At the request of President Fred, Vice President Baldwin explained that the policy regarding leaves of absence for staff members called to military service was again a matter to be considered during the present national emergency and that the policy adopted by the Regents on this subject in 1941, had not been repealed.

These will be handled individually, but in accordance with the spirit of the above.

"In every case, leaves will be for a definite period, not to extend beyond the end of the academic year following the year in which the leave commences. Consideration will be given to the curtailment or extension of time upon requests of staff members made before the expiration of such leave."

Regent Jones presented the report of the Business and Finance Committee. Upon motion of Regent Jones, seconded by Regent Werner, it was VOTED, That \$9,090 be allotted from Unbudgeted LE receipts to the Supplies and Expense (Uniforms) budget of the Department of Military Science and Tactics to provide funds for uniforms for the increased number of Advance Corps ROTC students. At the request of Regent Jones, President Fred explained what was being done to refurbish the Knapp Memorial Graduate Center and explained that additional funds for this purpose were also being furnished by private donors.

Upon motion of Regent Jones, seconded by Regent Campbell, it was VOTED, That the Vice President of Business and Finance be authorized and directed to pay \$3599.97 to the Midwest Inter-Library Corporation as the University of Wisconsin's share of costs in the operation of the Midwest Inter-Library Corporation for the fiscal year 1950-51, and that \$3599.97 be transferred from Unbudgeted 1-E receipts to the budget of the General Library for this purpose.

Regent Grady asked to be recorded as voting "No" for the reasons which he had given in connection with previous consideration of this subject on the grounds that he seriously doubted the power of the University to devote any funds for University purposes outside the State of Wisconsin. Regent Kleczka asked to be recorded as voting "No" for the same reason as given by Regent Grady and for the reason that, although the Legislature had passed enabling legislation permitting the University to participate in the Midwest Inter-Library Corporation, he nevertheless was of the opinion that such enabling legislation was unconstitutional.

Upon motion of Regent Jones, seconded by Regent Hodgkins, it was VOTED, That the action of the President in requesting the Governor to release funds from the Post-War Construction appropriation for the purchase of Hospital equipment and for the preparation of plans and specifications for remodelling the present Hospital to accommodate it to the new additions now under construction, be confirmed and approved. (Confirming approval by the Executive Committee.)

Upon motion of Regent Jones, seconded by Regent Kleczka, it was VOTED, That an additional \$1000 be allotted from the 1-E Reserve for Capital Purchases, Remodelling and Contingencies for remodelling T-17 for the Nursery School, making a total allotment of \$12,500 for this work. (The Governor has released a total of \$8000 in two orders for \$500 and \$7500, respectively.)

Upon motion of Regent Jones, seconded by Regent Campbell, it was VOTED, That the Vice President of Business and Finance, with the approval of the State Chief Engineer, be authorized to sign a contract with private architects for the supervision of construction of the Memorial Library, and to charge the cost to the schedule of costs for the Library project.

Upon motion of Regent Jones, seconded by Regent Gelatt, it was VOTED, That the following contracts be awarded to the low bidders for piping and alterations in the heating tunnel on Charter Street; chargeable to the schedule of costs for the Memorial Library building; and that the Vice President of Business and Finance be authorized to sign the contracts:

Upon motion of Regent Jones, seconded by Regent Kleczka, it was VOTED, That \$4,134 be allotted from the War Surplus Reserve Account to Buildings and Grounds for the repair and remodelling of the Biology root cellar to provide temporary space for animal rooms needed by the Zoology Department.

Regent Jones presented the following recommendation of the Business and Finance Committee for the employment of investment counsel:

That the agreement with the First Wisconsin Trust Company, Milwaukee, to serve as Investment Counsel to the University, be extended for one year beginning November 1, 1950.

After considerable discussion and upon motion of Regent Jones, seconded by Regent Gelatt, a called vote was taken. Regents Gelatt, Hodgkins, Jones, Sensenbrenner, Watson and Werner voting "Aye" and Regents Campbell, Grady and Kleczka voting "No". The motion was declared carried. The Regents voting "No" on the above recommendation explained that their negative votes were for the reason that the First Wisconsin Trust Company, acting as investment counsel for the University, had, in their opinion, used poor judgment in advising the Regents to sell over 30,000 shares of the Clark Equipment Company common stock which had been received by the University as part of the Kemper K. Knapp bequest. Other Regents explained that the decision to sell the greater part of the Clark Equipment Company stock had been made by the Regents prior to the time the Regents had employed the First Wisconsin Trust Company as investment counsel and that the decision had been made because the majority of the Regents were of the opinion that the investment of the Kemper K. Knapp trust fund in Clark Equipment Company stock was too large under sound trust fund investment policies and that a large part of the stock should be sold in order to diversify the investment of funds.

Upon motion of Regent Jones, seconded by Regent Campbell, it was VOTED, That upon the recommendation of the University of Wisconsin Physical Education Alumnae Association, the Trust Officer be authorized to transfer from the principal account to the income account of the Blanche M. Trilling Scholarship Fund, a sufficient amount of income previously transferred to the principal account which together with the present balance in the income account will provide a scholarship of \$300 to a graduate woman student in physical education for the year 1950-51.

Regent Jones presented the following Resolution which he explained had been approved for recommendation to the Board by the Business and Finance Committee with two dissenting votes:

RESOLUTION

Whereas Clarinda C. Wyse, Guardian ad Litem for Frank O. Wyse and Clarinda C. Wyse, minors, has commenced an action in the Circuit Court for Milwaukee County (Case #225-793) against Irving A. Puchner and Marshall & Ilsley Bank, Executors and Trustees of the Estate of Elsie S. Wyse, and "The Regents of the University of Wisconsin" for the purpose of having the Court determine that Elsie S. Wyse, deceased, of whose estate the Regents of the University of Wisconsin is the

principal residuary legatee in the sum of approximately \$90,000 for cancer research, had created a trust in the sum of Five Thousand Dollars for the education and maintenance of Frank O. Wyse and Clarinda C. Wyse, and for the appointment of a successor trustee to administer such trust and ordering and directing that said trust funds be excluded from the inventory in the Estate of Elsie S. Wyse and ordering and directing that the executors account for all funds of said trust and pay the same to the successor trustee.

WHEREAS said law suit is now at issue and it appears that the interests of all parties would best be served by saving considerable expense and delay that would be involved in trying the same, and it appearing that there are issues of fact and of law involved which are such as to properly warrant a compromise of the claim and it appearing that the attorneys for the petitioner are willing to waive all attorney fees,

NOW, THEREFORE BE IT RESOLVED that the Attorney General be and he hereby is instructed to accept the compromise offer of Whyte, Hirschboeck and Minahan, attorneys for the said Clarinda C. Wyse, that said claim be allowed in the sum of \$4,000 with proper provision being made for setting up said sum in trust and expending the principal and income therefrom entirely for the education and maintenance of the said Frank O. Wyse and Clarinda C. Wyse, subject to such charges as may be properly allowable for the administration of said trust.

At the request of Regent Jones, the Vice President of Business and Finance explained the background and the information that was available regarding this claim. The question of the right of the Regents to compromise such a claim was discussed at some length and the Regents expressed sympathy toward the claim of the young people concerned for funds for their education. However, the majority of the Regents were of the opinion that the Regents should not compromise the claim because to do so would be going contrary to the established policy of the Regents which is to leave the determination of such claims to the courts. The motion to adopt the above Resolution was made by Regent Jones and seconded by Regent Sensenbrenner, and a called vote was taken. Regents Campbell and Sensenbrenner voted "Aye" and Regents Gelatt, Grady, Hodgkins, Jones, Kleczka, Watson and Werner voted "No". The motion was declared lost.

Upon motion of Regent Jones, seconded by Regent Werner, it was VOTED, That upon the recommendation of the Administrative Committee, effective with the first semester of the academic year 1950-51, students who are required by law to withdraw from the University to enter the armed service of the United States, or are required by law to enter some civilian activity in lieu of armed service, may receive full refund of fees. Refunds will not be made to students who receive credits for any work of the term from which they withdraw. This action takes the place of all previous legislation upon this subject.

Upon motion of Regent Jones, seconded by Regent Grady, it was VOTED, That upon recommendation of the Director of Student Personnel Services, the full remission of fees for the 1950 Summer Session to Robert E. Kohls be approved by reason that he was compelled to drop his summer school work to serve with his unit of the Wisconsin National Guard in its field training period at Camp McCoy.

Upon motion of Regent Jones, seconded by Regent Werner, it was VOTED, That upon the recommendation of the Director of Residence Halls, the following increases in room and board rates for the school year 1950-51 in University Residence Halls, made necessary by increases in operating costs since the budget was adopted, be approved:

	Present Rate	Recommended Rate for 1950-51

<u>Slichter and Kronshage</u>		
Double room and board	560	596
<u>Stadium (board optional)</u>		
Space in double room	160	178
