AUTUMN DAYS

LARGEST P.T.A. GATHERING AT
FAREWELL TO MR. SORENSSEN AND
RECEPTION TO MR. VISTE.

The esteem held for the former Superintendent of Williams Bay Schools was shown by the large number who crowded the Gymnasium for the P.T.A. Meeting.

Business was dispensed with and the officers for the coming year were installed by Robert Thompson with the formal service prescribed by the National P.T.A.

Mrs. Harold Pierce, president turned the social program of the meeting over to Mrs. Robert N. Anderson, Program Chairman.

Victor Keiser played a piano solo, Carl Cable Bjorge, told of his trip to Europe, Edwin Van Biesbroeck took up the story where Carl left off and then showed three reels of moving pictures that he had taken.

It was an interesting and educational trip and the young men told their stories very nicely.

Mr. Sorensen gave the introduction of his successor, Mr. Kenneth Viste. Then the latter told of the fine record as well as reputation that the Williams Bay school had and hoped that he might keep it up.

The eyes of the educational world has been on our school and the fact that Mr. Sorensen had been called to an advanced step in the promotion of education at the University shows that the experiments being carried on have been successful.

Mrs. Arvid Thompson and Mrs. Robert Cook poured coffee at a beautiful and bountiful table.

With such a fine start, the P.T.A. got off to a great year of work in carrying out the aim of the organization which was repeated in unison during the installation, "First to promote the welfare of children and youth in home, school, church and community; to raise the standards of home life; to secure adequate laws

GEORGE WILLIAMS COLLEGE BEGINS
GOLDEN JUBILEE YEAR.

Commemorating the beginning of the school's Golden Jubilee year, 120 new students, the largest class to enter George Williams College, at its Chicago home, 5315 Drexel Av., matriculated on September 26th, says Dr. Harold C. Coffman, president of the school.

Half of the new class will enter the Junior College, the balance of the new students matriculating in the professional division of the school which trains men and women for work in such agencies as the Boy Scouts, Boys' Clubs, Girl Scouts, parks, settlements, Young Men's and Young Women's Christian Associations.

The school, founded in 1890 is commemorating its Golden Jubilee year with a drive for \$2,285,000 with which to establish an Endowment fund.

On Friday this week the faculty, new students, and College Association officers will arrive in Williams Bay to spend two days in a retreat, with discussions, lectures and recreation at College Camp which is owned by the college.

On next Sunday the annual Faculty Club reception and tea will be held at Dole Hall Grill, Chicago.

The College Camp had a very good summer: 2,514 attended 11 Feature movies; 1,750 attended the Educational movies; 5,725 attended the 13 services of worship; 2,010, the Sunday Musicales; 1,535, the nine Friday evening Lectures; 1,249 the 28 Auto and Boat trips. These beside the regular features of the Camp.

for the care and protection of children and youth.

Second, to bring into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child, and to develop between educators and the general public such united effort as will secure for every child the highest

SUGGESTION TO READERS

One of our readers suggests that we publish the names of our senators and congressman. Some may wish to write them expressing their views about the legislation now before Congress.

There seems to be three views prevalent among our people.

- 1) Those who would like to amend our neutrality act so that all comers can buy in this country for cash and take the goods of all kinds away in their own ships.
- 2) Those who do not want our country to sell any supplies which may be construed as war materials under any conditions.
- 3) Those who wish to wait and see what happens in Europe leaving the present act which was passed with out pressure of war as it is. If Hitler or Stalin should be winning and our nation threatened then go to the help of the allies.

You may have some ideas on the subject. Our Senators are: Alexander M. Wiley and Robert M. La Follete, Jr. Our Congressman is Stephen Boles. They are in Washington, D.C.

VILLAGE BOARD MEETS NEXT MONDAY

The regular monthly meeting of the Village Board will be held at 7:30 next Monday evening.

The meetings are open to the public. They are held in the upper room of the Fire Station.
