RENOVATIONS UNDER WAY

There are two major renovation projects scheduled for Memorial Union this summer, which, upon completion, will enable the Union to serve its patrons even better.

The first phase of a project to upgrade the Commons and Lobby area is expected to begin in mid-July and will be completed around late October or early November. Plans for the area include moving and improving the first floor women's restroom and relocating and expanding the Deli.

Improvements to the Commons Desk area will be made during the second phase of the project next summer.

According to Memorial Union Operations Manager, Dick Pierce, "There will be no disruption of services this summer. There will be a bit of traffic disruption around the construction areas, but we will facilitate traffic with signage. There will be a lot of construction in a very small space, but it is sincerely hoped by the staff of the Wisconsin Union that inconvenience will be minimized for our patrons."

The project will result in a more aesthetically pleasing lobby; a larger, more attractive women's restroom; and expanded deli services. It's a big project and everyone at Memorial Union is excited about the changes.

The Union staff is also excited about the new air conditioning system which will be installed in Great Hall and Tripp Commons. The new system will be more efficient and reliable than the present system, and quieter! "The effect WILL be noticed," Pierce said. "Now we will be able to leave the air conditioner on during speeches and other events."

The old system must be taken out before the new system can be installed, so there will be some periods without air conditioning. However, large fans have been purchased to minimize the discomfort of Union guests, Pierce said. The project will begin in mid-June and will be completed in October.

These projects were made possible by patronage of Union members as the money for these projects came entirely from Union operating funds.

SUMMER MINI COURSES SPELL VARIETY

Variety is the key word to describe the Summer Mini Course offerings which start June 24. Thirty new courses have been added for the summer term, giving Union Members over 250 courses to choose from! With such a diverse assortment, there is something for everyone.

Summer means outdoor activities and your choices are many. For the adventuresome try **Hang Gliding**, **Rock Climbing**, **Sailboarding**, or our new **Paragliding** - a hot new sport from Europe that combines hang gliding and parachuting. For the more sedate there is **Horseback Riding**, **Wisconsin Wetlands**, or a **Historical Tour of the Isthmus**.

If you would rather be dancing, we have **Ballroom Dance**, **Jitterbug**, **Hop Polka**, or the more esoteric **Belly Dance**, **African Dance**, or **Ballet Basics**. Need to get in shape? Try **Body Shaping**, **Low Impact Aerobics**, or dust off that tennis racket and take our **Tennis Clinic**.

Especially for summer, how about **Fireworks Appreciation**? Or maybe the truly unique **History of the Grateful Dead**! Or if food is more appealing, try **Summer Picnic Salads**.

Feeling more practical? Take any one of our many computer courses, or enroll in **Basic Investments**. Improve your relationship with our **Relationship Series**, a series of four workshops. Overcome your fear of speaking in **Public Speaking** or **Breaking The Ice: Starting Conversations**.

And don't forget your children! Travel with your child to Chicago's new **Shedd Oceanarium** for a behind-the-scenes tour or explore the **Wisconsin Geology Museum** together and discover Wisconsin's dinosaurs. Perform **Paint Magic**, build **Creatures in Clay** or discover Lake Mendota in **Youth Sailing**. Call us today at 262-3156 if you have not yet received your summer Mini Course catalog. You will be amazed at the variety of opportunities we offer.

ART FAIR ON THE TERRACE

During the weekend of June 15-16 the Terrace will be transformed into an art bazaar as the Memorial Union Craftshop sponsors "Art Fair on the Terrace." Approximately 30 student and professional artists will be displaying and selling original artwork including paintings, drawings, graphics, ceramics, fiber, glass, jewelry, wood sculpture, photography, paper, leather and metal work, and other craftwork. All sales will be conducted between the artist and the purchaser.

The Craftshop is expecting a "healthy crowd" for the fair, which coincides with the opening weekend of the UW-Madison Summer Session. The fair runs from 10 a.m. to 6 p.m. on Saturday and Sunday, June 15 and 16. For more information about "Art Fair on the Terrace", contact the Memorial Union Craftshop at 262-1282 or 262-0330.

LITTLE RED MUG WINS NATIONAL AWARD

The Wisconsin Union's little red mug was recently chosen by the Workman Publishing Company in New York as one of 12 winners in its annual Good Guy Contest. The contest honors positive contributions made by an individual or organization to better our environment. As a Good Guy winner, the little red mug will be featured in the 1992 calendar, "365 Ways to Save Our Planet," which will be available for purchase in September of 1991.

In further recognition of the success of the little red mug recycling program, the Workman Publishing Company donated a maple tree to the Wisconsin Union which was planted at Union South.

We raise our mugs to all of you Union members who helped to make this program a success!

Two students enjoying their mugs.

YOUNGHEARTS CPR AND FIRST AID COURSES

The American Red Cross and Wisconsin Union Directorate's Younghearts have teamed up to offer First Aid and CPR courses at Union South. Classes in standard first aid will be held on June 5, July 17 and July 24. CPR recertification will be offered on June 4 and 18. CPR will be taught on July 8 and 15. Basic Life Support for the Professional Rescuer will be offered on July 11, 18 and 25. For more information, call (608) 263-2432.

SMOKING IN THE UNION

Smoking in the Union is now limited to the following designated areas:

- the north quarter of the Memorial Union Games Room
- from the pillars to the arches in the Rathskeller, Memorial Union
- Room 140C off of Einstein's at Union South

Please refrain from smoking in all other areas of the Union. Your cooperation in this matter is appreciated.

PITCH. TOSS. RECYCLE.

The next time you come to the Union you may see some brand-new posters that say, "Pitch. Toss. Recycle." They are there to remind Union users to do their part to help keep the Union clean. Union custodians work very hard to make the Union a pleasant place, but they can't do it alone. Please pitch in by tossing and recycling your trash when you're at the Union.
