HISTORY OF WILLIAMS BAY (Instalment No. 5)

Neighbors of the Williams.

The editor is indebted to Mrs. Harold Williams on the Elkhorn Rd. for the sketch of the neighborhood back in 1857. A wall map of Walworth County, about 63x 40 inches, which was published by T.B. Redding and J.J. Watson, City and Map publishers of Elkhorn in 1857. The farm on which Mrs. Williams now lives is shown on the map under the name of Hiram Beals.

Mr. William H. Southwick who was born 83 years ago on the farm where he now lives gave the writer the names of some of the residents in the neighborhood when he was a boy.

Near where the Railroad crosses under S.T.H. 50 were the log cabins of Lige Godfrey, Jeremiah Ward and Festus A. Williams, the latter about on the site of the A.W. Harris home. William Southwick's father, Jonas, had a log cabin just this side of where the barn now stands. The family usually went to Delavan for trading over a meandering road which has been straightened out into S.T.H. 50, as there was no road to the Bay, the marshy land coming up to the foot of the rise of ground to the North, and the meandering road to Geneva Village being impassable part of the year.

Where the Kemah Farm is now located Warren Beckwith had a log cabin and not far away a Mr. Brownell had one.

On the Lockwood farm there was the Barnhart family, at De Lap's corner was John Handy and on the Ed. Perry 40 acres was J.T. Paddock.

Near the East Delavan Cemetary was the cabin of Job Williams, which with its additions was recently torn down. The stove wood and mortar construction was quite common when it was built.

Near East Delavan corners there was a Horse Doctor, Dr. Burr. C.E. Woodford was the first blacksmith. It was he who gave the land on which the church stands. The congregation, Baptist, was formed February 14, 1845, with Rev. Henry Topping, the first pastor. The seventeen members, Ira Utter and wife, L.H. Willis and wife, H. Beals and wife, Daniel P. Handy and wife, Mrs. Laura Bailey, Mrs. Clarissa Wright, Lucy Pierce, Jerre P. Ward, Mrs. Ward, Nelson D. Calkins and wife, Elihu Eaton and Mrs. Clarissa Vincent, met first in a log school house and erected the first church building in 1846.

Some of the neighbors built a store building to save their going so far for supplies. Thus East Delavan was a community long before Williams Bay. When the Railroad came to the Bay several families moved over here.

The first Doctor at the Bay was Dr. Strang who lived to the west of the John E. Anderson home. On the Kelley farm west of the Golf Course, George Southwick, father of the late Oliver P. Southwick lived.

Across the Bay was Otis Dodge. On the rise of ground above the Sewage Disposal plant Peter Robertson had a cabin.

The Kiah Bailey family had a cabin where John M. Smyth lives and across the road was the Fiske's.

The Edw. B. Hollister toward Elkhorn was the father of Albert Hollister and grandfather of Ed. and Lawrence.

The lots at Conference Point were wood lots of those living on the prairies. W.B. Van Schaik on Big Foot Prairie paid \$300 for the Point and after using wood off it for several years sold it for \$500. Before that Jonas Southwick had been offered the 40 acres at the point for a cow, but had refused the offer.

HIGH SCHOOL COMMENCEMENT

The largest Senior Class ever to be graduated from the Williams Bay High School was graduated last Friday night-June 7th, fifteen in number.

Mr. W. Ross Connors of Whitewater, the speaker, spoke on the very apropos subject-"Out of School Life Into Life's School!" He told the graduates-"the world seems to be turned bottom up, and it will take the energy and courage of the youth of to-day to right it. Use all your energy and the best there is in you to set aside any system which does not work out for the good of the world and pull or put all the good there is in you to bring about that which is good for all." MISS EVA IRVINE MARRIES

A wedding of interest to Williams Bay residents took place at Woodstock, Ill., on Saturday June 1-when Miss Eva Irvine became the bride of William De Young of Hebron Prairie. The bride is a graduate of the Williams Bay High School and has made her home for the past few years with the D. Higgs family on the lake shore, Fontana. They will make their home on a farm at Hebron Prairie. We extend congratulations and best wishes.

Miss Eva is the daughter of John W. Irvine, Williams Bay.

Mr. and Mrs. Nels Johnsen went to Winnetks Wednesday to attend the Commencement exercises at Winnetka High School from which their grandson Carl E. Johnson is graduating. He has been an honor student for four years, winning a scholarship. Paul and Theodore Burtmes, Grandsons will return with the Johnsen's for the summer.

NEWS ITEMS

The members of the Tuesday Afternoon Sewing Club brought their season to a close with a dinner at Lee's Kitchen Monday evening June 10, after which the group went to see Shirley Temple in "Our Little Girl" at Geneva Theatre.

A generous sum of money has recently been given by the Club to the Congregational Sunday School with which to help in the purchase of new hymn books.

Miss Mary Calvert returned home last Monday from Nashville, Tenn. where she was recently called on account of the death of her aunt, Miss Elizabeth Calvert, who was a sister of the late Mrs. E.E. Barnard who was a former resident of Williams Bay.

Mr. and Mrs. Martin E. Nelson, Chicago, have taken Miss Doris Mirrieles home for the summer, in Oakwoods Estates. Mrs. Nelson's sister and brother will be with them for the season. Mr. Nelson is Assistant Treasurer of the Chicago Stock Exchange. The Nelsons are not new to summer living in Williams Bay. They have spent several summers here during years past. We are always glad to have people come back year after year. It proves that we are not wrong in thinking that Williams Bay is not only a good town to live in the year round, but that it is the best town for Chicagoans to summer in.

Mr. and Mrs. Wm. H. Freytag were in attendance at the "Grass Root" Republican Convention at Springfield, Ill. Monday and Tuesday of this week. District Attorney Freytag was one of the delegates selected at a recent County Convention at Elkhorn, at which several from the Bay attended.

The 8" water pipe on Geneva St. at the Lackey Block sprung a leak last Monday which was discovered by water issuing from cracks in the street pavement. Caryl Ripley, Supt. of Waterworks, made a very good estimate as to where the leak was, as the pipe was seven feet from the edge of the pavement. Henry Kenyon and Don Krause dug until the leak was discovered.

James Armour for B.W. Christian Co. made the necessary repairs with little inconvenience to the patrons.

Mr. Oscar F. Carlson, Chicago who recently purchased the John A. Olson property on Circle Drive facing the lake in Cedar Point Park, is having the interior of the house decorated and other finishing done. Mr. Carlson is a Mechanical Engineer in Chicago.

Harry A. Algeo was the broker in the sale of the property.

We gladly welcome Mr. and Mrs. Carlson and family to Williams Bay.

THIS IS RAILROAD WEEK

Whistles on all locomotives on Western and Eastern Railroads were blown for one minute at 8 o'clock on the morning of June 10th, Monday last, the occasion being the 66th Anniversary of the driving of the "golden" spike, famous in railroad history.

Railroad week is being observed from June 10 to 15 in commemoration of the linking of the Atlantic and Pacific Oceans.

On June 1, 1888 the first railroad train entered and departed Williams Bay. The Railroads coming to the Bay was one of the leading factors in the development of Williams Bay, bringing the Yerkes Observatory to the Bay and bringing about the popularity of Williams Bay and Geneva Lake as a summer resort.

The public should bear in mind the railroads made and developed this country at a great cost, and have just spent over \$19,000,000 for new streamline trains and reconditioning other passenger trains.

TRAVEL THE SAFE WAY-RIDE THE TRAINS.
