The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user’s obligation to evaluate copyright and rights issues in light of their own use.
Some day there will be PEACE and PLENTY of Aluminum

Some day the wars of the world will end and peace will come again.

Out of the laboratories, the factories, and the test kitchens will come new ways to make living and home making easier, finer, better. Today, we, the world’s largest manufacturers of cooking utensils, are developing improvements in design, new convenience features, and greater quality so that you will have even higher cooking efficiency in MIRRO ware.

If you are not able to obtain all the MIRRO ware you need just at this time, you can be sure that when the nation’s defense needs have been served, there again will be plenty of aluminum. Remember, the name MIRRO will continue to be your guide to the finest aluminum cooking utensils.
