PRESENTED BY CLASS OF 1965

# That Wonderful Year!

That Wonderful year! The Emerald Staff chose this as the theme of the 1967 yearbook. This year we saw our first foreign exchange student. All of us enjoyed having Gus and we were proud to welcome him as a part of WHS. In November construction of a "dream" began. The new athletic field is now taking shape and it will bring enjoyment in future years. The all school musical, "Camelot," was a huge success and will be remembered for many years. The staff hopes you will agree with us that this indeed was a wonderful year!

Located on the west side of school is the location of our future football bowl.

In October, Govenor Knowles visited Waterford and dedicated the new Safety Building.

Waterford High Schools production of "Camelot" was a big success.

Gustavo Stolk-Toro was Waterford High School's first foreign exchange student.

ROW 1: John Scheele, Eugene Gunderson, Lyle Jasperson. ROW 2: Earl Ranke, Earl Rowntree, W. K. Carter, and Donald Beardmore.

## The School Board

It is a privilege to have a part in your fine annual again this year. As this is written it is January, 1967. Another year has past and Waterford High School moves forward.

About a year ago Waterford High School was accepted into the North Central Association and now is a fully accredited high school. This was the first try at becoming affiliated in North Central. It was an honor to be accepted and we passed with flying colors. Many thanks are due all personnel.

Our student council must be commended for their idea, originally, of financing a program in the American Field Service program and to our entire student body in making it a tremendous success. This year our school is privileged to have their first Foreign Exchange Student.

A great change took place last November as machinery moved in and almost like a dream come true a much-needed new parking area came into view on our property west of our school. This, along with grading and construction of our future football, baseball, track, tennis and Physical Education fields will truly take shape and become a reality.

It has been a privilege to serve my district for the past seven years and I just wish to say thank you so very much to everyone. The unity and the cooperation has been wonderful. I am truly grateful for everything.

On behalf of the Board of Education, I wish to congratulate the Class of 1967 and wish continued success in the future.

Eugene Gunderson, President

W. K. Carter, Superintendent, Waterford High School.

## FACULTY AND CLASSES

MRS. COOLEY

MRS. LACKEY

## Learning Is A Life-Time Occupation

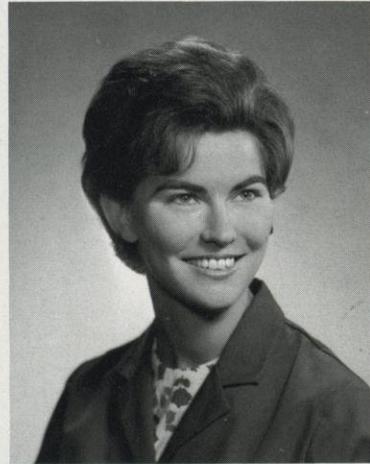

Early in the school year the English staff held meetings to study the English curriculum and evaluate the program.

They planned a program to update the

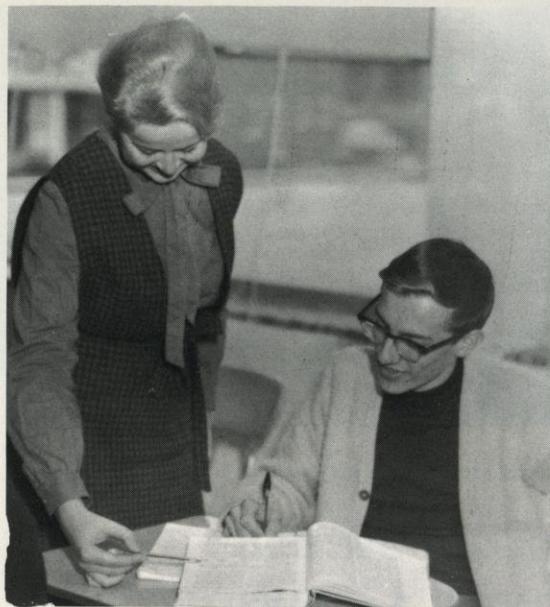

teaching of English at Waterford. A monthly newspaper was printed by the English staff to keep the parents informed of the activities and current news in the English department.

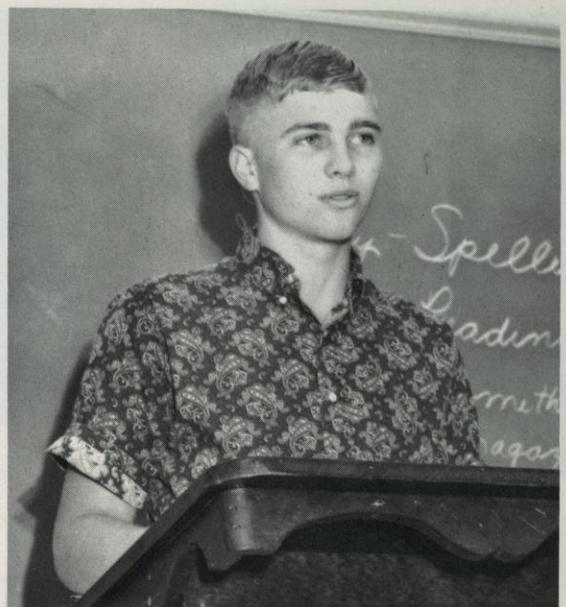

MR. MOLTHEN

MRS. PETERSON

Mrs. Lackey lends a helping hand to Daryl Schneider in Sophomore English.

Dale Roanhouse gives an impromptu of our football season in Junior English.

## English Department

Nila Greeley demonstrates how to make punch in speech class.

Ruth Mueller gives an inspiring discussion on the Senior's favorite novel, *The Aeneid*.

Five fourth year French students perform a skit in French.

## Language Interest Grows

MR. WOLCOTT

Foreign Language students are offered a four-year French course, or a two-year Latin course. Latin students are taught with the aid of films and tapes. French students study grammar, French Literature, and conversation. This year any student who made the mistake of using an English word was charged a penny!

Charlie Schumacher masters his Latin.

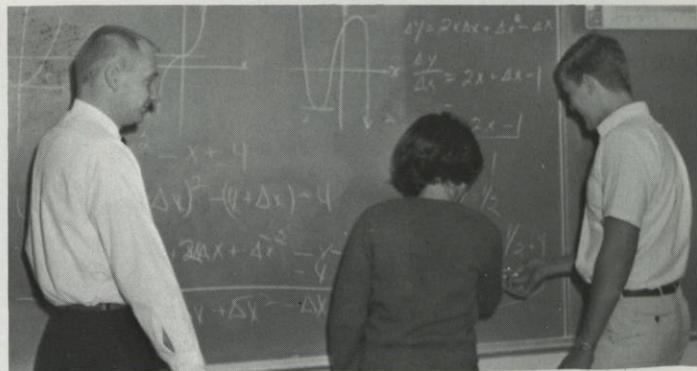

Debi Stalbaum listens intently to a French tape.

Mr. C., the boy needs help!

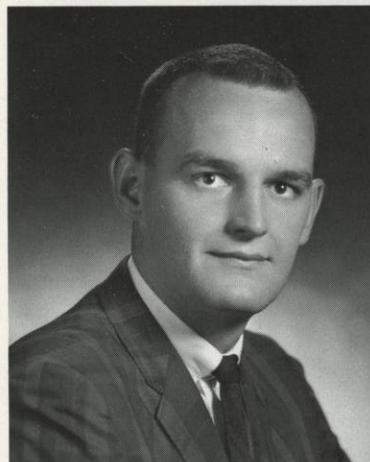

Sandy Sullivan and John Brinkmann work out a problem in advanced math.

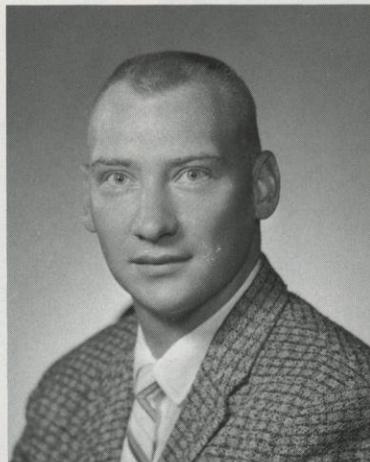

## Mathematics Teaches Logic

These are conscientious geometry students?

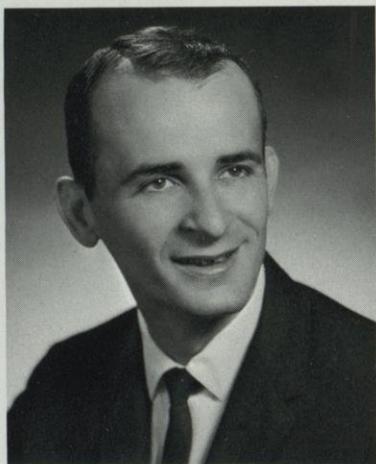

MR. CHRISTIANSEN

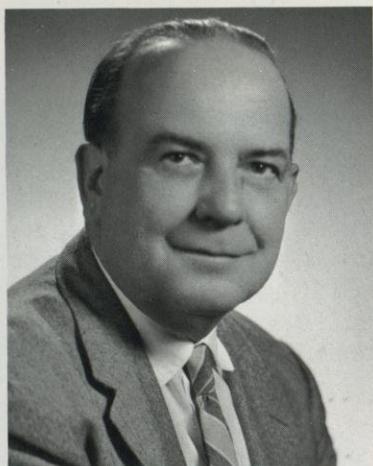

MR. HAMMER

MR. MORGENSEN

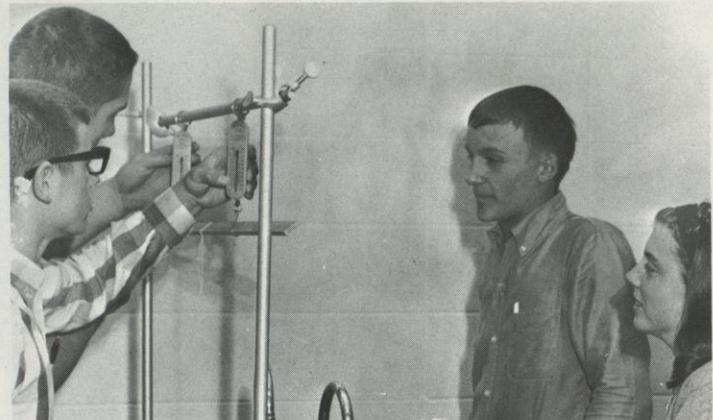

MR. BIXLER

MR. SCHNEIDER

Science seminar students working on their projects.

Four talented physics students perform an experiment concerning weights.

## Our Modern Science

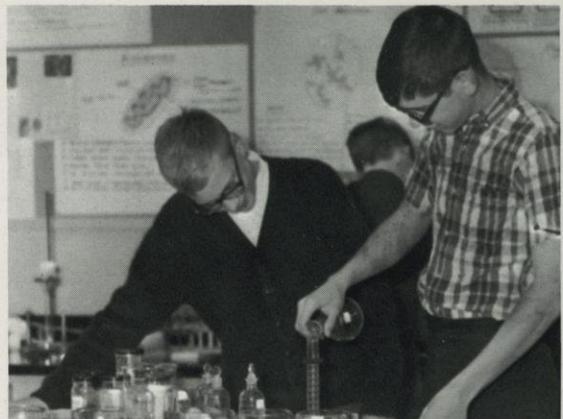

Science Seminar is a program for seniors completing all science courses. The program, lab orientated and stressing individual projects, includes advanced physics, chemistry, and biology. Seminar gears curriculum to the needs of the student talented and interested in science.

Four Freshmen students work with a generator in General Science class.

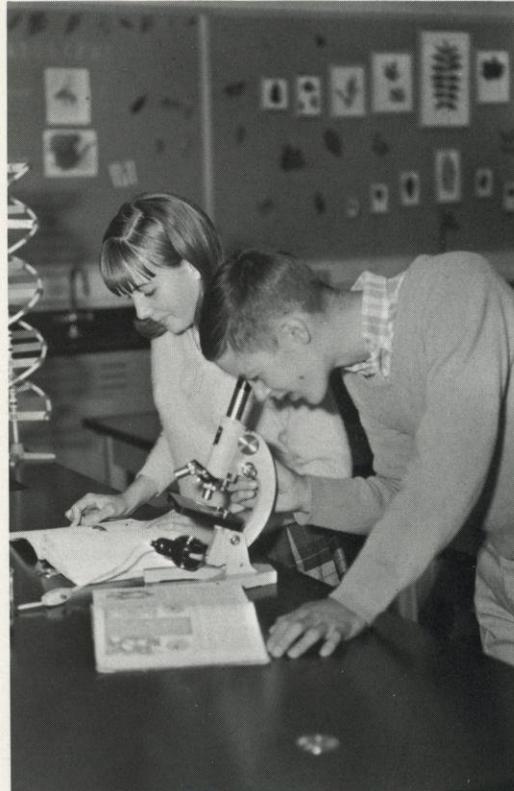

MR. ZUELDORF

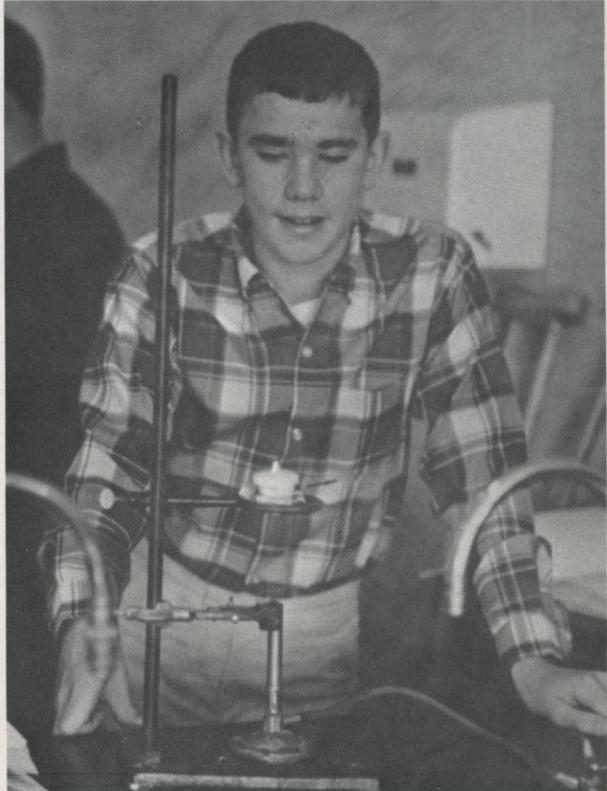

Mike Horner tells Mike Schneider when to stop in Biology class.

## Department Offers Challenges To Students

Colleen Swain checks her lab book while Jeff Zahn focuses on a slide.

Tom Mohr waits for his bunsen burner to heat up in chemistry class.

MR. BAAS

MR. OLSEN

## A Changing Curriculum

MR. TONN

This department offers worthwhile courses to the students. Every student is required to take three years of social studies to achieve their diploma. Freshmen must take civics, which is the study of our government. The student first comes in contact with voting and world politics. Juniors are required to take American History and Seniors take economics and social problems. Social studies elective courses which students may choose from are world history and geography.

Wesley Chamberlain and Charlene Revolinski look over Europe.

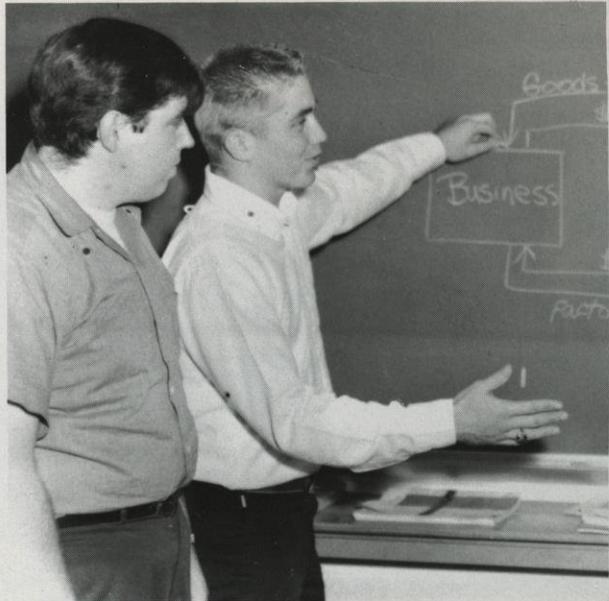

Gustavo Stolk-Toro takes part in a group discussion in history class.

## Social Studies Department

"Now this is Barron County," says Loral Schlie in civics class.

Jim Roanhouse explains the circular flow of our economic system to Reed Leonard.

MISS OLSON

This Homemaking class included a chapter on the art of flower arranging.

## New Ideas In Home Economics

This year Home Economics started the term off with a new teacher, Miss Olson.

Home Economics is a four year elective course. As a student enrolls in Home Economics she progresses

year after year in clothing, foods, family life, child care, and home management. Each year it delves deeper into each area. There is also Senior Homemaking for girls who have not had Home Economics.

Jill Stoner and Candy Arneson strive for a straight seam.

Remember, Miss Olson, the dress code states two inches above the knees!

MRS. BAYER

Donna Kennow runs off the football programs on the off-set machine in office practice.

## A Business Career After High School?

MR. WILLSON

Sandy Sullivan and Peter Edwards in bookkeeping.

Our Business Education Department has trained many students for a job after high school. Shorthand, bookkeeping, and office practice are essential for a business career. A basic typing course is offered which is beneficial to all.

The first row of typists look determined to beat a speed record in typing class.

MR. FLANAGAN

"Now, Tom, if you can take it apart you must be able to put it back together," says Bob Weber.

MR. FRYE

Ron Jovanovich intently draws in mechanical drawing.

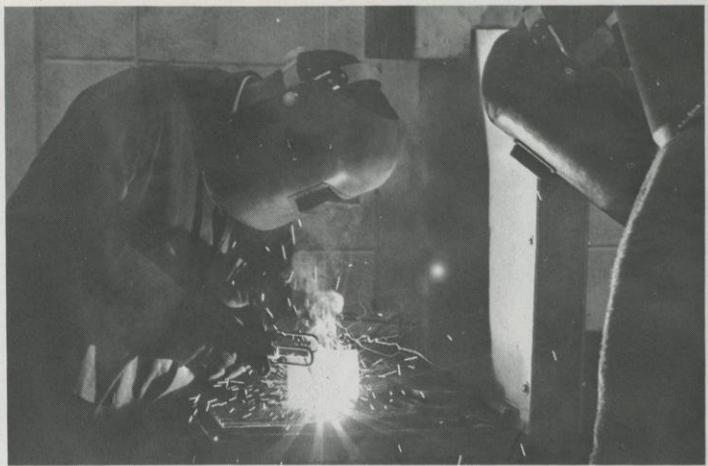

## Industrial Art De

Industrial arts is the study of industry. It helps the students to understand how things are made and the various uses of materials by working with tools and equipment. A deeper grasp of science and mathematics can be received when they see these principles applied in the school shop. All this helps to make a better and more informed choice of a career.

MR. McDERMOTT

Two welders at work in metal shop.

## Art Department Offers 4 Year Course

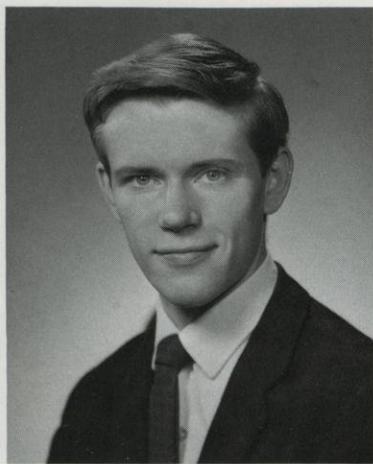

MR. WHITFORD

Woodworking is a popular subject at WHS. Shown is Dave Moerke working on the lathe.

MR. DAVISON

MR. HARGRAVE

MRS. SABATINO

## Cultural Interest Is Strong At WHS

Jim Drought and Marcia Cahill share a folder during chorus.

Marc Smolensky draws in the hall.

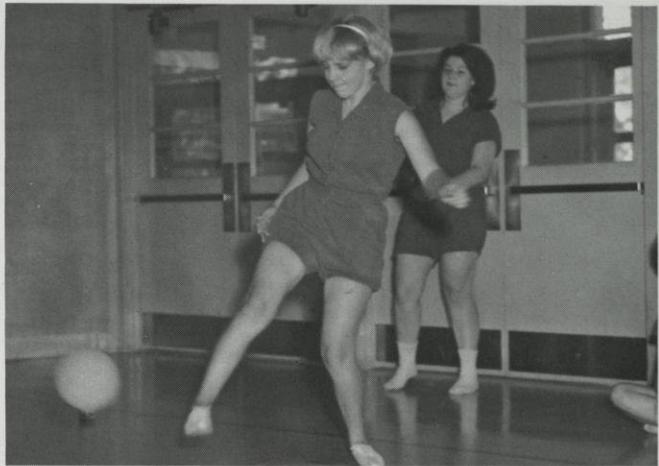

Music and art have played an important part in the growing success of Waterford High School. Our new choral teacher, Mr. Hargrave, has done a fine job directing the chorus and giving vocal lessons. Mrs. Sabatino has developed the artistic ability in many of our students here at Waterford. Our different bands under the direction of Mr. Davison always do a good job.

Toe-tapping Mr. Davison gives instructions to Bob Mohr and Wally Bardenwerper.

MRS. STEVENSON

Shirley Himebauch gives the ball a mighty whack in a kick-ball game.

## Physical Education A Varied Program

The Phys. Ed. Department offers a great variety of activities. Among these are: Speedball, badminton, softball, archery, bowling, and golf, a new sport added last year. Besides

these, the boys are taught football, baseball, soccer, track, and wrestling. The girls enjoy modern and square dancing, apparatus, and exercising to music.

MR. JACOBS

"This would be a great ad for a physical fitness commercial," says Jim Beardmore.

MISS CRUMP

Wendy Uttech uses the library's references.

## To Read Is To Breathe

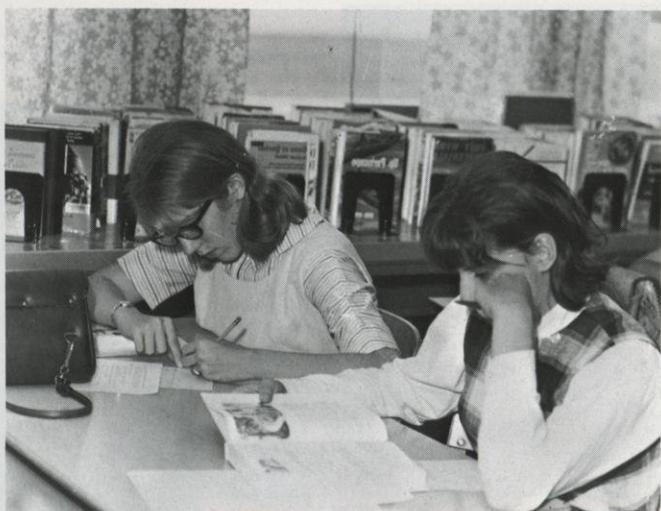

MISS HANDRAN

Our modern library offers almost everything a student could want in the way of reference -books and enjoyable reading. The student has ample time to utilize the library's facilities during his study hall. Aiding the reading program is Miss Crump. Her class is designed to further the reading skill of the student.

Two Freshmen girls absorbed in studying in Miss Crump's reading class.

Narda Smith aids Patty Hensgen in the library.

MRS. ALBRIGHT

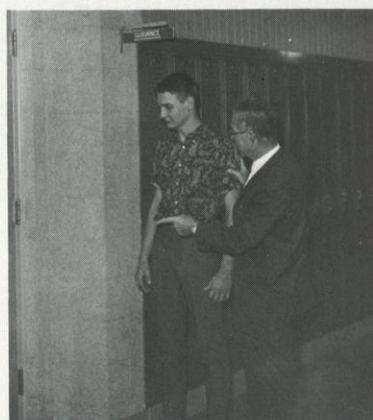

Seniors Kay Mayer and Bonnie Bronenkant are aided by Mrs. Albright in their college choices.

MR. EDWARDS

## Guidance Is Essential

The Guidance Department is split between Mr. Edwards, who has Freshmen and Sophomores, and Mrs. Albright, who has Juniors and Seniors. These counselors administer tests and call students in for scheduled conferences to discuss grades and courses. Their major job is to aid the student in the choice of his career.

The Student Council started the new year with Mayor Bob Mohr. Again this year, the organization sponsored the Candy Sale to raise money for a Student Activity Fund. This is for scholarships, AFS students, and for any other need that may arise. The sale was a success for the second year in a row. The Council participates in gathering Christmas presents for Southern Colony and helping with a clothing drive for Save The Children Federation. They also obtained ice cream machines, new coke machines to replace the ones obtained last year, and a Student Bulletin Board.

# NHS Encourages Leadership

The purpose of the National Honor Society is to encourage scholarship and to give credit and honor to those students who have achieved a high academic grade level. These students are of excellent character, have demonstrated qualities of leadership, and who have been active in school activities. The society consists of juniors and seniors, and sophomores may become probationary members. The installation ceremony for new members with a reception for parents is the society's main activity.

The staff helped draw lay-outs and learned how to crop pictures to fit their lay-outs. The annual heads type their sections on dummies and then transfer this to masters to be sent to the printers. The photography club took all pictures for the class section plus some sports shots. In the summer the editor attends a journalism clinic on the UW campus to learn new ideas on yearbook.

The Fine Arts Club is in its second year of attending cultural activities in this area. This club enables the students to obtain appreciation of the arts and attempts to bring culture to Waterford High School. The club goes to plays and movies as their activities. This year they attended "Hello, Dolly" at the Palace Theatre in Milwaukee. This play is a take-off of the play "The Matchmaker". Carol Channing, who played Dolly, was enjoyed by all. To many of the Fine Arts Club members it was the first glimpse at a "star".

This year the Waterford High School vocal music department entered three choral groups at the Whitewater Festival, consisting of: Senior Mixed Choir, Girls Glee Club, and the Freshman Choir. In addition to the choir representation, there were also many solos and ensembles sung. The cho-ruses participated in two major concerts this year. The Christmas Concert was very successful with a combination of the Band, Chorus, and Drama Club. This concert was performed before the public, and for the students during an assembly. The Chorus then took their portion of the concert and performed for the children at Southern Colony. In the spring, the Chorus and the Band had another very successful concert. In our very excellent musical, "Camelot," there were about thirty five choral students with vocal parts. Mr. Hargrave served as our vocal director for "Camelot".

## Drama Club Worked Creditably

Sue Johnson and Dave Emerich portray Mary and Joseph in the Drama Club's Christmas pageant.

The Drama Club's adviser is Mr. David Molthen who directs and produces all the productions at Waterford High School. The Club consists of 150 students that must participate in at least one of the productions put on each year. The Drama Club's members put in over 2500 hours of work on the all school play "Camelot." This includes set designing and construction, lighting, stage crews, costumes, rehearsals of cast and pit band, and make-up. Under the direction of Mr. David Molthen and with the cooperation of many teachers and Drama Club members "Camelot" was a tremendous success. Other activities of the Drama Club this year was a Christmas pageant in coordination with the music department. In the spring of 1967 the Senior Class, with the help of Drama Club presented "Arsenic and Old Lace."

## Homecoming 1966—Wipe-Out

The 1966 Homecoming Court "swung-out" to the theme "Wipe-Out Warhawks."

The Arrowhead Outlaws attempted to crash Waterford's dance in the chorus skit.

Waterford's spirits were still high even after we fell to Arrowhead, 14-12.

## it Warhawks!!

Waterford High School Alumnae were again welcome to the 1966 Homecoming. The reigning couple over the three days of festivities were Michael Hensgen and Kathy Mayer. Thursday evening the burning of the giant letters WHS took place. Friday evening the homecoming game was played against the Warhawks of Arrowhead. Because of bad weather conditions many of the activities had to be canceled. Saturday evening a dance sponsored by the Senior Class was given for the whole student body and alumnae. The theme of the dance was "Wipe-Out Warhawks." The gym was decorated in the fashion of a modern discotheque with the use of mobiles and unusual drawings. The Court of Honor consisted of Charlene Revolinski and Mike Sullivan; Debi Stalbaum and Jerry Weinkauf; and Carol Hungler and Richard Lee.

## Don't Let It Be F

"I swear by the sword of Excalibur."

Gone, but not forgotten. The memory lingers on in the hearts of all who remember its beauty and humor. During the two months of preparations, you could hear strains of "Camelot" whistled and sung throughout the halls. To achieve this it took everyone's cooperation. Mr. Molthen as director and producer, Mr. Hargrave - vocal director, Mr. Davison - music coordinator, Mrs. Lackey - costume designing, Mrs. Gerard - choreographer, Mrs. Albright - make-up designer, Mrs. Sabotino - art effects, Mr. Frye - armor pieces, Mr. Willson - program and tickets, and Miss Sandy Sullivan as stage manager.

Students made about forty costumes for the production.

## A Friend To The Exchange Student

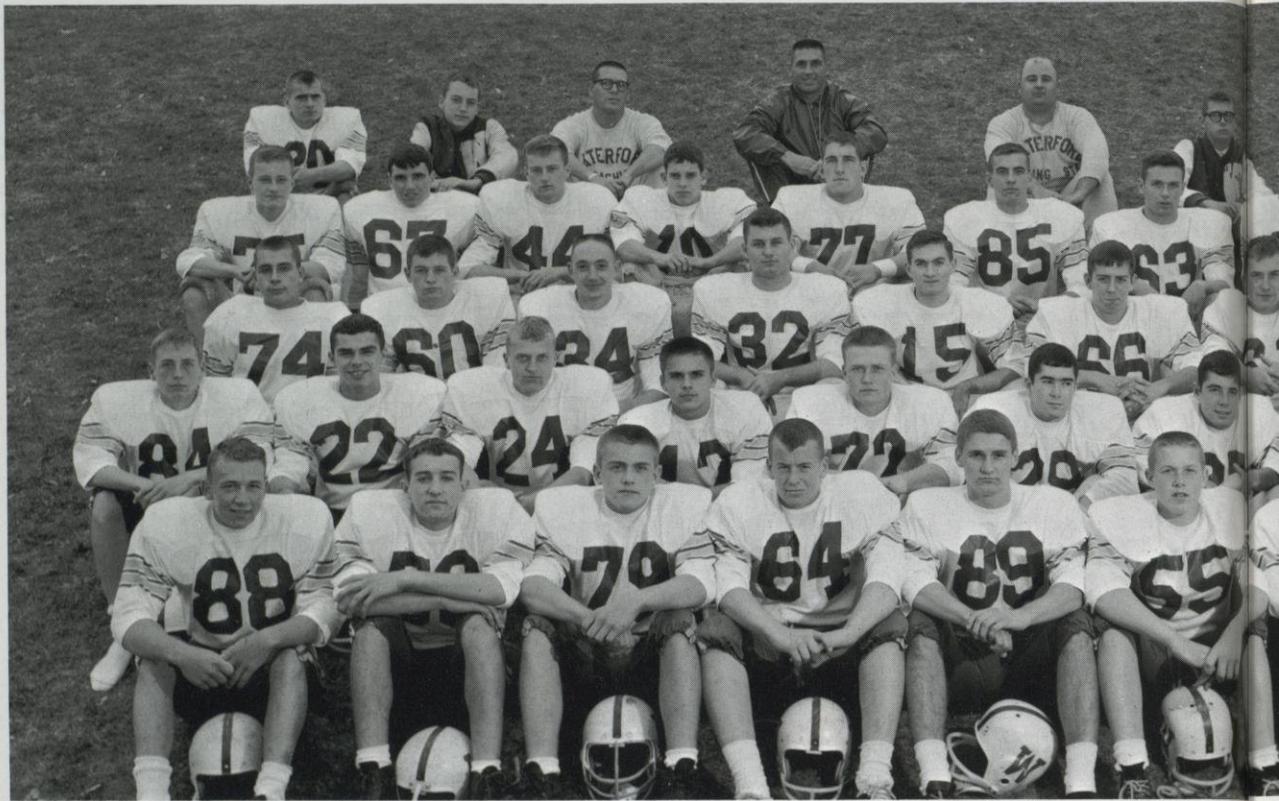

Larry Pheifer, President of the AFS Club, welcomes Gustavo Stolk-Toro to WHS.

The AFS Club is a newly formed Club here at Waterford High School. The Club's purpose is to have money on hand in case our foreign exchange student has any miscellaneous expenses not covered. It also provides entertainment and helps the exchange student get adjusted to life in the United States. A car wash and donut sale were two of their money-raising projects. The AFS Club works with the newly formed AFS Chapter in the Waterford Community. Our first Foreign Exchange Student, Gustavo Stolk-Toro from Venezuela, is spending the year with the Dr. Richard Dietz Family.

Failing to secure a championship for the first time in four years caused disappointment for the 1966 Wolverines. Illness and injury plagued Waterford early and in the middle of the season, and losses to St. Mary's and Hartland by a total of 9 points meant the difference in championship and non-championship. The Wolverines were the toughest team in the conference on defense and placed four defenders on all-conference with one honorable mention. The Wolverines also placed two members on the offensive unit with one honorable mention. These boys were: Tom Greil, Tony Caliva, Bob Mohr, Wes Chamberlain, and Randy Gilbertson.

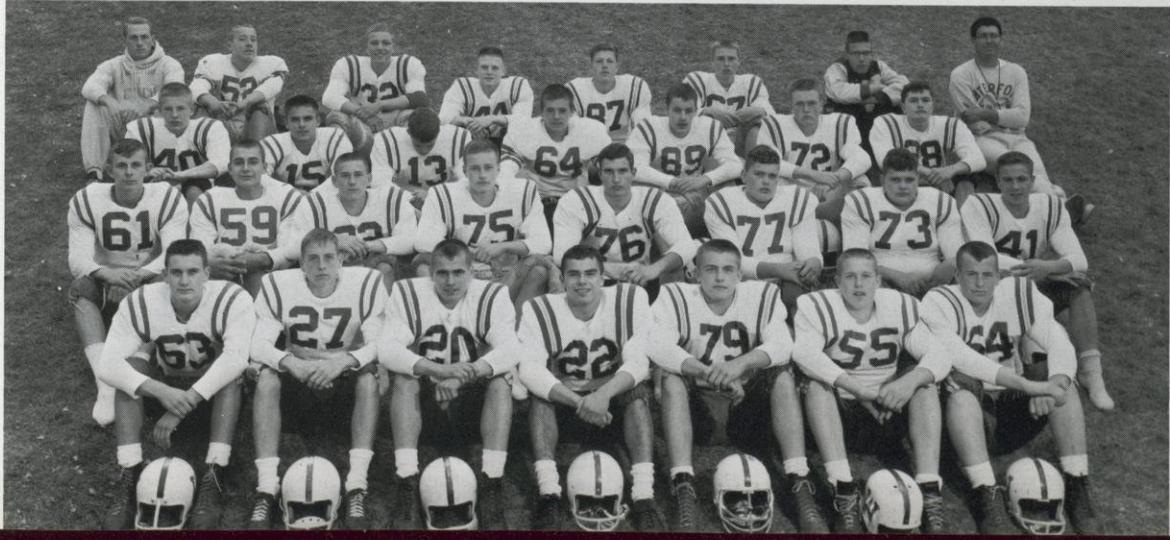

Tony Caliva carries the ball around the right end for a long gain.

The Waterford Cagers have been playing a spirited game of basketball, employing a full court pressure defense which in turn, co-ordinated with the fast break type of basketball. Despite the lack of size, the Wolverine quintet has done an excellent job with an overall record of 14-1 and a 7-0 conference record. With his first year as varsity coach, Mr. Christiansen, has spurred the Wolverines on with tough defense and great hustle. Led on by Captain Dave Dietz, the seniors were: Tom Greil, most valuable player of last year, Wes Chamberlain, Mike Hensgen, Jim Roanhouse, and Jeff Halbach. Prospects for a fine team next year look good with Dave Rogalski, and Dale Roanhouse leading an outstanding varsity squad.

The Waterford Wrestlers did a commendable job of 6 wins, 4 losses, and 1 tie. We had a great disappointment when Ron Jovanovich, our Co-Captain and senior 112 lb. wrestler, was injured for the season. In view of a young team, we put forth an outstanding effort. Also, the J. V. team showed promise for a fine team for next year. The Seniors that are leaving us this year are Co-Captains Pete Edwards and Ron Jovanovich, Pete Mutter, Don Henningfeld, Bill Johnson, Bob Beck, Larry Orth, and Bob Weber. Even though we are losing these fine athletes we are looking forward to good seasons for the next two years.

## Cross Country—A Challenging Sport

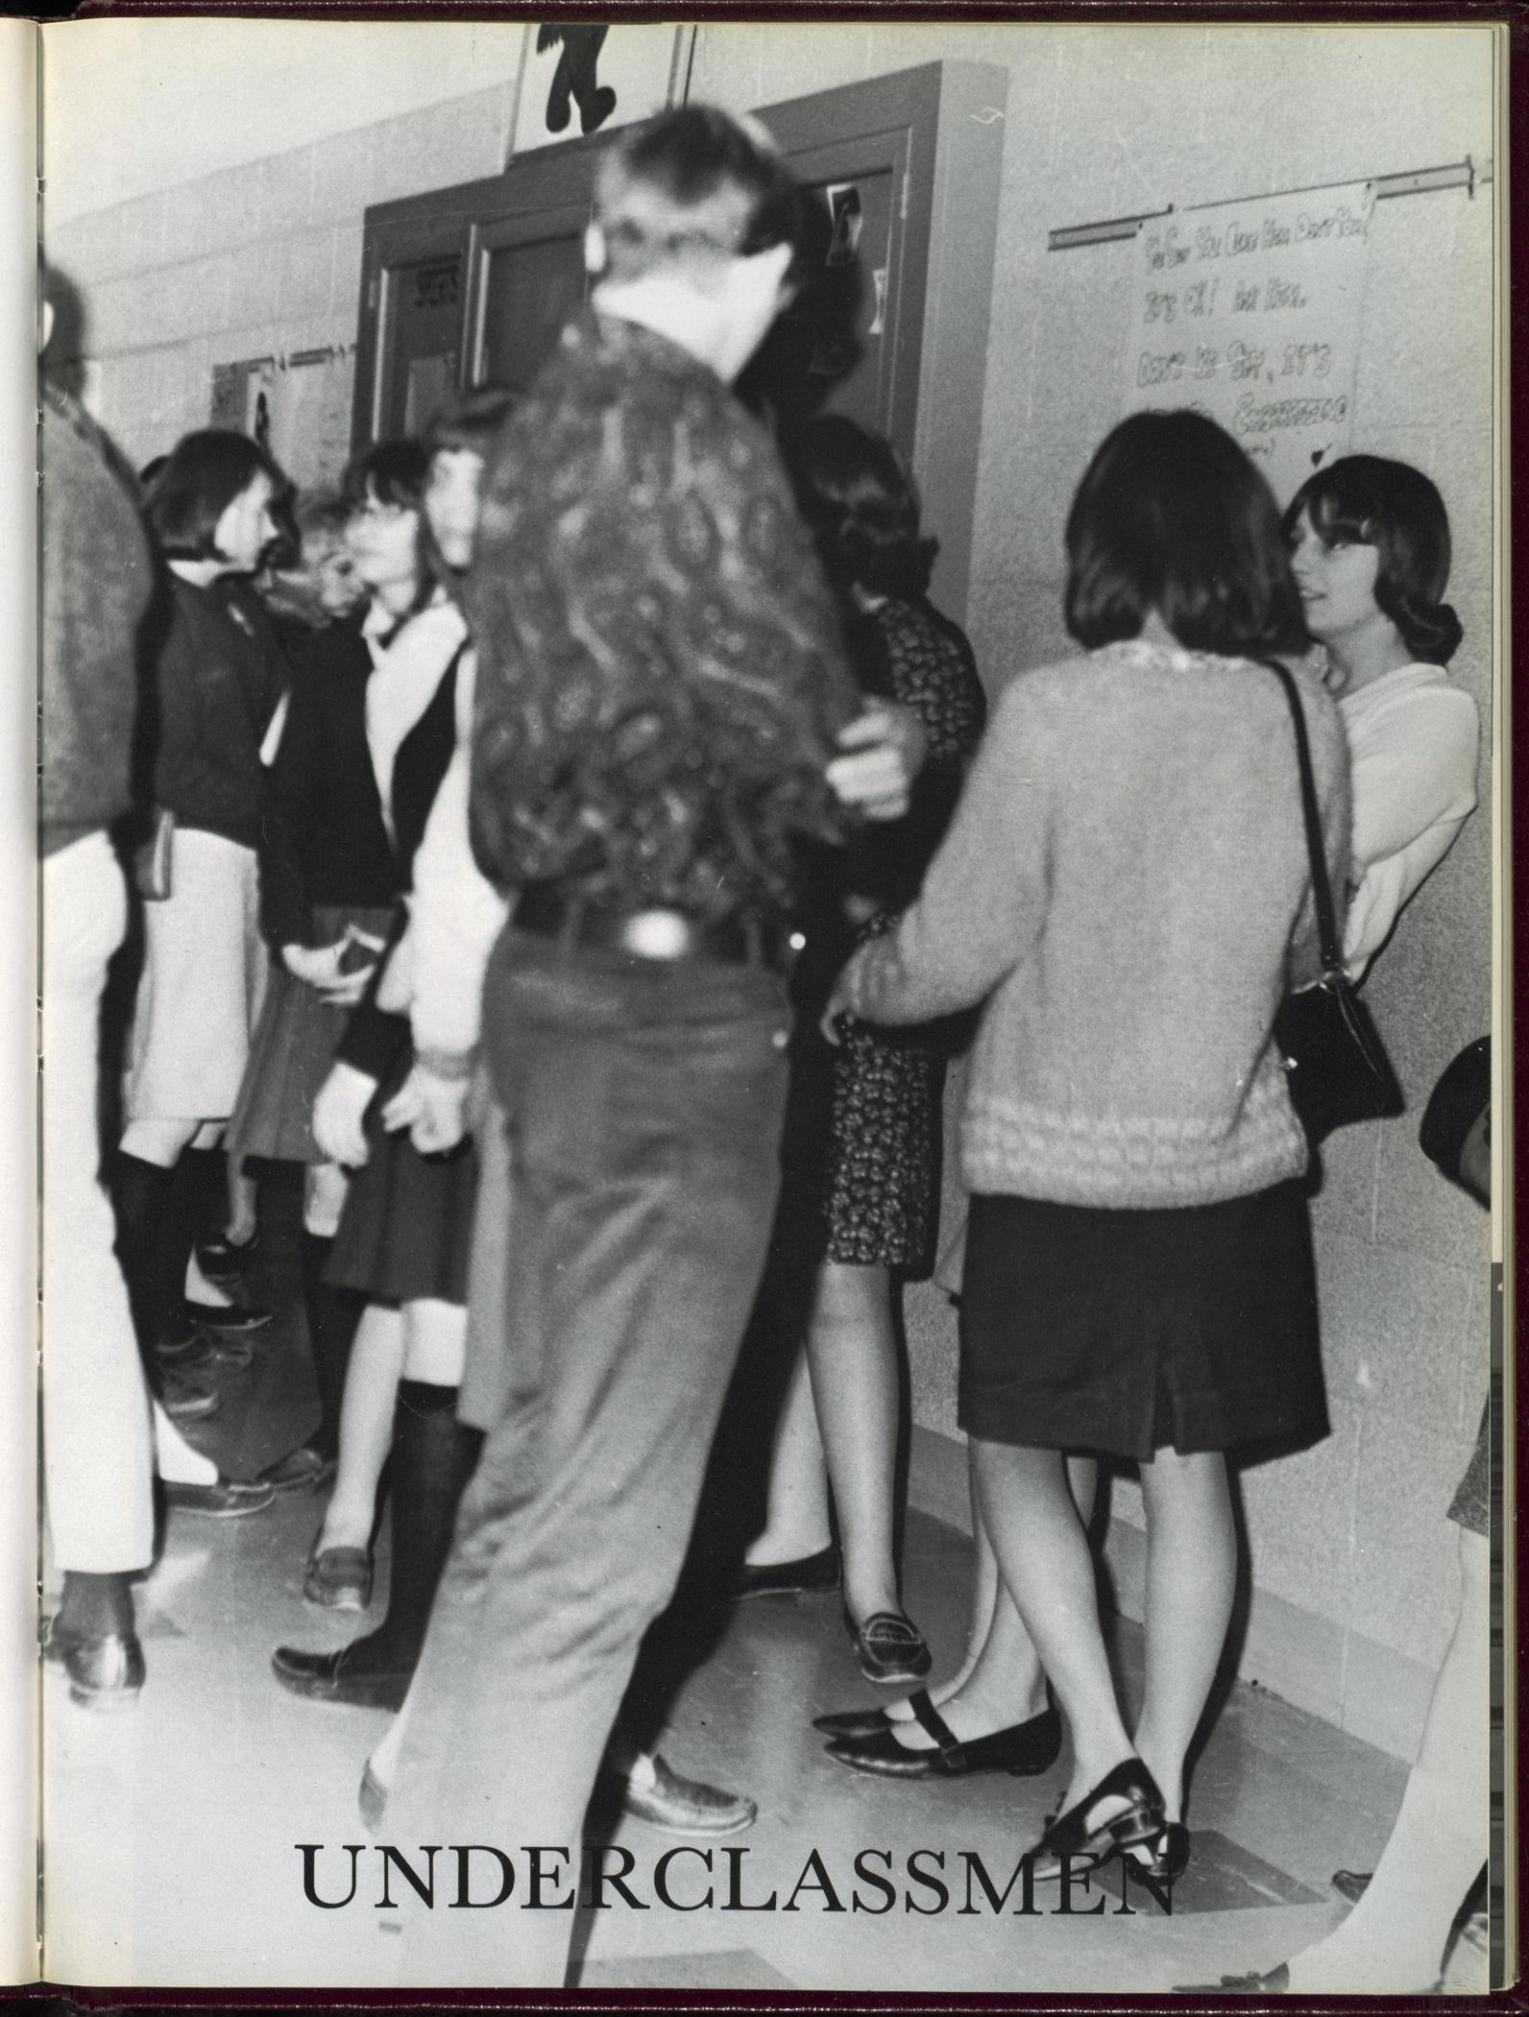

WHS's second year in cross country has been a real success. Last year we only won one meet, this year we wound up with a 4 and 2 record in dual-meet competition. One of our defeats was by Wilmot by one point 27-28, the other was to the powerfully balanced team of Arrowhead, 24-35. The seniors on our squad were: Frank Bacun, Bob Weber, Dave Heebsh, and Tom Pluck. The five consistent scorers on the team were: Frank Bacun, Bob Weber, Tom Barnhart, Jim McFadden, and Tom Hanson. Barnhart and Hanson were sophomores, and McFadden was a freshman. Frank Bacun led the team throughout the year. He holds the school record for 2.2 miles in 11 minutes and 42 seconds. He, as an individual, was undefeated in all-conference meets this year. Cross country is a challenging, demanding, highly competitive sport that requires the utmost in physical conditioning. Mr. Zuelsdorf coached the team and Mr. Flanagan assisted him.

SENIORS

# Not Ended

For the class of 1967, our four active wonderful years have come to an end. There are many moments in the past we can happily recall. There was our beautiful Junior Prom, "Days of Wine and Roses," the Senior Class play, our musicals, homecoming, our prize winning "Cajun Calaboose," and Corporation '67. The Senior Class participated in Waterford's activities and aided the sports program. We were privileged to have Gus, our first foreign exchange student, as a member of the Senior Class. The Emerald staff thought there was no better way of concluding our yearbook than by placing the Class of 1967 at the end.

A Tahitian background of a waterfall, palm trees, and tikis set a romantic atmosphere for the couples at the 1967 Junior Prom. The mood was enhanced by the music provided by the Melody

Makers Orchestra. King Dave Rogalski and Queen Jane Skarie reigned over the prom entitled "Night in Tahiti." The evening was pleasantly ended by Post Prom at Cerami's.

Prom Royalty looking over the evening's festivities.

Crown bearers Carol Linder and Charles Kempken approach the throne.

The court honors the King and Queen.

## Senior Class Play

A light family comedy written by Howard Lindsay and Russel Crouse, "Life With Father," ended the tradition of the Senior Class Play at Waterford High School. The Class of 1967 in cooperation with the Drama Club presented the beautifully accurate picture of the 1880's on April

20, 21, 22, to 1095 spectators. Marcia Cahill and John Brinkmann played Clarence Day's memorable Father and Vinnie. The play was directed by Mr. Molthen who was assisted by Mrs. Lacky, Mrs. Albright, Mrs. Sabatino, and Mr. Willson.

Vinnie serves Father his tea.
