BADGER OARSMEN WIN FROM MANITOBA

HIGH SCHOOL MEET IS WON BY RIVERSIDE

Milwaukee Runners Duplicate Success of Last Year at Randall

BREAK 2 STATE RECORDS

Sending a team of track athletes onto the field fully prepared to capture points in practically every event, the Riverside high school of Milwaukee repeated its success of last year and won Class A honors of the 28th Annual Interscholastic track and field meet which was conducted under the auspices of the University of Wisconsin at Camp Randall yesterday afternoon.

Monticello high won the class B events from a field of stiff competition, and only during last few events was the meet decided in favor of the easterners.

The meet was characterized by the breaking of two Wisconsin interscholastic records. Kub of Milwaukee North, wrecked the record hung up by Dandowski in 1918 when he cleared the bar at 11 feet 6 11-16 inches. The Riverside high school relay team knocked 1 3-5 seconds off from its own record in winning the relay race.

Take Six Firsts

With 255 fans in the stands to back them, the Riverside team won six firsts, a second, a third, and a fourth for a total of 39 points. The West Division high of the same city made the race interesting for a time, and it was not until the last few events that the East Siders were able to pile up a noticeable margin.

From the beginning of the meet, everything went pretty much in favor of the Milwaukee schools, and it was only a matter of waiting to see which one of the Cream City aggregations would be able to pile up the larger number of points.

Graf Gets 10 Points

All of the teams entered had well balanced groups of athletes, as evidenced by the fact that the high scorer of the afternoon, Graf, Milwaukee East, amassed only 10 points. Shotola, Milwaukee West, tied with Graf for individual honors with a first in the 100 yard dash, a second in the board jump, and a third in the 220 yard dash.

Close Races

A number of the races were close and many of the finishes left a question in the minds of the spectators as to who was the winner. One of the prettiest races of the day was the quarter mile, in which a small man from Antigo by the name of Hoke sprung a surprise and walked away from a field of fast company.

Upset Guesses

An upset occurred when Schwarze of Milwaukee Washington beat the famous Graf's throw in the shot (Continued on Page 7)

Geiger and Packard Win Court Election

The results of the elections Friday for members to the student court were announced yesterday. The results for the various classes are as follows:

L and S. sophomore — John Packard; junior, George Geiger. Commerce sophomore — Mendez Hanson; junior, E. W. Anderson. Engineer sophomore — H. J. Gregg; junior, R. S. Phillips. Law — tie between Leo J. Federer, and Martin R. Paulsen. Medic — Cecil Dull, all students voted. Agric — Wm. A. Hartman.

HARESFOOT WILL GIVE \$100 PRIZE

A prize of \$100 has been offered by the Haresfoot Dramatic club for the best book submitted to the club next fall to be used as the 1923 production. The competition is open to all students of the school whether members of a dramatic organization or not.

A new policy of making an early selection will be adopted next year in order that the work on the play may be begun during the first semester. The office in the Union building will be open during the first semester of next year. Several students have already started writing books, but nothing will be decided until the early part of next fall.

The play must be in two or three acts and is for a musical comedy show. Anyone who is interested in writing should get in touch with any member of the club. A new play committee, consisting of Hobart Price '23, Porter Butts '24, and Joel Swanson '23, has been appointed to consider the plays submitted and to give suggestions to those competing.

A new venture for the Haresfoot club next year will be the building of its own scenery. Extensive plans are already under way to paint, build, and complete all the material for next year's production. The scenery committee which has been chosen to handle the furthering of the plan throughout the summer and next year is made up of Hobart Townsend '23, T. Faxton Hall '23, and Sidney Thorsen '24.

Virginia Mayer '23 Wins Horse Event

Virginia Mayer '23, and F. W. Suhr, president of the American exchange bank, took first places in the riding exhibition of five-gaited horses at the first annual horse show on the lower campus Saturday afternoon.

A varied program of pony harness racing for boys, rescue racing, broad swords, four foot jumps, mounted wrestling drew hundreds of spectators to the show. The prizes were silver cups and ribbons.

The winners are as follows:

University girls of Blackhawk riding class—Alice M. Cockrell, first; Mary E. Wendnagel, second. Military charges—H. E. Wicker, first; Phil G. Deicher, second; Howard M. Butterfield, third.

Five Gaited Horses Ridden by owners—Men: F. W. Suhr, first; Edward Young, Chicago, second; Herbert Brueckner, third. Women—Virginia Mayer, first; Margaret H'Doubler, second; Mrs. Robert Lee, third.

Rescue race—Sgt. H. Gersted and Pvt. Don Thomas, first; H. E. Wicker and R. G. Kitchen, second; S. O. Arnold and L. B. Dunn, ahird. Ladies three-gaited—Miss V. Dane, first; Mrs. O. Waz, second; Mrs. C. Holt, third.

Broad Swords—H. E. Wicker, first; J. Raymond Thompson, second.

Four foot jumps—Don Thomas, first; Mrs. C. Holt, second; H. E. Wicker, third.

Mounted wrestling—T. H. Field, first; H. Sergsted, second.

KRUGER WINS MEN'S SINGLES CANOE RACE

Harold Kruger was the winner in the men's singles canoe race on Mendota yesterday morning. Kruger and Rodder formed the winning team in the men's doubles event, with Roberts and Ohr second.

The rough condition of the water in the morning would not permit the running of the special feature races. Richard Meade won the motor boat race, and the Delta Upsilon entry led the field in the sailboat event.

Seniors to Decide On Fund Disposition

Propositions for the disposition of the 1922 class memorial fund will be made at the senior class meeting to be held at 12:45 o'clock in Music hall on Monday, May 29. Four tentative schemes will be offered the class: to add to the Chimes fund, to establish a loan or trust fund, or to erect a monument for the Wisconsin student soldier dead.

Class dues of \$5 are payable at once to Carl F. Engelhardt '22, class treasurer, 614 Langdon street. "It is important that this money be paid at once," said Englehardt last night, "since \$2 is payable to the Alumni association as membership fee and the remaining \$3 goes to the memorial fund."

VENICE REBORN IN WATER FETE

Tri-Delts, Betas, and Sigma Chis Win Venetian Night Prizes

A bit of old Venice, with its myriads of twinkling lights and beacons, its gayly colored floats, and its strains of soft music drifting with the breeze, was reborn on Lake Mendota last night, when perfect weather encouraged thousands to line the lake shore during the annual Venetian Night program.

Delta Delta Delta sorority was awarded first prize for the best float, and second prize went to Gamma Phi Beta sorority. Because of the exceptional quality of the floats, the judges were compelled to award honorable mention to Delta Chi fraternity, Katherine Ely '23 and Acacia fraternity.

Betas Win Pier Cup

Cups for the best pier decorations were awarded to Beta Theta Pi fraternity, first, and Chi Psi fraternity, second. Sigma Chi fraternity was awarded the cup for the best orchestra.

The Delta Delta Delta float represented a tableau on the "Idyls of the King." Agatha McCafferey '24, Beulah James '24, Lucille Hanson '24, and Marcelia Neff '24 were the figures. The Gamma Phi float represented a legend of the death of King Arthur. Richard Gibson '24 took the part of the king, and Dorothy Pearson '22, Florence Shroeder '23, Eleanor Day '24, Helen Tyrrell '24, Grace Maxcey '23, Roberta Lowden '23, were the other figures.

Give Venetian Serenade

The Beta Theta Pi pier represented a Venetian gondola in which an orchestra was serenading a Venetian woman in an arbor. Margaret Walker '22 took the part of the girl.

The Sigma Chi orchestra which won first place was composed of Herbert Boning '23, violin, Halbert Hoard '24, saxophone, Byron Story '24, and Don Ithiriz '25, banjoes.

Dean F. W. Roe and Prof. W. H. Varnum judged the floats, and Professors E. B. Gordon and C. H. Mills judged the piers and orchestras.

Review Cadets at Memorial Services

One thousand members of the University Cadet corps will take part in the Memorial Day service which will be held on the upper campus at 10 o'clock, Tuesday morning.

President E. A. Birge will review the entire Corps at 10 o'clock on the lower campus after which they will attend the services on Lincoln Terrace.

FINISH RACE WITH CANUCKS CLOSE BEHIND

Junior Varsity Defeats St. John's Military Academy By Big Lead

CADETS SPRINT AT END

In the first boat race ever held by the Badgers against a foreign crew, Wisconsin defeated Manitoba last evening on Lake Mendota by the close margin of one-quarter boat length. The junior varsity defeated St. John's Military Academy.

Upholding an international record, the Badger oarsmen stroked to the finish of the one and one-quarter mile course in the fast time of 5 minutes 37 2-5 seconds. This is the best time the crew has made in competition since the revival of rowing at Wisconsin.

Use Strange Shell.

Although slightly handicapped by the fact that they were using a strange shell, the Canucks kept abreast of the Badger squad until the half-mile mark was reached. Here, Coach Vail's oarsmen forged ahead, and, when the mile line was left in the wake, were three-quarters of a boat's length in the lead of the visitors.

Gain Rapidly.

A wonderful spurt at the finish almost gave the race to the Canadians. Creeping slowly up on the Badgers, after the passing of the last quarter mile mark, the north-ers inch by inch made up the gap between the bows of the two boats, and were gaining rapidly on the weary Wisconsin eight when the finish line was crossed, the Badgers still one-quarter of a lap to the front.

Junior Varsity Wins.

Taking the lead at the start, the Wisconsin junior varsity team held the St. John's crew at a safe distance throughout the mile and a quarter grind. At the first quarter the Badgers were one-quarter of a boat length in the lead, and at the half mile mark had increased their distance to three-quarters of a length. The academy oarsmen sprinted with spirit at the finish, but were not to be outdone by the Wisconsin squad, who spurted with (Continued on Page 7)

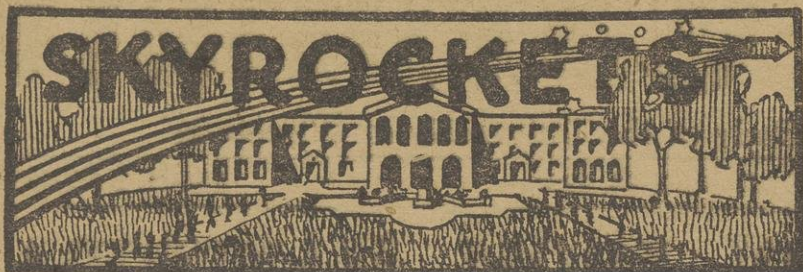

Senior Vesper to Take Place Today

The annual senior vesper service will be given on Muir Knoll this afternoon at 4:30 o'clock. The service is in the nature of a farewell to the seniors. Underclassmen will call for the seniors, who will wear their caps and gowns, and will take them to the service.

Isabel Capps '23, will preside. She will call on the following speakers to give short talks: Miss Marlatt, Ellen Correll '23, Marion Strassburger '23, Mabel Winter '23, Auta Lyman '22.

Ogg Writes Text on Political Science

"An Introduction to American Government," a college text written by Prof. F. A. Ogg of the political science department with the assistance of Prof. P. O. Ray of Northwestern university, is the most recent volume issued in the Century Political Science series. The book opens with a series of chapters on the elements and principles of political science. National, state and local governments are covered.

Russell Will Speak On Rural Conditions

Dean H. L. Russell will speak
tonight at the initial meeting of the
World Agricultural society on
"World Agriculture Conditions" at
7:30 in room 21, Agriculture hall.

Plans for an agriculture society
were first made at the time of the
A. E. F. at Beaune, France, and
later headquarters was established
at Amherst, Mass. The need for

such a society at Wisconsin and
the increasing interest in agriculture
led to the founding of the Wiscon-
sin chapter.

"The benefit of the organization
will be felt after the students leave
the university as it will serve as
a connecting link between differ-
ent countries. The problem of
food is a world problem, and stud-
ents from one land may gain an
idea of agricultural conditions in
other lands," declared Prof. H. S.
Donald yesterday.

Phi Beta Kappa Holds Initiation Banquet Monday

More than 100 members are to attend the annual initiation banquet of Phi Beta Kappa which is to be held Monday, May 29, at Lathrop hall.

Dean Charles S. Schlichter of the graduate school will deliver the main address on "The New Philosophy." There will be responding addresses from the junior and senior classes.

Prof. Charles Cestre of the French department will become an honorary member of the organization at this time.

The initiation ceremony will be held at the home of President Birge and from there the party will go to Lathrop hall where the banquet is to be held.

Swedish Scientist Visits Forest Lab

Dr. Everet Norlin, director of the department of organizational-technical chemistry of the Government Testing institutes of Sweden spent two days this week at the Forest Products laboratory.

Dr. Norlin has been sent by his government on a three months' trip to this country to study matters connected with the testing of certain materials, as lubricating, transformer and fuel oils, asphalt products, pulp and paper, leather and tanning materials. The testing done at the big local research laboratory was of special interest to him in this study.

Seniors to Give Annual Banquet To Alumni June 13

"Every member of the senior class is expected to attend the senior-alumni banquet to be given at the armory on Alumni day, Tuesday, June 13, at 6," said Reginald Garstang '22 chairman of the senior committee in charge of the banquet, yesterday.

The banquet is an annual affair and is attended by all members of the alumni association and of the senior class. After-dinner talks will be given by Bishop Samuel Fallows '69, and by President E. A. Birge, and will be followed by an entertainment of songs and dances furnished by members of the graduating class. "Bill" Purnell '22, Wells Carberry '22, and "Dave" Mahoney '22, are scheduled to appear.

THE SENIORS' SALUTE

ON the campus green last Friday the senior women bade an impressive farewell to their Alma Mater. No one alive to the significance of that event was left unmoved as the women marched in cap and gown led by their Keystone torch. Outwardly for the spectator it was a thing of beauty, but inwardly to the graduating women it was a moment of solemnity.

To that occasion the senior men take this opportunity to add their sincere gesture of parting. For the majority of the seniors the years spent here at the university will become a haven of memories. Few will continue their education in the higher studies. Most of them will ply their profession and seek to find their lot in the world's work. But no matter what they do and where they settle, the days at Wisconsin will ever act as a pleasant reminiscence and a refreshing incentive.

It is all an old story, but it is one that each year must renew itself. Some have been here for four year, some for three, and others for less, but for all the university life and atmosphere has been by and largely one of intense pleasantness. All have been living together in our university community, some with greater, others with less success, observing and learning their fellow students gleaned from every part of the country. Within that period lasting associations were made, many joys and triumphs felt, with perhaps now and then a sprinkling of petty chagrin. These were all part of a vigorous and wholesome university generation. However, Wisconsin, our common Alma Mater, is blessed with a beauty and senerity that will ever linger with him who has once lived in its midst, and at times will revive that inspiring pleasantness that everyone experiences here.

The senior class bids its Alma Mater goodbye. They can make but one promise. That is

to give joy and prestige to Wisconsin as alumni who hope to add their pittance to the creative treasures of the country in whatever capacity where their destiny leads. Wisconsin will ever remain in their hearts and with the great body of the older alumni they will take up the cry "On Wisconsin."

LOWER PRICES FOR JAZZ

IT is about time some action was taken to lower the prices of orchestras here in the city in view of the fact that in other university towns the prices are far below what they are here. The resolution to be presented to the Pan-hellenic and inter-fraternity council on Wednesday next urging some action to reduce orchestra fees is a notable step in the right direction. The spirit of the resolution is fine, for it does not provide for out-and-out boycott, as some of the other universities have been forced to ingage in, but provides for an equitable negotiation with the present orchestral organizations for the purpose of arriving at some agreeable solution.

* * *

OUR HIGH SCHOOL FRIENDS

WE ARE glad the high school tournaments turned out so successfully. There was nothing that could have brought the university to the high schools of the state so effectively. We want the men who have participated here to come to the university upon graduation from their schools and give their best to their state university as they are now giving to their high schools.

We congratulate the high school fellows upon their spirit in coming here and in the way they responded during all of yesterday's events.

* * *

WHAT STUDENTS NEED

THE real thing for the student is the life and environment which surround him. All that he really learns he learns, in a sense, by the active operation of his own intellect and not as the passive recipient of lectures. And for this active operation what he really needs most is the continued and intimate contact with his fellows. Students must live together and eat together, talk and smoke together. Experience shows that that is how their minds really grow. And they must live together in a rational and comfortable way. They must eat in a big dining room or hall, with oak beams across the ceiling and stained glass in the windows, and with a shield or tablet here and there upon the wall to remind them of the men who went before them and left a name worthy of the memory of the college. If a student is to get from his college what it ought to give him, a college dormitory with the life in common that brings is his absolute right. A university that fails to give it to him is cheating him.

If I were founding a university—and I say it with all the seriousness of which I am capable, I would found first a smoking room; then when I had a little more money in hand I would found a dormitory; then after that, or more probably with it, a decent reading room and a library. After that, if I still had more money that I could not use, I would hire a professor and some text books.—Stephen Leacock in Harper's.

* * *

The Course in Humanities, a new grouping of studies with emphasis on cultural rather than on professional courses, was established in the university this year.

* * *

Over \$400,000 was subscribed in 30 hours by Indiana students recently toward a million dollar memorial campaign for a new stadium, girls' dormitory, and men's building.

Galoshes have been substituted for engagement rings at Northwestern. It should prove a satisfactory substitute for one of the parties at least.

The ivy oration will be given by David J. Mahoney, the ivy ode by Kathrine E. Rockwell and Eleanor Sheldon, and the planting of the ivy by William K. Collins.

Drama is Portrayal Of Greek Mythology

Of all the beautiful fiction of Greek mythology, there are few more exquisite than the myth of Demeter and Persephone around which was woven the story of "The Tapestry of Time," the dance drama created by pupils of Miss Margaret H'Doubler, and presented in the open air theatre Friday evening.

Miss H'Doubler's work which has attracted distinguished visitors visitors from abroad as well as from all part of this country is a distinctive and lovely thing. There is an intangible charm about it that sets it apart from other interpretive dancing. Out of the Greek classic dance, Miss H'Doubler has created a form which she believes is properly known as the educational dance, an art form that meets the need of today.

Her plan is to make dancing "self-expression through the medium of bodily movement," according to her book, "A Manual of Dancing," which was published last July. When complete muscular control, through as series of fundamental movements has been built up, the student applies this to the elemental activities of running, leaping, galloping, and the like. Music note values, tempos, measures, and phrase grouping is later studied. With a conscious knowledge of the technique, the student is ready for creative work.

ATTENTION STUDENT BODY

Whether or not the orchestra prices will be reduced next year, the BADGER ORCHESTRAS will continue their present price scale, which is much below the average. This is made possible by students dealing directly with students without an exorbitant commission attached. Over thirty Social Chairmen have found that here is one place where high quality is not accompanied by high prices. We'll be on the job next year. "Nuff said."

The 1923 Badger The Best Badger Ever

To Hap Powell and Sherm Green:

You have produced the best Wisconsin annual that has ever been issued. Your daring foresight in enlarging the book to its artistic proportions, your consistent and logical arrangement of the various sections, your untiring efforts in gathering the material and your business-like manner of handling its production will be an inspiration to all Badgers to come.

Your success could not have been, had you not worked together so amicably. You both demonstrated your ability for team play—from beginning to end there was never a hitch and this spirit is reflected in the book from cover to cover. May future editors and managers profit by your example.

It has been a satisfying pleasure to work with both of you. The large majority of pictures were supplied by us, but it was your co-operation that really enabled us to give you the quality which you have graciously said that the pictures possess. I spent fully two months in making the art views for the opening section. This work was done at a big money loss, but I was fully repaid in the pleasure of our relationship through the year. I'll not soon forget it.

May your success in life be commensurate with the success you made in the 1923 Badger.

Yours sincerely,

Wm. J. Meuer

Pres. The Photoart House.

HIGH SCHOOL MEET IS WON BY RIVERSIDE

Milwaukee Squad Repeat Success of Last Year

Continued from Page 1

put. The Riverside boy lost to his fellow townsman a week ago at the St. Johns' meet, but it was figured that he would come back for an easy win today.

Spoil Chances

The chance to break a record in the mile was spoiled when the contestants set a fast pace in the beginning and negotiated the first lap in one minute. The rate of travel was too rapid, however, and the race ended only in mediocre time.

The competition in Class B was even keener among the leading schools than in Class A. Montellico, the winner in the lower division, finished only 3 points ahead of Spooner and La Farge, who were tied for second with 17 points each. Rewey also gave the winners a hard scrap; this school amassing a total of 14 points. Wisconsin high and Oconto Falls came next in line with scores of 12 1-2 markers apiece. The class B events during the latter part of the meet were the most closely contested of the day as every race counted in deciding the winner.

Prairie du Chien Rumps Off With State Net Title

Gordon Kieser, Prairie du Chien, romped off with the state high school tennis title yesterday afternoon when he defeated D. Wadewitz, Racine, in two straight sets, 6-1, 6-4.

Matches throughout the tournament were hotly contested and some excellent tennis was seen. Gruhn, playing second man for Racine, loomed up as a dark horse in the early part of the matches, by virtue of his decisive defeat over all opponents. In the semi-finals, Gruhn was eliminated by Keiser who later won the championship. Gruhn was compelled to play an extra match because of the method of pairing the contestants.

Wadewitz defeated Nesbit, Richland Center, in two fast sets in the semi-finals, 6-1, 6-2.

In the final play, the dislocation in Wadewitz's shoulder, which he incurred about a week ago, began to tell on him and made easy picking for his opponent.

Lawrence Robinson, Madison, displayed good tennis in the tournament and placed in the semi-finals.

Frosh Take Close Game From Juniors

The freshman baseball team won the championship of the interclass tournament when it defeated the juniors, 14 to 0 in a hitfest Friday afternoon.

Ambler, yearling outfielder, was the swatting star of the contest with four loud drives. He looks like good Varsity material next year.

Johnson and Brimmel were effective on the mound for the title-winners. Batteries were: Johnson, Brimmel, and Montgomery for the freshmen; Wall and Sperl for the juniors.

High School Play Excels in Acting

"As You Like It," by the Madison high school production presented Friday night at the high school, was well liked by the audience. In point of acting and of costumes it was quite up to the mark, even excelling for an amateur performance.

Herman Wirka, as Orlando, showed some excellent talent, his voice strong and dramatic and his bearing easy and convincing. Mildred Engler as Rosalind, and Lowell Frautschi as Jaques, interpreted their parts well, while Bernardine Flynn as Touchstone and Virginia Skinner as Audrey furnished abundant humor for the performance.

Mu Alpha Gives Recital-Reception

Mu Alpha, honorary music sorority, will give a reception-recital at the Delta Delta Delta house Monday evening in honor of Mrs. Doris Benson, Chicago, who is a guest of the Mu Alpha chapter. Mrs. Benson is the national president of Mu Phi Epsilon, national honorary music sorority.

The aim of Mu Alpha is to popularize the position of good music. The girls who belong to the sorority are recommended by the faculty of the music school and are approved by the director. They are chosen on a basis of musical ability, personality, scholarship, and activities throughout the university. Each one must be capable of a public musicale.

The officers are: Frances Landon '23, president; Vera Eastman '23, vice-president; Beatrice Walker '25, secretary; Lois Jacobs '24, treasurer; Janet Breitenbach '23, membership chairman.

The patrons of Mu Alpha are, Prof. and Mrs. T. T. Townsend, Prof. and Mrs. P. Dykema. Honorary members of the chapter are, Helen Gunderson, Glenore Caton, Helen Piper Law, Lucille Campbell Cooper, Jane Peterson, and Marion Phelps.

them and held a three-quarter length advantage at the final flag. The time for the distance was six minutes 2 2-5 seconds.

Lake Is Smooth.

The weather was perfect for the races, the wind dying down at sunset and the lake taking on an almost glassy stillness at the time of the staging of the two contests. A huge crowd had gathered along the shores and on the piers to witness the annual Venetian night festivities, and led by cheer leader "Gus" Tuckerman, cheered the Badger crews on to victory. The finish of the course in front of Park street was jammed with canoes and water craft of all descriptions.

Send Messages.

Semaphore messages from the Cardinal which followed the shells over the course, were received at the boathouse and kept the crowd advised of the progress of the rowers. At the conclusion of the races Coxswain Hanley, of the varsity, and coxswain Kitchen, of the junior varsity, received their customary bath for good luck at the hands of their mates.

The lineups for the varsity contest were:

Wisconsin: Captain Toepfer, 1; Puestow, 2; Jones, 3; Okerstrom, 4; Schuetz, 5; Crozier, 6; Johnson, 7; Brehn, stroke; Hanley, coxswain.

Manitoba: Creighton, 1; R. Carey, 2; Adamson, 3; E. Carey, 4; Watt, 5; Spry, 6; Galt, 7; Phinney, stroke; Hillhouse, coxswain.

The junior team which met St. John, consisted of: Walter, 1; Pearse, 2; Turner, 3; Plettner, 4; Smith, 5; Klussendorf, 6; Benson, 7; Newcomb, stroke; Kitchen, coxswain.

UNCLAIMED BADGERS TO BE SOLD MONDAY

All of the 1923 Badgers that have not been called for will be placed on open sale at noon Monday. Distribution has been going at a rapid rate since Friday morning, but some of the books are still uncalled for. If they are not called for before noon Monday, the business staff will assume that the persons who ordered them have left the university or do not want them.

War Mothers Will Attend Dedication

Thirty gold star mothers of Madison will be honored on Memorial Day, May 31, by the ex-service men of the university on Lincoln terrace at 10 o'clock.

A most solemn and appropriate program and service is being arranged by Dr. Bryan of the biology department. Several short speeches, and music will comprise the program and dedication.

Dr. Bryan in discussing the services said, "The ex-service men should report in uniform, if possible, at the Biology building by 9:45 to form the escort to the gold star mothers, and form the color guard. The lack of a uniform, however, should not deter the men from coming out."

WEATHER

The highest temperature during the past 24 hours was 75 at 3 p. m., yesterday, and the lowest 53 at 5 a. m., this morning. Precipitation .18. The sun sets at 7:26.

NO REPORT ON GAME

Up until two o'clock this morning no word had been received of the Wisconsin-Michigan baseball game.

Now about our new clothing department. Many of since outgrew our inadequate selling space. The enlargement of our store at this time is absolutely necessary. So during the summer months, we will build a fine, large addition. Not only that, but when you return next fall, you will find our present quarters entirely remodeled.

Nw about our new clothing department. Many of our customers have urgently requested us for a long time to put in a line of young men's clothes. These customers contend that it is an obligation we owe the student body to add a clothing department with the same good service, the same high quality of merchandise and the same eminently fair prices that obtain in all the other departments of the Co-Op.

After careful considering serveral lines of high grade young men's clothing we decided that in our new clothing department we would feature STRATFORD CLOTHES, the style Clothes of America.

Everything will be all set — fixed up fine—by the time you return next fall. Our fall stock of Stratford Clóthes will be complete. It will be assembled with Wisconsin's good taste and individuality in mind. By deferring the buying of your fall suits and overcoat until you return next season, you will save money and be able to make your selection from a stock that will contain the most stylish and best tailored young men's clothes in the country.
