne ville ærbødighedsfuldt bemærke Følgende:

Vide Strækninger af Sump- og Skoleland bleve frembudte til offentlig Salg paa en Tid, da Speculationen var paa det Høieste og da der var stor Conflux af Kjøbere. Som en Følge deraf bleve mange Strækninger opdrevene til en høi Priis og ti pCr. oveniudbet med den første Rente. Men i mange Tilfælde have Kjøberne forsømt at betale den følgende Rente. Landet er derfor bleven forbrudt, og naar Beløbet af ubetalt Rente, Bøder, Skatter og Avertissementer lægges til Salgsprisen, bliver Udbyttet langt under Eiendommens virkelige Værdi, og den nominelle Sum stiger til en saadan Høide, at det bliver Staten umuligt at befotte sig med den; vi ere derfor af den Formening, at et mindre Minimum bliver fastsat, eller at en Omvurdering finder Sted. I mange gamle Countier er der smaa Strækninger Skole- og Univerfiterland, som aldrig er bleven frembudt til offentlig Salg, saa smaa, at det er umuligt for Commissairerne at inspicere de forskjellige Countier i den Anledning. Præemptagerne af bemeldte Land og Folket i de forskjellige Countier ønske gjerne at saadant Land skal blive frembudt til Salg af Staten, og vi ville derfor tilraade, at Commissairerne ved Lov blive autoriserede til at sælge bemeldte Strækninger paa Statens Capitolium, ligesom alt saadant Land skal betale en aarlig Afgift til de forskjellige Fonds. Vi ville ogsaa bemærke, at i de Tilfælde, hvor Land er pantsat til Staten, have vi ingen Midler til at forsikre, hvorvidt Pantendstederne eller Indehaverne betale Skat deraf. Vi ville derfor anbefale, at en Forordning udstedes, der bestemmer, at Delinquent-Taxterne paa alt Land til Staten gaaer tilbage til Statscasseren og indsamles og indsendes paa samme Maade og Tid, som Delinquenttaxterne paa Skole- og Sump-land nu ved Lov ere paabudte at indbetales og indsamles og at ingen Tax-Deed paa Land, pantsat til Staten skal være bindende eller i Kraft.

Vi ville ogsaa gjøre opmærksom paa det Factum, at Doven bestemmer, at alt Dverfud paa Salg af pantsat Eiendom tilbagebetales til Udstederen eller hans Arvinger. Saadant Dverfud er ofte beslaglagt af forskjellige, saasom efterfølgende Panthavere, Creditoret &c., og en Lov skal udstedes for at tilfælde beskytte ikke alene Pant til Staten, men ogsaa alle følgende Creditorer.

D. W. Jones,  
Statssecretär.

Sam'l D. Hastings,  
Statscasserer.

Gabriel Bond,  
Attorney General.
