### Table Of Contents

Far above the river's waters  
Stands a path to light.  
Hail to thee, our Alma Mater,  
Hail the green and white!

When our footsteps have retired,  
Long will live our praise  
For the friendships that inspired  
HAPPY HIGH SCHOOL DAYS.

For it's a U-Rah-Rah for Waterford  
For it's the school we love the best,  
When our voices sing in one accord,  
And we're ready to stand the test, to stand  
the test.

Bring out our royal banners, onward into  
VICTORY,  
For there are many schools in other lands,  
But it's Waterford for me.

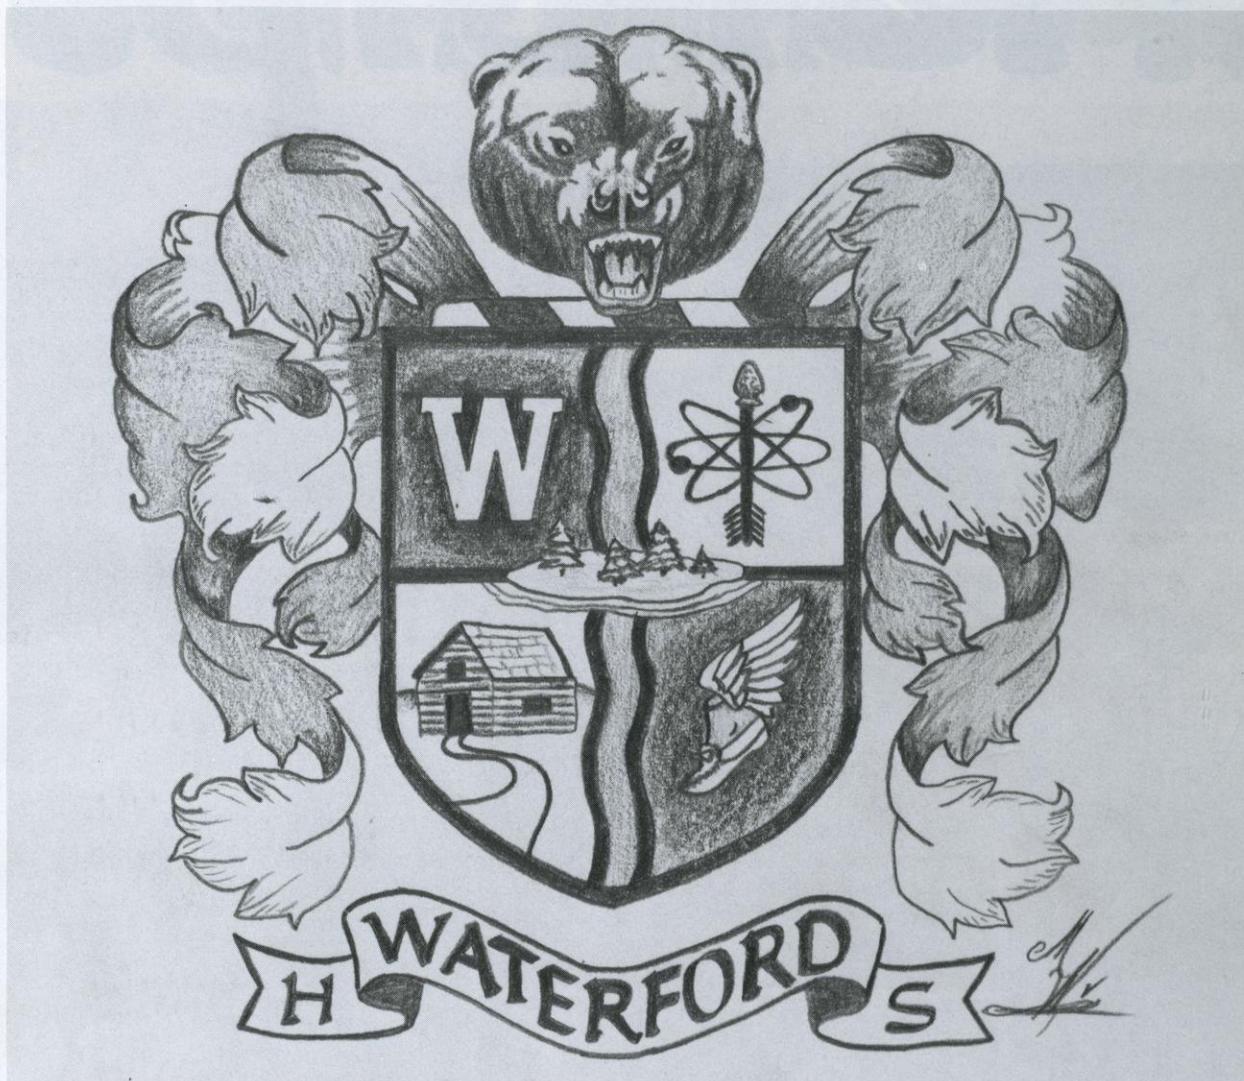

This Emerald yearbook is dedicated to you — for without you, this account would not be. It is dedicated to 1983-84 high school memories which are fastened inside a mere 144 pages and not to be forgotten. Most of all, this book is devoted to the entire Class of 84's friendships which must depart but not be forgotten. Time will forever treasure them until we meet again.

If you find mistakes in this publication, please consider that they are there for a reason. Our goal this year was to please all, so we tried to have something for everyone, and some people are always looking for mistakes.

# FACULTY CLASSES

## Administration

I think you can divide the world into 3 classes — those few who make things happen, the many who watch things happen, and the vast majority who have no idea of what happens. We need more students who make things happen. Continue to be doers, not watchers. Continue to be involved in activities. For the most part, you have accomplished a great deal. I am amazed at what you have accomplished. But don't stop. Get into action. Become involved in your community, church, politics, and school. Run for the school board, win, and you can tell me what to do. Think of the possibilities!

*Jas R. Zwifel*

I sincerely believe that the students and all of us here at WHS have worked together this past year. We had a goal — to raise academic expectations and demand more from the students. If you were motivated to work toward this goal and continue to put forth a greater effort to achieve greater heights, then you have been started in the right direction.

*G. R. Zuckeloy*

Secretaries: B. Finney, J. Harter, J. Favell, S. Alaxson, and L. Lewis

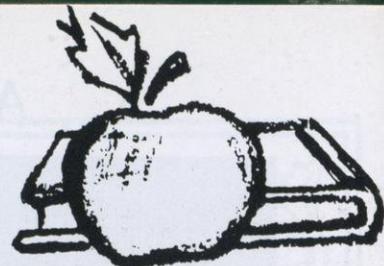

Cooks: Mrs. Smolensky, Mrs. Caliva, Mrs. Buholz, Miss Washburn

*Esther*

*Vivian*

*Jeanne*

## *(Tammy)* Secretaries Cooks

The secretaries and cooks are very important to Waterford High School. They handle many things, but each has her own responsibilities.

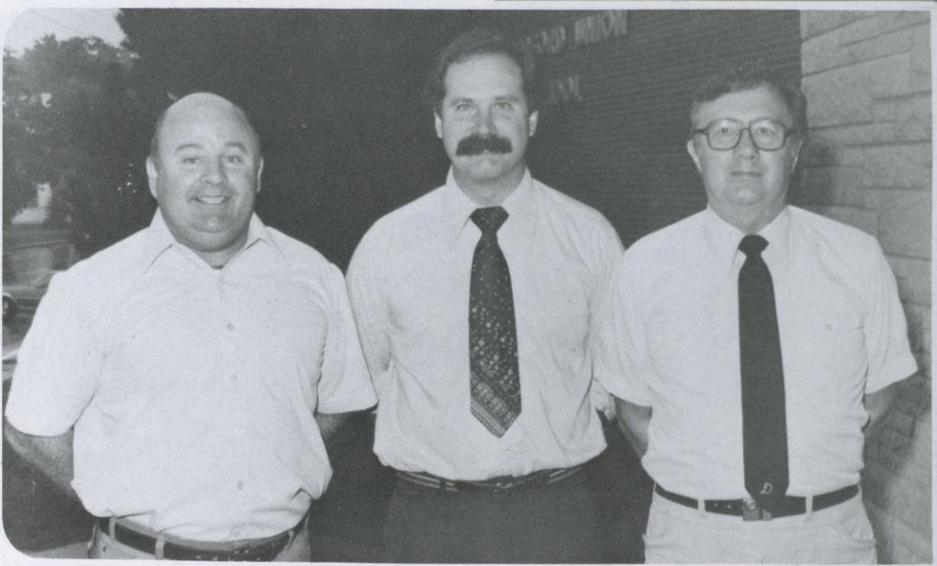

Sue Washburn is head cook, who along with the able help of her staff, organizes daily menus and meal planning. Mrs. Finney handles all computer grading and scheduling; Ms. Harter handles all correspondence coming out of the office. Mrs. Lewis takes care of attendance, while Miss Alaxson helps out in the library and Miss Favell takes care of all bookkeeping for the school.

# Those Who Exercise Minds

Top Photo: Mr. Tonn, Mr. Koprowski, Mr. Davison

Bottom Photo: Mr. Walgren, Mrs. Ebert, Mr. Lewis

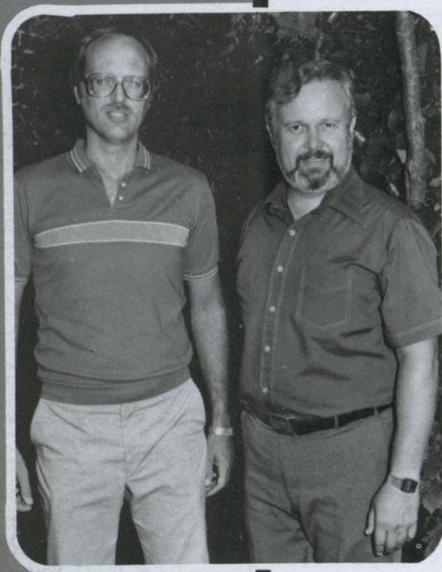

A great place to do a little research, catch up on current events or just relax is the WHS library. Mr. Tonn or Miss Alaxson is always ready to help find just the right book, magazine, or reference item needed for class assignments or some "r & r."

The Special Ed. program helps those students who have difficulties with learning. The teachers work with the students to help them do their best. They teach some subjects and also help them with homework from other classes. The Special Ed. teachers' goals is to help these students succeed in their high school years.

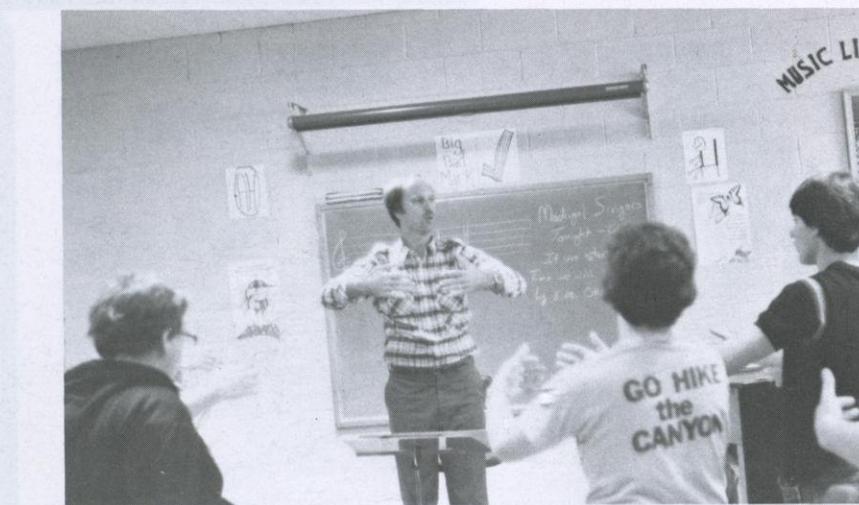

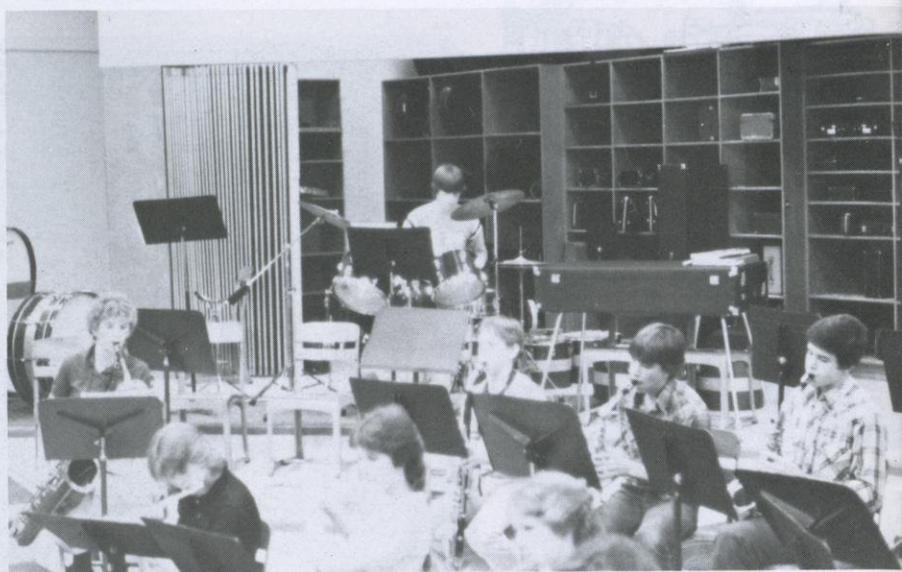

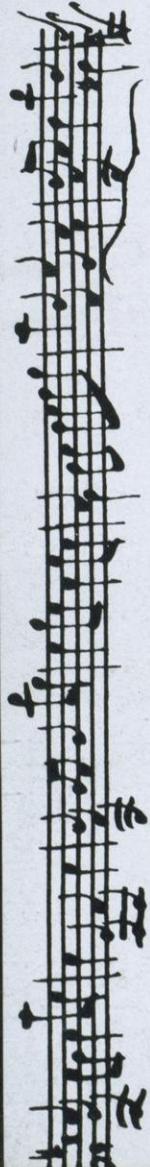

# Music Department

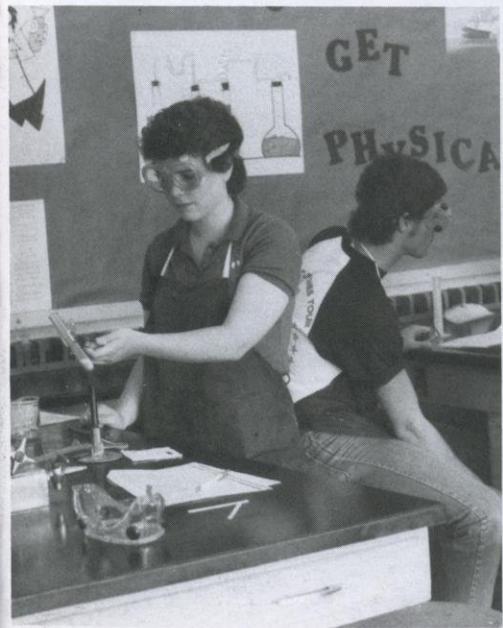

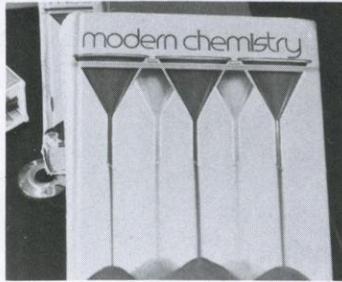

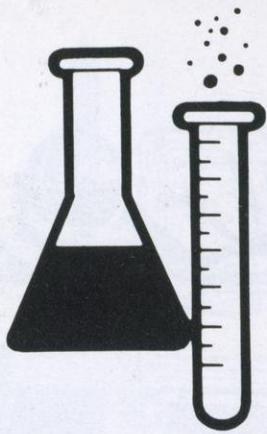

Mr. Westergaard and Mr. Krzyzaniak

The directors of the music department are Mr. "Slim" Westergaard and Mr. "Fred" Krzyzaniak. These directors really care about their students' "trebles." The choral program, run by "Slim," consists of the Mixed chorus, Treble Chorale, Concert Choir, and the Music Corporation. The band program, run by "Fred," consists of the Concert Band, Varsity Band, and Stage Band. All of the groups work hard during the year and put on several concerts.

# Science

From left to right: P. Bixler, L. Nannemann, M. Schraufnagel, K. Brandstetter, D. Harmeling

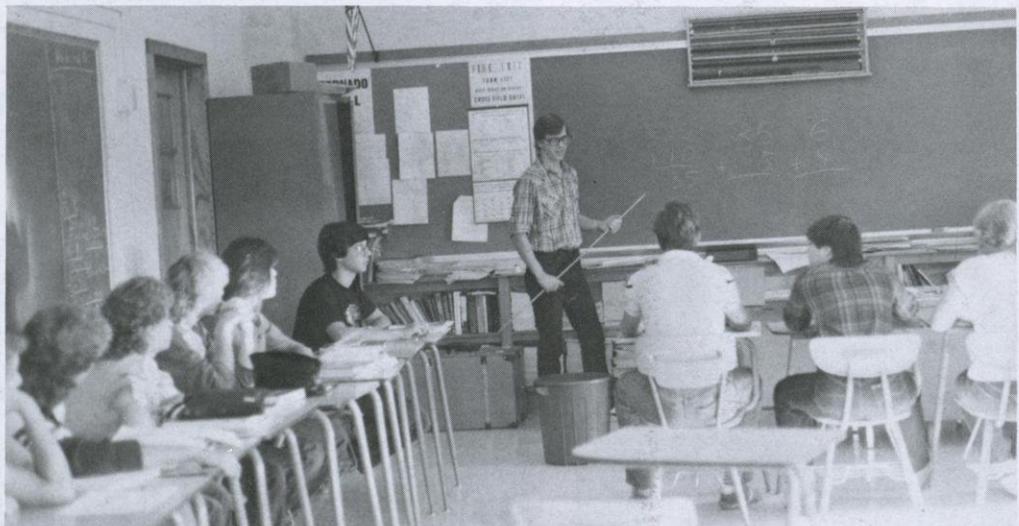

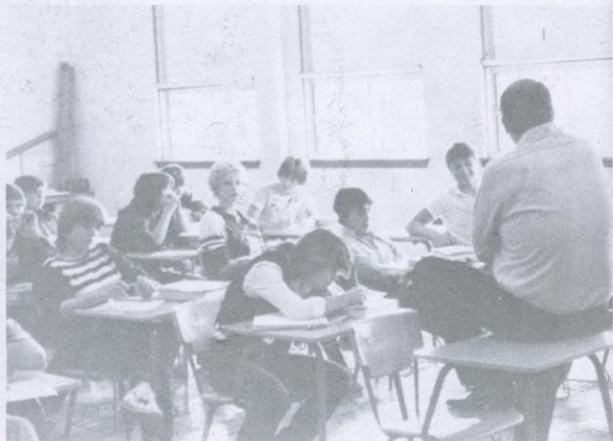

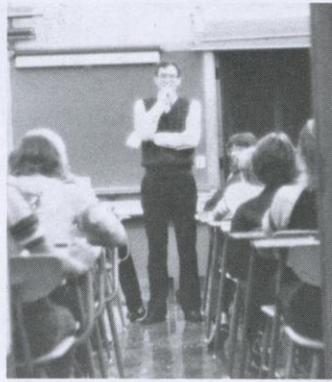

In Biology, the students are using the outdoor classroom again this year. In 1972, 40 acres along Buena Park Road were set aside for the purpose of an outdoor resource facility. Students and teachers alone care for the area and plant new trees. Advanced Biology approaches an independent study program where the students work on their own. Some popular experiments are operating on a mouse or dissecting frogs. Our chemistry and physics classes welcomed a new teacher, Mrs. Schraufnagel.

# Social Studies

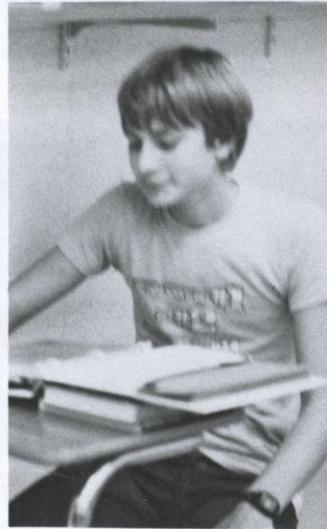

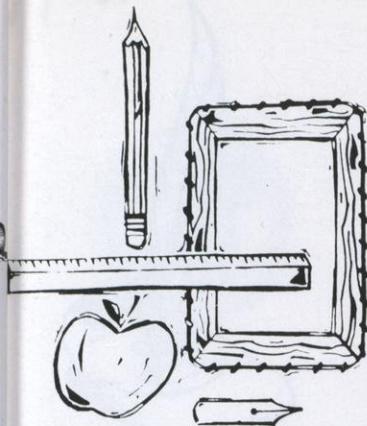

From left to right: J. Edwards, B. Bass, J. Hying, D. Olsen. Not Pictured: K. Sadowski and J. Rau.

Maybe one of the reasons why History repeats itself is because we don't listen the first time! Why do most students dislike social studies classes? Loosing money on our stock market, and making real money from our "fast food" shops, listening to Mr. Rau's stories, and listening to those boring history lectures - it isn't so bad!

# Mathematics

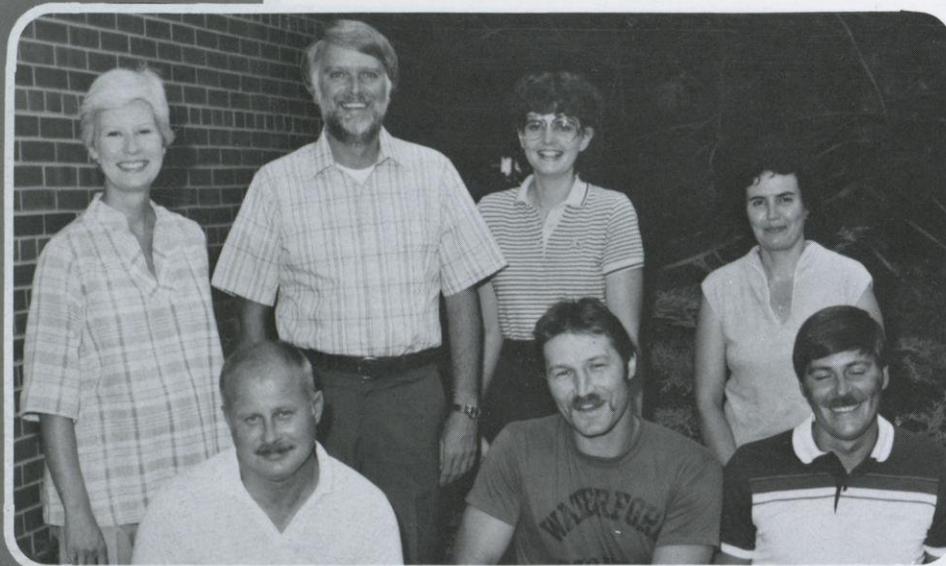

Row 1: M. Paetsch, R. Cook, M. Hammer. Row 2: J. Christiansen, D. Kelm.

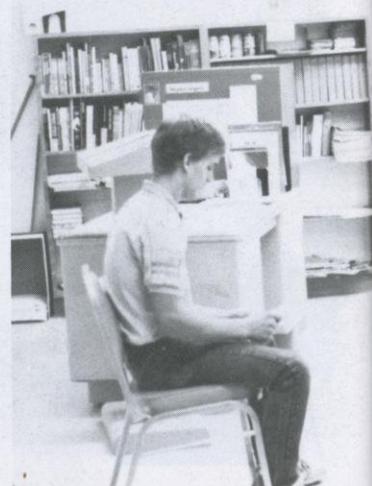

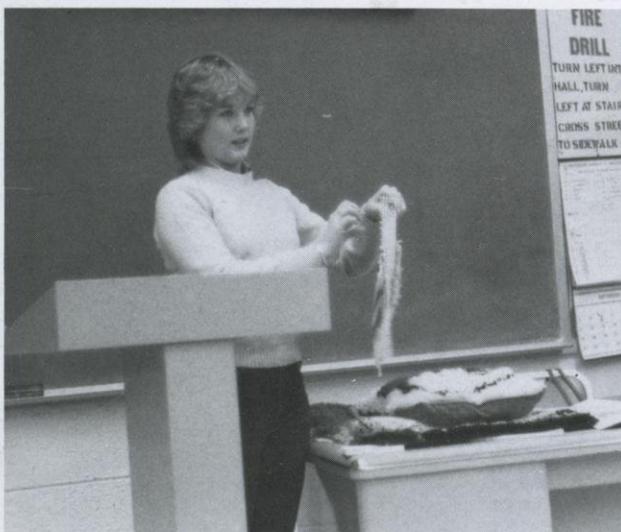

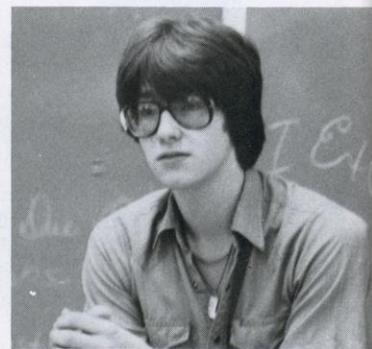

From  $2+2$  to  $18 \times 36$ , to  $2^5$  ( $89/4x$ ), the math department will take you through the step. Courses vary from General Math I to Advanced Math. Computer Math is also offered for the computer crazed students.

# English

Row 1: T. Bahr, D. LeClair,  
R. Beischer. Row 2: M.  
Bousquet, R. Eckhardt, L.  
Kau, C. Werner.

Before you took English, did you think an autobiography was the life story of a car? English doesn't only consist of grammar. W.H.S. also offers such courses as speech, creative writing, literature, drama, or composition. In critical thinking, we learn that people in bikinis may be drawn on ice cubes in our soft-drink commercials!

# Foreign Languages

## GREETINGS FROM SPAIN

En nuestro clase de español aprendemos escribir, leer y hablar español. También aprendemos transliteralmente español a inglés y inglés a español. Si te gusta la lengua de español entonces es fácil y todos divertidos!

## GREETINGS IN LATIN

Lingua Latina est lingua fundamentalia. Studimus Latinam et augerimus scientiam nostrae linguae Lingua Latina. Legimus multas fabulas antiquas. Tenebimus in memoria scientiam novam. Sumus felicissimi. Laboramus pro patria et ludo.

## GREETINGS FROM FRANCE

Dans la classe de français il y a beaucoup d'activités. Nous écrivons le français, bien sûr, mais nous parlons et écoutons beaucoup aussi. Nous aimons le rock n' roll (la musique pop) alors, nous chantons presque tous les jours. De temps en temps nous jouons un peu: aux boules, au monopoly, aux cartes. Nous aimons aussi étudier les gens français, leur culture, pas seulement la grammaire.

J.T. Schuster, J. Hying, L. Kau.

The Foreign Language dept. at Waterford consists of three courses: French, Spanish, & Latin. All three teach the basic grammar, vocabulary words, and some cultural ideas.

Some people think taking a foreign language is a waste of time, but having even a small amount of foreign language in your background could give you an edge in any job market.

Working hard or hardly working?

# Phy-Ed

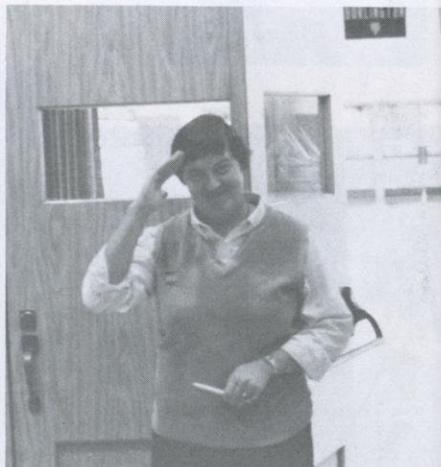

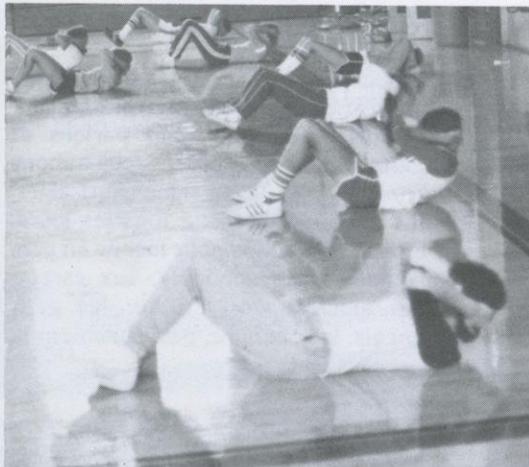

Back row: Mr. Harmeling,  
Miss Deichl, Mr. Gettrust;  
Front row: Mrs. Beck, Miss  
Schuster

For the person who is looking for a good workout, basic calisthenics, or competition against others, the Phy. Ed. department is the place to go.

Classes change activities often throughout the year, so each student will be able to participate in something of interest to them. Classes are often held outdoors for added pleasure.

# Home Economics

"See Brenda, I told you I know how to boil water!"

D. Noltner, M. Nitka

The Home Economics Department is a very diverse group of classes. Most people don't realize just how many opportunities are offered through Home Economics. Some of the classes include: Foods II, Sewing, Singles Living, Child Development and Parenting. Two new classes are offered this year. They are Sewing II and Food Service I.

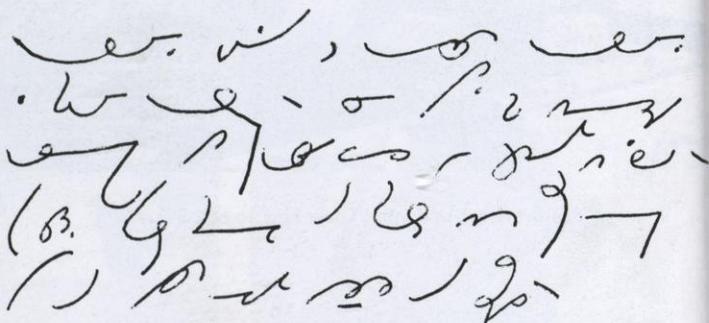

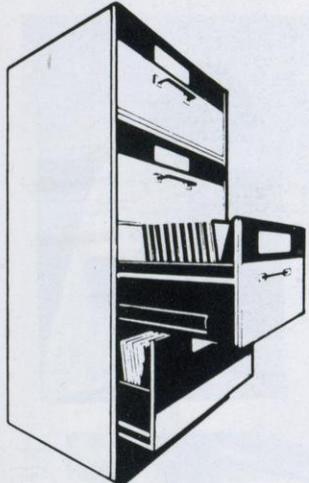

## Business Ed.

Back row: C. Bruce, M. Ranke. Front row: K. Held

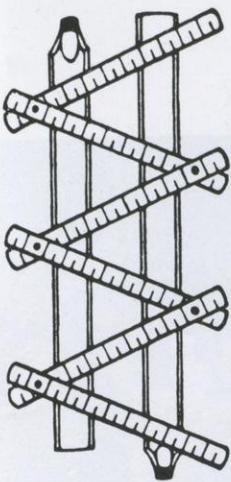

Perhaps the best place to have a wide variety of interests covered is the WHS Business Education department.

Not only are basic courses such as typing and accounting offered, but here clerical practice, shorthand, and IN/Vest give students further experience in the world of business. Students are also given the chance to see a variety of offices in operation through field trips taken each semester.

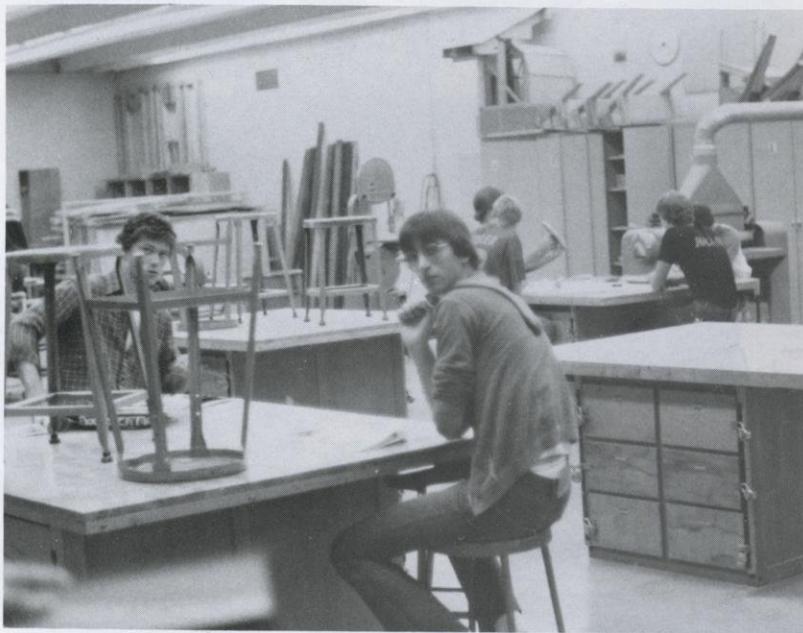

Greetings in Shorthand

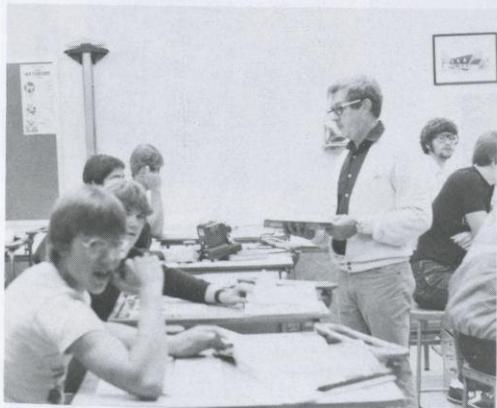

## Industrial Arts

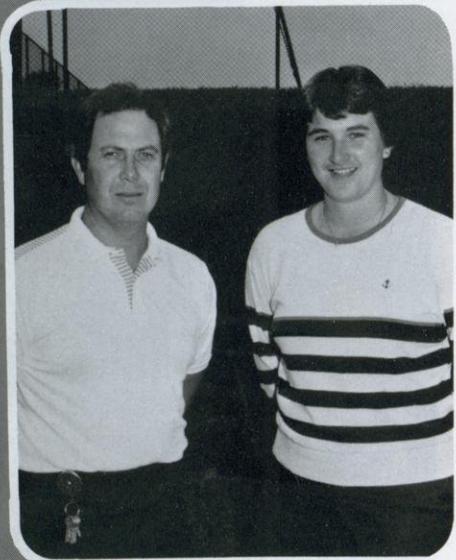

Back row: J. Whitford, N. McDermott. Front row: J. Wickler, L. Frye

Mr. Frye says that W.H.S. has one of the best shops in the state. In drafting you can learn how to lay out a house. In woods you can build a cabinet or even a grandfather clock! Can you believe that you can make a small building in carpentry? You can make tool boxes, tools in metals and machine shop. Other courses offered are small welding, and electricity.

# Health And Drivers Ed.

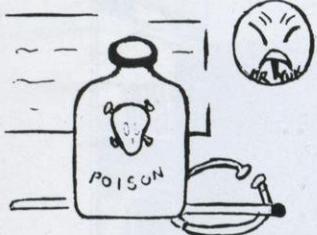

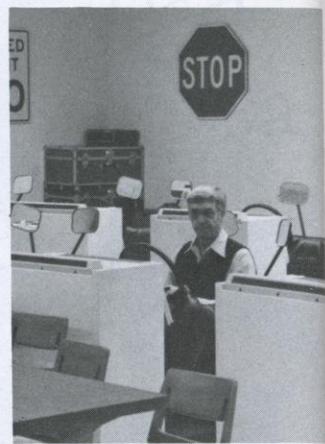

Mr. Harmeling  
and Miss Deichl

When taking a health class here at WHS, students will learn more than personal health and first aid. Discussions about emotions and defense mechanisms often teach class members about anxiety, depression, and jealousy. Time is also spent on drugs and alcohol and its effects on each of us.

Sophomores look forward to taking driver's ed. and behind the wheel. Just ask Mr. Whitford or Mr. Mc Dermott about some of the hair-raising experiences they've had teaching beginners to drive!

# Agriculture And Art

Top photo: Mr. Scott  
Bottom: Ms. Kipper

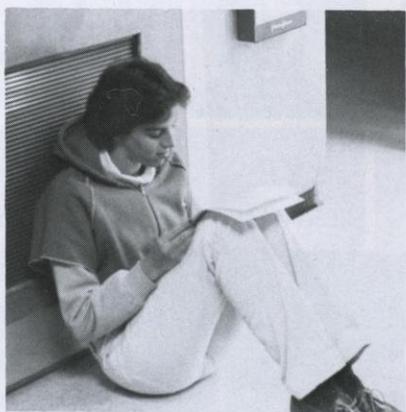

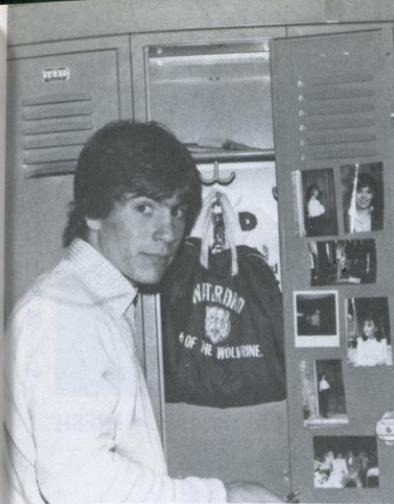

Four classes are offered through the Ag. Dept. One course is offered for each grade level. The purpose is to prepare students for meaningful careers in agriculture. School also provides an area for test crops to be raised by the students.

The Art Dept. is one place where students learn to express their creativity, ideas, and opinions, and to learn about artists from the past as well as modern times. Students are also encouraged to create new and exciting projects on their own. This year, several field trips were taken to various workshops.

# 1983 Homecoming

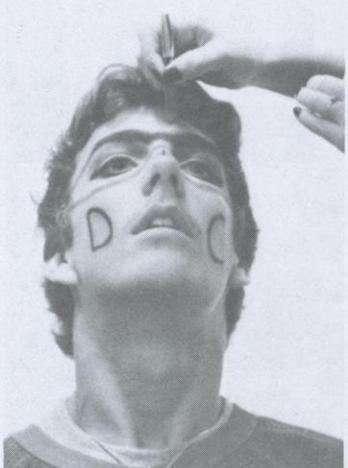

Some of the staff showed us how 50's day should really be!

Spirit Week brought on the excitement of Homecoming '83. The cheerleaders decorated the lobby with green and white streamers and Elmer Fudd whispering "Be vewy, vewy quiet; the Wolverines are on a Panther hunt!" Cheerleaders were auctioned off to anyone who had the highest bid and wanted a slave for a day. Spirited students participated in dressing for special occasions such as Western Day, 50's Day, Bandana and Shades Day, Punk Day, and Green and White Day.

Diana, is that really you?

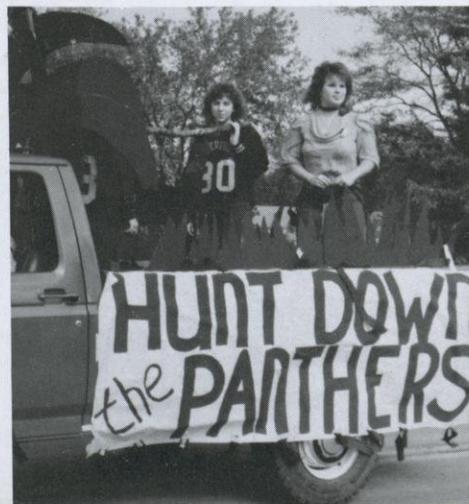

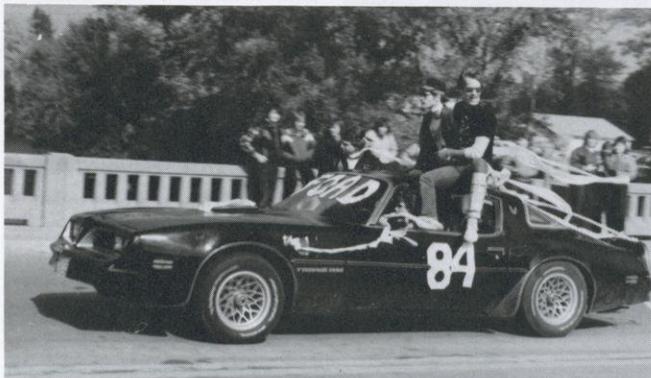

Dan gets his face painted for Punk Day.

Homecoming in Waterford began Friday afternoon with a parade down Main Street. Classes were dismissed early so the students would watch the festivities. The band and flag corp let the various floats to the football field. The junior class won the float competition with "Hunting for Victory." The senior class won second, and third place went to the sophomores. The Music Corporation's "Hit 'Em With a High Note" float took first place in the organization entries. FBLA won second and FFA took third place.

Shelly & Jeff attempt the ice cream drop

Girl and guy cheerleaders alike greeted everyone at the Pep Rally! A variety of competitions were held to make Homecoming '83 one of the most memorable.

The first activity was the ice cream drop won by the freshmen. Jori Whitford stood on top of a ladder and dropped scoops of ice cream into a cone held in the mouth of Shawn Gahagan. In the second contest, the sophomores won the cold spaghetti eating thanks to Brenda Allen and Tim Brudnicki. Junior winners for the relay race were K. Stalbaum, C. Windsor, and L. Schmidt and D. LaGrow.

Brenda, is it going in or coming out?

Come on Renee, you can do it!  
You've got a big enough mouth!

Seniors won the tug-o-war for the fourth year in a row. This year's participants were A. Barnickel, M. Waddington, R. Ludwig, D. Lehmyer, S. Greil, D. Lofgren, J. Kelly, J. Wessel, K. Markey, and M. Mattes.

Then the time came that we all were waiting for — the announcement of the WHS Homecoming queen! The candidates were as follows: Renee Heggemann, Kim Miller, Peggy Kendall, Deb Kastengren, Tami Shubert, Kelly Conners, Jana Whitford, and Mickey Pulley. The 1983 Homecoming queen was (drum roll, please) Kelly Conners!

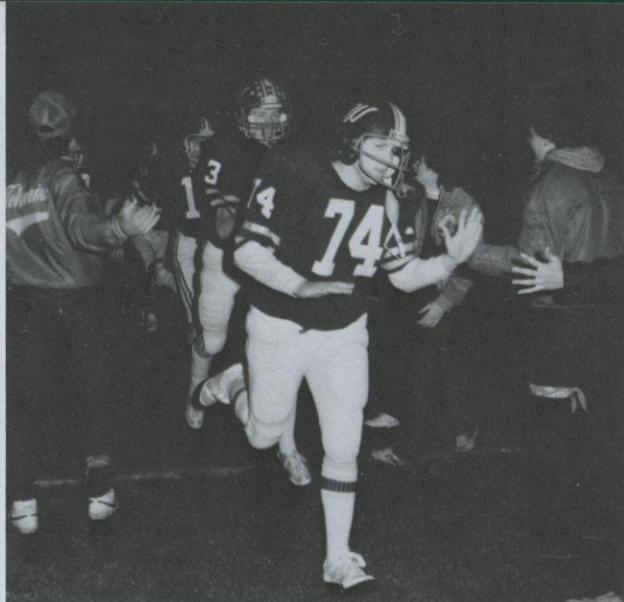

Following the pep rally were the girls' powder puff football games, won by the juniors.

# Game

The Burning of the "W"

The Wilmot Panthers were captured by the Wolverines in Waterford territory on October 14, 1983. The traditional burning of the "W" signified the start of what was to be an exciting game.

Even though Wilmot was the first to score, the Wolverines had control of the game. It was an appropriate ending to a fun-filled week, and gave many the chance to return to WHS and relive memories of their high school days!

Lining up for another big play!

The triumph of victory

The agony of de-feet

The agony of de-arm

With team MVP and 2nd team all-conference performer Doug Janke and 1st team all-conference lineman Mark Tamblyn leading the way, Waterford led an awesome ground attack in 1983. The Wolverines won some great games with senior quarterback Dan Harma calling the signals and 2nd team all-conference Mark Kaul carrying the ball. Racine Lutheran, St. Catherines, Elkhorn, Salem and Wilmot all succumbed to this brutal attack. A newcomer to

WHS, Rob Stahura, along with Brian Krueger and seniors Ken Klinzing and Dennis Lueneberg, helped the Wolverines to a 5-5 record. Though Waterford was usually physically out-manned, their hearts weren't. Close games were lost to Burlington, Badger, Grove, and Jefferson. Captains Dan Harma and Doug Janke provided good leadership under the direction of Coaches Bruce, LeClair, and Nannemann and injured reserve player Pete Paetsch.

The work of the football cheerleaders is underestimated. They must plan Homecoming and Spirit Week, decorate the lobby and paint windows, set up parents' night and lead cheers in the freezing cold! The varsity had a successful season this year with Deb Kastengren and Jodi Hegemann as co-captains.

# Volleyball Places 3rd At State!

Super! That word above all others may best describe the 1983 WHS volleyball season. The team ended up as conference champs, going 9-1 in the Eastern Division. From there, they were able to achieve one goal after another, becoming Class B Regional champs, Sectional champs, and then qualifying for State at Oshkosh on November 5, 1983.

Team captains were Amy Walsh, Kelly Conners, and Beth Greil, with Beth being named MVP.

## Cross-Country

The girls' cross country team finished up sixth in conference and took fourth at regionals. Pam Erwin and Melanie Hayne helped the team a lot by their strong running. Freshman Terry Calloway was the most improved runner.

The boys' team finished up ninth in conference and took fourth at regionals also. Most improved runner was Dean Pliska, and the runner who led the team with his strong showing was Steve Inman.

WHS gold team has "dead aim!"

Fifteen girls joined the golf team this year. According to Coach Frye, this is almost a record. The group is young, with only one senior on the team. Hopefully many of these talented girls will be returning next year.

MVP's for the year were Cindy Edlin and Tami Slak. Mr. Frye feels that this was one of the most enjoyable teams he has had and said, "Everybody was out to enjoy golf and have a good time."

The girls' tennis team showed steady improvement from last year. They tied for eighth in conference. This year's MVP was Lori Schmidt. Lori played no. 1 singles and was voted to 2nd team all conference. Pam Powell and Diane Johnson played well all season as no. 1 doubles.

# Girls Basketball

This year's girls' basketball teams have worked very hard in the off-season to improve their play. During the summer, they were involved in three or four different basketball leagues and several tournaments. Incredible performances were turned in by the five seniors, Julie, Heather, Mary, Kelly and Amy. Beth Greil often led for scoring and as a junior, and will return to help out the Wolverines for yet another season.

## ... During . . .

This year's **Emerald** got off to an early start. In fact, it began last year with a survey asking questions of the student body such as "What color would you like the yearbook to be?" and "Do you have any ideas for a theme?" The results were calculated; the colors would be green, gold, and white. The theme was a tie between "friendships" and "memories." That is how we came up with the theme "MEMORIES FOREVER CHERISH OUR FRIENDSHIPS."

Our goal this year was to please all. Many ideas came from you — the student body — so this is your book.

The work of the yearbook staff is greatly underestimated. Special thanks go to Mark Malison and Mike Waddington for artwork; Snappy Happy Kevin Scheele along with Scott Christensen for photography; dedicated staff members Jenny DePatie & Becky Springer; Marcia Ranke, the advisor, who put in countless hours of dedication; and finally, the students and staff, because without you this book would not be possible!

The goals include student council issues and complaints, student services such as donut day; community services such as the blood drive and "Snack With Santa."

## NHS

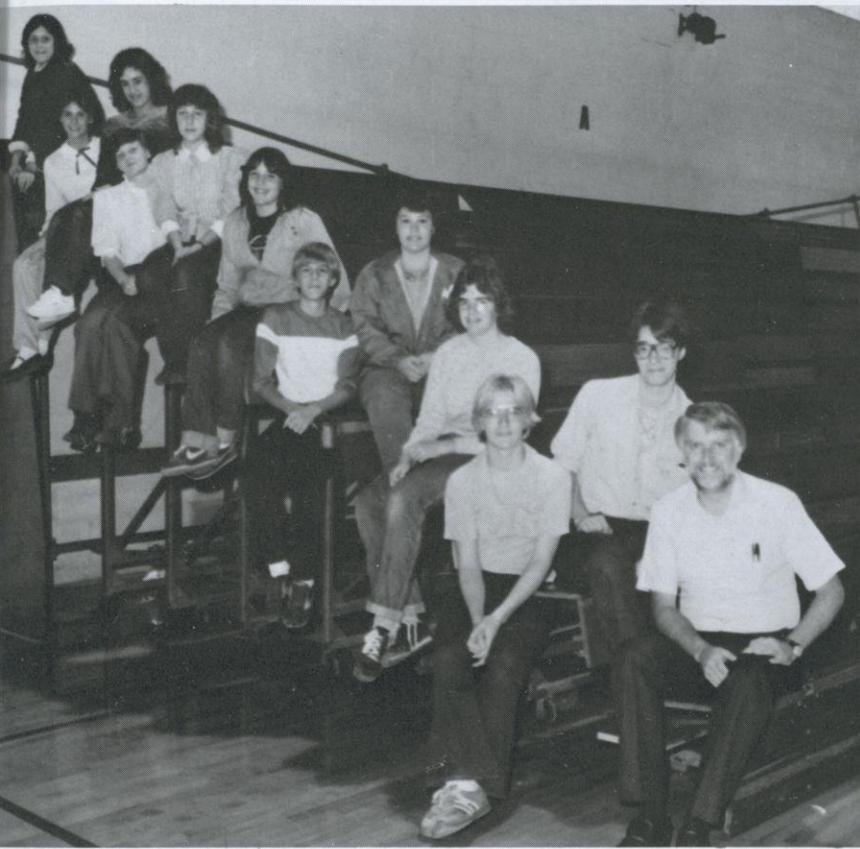

Each year certain students from WHS are selected for membership in National Honor Society. The selection is based on scholarship, character, leadership, and service. The prime requisite is a 3.5 GPA or better. However, only a certain percentage of each class receives this honor.

## Stage Band

The Stage Band had an exciting year. They held a grade school clinic for the first time. The most talented musicians from surrounding schools participated. The group also played at assembly programs at various high schools. Those who attended their spring show know that the state band had a great year!

## Swing Choir

The 1983-84 Music Corporation was off to an excellent start. They began performances in November and participated in competitions at Wisconsin Dells and La Crosse. They also participated in the WSMA Solo & Ensemble. It is obvious to see that this talented group of people will go a long way. As for the new members of the 1984-85 Music Corporation — Knock 'em Dead!

## Frosh Choir

The mixed chorus is made up of a very promising group of freshmen. "While they are small in numbers, they are big in sound, and will contribute to a bright future for the choral department," says director Kim Westergaard.

## Concert Choir

The Concert Choir is the largest group of all the choruses. "Slim's Singers" work on more advanced music than the mixed chorus and treble chorale. The group contains the most advanced girls and boys' singers in Waterford High. The director is proud of the group, yet feels the concert choir has many goals to reach.

Pucker up, Piggy!

## Madrigal Dinner

Keep tooting girls! Recorders pictured. left to right: K. McKane, C.J. Schildt, J. Christiansen, K. Grasse.

The Madrigal Dinner celebrated Christmas in a rustic renaissance atmosphere complete with Wassail, a toasty fireplace, medieval clothing, and carols sung by madrigal singers. A feast of such delights as ham, stuffing, mashed potatoes, cheese vegetables, hot rolls, and plum pudding were served.

# The Music Man

This year's spring musical was "The Music Man." A salesman, a romance, and a lot of stubborn Iowa townspeople combine to form a musical that was funny and enjoyable.

Harold Hill finally finds what he's been looking for in the Library!

The Shinn Family plays on "Family Feud."

It's so hard to be constantly gorgeous!

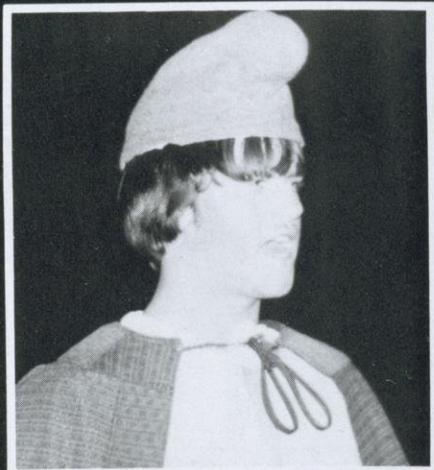

The good reviews of the musical brought smiles to the salesmen's faces.

William Shakespeare's  
**A Mid Summer  
Night's Dream**

The Waterford High School Drama Department launched a new adventure this year — a Shakespearean Comedy. The students performed Shakespeare's *A Midsummer Night's Dream*. This classic, full of fanciful people and hilarious situations, was well received by all.

**Glitter, shine, and sparkle — That's Broadway!** Broadway came to Waterford High School in "The Show — A Salute to Broadway." The Show is an annual event at Waterford High School, run entirely by students through the Student Council. The money is always donated to a charity. This year the money was donated to the Midwest Athletes Against Childhood Cancer (the MAACC Fund).

Drama is alive and well at WHS, thanks in part to the W-Bits. The group sees productions, helps with in-school productions, and recognizes actors and actresses for their work. To All My Friends at WHS:

The farewell time has arrived. I knew one day it was going to be, but I didn't expect it so soon . . .

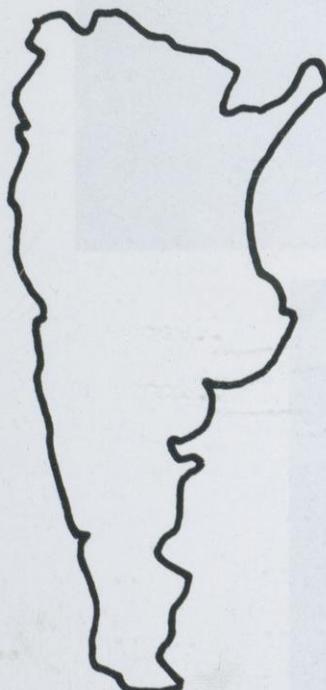

All what I have lived will stay in me forever, as a memory of a wonderful experience.

Everyone I met was very nice to me! I want to thank everybody for everything that was given to me. You people really made me feel as in my own home.

But more than anyone else I want to thank the Cross family for letting me be in their home as one more member of their family.

Love all of you,

Monica Sales

Dear Friends:

First, I just want to thank you all for being so kind to me. You have really showed me the very best side of the American people.

I have had a very good time here in Waterford, and I will remember it for the rest of my life, as one of the best experiences I ever had. I have got a lot of new friends and "relatives" and I will keep them in my heart forever.

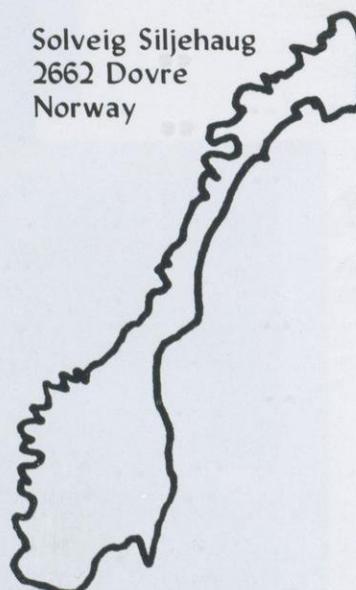

I really hope that I can come back to Waterford and visit you one day, and I sure hope that I will see some of you in Norway so I can return some of the favors you have given to me.

I have to say good bye now, but a part of me will stay in Waterford, and a part of Waterford will always be in me.

I wish all of you the best of luck in your future life!

Love from

Solveig Siljehaug

Hi Friends of Waterford!

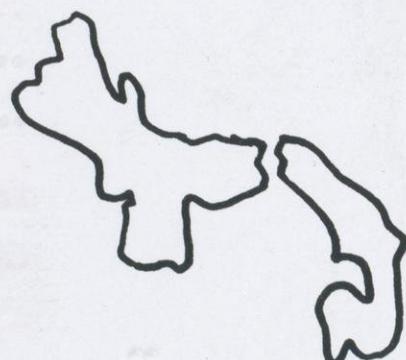

Well, my time to go back to Panama is here! I think these nine months I spent here past so fast! I would like to be here for a long time, but I have to go back.

I want to say thank you for making me feel like I was in my own country, for saying "Hi" when you saw me anywhere, and of course, thank you for being my friends. I really won't forget anything about this wonderful year, especially the winter, because this was the first time I saw snow and felt this cold weather!

I hope I can come back to America sometime. I will have everyone of you in mind always. I think the Youth Exchange Service really did a wonderful job sending me to Waterford.

So long!

Arelis,  
Panama

## Farewell, Now, My Friend

I love you, my friend,  
You're quite dear to me.  
A true friend you are  
And will always be.

But you're leaving me soon  
And going your own way.  
Perhaps we will meet  
In the future some day.

You've left me with memories  
Of good times we've had  
To treasure forever  
And make me feel glad.

I wish you good luck  
In all that you do.  
May all of life's pleasures  
Come your way, too.

Farewell, now, my friend,  
And please may you find  
Some thoughts of me  
Always in your mind.

To Whom It May Concern:

Have you ever had the urge to be spontaneous? To go swinging or to take walks in the biology field on Halloween night? Well, so have I! Let me warn you, though, the police may think you are doing something evil. So watch out!

A Fellow "Evil-Doer"

To Amy Walsh:

You are the foxiest person I have ever seen. I've had my eye on you ever since freshman year, but I never had the courage until now to say anything. I love your style! I love your grace!
