THE UNIVERSITY

The University of Wisconsin, founded in 1848, has been recognized throughout its history as one of the nation's leading institutions of higher learning. U.S. News & World Report, in a 1993 issue, included UW-Madison in a list of the "Best College Buys."

From the initial class of 17, the student population has grown to a current enrollment of nearly 40,000 students, the seventh-largest in the U.S.

- Wisconsin is one of just 60 members of the Association of American Universities (AAU), the most prestigious organization of higher education in the U.S.
- University libraries house more than 5.5 million volumes, 13th-most in the nation according to the *Association of Research Libraries*.
- According to a *Standard & Poor's* survey, Wisconsin is one of the nation's top producers of corporate executives, ranking second in undergraduate degrees.
- *U.S. News & World Report* rated the UW's graduate-level sociology department as No. 1 in the nation. Additionally, the magazine ranked education 5th, livrary science 6th, social work 7th, psychology and political science 9th and computer science, history, nursing and chemistry 10th.
- The 1983 Assessment of Research-Doctorate *Programs* in the U.S. reported that 15 departments on campus were rated in the top 10 nationally.
- The UW boasts the top-rated education department in the nation according to 1990 and 1994 studies conducted at Illinois.
- Throughout its history, the UW-Madison has produced 13 Nobel Prize winners, 22 Pulitzer Prize winners, 45 members of the National Academy of Sciences, 15 members of the National Academy of Engineering and two members of the National Academy of Education.

THE CHANCELLOR ON ATHLETICS

"Athletics is a connecting point among the people of Wisconsin. Win or lose, people like to talk about and reflect on sports, and they like to be part of the excitement and camaraderie that college athletics inspires. The success of Badger athletics poses our university in the national spotlight and offers the country another window through which to view our mission."

David Ward, UW-Madison Chancellor

THE UW-MADISON

A Commitment to Academics & Athletics at Wisconsin

Achieving national recognition in both academics and athletics is a difficult challenge for universities today. The University of Wisconsin-Madison is one of the few institutions that has earned praise for its work in the classroom and on the field of play.

With its admittance to the Association of American Universities (AAU), the UW-Madison has been recognized for its solid reputation in the academic world. Indeed, only 60 schools nationally are in the AAU.

Balancing the academic requirements of an outstanding institution with the demands of collegiate athletic competition is difficult. However, the University of Wisconsin has attacked the challenge and succeeded.

Inclusion in the Association of American Universities and three recent bowl championships are evidence that academics and athletics do indeed mix at the UW-Madison.

GOLDMINE OF A SCHOOL

"A list of first-rate academic programs at Madison would be as complete as a college catalog elsewhere. All in all, it is a non-stop festival that students sum up as 'diverse, intellectual, fashionable and moderately hedonistic.' The UW-Madison remains one of life's goldmines for those willing to dig."

1994 edition of Fiske's Guide to Colleges

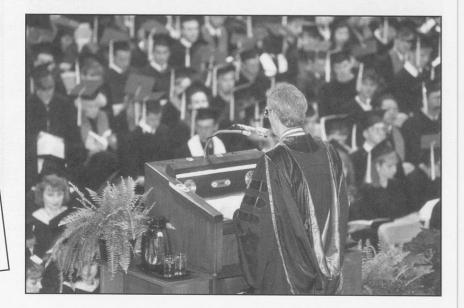

COSMOPOLITAN, YET HANG-LOOSE

"In many ways, UW-Madison provides an excellent college environment: rigorous academic standards, a competent hard-working student body, a diversity of political and social views passionately espoused, school spirit and a college town that is cosmopolitan, yet hang-loose."

MADISON

Capital city in an energetic setting

The 390,000 residents of Dane County, 80 miles west of Milwaukee, have a vibrant economy with plentiful jobs, superb health care and a range of cultural activities usually associated with bigger cities.

Mad City, as locals call it, is also Fun City, especially if you like boats and bikes. The Mendota and Monona lakes are separated by a half-mile wide isthmus that serves as downtown Madison. Add in three other large lakes, and Dane County can satisfy any type of boating preference.

Cyclers have more than 150 miles of trails and routes to pedal. Cross country skiers glide through more than 100 miles of trails. Saturdays in the fall are reserved for rooting on UW's revered Badger football team. Another popular May through October ritual is the farmer's market. Around the corner you can catch an earful at the Madison Civic Center where the Chamber Orchestra and Madison Symphony perform, and Pulitzer prize-winning plays are staged.

Money (July 1996) survey of the "Best Places to Live." Madison's awesome beauty and laid-back style appeal to most everyone. Walk along State Street's thriving pedestrian mall and you'll see the elderly on bicycles and yuppies moving around the street vendors, New Age stores and coffee shops.

OUTREACH

Badgers pitch in to help out Madison and its residents

The Wisconsin Department of Athletics has a number of teams that regularly contribute to the city via its outreach programs. The Madison community is truly supportive of the UW athletic teams and its studentathletes. In appreciation of the support, many athletes participate frequently in community service projects.

Every season, the football team works together on a community service project to give something back to the city of Madison. Among the projects that the Badgers have volunteered for recently were landscaping and cleanup days in the Eric Circle, Allied Drive and Vera Court neighborhoods. The team has also participated in several walk-a-thons for worthy

HELPING OUT

CAMPUS LIFE

SCENIC CAMPUS

The city of Madison's lakes, rolling hills, architecture, parks and arboretum have enhanced the school's reputation as one of the nation's most picturesque campuses. A favorite gathering spot for students is the beautiful Memorial Union and its lakeside terrace.

STUDANT BODY

The UW's nearly 40,000 UW students come from every county in the state and every state in the union as well as 122 foreign countries. UW-Madison ranks fourth nationally in foreign enrollment and boasts one of the most diverse campuses in the United States.

A CAPITAL CITY

Located in southern Wisconsin, Madison is home to the University and the state capital. With a population of 200,000, Madison offers "big city" excitement with "small-town" charm. It is an action-oriented community that is rich in the arts and entertainment.

ATHLETIC SUCCESS

Wisconsin athletics rank among the nation's best

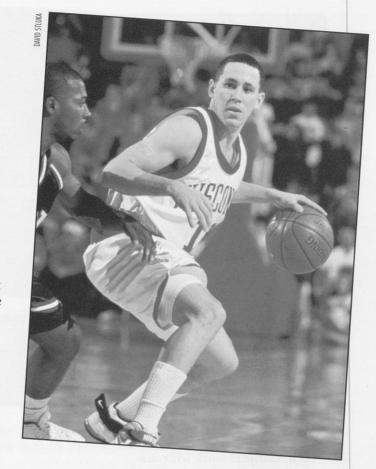

Participating in athletics at the University of Wisconsin guarantees an opportunity to compete at the highest level. The Badgers have developed a national reputation as one of the top all-around schools in Division I-A.

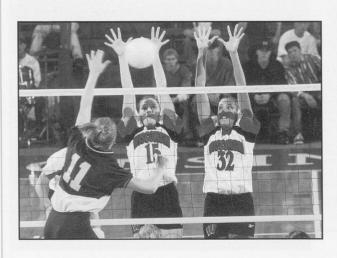

As a member of the Big Ten, Badger studentathletes receive the best in education, coaching, athletic competition, facilities and support.

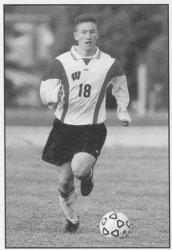

Wisconsin demonstrated again in 1996-97 that it is one of the NCAA's top all-sports programs. The Badgers once again ranked nationally in the all-encompassing Sears Directors' Cup last year. Wisconsin has placed in the nation's top 20 for all-sports excellence in all four years of the Cup.

The Badgers alsocaptured 1996-97 league titles in men's and women's cross country, indoor and outdoor track plus women's soccer.

Additionally, the football team played in its third bowl game in four seasons and the men's basketball team earned an NCAA tourney appearance for just the second time in 50 years.

ACADEMICS

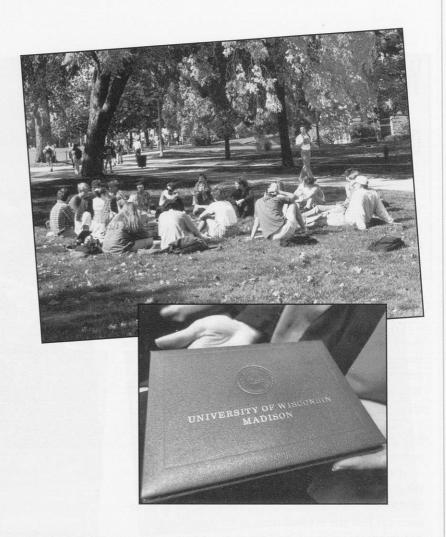

Student affairs office oversees academic progress

The primary objective of the academic and student affairs office is to ensure the academic success of all UW student-athletes. Counseling and advising services, plus a number of academic help programs, are offered to all student-athletes at the University.

The academic and student affairs staff assists the UW's 700 student-athletes in registration and course selection, monitoring progress toward degrees and career guidance.

Staff members work with student-athletes who desire extra academic help. The department utilizes the services of more than 100 tutors to provide one-on-one assistance or group study help.

The department arranges for exam proctoring, offers advice on resume preparation and coordinates the grant-in-aid program. Support groups are offered to students who become medically or academically ineligible for competition.

CONDITIONING

Strength program builds better Badger players

The strength and conditioning program is a sophisticated blend of science, technology and one-on-one attention to each athlete. Throughout the year, UW athletes spend more time working on strength and conditioning than any other aspect of their game.

During the off-season, foot-ball athletes work on strength improvement, speed, power, agility and conditioning. The in-season program is devoted to the continuation of strength gains and performance-related conditioning.

Each year when freshman players arrive, baseline measures of strength, speed, power, agility, flexibility and endurance are collected. Measures of body composition, weight and frame size are also recorded. With this information, goals are set for development and maintenance. Individual programs are established for each player.

The University also offers a sports nutrition program, which assists athletes in meeting their nutritional needs.

First-Year Gains

When Badger freshmen first report to campus, the UW strength and conditioning staff takes baseline measures of their physical abilities. Frequently, the players make the greatest gains during their first season on campus when they begin to work with the football program's strength staff. Shown below are several of the Badger freshmen and their physical gains from what they reported in August of 1996 to March of 1997.

EXPOSURE

Coach Barry Alvarez and Copper Bowl MVP Ron Dayne are interviewed by ESPN after the Badgers' victory over Utah.

A popular choice for TV executives

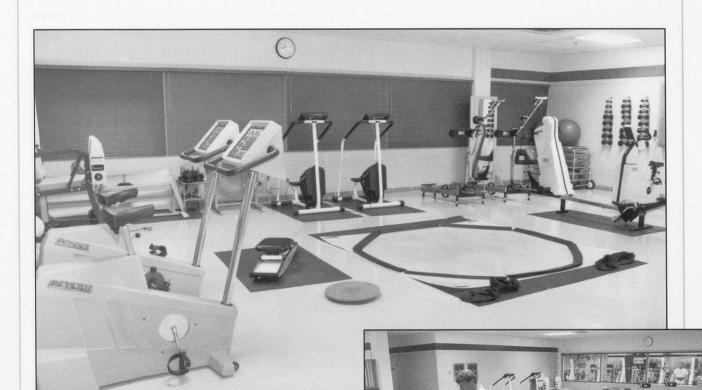

Playing college football in the Big Ten and at Wisconsin is an opportunity for success, excitement and exposure.

Badger football is unique with its intense media coverage. Among the many media outlets that cover Wisconsin football daily are three local television stations, two radio stations, three major newspapers — two in Madison and one in Milwaukee — two student papers and a specialty publication dedicated to UW sports.

Coach Alvarez and Badger players were featured in nearly every major metropolitan newspaper during their Rose Bowl run of 1993. The Badgers have performed on ABC or ESPN television 23 times since 1993.

All games are broadcast on a state-wide radio network of 43 stations. Home games are replayed on public television's state-wide network each week. Alvarez has a weekly media session that routinely draws 20-plus reporters. Local media members cover Badger football on a daily basis, interviewing players after every practice.

TRAINING ROOM

Sports medicine staff provides total health care & support

The Wisconsin sports medicine program features top-rate facilities and the outstanding services of sports and health care professionals.

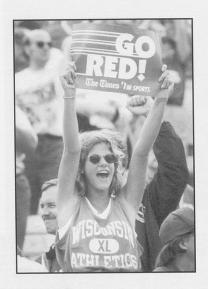

The sports medicine program focuses on injury prevention. Staff members utilize Cybex strength-testing devices, provide dietary analyses, measure physiological capacity and outline programs to improve an athlete's flexibility.

The UW is one of a handful of schools with an on-site X-ray machine, enabling physicians to quickly and thoroughly evaluate injuries.

Athletic trainers and physicians work together to design rehabilitation programs for injured athletes. A wide variety of facilities and equipment, including a rehabilitation swimming pool, Cybex equipment, the Impulse Inertial Exercise System, Stairmasters, and Fitron Bicycles, help athletes rehabilitate injuries and minimize the loss of fitness during recuperative time.

Fun and excitement at Camp Randall Stadium can't be topped

Football in the Big Ten and at the University of Wisconsin is something special.

Camp Randall Stadium on a fall day is one of the most picturesque backdrops in the nation. The stadium is bordered by a wooded residential area and is within walking distance of Lake Mendota.

Besides exciting gridiron action, fans enjoy some of the most entertaining pre-game tailgating in the nation and a post-game band celebration called the "Fifth Quarter" that is unrivaled.

CAMP RANDALL

Each Saturday during the fall, a capacity crowd at Camp Randall Stadium becomes the sixth-largest city in the state of Wisconsin. The Badgers have sold out the facility 20 times since 1993.

Camp Randall Stadium is home to Badger football

Camp Randall Stadium, built in 1917, is home for Wisconsin's football team. The 76,129-seat facility ranks among the nation's largest school-owned stadiums.

Distinguished by its impressive double-deck structure and horseshoe design, Camp Randall Stadium has been the site of 428 Wisconsin games.

Besides the field, Camp Randall houses the athletic department offices, lounges and study areas for athletes, as well as film, training and weight rooms and a display of football memorabilia.

The Stadium is the centerpiece of the athletic complex. Located on the same block on the west side of campus are the McClain Athletic Facility and the UW Field House.

McCLAIN FACILITY

The Dave McClain Athletic Facility

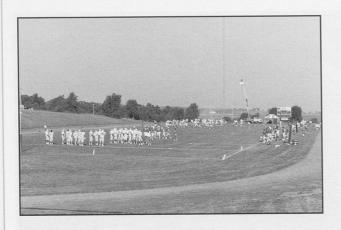

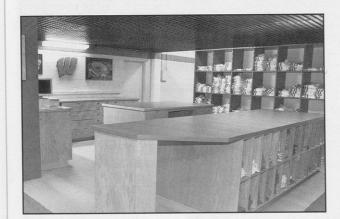

The Dave McClain Athletic Facility, opened in 1988, is a symbol of the Athletic Department's commitment to maintaining a first-class sports program.

The 166,264-square foot facility compares favorably with the best indoor training centers in the nation. Named in honor of the late UW football coach Dave McClain, the structure provides a suitable environment for practice during inclement weather.

A 76,380-square foot main floor features an artificial surface field (90 yards) with a ceiling high enough for kicking. The lower level includes locker rooms, training facilities, the Fetzer Learning Center and a spacious weight room. The second level includes a theater-style auditorium (with seating for 150), classrooms for individual position meetings and a players' lounge. The facility cost \$9.5 million to build.

GRID FACILITIES

First-class facilities at the UW

Football practice facilities at the University of Wisconsin are first rate. The Badgers utilize Camp Randall Stadium as well as a grass field adjacent to the Stadium for outdoor workouts. In inclement weather, the UW squad moves into the climate-controlled McClain Athletic Facility.

Wisconsin is one of the few schools in the nation that has an off-campus facility for its fall camp. The Badgers spend their sessions at the Holy Name Catholic Center in Middleton, Wis.

With its multiple grass fields as well as dining, meeting and sleeping facilities, the Holy Name Catholic Center is the top fall training camp facility in the Big Ten.

WALK-ONS

Walk-ons make their mark with the Badgers

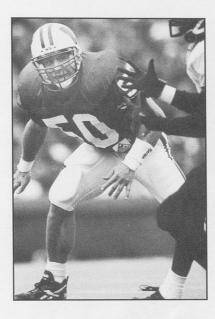

Not all high school football players earn scholarships to compete in college. That doesn't mean there isn't an opportunity for those individuals, especially at the University of Wisconsin, where walk-on athletes have a history of contribution.

Joe Panos became a walk-on success story. Panos transferred from UW-Whitewater in 1991. He changed positions at UW, earned a scholarship, became a three-year starter, captained the Rose Bowl team and now plays for the Philadelphia Eagles.

"Walk-ons have that extra drive because they're trying to prove something," says Coach Alvarez. "I love that spirit and determination in my players."

Among the walk-on success stories under Alvarez are academic all-Big Ten selections Korey Manley, Jeff Rasmussen, Sam Veit and Chad Cascadden.

Aaron Norvell was the team's leading tackler as a senior and Chris Hein and Rick Schnetzky were starters on the Rose and Hall of Fame Bowl teams.

"I certainly appreciated the opportunity that the Wisconsin coaches gave me to prove my worth. There is a genuine attempt at helping walk-ons develop, both as players and people."

Joe Panos, Philadelphia Eagles

"Walk-ons are important to the success of our program. There is a history of walk-on success here. Without question, there is a very real chance to earn a scholarship through the program."

NCAA RULES

WHO IS A PROSPECTIVE STUDENT-ATHLETE?

You are a prospect if you have started classes for the ninth grade. Before the ninth grade, you may become a prospect if a university provides you any financial aid or other benefit that is not usually provided to prospects.

HOW DO I KNOW IF I'M BEING RECRUITED?

A coach is recruiting you if they try to convince you directly, or through your family, to attend their school and participate in intercollegiate athletics. There are several ways to be recruited: (1) the school may provide you with an official visit; (2) a coach may arrange an in-person, off-campus encounter with you (or your family) or (3) a coach or staff member may call you (or your family) on more than one occasion for the purpose of recruitment. Coaches and authorized institutional staff members are the only individuals who may recruit you. Representatives of athletic interests (boosters) may not call, write or make in-person contact with you for the purpose of attending the University of Wisconsin and participating in athletics.

WHEN CAN A COACH CONTACT ME?

OFF-CAMPUS CONTACT: A coach can arrange a face-to-face meeting, off the University's campus, with you beginning July 1st following the completion of your junior year in high school.

TELEPHONE CALLS: Phone calls from a coach or institutional staff member may not be made until August 15th following the completion of your junior year in high school. You may call a coach at your own expense at any time. However, unless it is after July 1st following your junior year, the coach may not return your call.

Generally, a coach may only call you (or your parents or legal guardians) once a week, however unlimited phone calls are permitted under the following circumstances: (1) during the five days before your official visit; (2) on the initial date for signing the National Letter of Intent and the two days following; (3) on the day of a coach's off-campus contact with you; and (4) in the sport of football only, unlimited phone calls may be made during permissible off-campus contact periods and during the two days before and after the initial signing date for the National Letter of Intent.

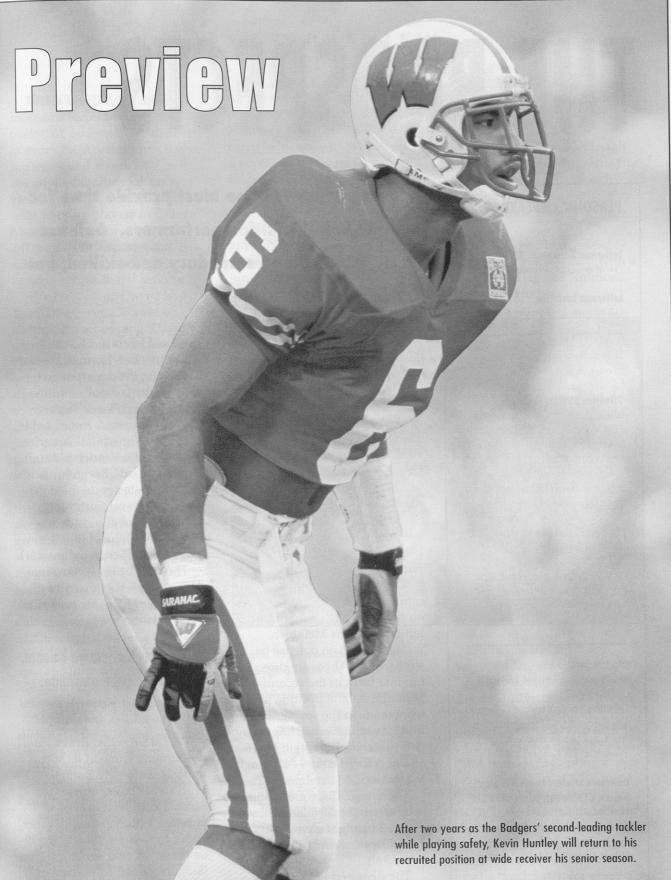

LETTERS: Letters and recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school.

WHAT CAN AN INSTITUTION OFFER ME TO ATTEND THEIR SCHOOL?

You (or your family) may not receive any benefit, inducement or arrangements such as cash, clothing, cars, gifts or loans to encourage you to sign a National Letter of Intent or to attend an NCAA school. The University of Wisconsin may offer you a one-year scholarship that covers room and board, tuition and fees, and required course-related books, or any part of these. The institutions can recommend that this aid is renewed each year, as is the general practice at the University of Wisconsin. In addition, they can offer you academic and medical support, as well as, the opportunity to compete for one of the top programs in the nation.

WHAT CAN I DO DURING THE PROCESS?

Enjoy your prep years — work hard both in the classroom and in your sport. At the beginning of your junior year, sign up for the NCAA Clearinghouse. Your high school guidance office can provide you with the information you need.

Young offensive line must provide time for talented skill position performers. Defense features new-look secondary and skilled, but untested, front seven.

The 1997 Wisconsin football team has both an air of familiarity and an element of newness.

Many of the team's skill position players on both sides of the ball are back again. On the other hand, player introductions may be required when the trenches line up to square off.

The familiar faces on offense are the ballhandlers. QB Mike Samuel, TB Ron Dayne, and receivers Tony Simmons, Donald Hayes and Kevin Huntley are the veterans.

The Badgers, however, return only one full-time starter on the line. He is sophomore left tackle Chris McIntosh.

The Wisconsin defense has a similar mix. There are three familiar faces in the secondary although several position shifts were made in the spring. The front seven, however, has only two — linebacker David Lysek and end Tom Burke — returning starters.

There were huge graduation losses from the 1996 team, which won eight games including a Copper Bowl triumph over Utah.

The departed seniors left a legacy as the winningest group

in school history. The class won three bowl games.

Among the departed are Pete Monty (school's all-time tackle leader), Tarek Saleh (UW's career sack record holder), Jerry Wunsch (all-America tackle), Jamie Vanderveldt (all-Big Ten guard), Bryan Jurewicz (four-year starter on the defensive line), Daryl Carter (bigplay defender at outside linebacker) and John Hall (all-league placekicker and punter).

Though the losses are large, Alvarez feels that many of the returning players are poised to assume larger roles.

Badgers seek offensive balance, although Heisman candidate Dayne will get his carries

Wisconsin relied heavily on the running game in its sprint to postseason play last fall. With a year of experience for Samuel and the return of Huntley to the offense, Alvarez hopes to balance his attack a little better. A year ago, the Badgers gained 65 percent of their yardage on the ground. **TAILBACK** — Dayne, college football's second-largest tailback (261 pounds), broke nearly every NCAA freshman rushing mark and enters 1997 as one of the favorites for the Heisman Trophy. He joined only 10 other players in college history to rush for more than 2,000 yards in a season and eclipsed the all-time Big Ten rushing record in the process.

The bulldozing Dayne had five games over 200 yards, including a whopping 339-yard effort at Hawaii. That was just 58 yards short of the NCAA's single-game record, and he was lifted from the lineup in the third quarter of that contest. Dayne didn't start until the fifth game, but his emergence paralleled the team's late-season winning ways.

As the Badgers won five of their final six games, Dayne averaged 283 yards on the ground in those triumphs.

The Badgers, who have produced a different 1,000-yard rusher in each of the last four seasons, also return the services and experience of senior Carl McCullough (he had 1,038 yards in 1995) as Dayne's backup. The fifth-year senior added 534 yards to the Badgers' Big Ten-best running attack in '96.

McCullough is 10th in career rushing at the UW entering his last season. Sophomore Charles Williams (7.0 average) and redshirt freshmen Eddie Faulkner and Erik Conner showed promise in practice.

FULLBACK — Strong blocking fullbacks have become a trademark of the UW rushing attack under Alvarez. Filling that role

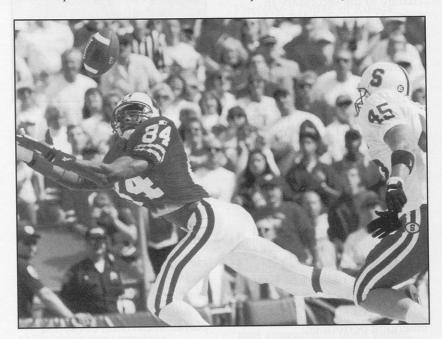

for the third consecutive season is athletic Cecil Martin, who has averaged nearly five yards per carry in his career. Martin, also a good receiver, gets support from Branden Cantrell, a 262-pound blocker.

QUARTERBACK — Samuel offers athleticism and strength to the QB position. He enters his junior campaign with a lot more experience than he had a

will be important for Samuel to mix things up with a dependable passing attack.

Sophomore Scott Kavanagh is No. 2 on the depth chart. The smooth-throwing Kavanagh recorded a 165.1 pass efficiency rating in limited action.

RECEIVERS — There probably isn't a team in the nation with a trio of receivers like Simmons, Hayes and Huntley.

Donald Hayes is an intriguing talent with his 6-foot-5 frame and splendid skills.

year ago. Samuel guided an offense that registered more than 5,000 total yards in '96.

He completed 58.3 percent of his passes for 1,752 yards. Because of his ability to run the ball (155 yards and five TDs), Samuel was fifth in the Big Ten in total offense.

With teams expected to try and slow the ground game, it

Simmons, the Big Ten's fastest athlete after winning the '97 outdoor track title in the 100 meters (10.29), returns after an injury-plagued campaign. He suffered a foot fracture early in 1996 and played on it for eight games before re-injuring it in a November practice session.

Simmons needs 666 yards receiving to become the school's all-time leader. He is second in career TD catches, one shy of the UW record, and has averaged a touchdown for every 3.9 receptions in his career.

Hayes is gifted with height (6-foot-5) and all-around athletic excellence. He led the team with 44 catches for 629 yards.

Both Simmons and Hayes will make pre-season all-star lists in the Big Ten.

A third addition at wide receiver is Huntley, the team's starting free safety the last two years. Huntley started several games as a true freshman at receiver before a position change to the secondary in 1995. He recorded 187 tackles and six interceptions as a defensive back. Huntley provides another game-breaker on offense.

The reserves include sophomores Ahmad Merritt (15 catches), Willie Austin (20-yard average) and Chris Downs.

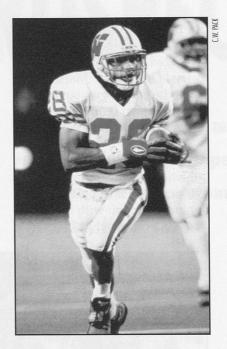

TIGHT END — Ryan Sondrup, who was expected to be the starter last fall before an injury, is the best pass-catching tight end on the club and ended spring camp as the starter.

Wisconsin native Eric Grams, a former walk-on, was a good addition last fall and is an emerging performer.

Wisconsin used two tight ends on occasion last fall and that could continue. A pair of redshirt freshmen — Dague Retzlaff (6-8, 271 pounds) and Mike Solwold — are in the mix.

OFFENSIVE LINE — The area hit hardest by graduation was the offensive line, where seven fifth-year seniors concluded their careers.

That contingent included four starters. Leadership also vanished as three of those

All-league cornerback Jason Suttle is in his third campaign as a starter.

blockers were captains.

The leadership baton has been passed to McIntosh, a gifted 315-pound Wisconsin native. He started 13 times as a rookie and earned academic all-league honors.

Aaron Gibson, the largest player in Division I-A at 390 pounds, will handle the right tackle post. Gibson played extensively at tight end last fall and even took one snap at fullback. Gibson creates some seams for the running game with his immense size.

Mark Tauscher and Pat Daley, a pair of sophomores, are the reserve tackles.

The center was supposed to be JC transfer Coleman Johnson. He claimed the starting spot early in spring training but a knee injury required surgery. His availability for the fall is a question.

Three redshirt freshmen will make up the interior of the line. Dave Costa and Bill Ferrario spent all spring as the starters at guard. Ferrario just moved to guard from the defense.

Casey Rabach, a Wisconsin prep all-stater, gets the call at center with Johnson unavailable. Sophomore Rob Roell switched from defensive tackle to center in the last week of spring practice.

Joe Gribowski (6-6, 327 pounds), a highly regarded prospect, is the top reserve at guard and tackle.

Secondary shuffle highlights new-look defense, which returns two starters in the front seven

The losses from last season's defense are significant, but the staff feels a number of relatively inexperienced performers will prosper with a chance.

The secondary, which allowed more than 250 yards per game through the air, is the most-experienced segment of the stop troops.

DEFENSIVE LINE — The lone returning starter on the line is junior Tom Burke, who has played both tackle and end. Burke started the last six games at end and finished with 64 tackles, tops among the returning linemen.

The talented Burke is No. 1 at rush end after a dominating spring. His understudies are junior Dave Cruickshank and former football letterman Rob Lurtsema, who returns to the

girdiron after two seasons on the Wisconsin hockey team.

John Favret, the 1996 scout team defensive player of the year, emerged in camp as a budding star at the end opposite Burke. Sam Mueller, another promising rookie figures in.

On the interior of the line, junior Brandon Williams is first-team at tackle. He will resume a fall battle with redshirt freshman Ross Kolodziej for the starting spot. Kolodziej was on the first unit but suffered an appendectomy in April. Marcus Carpenter, a versatile athlete, has worked at several spots in the trenches.

Chris Janek, a physical run stuffer, gets the nod at noseguard after seeing reserve action as a true freshman. Joe Innis and Eric Mahlik, a pair of walkons, are his back-ups.

linebackers — Despite the loss of Monty, the Badgers will field a strong linebacking corps. Senior David Lysek is the team's top returning tackler (88). His partner will come from a quartet that includes senior Brian Flanigan, and sophomores Donny Eicher, Donnel Thompson and Chris Ghidorzi.

Flanigan, who skipped spring drills, enters his final season hoping to finish his career with a flourish.

Eicher and Thompson shared starting duties in the spring. Eicher, a former state player of the year, was injured last year. Thompson, a former walk-on, made his mark on the special teams in 1996. Ghidorzi impressed observers as a true freshman, but was limited in

spring drills because of injuries.

Former strong saftey Bob Adamov has moved to outside linebacker and is an able performer. Athletic Ed Hartwell and former quarterback Marcus White will also get looks.

DEFENSIVE BACKS — Many of the names in the secondary are familiar. Only one (Jason Suttle), however, will line up at the same position as a year ago.

Suttle, who led the team with five interceptions, is an all-star at cornerback. He is in his third campaign as a starter.

Former strong safety Leonard Taylor re-emerged as Suttle's mate at cornerback. Taylor started eight times at safety as a freshman in 1995.

Sam Elmore, a speedy redshirt freshman, and sophomore Onjai Bryant, who played as a rookie, are exciting prospects as reserve cornerbacks.

LaMar Campbell paced the UW with 12 passes broken up and picked off four other throws last year. The cornerback-turned-free safety will better utilize his anticipatory skills at his new position.

Bobby Myers and Tim Rosga are experienced safeties. Rosga returned punts and held on placements last fall.

The newest member of the secondary is former wide receiver Demetrius Brown. The physical Brown excelled in the spring and assumed a starter's role at strong safety.

Walk-on Jason Doering and Taylor are listed as back-ups at strong safety.

Hall is gone so replacements are needed on placements and punts

The Badgers must identify replacements for John Hall, a second-team all-league pick, who handled all kicking chores in '96.

Entering fall camp, sophomore Vitaly Pisetsky and junior Matt Davenport are locked in a battle to handle kicking chores. Pisetsky, a native of Russia, was held out of the spring with a muscle pull. Davenport had a good spring after backing up Hall last year.

Eric Skrzypchak, the team's "pooch" punter in 1996, and walk-on Josh Prohaska shared punting duties in the spring. Freshman recruit Kevin Stemke, a prep all-American, will certainly get a chance in the fall.

Rugged Big Ten schedule and Kickoff Classic highlight slate

The Badgers' schedule features contests against five clubs that appeared in bowl games.

Wisconsin gets a chance to open the college football season early with its participation in Kickoff Classic XV vs. Big Eastpower Syracuse on Aug. 24.

The difficult Big Ten schedule will have a new look this fall. Four of the Badgers' opening five league foes — Indiana, Illinois, Purdue and Minnesota — have new coaches.

Wisconsin closes the season with games against Iowa, Michigan and Penn State.

BARRY ALVAREZ

Head Coach, 8th year at Wisconsin

Eighth-year Wisconsin football coach Barry

Alvarez begins the 1997 campaign with a lot of momentum.

His club of a year ago finished with a flourish, and he likes the mix of youthful exuberance and star potential of his current

The '96 Badgers added another chapter in the football resurrection story at the UW

with a 38-10 Copper Bowl triumph over Utah. That team became just the fourth in the last 50 years at the school to win at least eight games. Wisconsin also registered just its ninth winning season in the last 33 years (and the third for Alvarez in four seasons).

The bowl game victory over the Utes allowed Alvarez' program to join an elite group — Nebraska, Florida State, Tennessee, Penn State, Alabama and Colorado — of programs which have won three bowl games since 1993.

Alvarez, who enjoyed immense success as both a player at Nebraska and as an assistant coach at Iowa and Notre Dame prior to his appointment in Madison, has turned the football fortunes around at a school that produced just six winning seasons in the 26 years before his arrival.

Alvarez' clubs in the last four years have generated more wins, interest, fan support, TV exposure and honors than any prior era of Badger football

Upon his arrival in Madison, Alvarez was handed the reins of a program in disarray.

There was fan apathy as the school was coming off its lowest attendance average in 45 years.

There was a losing attitude since the UW had finished no better than eighth place in the Big Ten and had won just 25 percent of its games in the previous five years.

There was a lack of resources as the school faced the elimination of sports to save money and pay the bills. The pressure was on the football program to prosper and rebuild the department's financial ledgers.

Alvarez, however, had a plan. Through it all, he preached togetherness, toughness, discipline, focus and a no-nonsense approach to winning.

A NEW LEVEL OF SUCCESS AT THE UW

What transpired was a dramatic turnaround that rallied the university, unified the state of Wisconsin and made it desirable to "be a Badger" once again.

During his tenure, Alvarez reversed the fortunes of a program that had hit rock bottom. After a 1-10 rookie season, Alvarez guided the UW to a Big Ten co-championship and Rose Bowl triumph in his fourth year.

Only two coaches in Big Ten history — Alvarez and Ohio State's Wes Fesler (1947-49) — took last-place programs their first year and turned them into eventual league champs.

The Badgers followed the '93 storybook season, which was the winningest in UW history, with a 1995 Hall of Fame Bowl win over Duke.

After a rebuilding campaign in '95, Wisconsin returned to national prominence last fall, beating Utah in the Copper Bowl.

Over the last four campaigns, the Badgers have posted a 30-14-4 (.667) record. It took the Badgers 90 games (30-68-1, .308) to win that many contests prior to the '93 season.

Besides the obvious on-field improvement, home crowds have increased by an incredible 87.4 percent since his arrival. The Badgers have

PERSONNEL

ranked in the top 10 nationally for attendance the last four seasons and have played in front of 20 sellouts in the last 22 games at Camp Randall Stadium.

COLLEGE COACHING RESUME

Alvarez was appointed the school's 27th football coach on Dec. 31, 1989, one day after his 42nd birthday. "My old coach, Bob Devaney, told me that I should set a goal for myself to take a head coaching job by the time I was 42," Alvarez said. "I missed it by one day."

For three seasons, Alvarez was an assistant for Lou Holtz at Notre Dame. He served as linebackers coach in 1987, was promoted to defensive coordinator in 1988 and to assistant head coach in 1989.

Notre Dame finished 17th, first and second in the final Associated Press poll the three seasons Alvarez was there. The Fighting Irish won an incredible 23 consecutive games in 1988 and 1989.

The 1988 Fighting Irish team won the national championship and posted a 12-0 record. As coordinator, Alvarez' defense ranked third nationally in scoring, 10th against the run and 13th in total defense.

Notre Dame was 12-1 in 1989 and the nation's No. 1 team for 11 weeks. Alvarez' defense keyed a 21-6 Orange Bowl victory over top-ranked Colorado.

Alvarez coached all-America linebackers Michael Stonebreaker (a consensus pick), Ned Bolcar, Cedric Figaro and Wes Pritchett at ND. As an Iowa assistant, he coached linebackers from 1979-86. The Hawkeyes went to bowl games the last six years, after 17 seasons without a winning season.

Alvarez coached five firstteam all-Big Ten linebackers at Iowa, where his prize pupil was two-time consensus all-American Larry Station. An academic all-American as well, Station set the Hawkeyes' career tackle record.

His first head coaching job was at Lexington (Neb.) High School from 1974-75. He compiled a 16-4 ledger and was the Nebraska prep Coach of the Year in 1974. Alvarez then coached at Mason City (Iowa) High School from 1976-78, compiling a 21-9 mark. Included was a 4A state title in 1978, when he was league and district Coach of the Year.

Barry got his coaching start in 1971 as an assistant at Lincoln (Neb.) Northeast High School. The squad won a state title in 1972.

PERSONAL INFORMATION

A three-year letterman as a Nebraska linebacker, Alvarez was the top tackler among linebackers (112) for the 1967 Cornhuskers. That club led the nation in total (157.6 yards) and passing defense (90.1), was third nationally vs. the run (67.5) and created a school-record 40 turnovers. Nebraska led the Big Eight in total defense all three of Alvarez' varsity years on the way to compiling a 25-7 record and gaining berths in the Orange

BOWL CHAMPIONS

A ROSY SEASON

The 1993 Badgers will be remembered as the squad that established new standards. The winningest team in UW history \dots

- was co-champ of the Big Ten and won its first Rose Bowl.
- finished fifth (coaches) and sixth (media) in the final polls.
- posted the NCAA's largest attendance increase.
- improved its record by 5.5 games from '92, the largest gain in school history. For those achievements, Alvarez was named national Coach of the Year by the American Football Coaches Association, the Bobby Dodd Foundation, College and Pro Football Newsweekly and College Sports magazine.

Alvarez also became the first Wisconsin coach to earn the Dave McClain Big Ten Coach of the Year Award. He received 94 percent of the first-place votes.

The team was led by Big Ten and Rose Bowl Most Valuable Player Brent Moss, who set a school-record with 1,637 rushing yards. Quarterback Darrell Bevell also set a Wisconsin standard with 2,390 yards passing and his top target, Lee DeRamus, bettered the school's season receiving record (920 yards).

The season was also noteworthy because of the Badgers' Rose Bowl-clinching victory over Michigan State in a game that was played in Tokyo. It is the only game in Big Ten history to be played outside of the United States.

HALL OF FAME CAMPAIGN

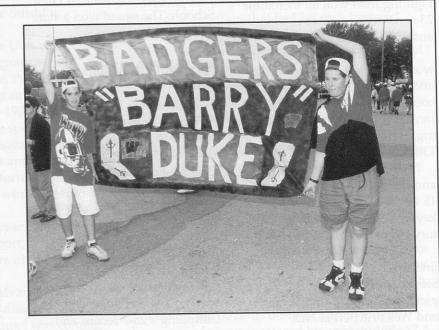

The '94 club had to deal with increased expectations, a difficult road schedule and an unusual number of injuries to key players.

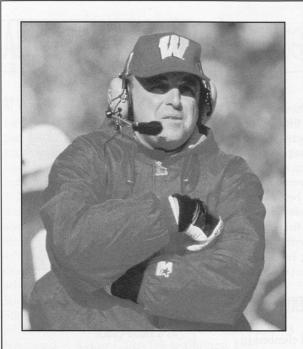

Through it all, the Badgers met every challenge head on.

For the second year in a row, the Badgers finished strong, including the school's first win at Michigan since '62, a bowl-clinching victory over Illinois and the 34-20 win over

Duke in the Hall of Fame Bowl.

The Badgers smashed all previous school attendance records, earned seven TV appearances and had seven NFL draft picks.

A COPPER CHAMPIONSHIP

Wisconsin's 1996 team closed quickly winning four times in the final five weeks to secure a bid to play in the Copper Bowl. The Badgers smashed Utah 38-10 to win their third bowl game in four seasons. Only six other schools — Tennessee, Colorado, Penn State, Alabama, Nebraska and Florida State — can make that claim.

The 1996 Badgers became just the fourth in the last 50 years at the school to win at least eight games, registering an 8-5 mark. Wisconsin also recorded just its ninth winning season in the last 33 years.

Fans continued to support Alvarez' club in near-record numbers. Wisconsin placed 10th nationally in average home attendance.

Tarek Saleh and Jerry Wunsch earned all-America honors after successful senior campaigns. Pete Monty led the Big Ten in tackles and became the school's career leader with 451.

Ron Dayne, a true freshman, broke nearly every rushing mark in UW history, and became just the 12th collegian to rush for more than 2,000 yards.

When the most successful seasons in Wisconsin history are discussed, one name is prevalent. COACH BARRY ALVAREZ. Did you know that ...

Barry, Year-by-Year

1996: 8-5 (3-5 BIG TEN)

The Badgers opened quickly with a 3-0 non-league slate before losing four games (three by a combined total of 10 points) to highly ranked foes. Wisconsin closed 4-1 and then ended the year with a 38-10 win over Utah in the Copper Bowl. Ron Dayne set an NCAA freshman rushing record with 2,109 yards, and Pete Monty became the school's career tackle leader.

1995: 4-5-2 (3-4-1 BIG TEN)

With the most inexperienced squad in the Big Ten and facing the nation's most difficult schedule (according to the *Seattle Times*), the Badgers posted a 4-5-2 campaign. Darrell Bevell broke nearly every passing record at the UW. The 17-9 upset at Penn State broke the NCAA's longest win streak (20).

1994: 8-3-1 (5-2-1 BIG TEN)

Wisconsin won its second straight January bowl game by defeating Duke in the Hall of Fame Bowl. The regular season featured a win at Michigan for the first time since 1962 and a school-record 632-yard total offensive output vs. Indiana. Center Cory Raymer was a consensus all-American. Seven players were drafted by the NFL and five others signed free agent contracts.

1993: 10-1-1 (6-1-1 BIG TEN)

The winningest team in UW history was Big Ten co-champ, beat UCLA in the Rose Bowl and was ranked

as high as fifth (coaches) in the final polls. UW had the NCAA's largest attendance increase, and its .875 winning percentage was the best by a Big Ten team since '79. The 5.5-game improvement in the win column was the best in school history. A school-record eight players were named first-team all-Big Ten. Tailback Brent Moss was the Badgers' first Big Ten Most Valuable Player since 1962.

1992: 5-6 (3-5 BIG TEN)

The UW was 5-6 and climbed in the Big Ten standings for the third season in a row. The Badgers upset 12th-ranked Ohio State, the first win over a nationally rated foe in eight years. Wisconsin received votes in the polls and ended the year one win short of a bowl bid. Three of the losses were by a total of four points. Inside linebacker Gary Casper set the school's career tackle record.

1991: 5-6 (2-6 BIG TEN)

Wisconsin improved its win total by four games, the fourth-largest improvement in the NCAA. Troy Vincent was an all-American and runner-up for the Jim Thorpe Award. A victory at Minnesota broke a 23-game road losing streak.

1990: 1-10 (0-8 BIG TEN)

The UW was within striking distance entering the fourth quarter in 10 games, although its only victory was a 24-7 triumph over Ball State. Wisconsin had the third-best attendance gain in the NCAA.

DAVID STLUKA

Coach Brad Childress

Brad Childress, offensive coordinator at Wisconsin since '92, is the man responsible for directing the two most-potent offenses in school history. Childress' units have been successful both on the ground and through the air during his tenure.

The '96 Badgers averaged 249.4 yards rushing per game, which led the Big Ten for the second time (1993 was the other) in four seasons. The '95 team averaged 221.7 yards through the air and completed 206 passes, both school records.

During his Wisconsin tenure, Childress has coached the Badgers' season leaders in rushing (Ron Dayne), passing (Darrell Bevell), receiving (Lee DeRamus) and scoring (Dayne).

Childress came to Wisconsin in 1991 as running backs coach and was promoted to offensive coordinator in charge of quarterbacks in his second season.

Among Childress' better Wisconsin offenses were ...

• the 1993 club, which set a Wisconsin record by averaging 455.2 total yards per game, then the fourth-highest mark in Big Ten history. That club ranked first in the league in rushing (eighth national-

ly) and total offense (12th), second in scoring (25th) and fourth in passing. The Badgers established a Big Ten record for completion percentage in a season (.675).

• the '94 Badgers were only the second team in UW history (the 1993 team was the other) to record more than 5,000 total yards. Wisconsin set a modern-era school record with 632 yards against Indiana. The Badgers were nationally ranked in rushing (ninth) and total offense (18th).

• the 1996 team, which led the Big Ten in rushing and featured Dayne, a 2,000-yard rusher.

Prior to joining the UW staff, Childress was wide receivers coach at Utah (1989) and offensive coordinator at Northern Arizona (1986-89). He coached quarterbacks and helped with the computerized scouting department of the Indianapolis Colts in 1985 after a seven-year stint (1978-84) at Illinois. He was a full-time assistant with the running backs and wide receivers his final five campaigns in Champaign after two years as a graduate assistant.

Eric Unverzagt, Wisconsin — co-MVP as a senior when he led team in tackles ... ended Badger career with 296 stops, 15th-most in school history ... drafted by the Seattle Seahawks, he was allocated to the World League in 1997.

DAVID STLUKA

Coach Kevin Cosgrove

Kevin Cosgrove, the third-year defensive coordinator, is the only remaining coach of Barry Alvarez' original staff at the UW. Cosgrove joined the Badger staff as linebackers coach in 1990 and added coordinator duties prior to '95.

The long-time Big Ten assistant coach was in charge of linebackers at Illinois for eight seasons (1980-87). Cosgrove has been a coach on six Big Ten teams that played in bowl games.

He also served as defensive coordinator at SE Missouri State in 1988 and worked for Earle Bruce as a defensive assistant in 1989 before coming to Madison.

His defenses are characterized as strong against the run and are known for excellent linebacker play. A Cosgrove linebacker has been the club's leading tackler six times. That includes Pete Monty, the '96 Big Ten leader.

In both 1992 (Aaron Norvell and Gary Casper) and 1994 (Monty and Eric Unverzagt), Cosgrove's starting linebackers each recorded more than 100 tackles.

Wisconsin's 1996 defense surrendered just 116.2 yards rushing and 19.4 points per game, third- and

fourth-best in the Big Ten. That defense also authored a shutout over Stanford, the third of the Alvarez era

The 1995 defense allowed 22.2 points per game and held three opponents to single-figure scoring. The Badgers had a string of 100 consecutive shutout minutes vs. Stanford, SMU and Penn State. Wisconsin held five foes to fewer than 100 yards rushing for the first time since 1982.

One of the midwest's top recruiters, Cosgrove signed Jeff George, Moe Gardner and Darrick Brownlow at Illinois. George was the NFL's No. 1 draft pick in 1990, Gardner was a two-time consensus all-American and Brownlow was Big Ten Defensive MVP.

His UW recruits include Terrell Fletcher (Chargers), Lamark Shackerford (two-time all-Big Ten), Monty (career tackle leader) and Aaron Gibson (the largest player in Division I-A this season).

Cosgrove got additional coaching experience after the '95 season, assisting Alvarez as the defensive coordinator in the Blue-Gray Game.

TIM DAVIS

Tight Ends & Offensive Tackles

Lance Scott, Utah — two-time first-team all-WAC center ... UPI honorable mention all-America ... fifth-round draft pick of Arizona ... handled long snapping duties for the Cardinals.

Barry Sims, Utah — all-WAC offensive lineman in 1996 for the Utes ... helped offensive line surrender only 11 sacks, a school record ... selected to play in the Hula Bowl.

DAVID STLUKA

Coach Tim Davis

Tim Davis, a former graduate and volunteer assistant at Wisconsin, returns to Madison to assume a full-time post in charge of tight ends and tackles.

Davis has been a full-time staff member at Utah the past seven years, including the last three in charge of tight ends and tackles. The Utes played in four bowl games during his tenure, including a 1996 match-up with the Badgers in the Copper Bowl.

Utah also participated in the Weiser Lock Copper Bowl (1992) and the Freedom Bowl twice (1993 and 1994) while Davis was there.

Inheriting a porous offensive line at Utah in 1990, Davis quickly developed it into one of the WAC's top front lines. A number of Davis' former players made all-league squads and several were drafted by the NFL.

His line in 1993 protected QB Mike McCoy, who finished second nationally in total offense. The 1996 blockers surrendered just 11 sacks, a Utah record. The Utes' running game also made a resurgence while Davis was there. Jamal

Anderson and Chris Fuamatu-Ma'afala are two of the backs that reaped the benefits of the line play coached by Davis. Utah rambled for 478 yards against New Mexico State in 1991, the school's all-time single-game record.

Prior to his hiring at Utah, Davis was offensive line coach at Idaho (1989), offensive coordinator at Walla Walla CC (1988), assistant coach at Arizona (1987) and a graduate / volunteer assistant at Wisconsin (1983-86). Walla Walla earned a Centennial Bowl berth during his tenure, and the 1984 Badgers played in the Independence Bowl.

Davis began his playing career at Chabot College, where he lettered for two years before transferring to Utah. He was the Utes' Most Inspirational Player in 1980 and played professionally with the CFL's Hamilton Tigers (1981) and the USFL's Los Angeles Express (1983).

Jeff Lageman, Virginia — 12th in career tackles at Virginia — led the team in stops in both 1987 and 1988 ... Cavs' two-time tackle leader ... No. 14 overall pick by the New York Jets ... currently a captain for the Jacksonville Jaguars.

DAVID STLUKA

Coach Phil Elmassian

Phil Elmassian, a defensive coordinator at three previous schools, embarks on his first season as secondary coach for the Badgers.

Elmassian has served on coaching staffs that have participated in bowl games nine of the last 12 years. He worked last season as defensive coordinator and secondary coach at Boston College.

Prior to BC, Elmassian coached defensive backs and the punt return for Washington's 1995 Pac-10 runners-up that played in the Sun Bowl. Among his players was Lawyer Milloy, a first-team all-American and runner-up for the Jim Thorpe Award.

Elmassian worked with DBs and the punt return for two years (1991-92) at Syracuse. The Orangemen went to the 1993 Fiesta and 1992 Hall of Fame Bowls while he worked there. His 1992 secondary led the nation and set a school record with 27 interceptions. He helped revitalize football fortunes at Virginia Tech during two separate tenures. He was defensive coordinator for Frank Beamer (1993-94) and worked as secondary coach for Bill Dooley (1985-86) at Tech. The Hokies are still running

the defensive scheme that Elmassian introduced as coordinator. Virginia Tech played in the Gator (1994), Independence (1993) and Peach (1986) Bowls during his two stints with the Hokies. The '86 Tech squad was the first in school history to win 10 games. The Hokies' 1994 total defense ranked in the nation's top 20.

Between assignments at Virginia Tech, Elmassian coached linebackers for George Welsh at Virginia (1987-90). The Cavaliers appeared in the 1991 Sugar, 1990 Citrus and 1987 All-American Bowls.

His Big Ten experience includes one year (1984) as secondary and punt return coach for Lou Holtz at Minnesota. He also served as secondary coach at East Carolina (1983), defensive coordinator and head track coach at Ferrum College (1979-82) and offensive backfield coach at both Richmond (1976-78) and William & Mary (1974-75).

JAY HAYES

Strong Safeties, Outside Linebackers & Special Teams

PLAYERS COACHED BY HAYES

Daryl Carter, Wisconsin — former strong safety was a two-year starter at outside linebacker ... earned a national defensive player of the week award from Athlon's for his play in an upset win over Penn State in 1995 ... signed a free agent contract with the Chicago Bears.

John Hall, Wisconsin — second-team allleague kicker in 1996 ... finished career in the Badgers' top five in all placement categories ... an incredible 69.7 percent of his kickoffs as a senior were touchbacks ... free agent signee of the Jets.

DAVID STLUKA

Coach Jay Hayes

Jay Hayes enters his third full campaign as an assistant coach at Wisconsin with responsibilities for the outside linebackers and special teams. Hayes' appointment in 1994 reunited him with Coach Barry Alvarez. Hayes worked previously with Alvarez while both were at Notre Dame.

Hayes aided the development of Badger Daryl Carter, a two-year starter at OLB. Carter made more than 150 tackles his final two years.

Hayes' special teams made dramatic improvement in '96. John Hall, a second-team all-league choice and a semi-finalist for the Lou Groza Award, was the team's second-leading scorer and became the first Badger in a decade to average more than 40 yards per punt. Aaron Stecker was fourth in Big Ten kickoff returns and his punt return norm (15.6 yards) would have led the league if he had enough attempts.

Two of the longest plays in UW history were authored by Hayes' 1995 special teams. Hall connected on a 60-yard field goal, the fourthlongest in NCAA history without the use of a tee. Stecker had a 100-yard kickoff return at Minnesota.

Prior to the UW, Hayes worked three seasons at Cal, overseeing outside linebackers in 1992-93 before adding special teams responsibilities in 1994. In his second season, the Bears posted a 9-4 record and played in the Alamo Bowl.

As a four-year member of the Fighting Irish coaching staff, Hayes helped Notre Dame to a 41-7 record and New Year's Day bowls each season. Hayes was a graduate assistant on the '88 national championship team before a promotion to full-time status (OLBs and special teams) from 1989-91.

Hayes was a two-time (1980-81) first-team all-league pick at Idaho. He received his B.S. degree in history from Idaho in 1984. Hayes played professionally for the Lions and Redskins (1982-83) prior to stints with the Michigan Panthers and Memphis Showboats of the USFL (1984-86).

Hayes is the older brother of NFL veteran Jon Hayes, who was recruited by Alvarez at Iowa. Jon Hayes was a TE with the Chiefs for 10 years before joining the Steelers in 1994. Jon played in the 1996 Super Bowl.

Brent Moss, Wisconsin — Big Ten and Rose Bowl MVP in 1993 ... rushed for 1,637 yards that season, the second-most in UW history ... rushed for at least 100 yards in 17 consecutive games.

Cory Raymer, Wisconsin — consensus firstteam all-American ... four-year starter allowed onehalf of a sack his final three seasons ... drafted early in the second round (37th pick overall) by the Washington Redskins.

Brian Williams, Minnesota — three-time letterman was Gopher team captain his senior year ... drafted by the New York Giants (1989) ... still active on New York's roster.

DAVID STIUKA

Coach Jim Hueber

Jim Hueber, who has developed one of the top rushing offenses in college football, starts his sixth season at Wisconsin and his third campaign in charge of the interior offensive line. Hueber coached running backs for three years before switching to the line in 1995.

With a veteran line in 1996, which included seven fifth-year seniors, Hueber's blockers paved the way for Ron Dayne's recordbreaking season. The tailback rambled for 2,109 yards as the Badgers led the Big Ten and finished 12th nationally in rushing.

In Hueber's five years in Madison, the Badgers have led the Big Ten in rushing twice and finished second once. In the two seasons prior to Hueber's arrival, Wisconsin averaged fewer than 100 yards on the ground.

The 1996 Badger line was spearheaded by all-America tackle Jerry Wunsch and first-team all-Big Ten guard Jamie Vanderveldt. All five starters weighed more than 300 pounds, making it the largest line in Division I-A.

Hueber has coached a number of Badgers who moved onto professional careers. The list includes Cory Raymer (Washington), Mike Verstegen (New Orleans), Joe Rudolph (San Francisco) and Jerry Wunsch (drafted by Tampa Bay).

As running backs coach from 1992-94, Hueber worked with Brent Moss and Terrell Fletcher, the school's No. 2 and No. 3 career rushers. The Moss-Fletcher duo combined for 2,633 yards in the Rose Bowl championship season, then the eighth-highest total for a backfield tandem in NCAA history.

Hueber came to Wisconsin after an eight-year stint at Minnesota, where he was assistant head coach, offensive coordinator and an assistant coach (line and backs). Eight of his Gopher linemen were drafted by the NFL.

Hueber's lengthy resume before Minnesota includes offensive coaching positions at Memphis State (1983), Temple (1981-82), Wichita State (1979-80), Dodge City Community College (1975-78) and Cincinnati (1974). He was recruiting coordinator at Temple, Wichita State and Dodge City.

HENRY MASON

Wide Receivers

PLAYERS COACHED BY MASON

Donald Hayes, Wisconsin — honorable mention all-Big Ten after making 44 catches in '96 ... 12th in career receiving at Wisconsin ... 13th in the Big Ten in receiving yards per game in 1996.

Tony Simmons, Wisconsin — just missed the '96 Olympic Trials in the 100 (10.15) ... fifth in career receiving at the UW, 666 yards behind leader Al Toon ... a TD for every 3.9 catches in his career ... only receiver in UW history to average better than 20 yards per catch for a career.

Andre Wallace, Western Michigan — the top receiver on the Broncos league-leading pass offense in 1994 ... Wallace made 68 catches for 758 yards to earn all-MAC honors.

DAVID STILIKA

Coach Henry Mason

Henry Mason enters his third season at Wisconsin in charge of potentially one of the nation's best pass receiving groups. Despite the Badgers' emphasis on the run last fall, Mason aided the development of all-Big Ten wide receiver Donald Hayes.

Hayes caught 44 passes, the seventh-most in Wisconsin annals. Mason also welcomes back Tony Simmons, a former Big Ten champ in the 200 meters, who broke his foot last fall. Simmons is the only player in Wisconsin history to average better than 20 yards per catch for an entire career, and he needs 666 yards receiving to become the UW's all-time leader.

In Mason's first season at Wisconsin, the Badgers established school records for average yards per game (221.7) and completions (206). Michael London, who had 10 career catches entering that '95 season, led the club with 41 grabs.

Prior to his appointment at Wisconsin, Mason handled wide receivers and kick returners at Western Michigan (1991-94). WMU led the Mid-American Conference in passing three of his four seasons.

The Broncos had more than

2,700 yards passing his final season. Three of his receivers had at least 40 receptions, including Andre Wallace, who caught 68 passes for 758 yards in 1994.

Mason was head coach at Smith-Cotton High School in Sedalia, Mo., for six years. Mason's mark at Smith-Cotton was 31-31, and his 1988 club became the first team at the school in 13 years to post a winning record and make the playoffs. Mason was also offensive coordinator at Smith-Cotton for three seasons (1982-84).

Mason was an assistant at Baker University (1981) in Baldwin, Kan. after beginning his career as an assistant at Lexington (Mo.) High School. Mason worked with running backs and defensive backs on clubs that posted a 21-0-1 record and won one state championship.

The 1979 graduate of Central Missouri State earned all-America mention in football and baseball. Mason was drafted by the Baltimore Colts, where he played one season (1978). He also played one year (1979) with St. Louis.

Tarek Saleh, Wisconsin — Big Ten leader in tackles for loss and sacks as a junior ... second-team all-American in '96 ... left UW as the career leader in all season and career tackle for loss and quarterback sack categories.

Chris Zorich, Notre Dame — earned consensus all-America honors as a senior at Notre Dame ... named the 1989 College Lineman of the Year ... plays for the Chicago Bears.

DAVID STLUKA

Coach John Palermo

John Palermo returns for his seventh year at Wisconsin and his third season in charge of the defensive line. Palermo handled UW outside linebackers for four years (1991-94) before moving to the defensive line (1995-present).

The Badgers' defensive front last year was a key element in limiting opponents to 115.2 rushing yards per game. That figure was third in the Big Ten and No. 2 in Wisconsin history. Ten opponents in the last two years have failed to reach 100 yards rushing against the UW.

Palermo, the Badgers' assistant head coach, holds a number of administrative duties for the football program and coordinates the Badgers' in-state recruiting efforts.

Palermo has coached several honored players at the UW, including Tarek Saleh, a two-time first-team all-Big Ten pick. Saleh is one of only two defenders in the Barry Alvarez era (Lamark Shackerford was the other) to make first-team all-Big Ten two years in a row. Bryan Jurewicz also flourished in his final season, breaking a school mark for passes tipped by a lineman (nine).

Three of Palermo's Badgers — Jurewicz, Chad Cascadden (New York Jets) and Jason Maniecki (Tampa Bay) — were academic all-Big Ten picks at the UW-Madison.

The Rose Bowl team of 1993 surrendered just 16.3 points per game, the lowest average since 1963. Palermo's two-deep lineup at outside linebacker on that team included a pair of walk-ons and two first-year freshmen.

Before joining Alvarez' staff at the UW, Palermo was head coach for one year (1990) at Austin Peay. In two seasons (1988-89) at Notre Dame, Palermo and Alvarez designed the Irish defense, which ranked 13th and 14th nationally in total defense. The Irish won the national title in 1988 and registered a 24-1 mark during his tenure.

Palermo worked from 1984-87 at Minnesota, helping the Gophers to the 1985 Independence and 1986 Liberty Bowls. He was also an assistant coach at Appalachian State (1983), Memphis State (1980-82) and Austin Peay (1979).

DAVID STLUKA

Coach Brian White

Third-year coach Brian White made his mark at the UW last fall after his rushing attack led the Big Ten. In his two years with the Badgers, White has coached a pair of 1,000-yard rushers and a 100-yard runner in 16 games.

White's tutoring last season helped true freshman Ron Dayne break Herschel Walker's national freshman rushing mark by more than 300 yards and record the greatest season in Big Ten history.

Wisconsin averaged 249.4 yards per game in '96 to lead the conference and rank 12th nationally. That included a 499-yard effort at Hawaii, the third-best in school annals. Under White's guidance in 1995, Carl McCullough became just the third sophomore in UW history to run for at least 1,000 yards.

White coached at UNLV in 1994 with Jeff Horton, one of the nation's top teachers of the passing game. The Rebels captured the Big West championship and won the Las Vegas Bowl.

As the UNLV passing game coordinator in '94, White worked with Randy Gatewood (92 catches as a senior). He set NCAA records with 23 receptions and 363 yards

against Idaho. White worked previously (1990-92) at UNLV, where he coached runners.

Between assignments at UNLV, White was an assistant to Horton at Nevada-Reno in 1993. As coordinator of the pass offense, he helped Chris Vargas lead the nation in total offense and Bryan Reeves rank second nationally in receiving (92 catches). Reno led the nation in total offense (589.0 average).

White also spent two years (1988-89) at Notre Dame as a graduate assistant. He worked with the running backs, including pro players Ricky Watters, Tony Brooks, Mark Green, Anthony Johnson and Rodney Culver. His first coaching job was at Fordham, where he tutored runners (1986-87).

White quarterbacked Harvard to a 7-3 record in 1985. He was second-team all-Ivy League and finished his career as the school's second all-time leading passer. White has a B.A. in history from Harvard (1986), an M.A. from Fordham (1988) and an MBA from Notre Dame (1990).

Wyatt, who joined Barry Alvarez' original staff as recruiting coordinator, coached tight ends from 1992-96 before moving into his current administrative post.

One of the nation's most respected East Coast recruiters, Wyatt brought a number of outstanding preps to Madison. Among them are tailback sensation Ron Dayne, Lee DeRamus (the school's second all-time leading receiver), Baltimore starting safety Donny Brady and 1995 co-MVP Eric Unverzagt.

As tight ends coach, Wyatt worked with four-time all-Big Ten choice Michael Roan. Under Wyatt's guidance, Roan had 92 career receptions (sixth-most in Wisconsin history). Roan plays for the Houston Oilers.

Wyatt also tutored Matt Nyquist, who finished with 37 catches in 1995. He set a UW record with 13 catches vs. Iowa. Wyatt, who has 22 years of experience coaching in the Big Ten, worked 16 seasons at Iowa before rejoining Alvarez in Madison. The duo was on Hayden Fry's staff together at Iowa.

Wyatt was the Hawkeyes' first full-time recruiting coordinator (1979). He worked with Hawkeye OLBs and coached several of his own recruits — Andre Tippett and Joe Mott — who went on to pro careers. Tippett, a perennial NFL All-Pro with the Patriots, was a 1981 consensus all-American. Wyatt signed many eventual NFL players at Iowa, including Ronnie and Kevin Harmon, Bob Kratch, Mike Devlin, Quinn Early, Devon Mitchell and Owen Gill.

Before joining the Iowa staff, Wyatt was a high school coach at Iowa City (Iowa) Regina and Lindenhurst (N.Y.) high schools.

DAVID WARD

UW-Madison Chancellor

David Ward Chancellor, UW-Madison

David Ward was named chancellor of the University of Wisconsin-Madison in June 1993, becoming the 25th individual to serve as the university's chief executive. Ward had served as interim chancellor since January 1993.

For the past eight years, Ward has provided strong leadership for efforts to improve the quality of undergraduate education. Changes inspired by Ward include: enhanced student advising, particularly for freshmen and sophomores; expanded course access; a core curriculum; and increased opportunities for undergraduates to conduct research.

The next step, says Ward, is to redefine undergraduate education, not simply through improvements of existing programs and processes, but by developing new ways for learning to occur on college campuses. To that end, he recently published a comprehensive strategic planning document, outlining priorities for the next decade as the university works toward balancing its teaching, research and outreach missions. One way the university can unify its activities, Ward says, is by emphasizing learning as a central goal.

This development of campus learning communities recently was echoed by the Kellogg Commission on the Future of State and Land-Grant Universities. In its first report, this 25-member group of university chief executives, on which Ward serves, called on public institutions to become "genuine learning communities" that are student-centered, support and inspire learners of all kinds, and sustain a healthy learning environment.

During his tenure, Ward has given new expression to The Wisconsin Idea, the venerable philosophical framework for the university's public service role. The Wisconsin Idea is embodied by a vast array of partnerships between the university and both the public and private sectors, says Ward, from economic development activity and sharing of faculty expertise, to educational collaborations with K-12 schools.

"The university's commitment to the citizens of Wisconsin is stronger than ever as we approach the 21st century," says Ward, who looks forward to marking the university's sesquicentennial in '98-99.

Ward was born in Manchester, England, and received bachelor's and master's degrees from the University of Leeds. He earned a Fulbright Travel award to the United States in 1960 and received a doctorate from UW-Madison in 1963.

Ward served as chair of the geography department from 1974 to 1977 and as associate dean of the Graduate School from 1980 to 1987. He became vice chancellor for academic affairs at UW-Madison in 1989, and in 1991, he was also named provost, chief deputy to the chancellor. His UW-Madison faculty career spans more than 30 years, and he holds the Andrew Hill Clark Professorship of Geography.

As a scholar, Ward is a recognized authority in historical urban geography and has pioneered research on English and American cities during their rapid growth of the 19th and early 20th centuries. He is a past president of the Association of American Geographers. He has authored two books, edited two books and contributed many articles in leading academic journals. In recognition of his postdoctoral research, Ward was awarded the degree of Litt.D. by his undergraduate alma mater.

PAT RICHTER

Director of Athletics

Director of Athletics Pat Richter, the former Badger all-America gridiron star, three-sport letterman and successful business executive, is the man in charge of one of the NCAA's most thriving athletic departments.

During a time of budget tightening, presidential reform and gender equity concerns, the dean of Big Ten Athletic Directors has built a model intercollegiate program.

As Director of Athletics, he is responsible for 21 sports, nearly 700 student-athletes and more than 160 employees. Consider that during his administration, he ...

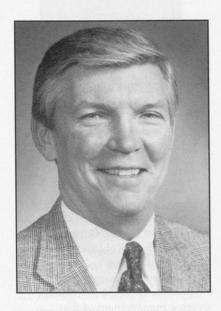

• inherited a division that was \$2.1 million in debt in 1990 and eliminated the red ink on the ledgers in less than four years.

• watched the football, basketball and hockey squads set season attendance marks during his administration. Football attendance has placed in the top 10 nationally the last four years.

• oversaw plans for significant facility improvements, most notably the construction of the \$76.4 million Kohl Center. That state-of-the-art facility will open in January of 1998.

On the field of play, the Badgers have been highly successful during Richter's administration. The football squad has enjoyed unparalleled success during the Barry Alvarez era. Both the men's and women's basketball clubs, under the direction of Dick Bennett and Jane Albright-Dieterle, have made post-season play the standard instead of the exception.

The varsity sports teams have

continued the long-standing excellence that Badger fans have come to expect. Wisconsin has ranked among the nation's top all-sports programs in the Sears' Director's Cup in all four years of its existence. The Badgers have claimed two — hockey (1989-90) and men's soccer (1995) — NCAA championships during Richter's tenure.

Perhaps Richter's most satisfying season as Director was the 1993-94 campaign when his alma mater won the Rose Bowl and qualified for its first NCAA men's basketball tourney in 47 seasons.

As a player, he earned all-America (1961-62) and academic all-America (1962) honors as an end. He led Wisconsin to the 1963 Rose Bowl and set a game-record with 11 receptions.

In the first ever college football game between No. 1 and No. 2 ranked teams, Richter and his

Badger teammates dropped a 42-37 decision to USC in Pasadena.

Richter led the Big Ten in receiving twice and is still the third-leading receiver in school history. As a senior, Richter won Wisconsin's 1963 Big Ten Medal of Honor.

Richter was recognized for his gridiron exploits last year with his induction into the National Football Foundation College Hall of Fame.

He also earned all-league honors in baseball and led UW in hits, homers and RBI three times. The 6-foot-5 center received his scholarship for basketball.

After earning his B.S. degree from the UW in landscape architecture (1964), Pat was a first-round draft pick of the Washington Redskins. He played from 1963-71.

Upon retirement from the NFL, he returned to Wisconsin to earn his law degree (1971). After working at a Madison law firm, he climbed his way to vice president of personnel at Oscar Mayer.

Richter was honored with an NCAA Silver Anniversary Award for post-college achievements in 1988. He is a member of the Wisconsin State Athletic and Madison Sports Halls of Fame, the NFL Player and Alumni Associations and the American Bar Association. Pat was enshrined in the Athletic Department and Rose Bowl Halls of Fame in '91 and '94, respectively. In 1995, he became the second Badger to gain induction into the GTE Academic All-America Hall of Fame.

Pat and his wife, Renee, have four children: Scott, Brad, Barry and Tim.

NGAA ROGOTAS

True freshman Ron Dayne, who joined the Badgers' starting lineup in the fifth game of 1996, put together the best rookie rushing season in NCAA history. He gained 339 yards at Hawaii (Nov. 30), 297 yards vs. Minnesota (Nov. 9) and 289 yards at Illinois (Nov. 23). Those efforts are the second-, fourth- and sixth-best days in NCAA history for a freshman. His 1,863-yard season (bowl game not included) broke Herschel Walker's NCAA freshman season mark. A 246-yard effort vs. Utah in the Copper Bowl boosted his total to 2,109 yards. He is the NCAA's top returning rusher from '96. Listed below are the NCAA records that Dayne eclipsed last fall.

REVIEW OF 1996

Copper Bowl Champs

The Wisconsin football team finished its 1996 season with an 8-5 record and claimed its third bowl championship in four seasons with a 38-10 triumph over Utah in the Copper Bowl.

SEASON REVIEW — Wisconsin's 1996 football team (8-5 overall) finished strong, winning five of its final six games, including an impressive triumph over Utah in the Copper Bowl. That surge let the team become just the fourth UW club in the last 50 years to win at least eight games. The Badgers also registered just their ninth winning season in the last 33 years (and third in four seasons).

It was a tale of three distinct seasons for the Badgers in 1996. Wisconsin opened the year with consecutive non-conference victories over squads from the MAC (Eastern Michigan), the WAC (Nevada-Las Vegas) and the PAC-10 (Stanford). The 14-0 win over Sun Bowl-champ Stanford was the only regular-season victory over a school with a winning record.

What followed that 3-0 start was the toughest stretch of games during the Barry Alvarez era, as the Badgers faced No. 3 (at the time) Penn State, No. 2 Ohio State and No. 14 Northwestern. The results included three-point losses to the Nittany Lions and Buckeyes, and a four-point defeat to the Wildcats. Those three clubs managed a 31-6 overall mark in 1996. A 30-13 loss at Michigan State left the Badgers 0-4 in the league.

Alvarez then challenged his club to finish the season strong. The Badgers responded favorably, and it coincided with the emergence of a powerful running game. Wisconsin averaged 367.6 yards on the ground in its final five triumphs and ended the season with a Big Ten-best 249.4-yard norm.

All year long, Alvarez pointed to the heavy

(five games in November) workload at season's end. He aimed to have his club finish with a flourish. With Ron Dayne rushing for 1,231 yards in the month (246.2 per game), Wisconsin captured four of its final five regular season contests.

That strong finish allowed the Badgers to receive a bid to play in the Copper Bowl when the Big 12 couldn't offer a bowl-eligible team for that league's guaranteed slot in Tucson. The Badgers' invite was their ninth bowl in school history and the third for Alvarez. Four interceptions and a punishing ground game keyed the 38-10 bowl win over Utah.

RATINGS GAME — Wisconsin ended the year receiving votes in both national polls. The Badgers placed 30th in the Associated Press poll (14 votes) and finished 31st in the CNN/*USA Today* poll (15 votes).

WINNINGEST SENIOR CLASS — The 1996 senior class left the UW as the winningest in school annals. The group compiled a 30-14-4 (.667) mark and won three bowl games. The seniors from the '84 team registered a 28-18-1 mark, previously the best record for a senior class at Wisconsin.

1,000 IS STANDARD FARE — Wisconsin is the first school in Big Ten history to produce four different 1,000-yard rushers in as many seasons. Ron Dayne joined Brent Moss (1993), Terrell Fletcher (1994) and Carl McCullough (1995) as Wisconsin's

Qe/

What do the following college football teams — Wisconsin, Florida State, Alabama, Colorado, Nebraska, Penn State and Tennessee — share in common?

They are the only teams in Division I-A that have won at least three bowl games in the last four years.

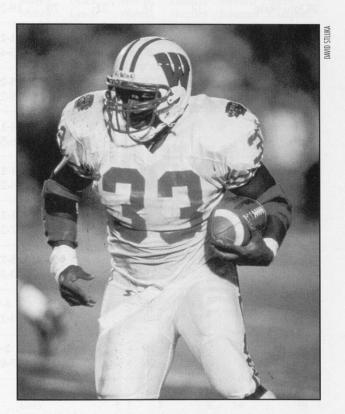

1,000-yard rushers in the last four years. Ohio State (1975-77) and Michigan (1990-92) produced different 1,000-yard runners three seasons consecutively. The Badger list of 1,000 yarders includes a freshman (Dayne), a sophomore (McCullough), a junior (Moss) and a senior (Fletcher).

Player	Att.	Yards	Avg.	TD
Brent Moss, '93	312	1,637	5.2	16
Terrell Fletcher, '94	244	1,476	6.0	12
Carl McCullough, '95	236	1,038	4.4	3
Ron Dayne, '96	325	2,109	6.5	21

DEFENSIVE NUMBER CRUNCHING — The Badgers allowed just 115.2 yards on the ground, the second-lowest average in UW history ... only the "Hard Rocks" team of 1951 allowed fewer rushing yards (66.8) per game ... five UW opponents failed to reach 100 yards rushing ... Wisconsin was 4-1 in those games ... the Badgers' shutout over Stanford was their third of the Alvarez regime ... Wisconsin surrendered just 35 points (11.7) in the final three games against Illinois, Hawaii and Utah ... the Badgers allowed just 20 points (6.7) per game in the opening three contests ... the UW defense created 27 turnovers (2.07 per game), which helped the school enjoy a plus-9 turnover margin ... the Badgers had more than twice as many sacks (39-19) and passes broken up (63-29) as their opponents ... the Badgers' 18 interceptions were the second-most at the UW in 12 years (only the Rose Bowl team of '93, which led the nation with 23 pickoffs, had more) ... the defensive scoring average of 18.7 was an improvement of 4.3 points from 1995.

INSPECTING THE OFFENSE — The Badgers averaged 29.0 points per game ... that is the third time in four seasons that the club has averaged at least 29 points per contest ... prior to this stretch, only three other UW squads (1983, 1974 and 1962) averaged more points per game ... Wisconsin's 1996 offensive statistics show an emphasis on the running game ... just like the bowl teams of 1993 and 1994, the Badgers had a powerful rushing attack in '96 ... the 249.4-yard rushing average was fourth-best in school history ... the 1993 club (which ranked eighth nationally in rushing) and the 1994 team (ninth) had the third- and fifth-best averages in UW annals ... the ratio of rushing yardage to passing yardage in the last four seasons is below:

	Rush.	Rush.	Pass.	Pass.
Year	Avg.	Ratio	Avg.	Ratio
1996	249.4	.645	137.2	.355
1995	128.9	.368	221.7	.632
1994	244.5	.577	179.1	.423
1993	250.8	.551	204.4	.449

Ron Dayne became the fourth different Badger in as many seasons to rush for more than 1,000 yards.

GAME #1, @ MADISON

E. MICHIGAN 0 0 0 3 — 3 **WISCONSIN** 7 0 10 7 — 24

MADISON — Wisconsin got an efficient performance from its offense and a stingy run defense to defeat Eastern Michigan 24-3 in the season opener. Mike Samuel, in his first college start, completed 12-20 passes, and the Badgers got 235 yards rushing on the way to building a 24-0 lead.

Four of Samuel's passes were dropped, including a sure TD bomb to Tony Simmons. "He played a sharp game," Coach Barry Alvarez said of Samuel's debut as a starter. Samuel also demonstrated some skill in running the option as 57 of the club's 71 first-half rushing yards came via option pitches from Samuel.

Carl McCullough rushed for 107 yards and one TD, his sixth game over the century mark in his career. Ron Dayne added 53 yards on eight carries. Dayne electrified the crowd, carrying the ball on five straight plays en route to his first TD.

The UW defense posted a shutout for more than 56 minutes before the Eagles tallied on a 35-yard field goal with 3:31 left. Eastern Michigan netted just 44 yards rushing, and Wisconsin's defense was credited with five sacks. EMU penetrated the Badger "Red Zone" twice, but failed to score each time after missing short field goals.

End Tarek Saleh was credited with three tackles behind the line to lead the defense. Strong safety Giscard Bernard registered a team-best 10 tackles in his first college start.

Game-time temperatures were recorded at 80 degrees, but 67 percent humidity raised field level temperatures to more than 100 degrees.

GAME #2, @ LAS VEGAS

WISCONSIN 7 14 17 14 — 52 **UNLV** 0 7 10 0 — 17

LAS VEGAS — Wisconsin netted 366 yards rushing, its first game over 300 yards since the Northwestern game of 1994, and intercepted four passes to defeat UNLV, 52-17.

Aaron Stecker (135), Ron Dayne (90) and Carl McCullough (71) powered the Badger rushing attack. Stecker scored on a pair of short touchdown runs, but his carries of 45 and 40 yards in the first half ignited the partisan Badger crowd.

More than 30,000 Wisconsin fans made the trip to Las Vegas. It was the largest sporting event in

the state of Nevada's history. The crowd of 40,091 was the first sellout at Sam Boyd Stadium since a 1986 football game between UNLV and Wisconsin.

The four interceptions by Wisconsin included a 14-yard return for a TD by Daryl Carter. UNLV freshman quarterback Jon Denton passed for 293 yards, but three pickoffs hampered Rebel drives. Jason Suttle made two of the interceptions in the end zone to end UNLV marches.

Badger defenders allowed just one first-half TD, and it occurred on a 45-yard desperation pass on the final play of the first half. Suttle nearly intercepted his third pass of the half, but the ball popped out of his hands when teammate Bobby Myers collided with Suttle in the end zone and Todd Floyd made the touchdown catch.

The UW run defense limited the Rebels to 110 yards on the ground. Wisconsin upped its mark to 9-0 during the Barry Alvarez era when it outrushed the opponent by 200 yards or more. The Badgers had a 256-yard advantage on the ground.

Mike Samuel completed just nine passes but averaged 22 yards per connection while throwing for 198 yards. The Badgers' total offense (578) tied for the sixth-most in school history.

MADISON — Wisconsin got a strong effort from its defense and registered the third shutout of the Barry Alvarez era at the UW on the way to a 14-0 win over Stanford.

Despite suffering four turnovers — three in the third quarter — the Wisconsin defense kept Stanford off the scoreboard. "When you can shut out someone who can do the things Stanford can do, you have to have a team effort," Coach Barry Alvarez said of his defense.

The Badgers limited the Cardinal to 211 total yards, including only 50 on the ground. Wisconsin defenders accumulated five quarter-back sacks, including three by Tarek Saleh. Bryan Jurewicz tipped three Cardinal passes at the line and forced a fumble. It was the UW's third shutout since '94, but probably the most impressive considering the PAC-10 opposition.

Mike Samuel set career highs with 21 completions, 30 attempts and 236 yards through the air. Donald Hayes caught seven of those aerials for 90 yards. Hayes scored the game-winning TD on a diving 23-yard reception.

Freshman Ron Dayne sparked the rushing game with 75 yards in the fourth quarter. Wisconsin's rushing attack netted just 101 yards in the entire game. Dayne carried eight times on the game-clinching scoring drive in the fourth period, which ended on Samuel's one-yard dive.

The victory boosted the Badgers' record to 3-0, its third undefeated non-conference campaign under Alvarez. Wisconsin's defense surrendered just 20 points (vs. Eastern Michigan, UNLV and Stanford), the best three-game defensive stretch since John Jardine's 1977 club allowed 10 points to Oregon, Northwestern and Illinois.

GAME #4, @ MADISON

PENN STATE 10 10 0 3 — 23 **WISCONSIN** 3 7 0 10 — 20

MADISON — Wisconsin battled third-ranked Penn State to the final whistle before falling 23-20 in front of a large and enthusiastic crowd at Camp Randall Stadium.

John Hall's 58-yard field goal attempt, which had plenty of distance, was wide left by five feet as time expired. The Badgers fought back from a 17-3 deficit and tied the game at 20-20 with 3:22 left. Hall's 24-yard field goal was the equalizer.

Penn State roared back and drove to the UW seven-yard line, much of the yardage gained on a 40-yard reception by Joe Jurevicius, to set up Brett Conway's game-winning 25-yard field goal with 1:23 remaining.

The Badgers started the ensuing drive from their seven-yard line, but QB Mike Samuel piloted a 10-play march that reached the Penn State 40-yard line. Hall's long field goal attempt, which would have sent the game into overtime, was barely wide.

Samuel set career highs for the second game in a row by completing 26 of 40 passes. Donald Hayes caught nine of those throws, a personal best. Freshman Ron Dayne was the Badger offensive star with 129 yards rushing and two TDs.

Coach Barry Alvarez was happy with his team's performance. "I thought we did a lot of

good things," Alvarez said of his club which bounced back from 14- and 10-point deficits. "But we made some mistakes, and you can't afford to do that against a quality opponent."

Pete Monty was credited with a career-best 21 tackles, and Kevin Huntley added 13 stops to key the defensive charges.

A crowd of 79,607 was the third-largest in Camp Randall Stadium history.

GAME #5, @ COLUMBUS

WISCONSIN 0 7 0 7 — 14 **OHIO STATE** 0 3 7 7 — 17

COLUMBUS — Wisconsin held the nation's highest-scoring offense 35 points below its season average before falling to No. 2 Ohio State 17-14.

"We played well and had a chance," Coach Barry Alvarez said of his club, which entered the game as a 26-point underdog. The Badgers unveiled a new offensive front that featured 378-pound Aaron Gibson, and it resulted in a powerful attack that rushed (155) and passed (206) with efficiency. Carl McCullough (81) and Ron Dayne (65) led the rushing attack and QB Mike Samuel passed for 206 yards against the Buckeyes' much-publicized pass rush.

The Badgers gained a 14-10 lead early in the fourth quarter after Kevin Huntley returned a fumble 36 yards for a touchdown. Wisconsin limited OSU's big-play capability all day until the Buckeyes scored the game-winning TD on a 48-yard pass play midway through the final period. Dimitrious Stanley eluded a couple of potential tacklers in the secondary and scored the winning points with 8:51 left.

Samuel suffered two interceptions, the club's only turnovers of the game, as they tried to rally in the fourth quarter. Samuel was effective with the passing game early completing 43- and 44-yard throws in the first quarter. Ohio State, which entered the game with a 310-yard rushing average, netted just 78 yards against the Badgers' stingy defense. Wisconsin was credited with 10 tackles for loss, including three by Tarek Saleh.

N'WESTERN 7 7 6 14 — 34 **WISCONSIN** 10 3 3 14 — 30

MADISON — Wisconsin dropped a 34-30 decision to Northwestern, its third straight close defeat to a nationally ranked opponent. The tightly contested Big Ten battle featured six lead changes and a wild final minute of play.

The Badgers led the defending Big Ten champion Wildcats 30-20 before a furious fourth-quarter Northwestern rally. Wisconsin took its 10-point lead on runs by Ron Dayne and Cecil Martin in the final stanza.

Northwestern fought back to within 30-27 on an Adrian Autry score. After Northwestern's desperation 55-yard field goal attempt (which would have tied the score at 30) missed with 1:33 left, the Badgers took over on their own 38-yard line.

The Badgers were trying to gain a first down and clinch the win with less than a minute left in the game, but a fumbled exchange between Dayne and Mike Samuel was recovered by the Wildcats.

QB Steve Schnur was forced out of the pocket on the first play and rambled for 21 yards. Schnur then connected with D'wayne Bates (10 catches for 131 yards) on a 20-yard scoring play with 0:37 left.

Prior to the fumble in the fourth quarter, Dayne had exploited the Wildcat defense for a career-best 139 yards. Before that play, Dayne had not lost a fumble in 105 previous collegiate carries.

Northwestern's win was its 12th straight in the Big Ten and was accomplished without the service of Darnell Autry, who got hurt in the first quarter.

EAST LANSING — Wisconsin was outscored 20-3 in the last two-and-a-half quarters in losing a 30-13 decision at Michigan State. "They beat us soundly in all phases of the game," Coach Barry Alvarez said.

The Badgers battled back to a 10-10 tie on Mike Samuel's 12-yard run in the second quarter before the Spartans sandwiched Chris Gardner's third field goal with a pair of Sedrick Irvin TDs.

The Badger defense surrendered a season-high 471 total yards, and the UW offense gained a season-low 290 total yards.

Spartan QB Todd Schultz completed 18-25 throws for 269 yards and never faced much of a rush from a defense, which entered the game with 20 sacks. Michigan State also rushed for 202 yards against the No. 1 rush defense in the league. "This wasn't a magical scheme," Alvarez said. "They executed their offense better than we executed our defense."

Ron Dayne rushed for 81 yards and Donald Hayes led the club in receiving (79 yards) for the fifth time in six games. Much of the Badgers' passing yardage came on a 42-yard heave to Hayes, which set up Samuel's 12-yard TD run.

John Hall connected on two-of-three field goals, including a season-long 51 yarder to pull the

Badgers within 20-13 at the half. Wisconsin, however, did not score in the second half and gained only five first downs in the final 30 minutes.

PURDUE 0 10 7 8 — 25 **WISCONSIN** 10 14 9 0 — 33

MADISON — Wisconsin roared to a 24-0 first-half lead and made a pair of fourth quarter interceptions to hold on for a 33-25 victory over Purdue.

The Badgers got a school freshman rushing record 244 yards and two touchdowns from Ron Dayne to record their first Big Ten triumph of the season. Dayne's yardage total broke Alan Ameche's Wisconsin freshman record of 200 yards and was also the second-best total on the school's all-time single-game list.

"This was a good win," Coach Barry Alvarez said. "Our kids certainly needed one. Everyone

needed one. Our systems needed it."

Dayne carried the Badger offense as Mike Samuel completed just four passes. Two of the completions — 43 yards to Tony Simmons and four yards to Cecil Martin — were touchdowns. John Hall also made a big contribution, hitting a pair of 44-yard field goals and averaging 49.5 yards on four punts.

The Badger defense was on the field for 104 scrimmage plays but was credited with four turnovers. Wisconsin got interceptions to end the Boilermakers' final two drives. Because of the extensive work, five Badger defenders — Bob Adamov (16), Kevin Huntley (16), Pete Monty (15), Bryan Jurewicz (10) and Daryl Carter (10) — had double-digit tackles. Additionally, Tarek Saleh added nine stops (three for losses), one fumble recovery and a fumble caused.

Purdue won all of the statistical battles except the bottom-line scoring total. The Boilermakers had advantages in first downs (38-16), total offense (540-365) and time of possession (36:19-23:41).

MINNESOTA 7 0 6 15 — 28 WISCONSIN 7 21 14 3 — 45

MADISON — Wisconsin rode its freshman tailback Ron Dayne to a 45-28 victory over Minnesota in the final home appearance for its senior class.

Dayne rumbled for a Big Ten freshman record 297 yards on 50 carries. He scored three TDs. Dayne's attempts set a UW record and his yardage total was the second-most in school annals. He carried 31 times in the first half, just short of Tony Sands' (Kansas) NCAA record of 34 rushes.

Dayne's record-breaking performance allowed him to become just the fourth true freshman in league history to go over 1,000 yards. He broke the NCAA freshman record for carries in a game set previously by Wake Forest's James McDougal. Dayne nearly joined Billy Marek as the only Badgers to register a 300-yard game, but Coach Barry Alvarez pulled his prize freshman in the fourth period.

"I couldn't care less about records, statistics or anything else," Alvarez said. "We came here to win the football game, and we did."

The Badgers registered a 261-yard advantage in rushing and received a pair of TD passes from Mike Samuel as they maintained possession of the Paul Bunyan Axe. Dayne gained 61 percent of the club's total offense as Wisconsin recorded a 14-minute advantage in time of possession.

The Badgers scored TDs on six of their first seven possessions. The only drive that didn't end with a touchdown was a failed field goal attempt. Bryan Jurewicz was credited with three of the Badgers' five quarterback sacks. Golden Gopher receivers Ryan Thelwell (142) and Tutu Atwell (105) had big games, but the Minnesota running game netted just 88 yards.

GAME #10, @ IOWA CITY

WISCONSIN 0 0 0 0 — 0 **IOWA** 10 14 7 0 — 31

IOWA CITY — Wisconsin could not get its running game on track and turned the ball over five times in a 31-0 loss at Iowa. It was the Badgers' largest margin of defeat in the series against Iowa since 1968.

"It's obvious that we didn't play very well," Coach Barry Alvarez said. "We were beaten in every phase of the game. Credit Iowa. They had a lot to do with how we played."

The Hawkeyes raced to a 24-0 halftime lead with an efficient performance on both sides of the ball. Wisconsin had three-play drives on five of its six first-half possessions. Iowa registered 199 total yards in the opening half and converted on 7-10 third-down conversions.

Sedrick Shaw did much of the damage for the Hawkeyes gaining 143 yards and scoring three TDs. Shaw had scoring runs of 29 and 33 yards in the opening half.

Ron Dayne was the focus of the Badger offense, accumulating 79 percent (62 rushing, 39 receiving)

of the total offensive yardage. Dayne, who gained 541 yards the two previous weeks, had his Big Ten season low. "We couldn't establish the run and couldn't get anything going offensively," said Alvarez.

Iowa's Bill Ennis-Inge was a thorn in the Badgers' side with four quarterback sacks, two fumbles forced and a fumble recovery. Wisconsin suffered five turnovers as the Hawkeyes boosted their record to 17-0-1 vs. the Badgers since 1976.

WISCONSIN 14 14 7 0 — 35 **ILLINOIS** 0 7 0 8 — 15

CHAMPAIGN — Wisconsin got a 200-yard rushing performance from freshman Ron Dayne for the third time in four weeks as the Badgers ended their Big Ten season with a 35-15 win at Illinois.

Dayne set a UW record with 212 yards rushing in the first half as the UW built a 28-7 halftime lead. Dayne gained 82 percent of the team's first-half yardage. He scored a career-high four TDs, including a career-long 54-yard run.

1996 REVIEW

"Dayne makes a lot of things happen," said Alvarez. "He is not just a big plow horse." Dayne scored on runs of 30, 54, 19 and 23 yards.

Wisconsin ended the day with 365 yards rushing and attempted just 12 passes. Dayne's exploits once again overshadowed Wisconsin's defense, which limited Illinois to just 256 total yards, its second-best performance of the league season. The Badgers held Illinois to 93 yards on the ground and 163 (its second-best effort of the year) through the air.

The Fighting Illini got both of their scores from Ty Douthard, who tallied on a run and a reception. Coach Lou Tepper's last game as coach was witnessed by just 37,814 fans.

GAME #12, @ HONOLULU

WISCONSIN 21 7 17 14 — 59 **HAWAII** 3 7 0 0 — 10

HONOLULU — Ron Dayne ran for a school-record 339 yards and four touchdowns as the Badgers closed the regular season with a 59-10 win at Hawaii.

The Badgers, who needed a dominating performance to impress bowl scouts, got one from the unstoppable Dayne.

Dayne bettered three NCAA and six Wisconsin records in the victory. He became the NCAA's most prolific freshman runner, passing Georgia's Herschel Walker. Dayne's TD runs covered four, three, 48 and 22 yards.

His longest run of the season (71 yards) came on the game's first recorded play. Dayne ran for 67 yards on his first try of the game, but the play was called back for illegal motion. Hawaii was offside on the next play followed by two more illegal motion penalties on the UW. Finally, Dayne ripped off his 71-yard run. He scored on a two-yard run three plays later.

Dayne was removed from the game late in the third period needing only 58 yards to break the NCAA's all-time single-game mark. His yardage total broke Billy Marek's Badger record (304 vs. Minnesota). The 18-year-old freshman broke his own record with 250 yards rushing in the first half going over the century mark in both the first and second quarters.

Aaron Stecker scored two TDs and returned punts for 122 yards in a splendid performance.

The UW defense limited the Rainbows to 183 total yards. The defense's performance simply gave Dayne more opportunities to dominate the undersized Rainbow Warriors.

GAME #13, @ TUCSON

WISCONSIN 14 17 0 7 — 38 **UTAH** 3 0 7 0 — 10

TUCSON — Ron Dayne ended his freshman campaign as the only first-year player in NCAA history to rush for more than 2,000 yards as the Badgers smashed Utah 38-10 in the Copper Bowl. The win was the Badgers' third bowl triumph in four seasons for Coach Barry Alvarez. Only six other teams in the NCAA can make that claim.

Dayne also became the all-time season rushing leader in Big Ten history (passing Michigan State's Lorenzo White) and made his claim as one of the nation's top candidates for the 1997 Heisman Trophy with his 246-yard, three-touchdown performance.

The Badgers were outgained in total yardage (430-365), but an opportunistic secondary intercepted four Utah passes. The key pickoff was a second quarter theft by Cyrill Weems, which he returned 82 yards for a TD. That return gave the Badgers a comfortable 21-3 lead.

The expected running battle between Dayne (a 260 pounder) and Chris Fuamatu-Ma'Afala (a 275 pounder) never materialized. Dayne more than lived up to his advance billing, but Utah's top runner gained five yards before departing in the first half with an ankle injury. Dayne's yardage total was the second-most in Copper Bowl history.

Whenever the Utes made a comeback attempt, the UW defenders came up with a big play. Besides Weems' interception, the Badgers stopped three other drives on pickoffs by Pete Monty, Pete Diatelevi and Jason Suttle. Tom Burke had his best game of the season on the defensive front with 10 tackles, including two for losses.

Dayne was the game MVP and Tarek Saleh (six tackles, one tipped pass which was intercepted and a blocked field goal) was the defensive player-of-the-game.

HOMORS

Cornerback LaMar Compbell led the Badgers with 12 passes broken up in 1996, the second-most in Wisconsin history. He added four interceptions, tied for 15th in the Big Ten.

1896 BIG TEN CHAMPS

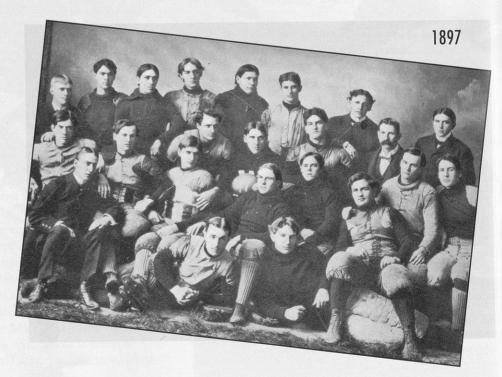

Coach Phil King

After opening the season with seven victories, the Badgers tied Northwestern 6-6 and lost to the Carlisle Indians. Despite the lateseason swoon, the Badgers claimed the inaugural Western Conference title. The Badgers' tough defense registered shutouts in six of its seven victories. The season-ending loss to the Carlisle Indians was the first night game in school history. It was played indoors at the Chicago Coliseum.

1897 BIG TEN CHAMPS

Coach Phil King

Wisconsin won its second straight conference title and registered eight shutouts on the way to a 9-1 mark. The only loss was a 6-0 decision to the UW Alumni. Victories over Minnesota, Chicago and Northwestern propelled the Badgers to the Western Conference title. Australian kicker Pat O'Dea, the famed "Kangaroo Kicker," booted 14 field goals to lead the club. It was the second of four league titles for Coach Phil King.

HONORS

1901 BIG TEN CHAMPS

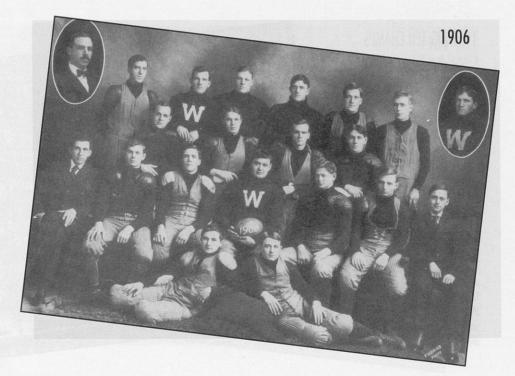

Coach Phil King

Phil King's Badgers won nine straight games to become the first undefeated team in school history. Using a potent offense and stingy defense, Wisconsin defeated every opponent by at least three TDs and recorded eight shutouts to claim a share of the Big Ten title. The Badgers outscored the opposition 317-5. Wisconsin's slate included two wins over high school teams and conference wins over Chicago and Minnesota.

1906 BIG TEN CHAMPS

Coach Phil King

Although traditional league powers Minnesota, Michigan and Chicago were missing from the schedule due to a faculty reform movement that limited the number of games, Wisconsin claimed a share of the conference championship with the Gophers. Center Ewald Stiehm, Wisconsin's first all-league performer, helped the Badgers to a 5-0 slate. Coach C.P. Hutchins' team posted Western Conference wins over Iowa, Illinois and Purdue by a combined score of 63-15.

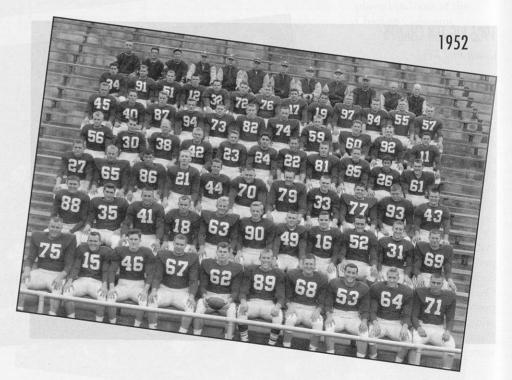

Coach William Juneau

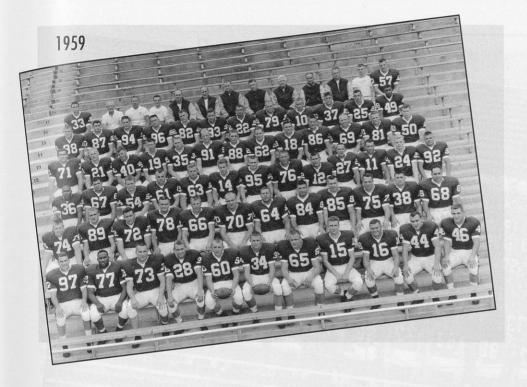

The Badgers ended their third undefeated (7-0) season with a 28-10 win at Iowa. Coach William Juneau's squad was the last Badger team to post a perfect record. Led by consensus all-America tackle Robert "Butts" Butler, the Badgers placed a schoolrecord nine players on the all-Western Conference team. Wisconsin registered four shutouts and allowed only 29 points the entire season.

1952 BIG TEN CHAMPS

Coach Ivy Williamson

Following a 20-6 win over Illinois in the second game of the season, Wisconsin sat atop the polls as the nation's No. 1 team. It is the only time in school history that the Badgers were ranked first. Wisconsin lost the following week, but went on to a 6-3-1 record and the school's first Rose Bowl appearance. After losing to USC 7-0 in Pasadena, the Badgers ended the season ranked 10th by UPI and 11th by AP.

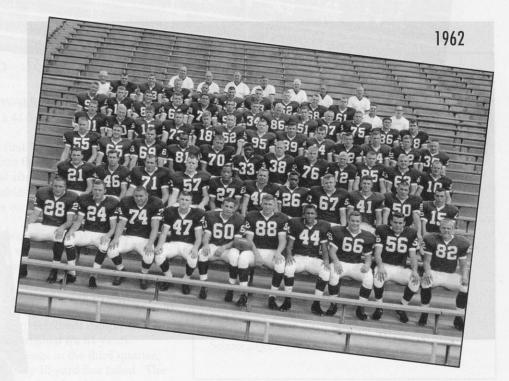

Coach Milt Bruhn

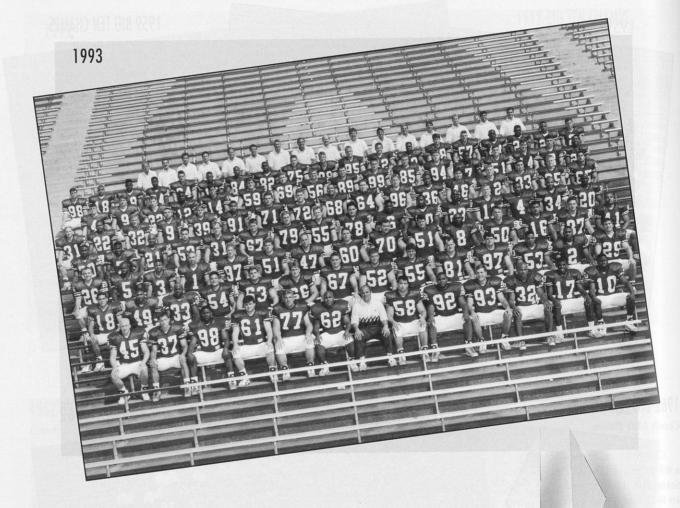

Needing a victory in the regular-season finale to clinch a league title, Wisconsin recovered from an early deficit and beat Minnesota 11-7. It was the Badgers' first undisputed title since 1912. At the Rose Bowl, Washington scored 17 points in the first quarter on the way to a 44-8 win. All-Big Ten QB Dale Hackbart and all-Big Ten guard Jerry Stalcup were stars on a club that finished the season ranked sixth by AP and UPI.

1962 BIG TEN CHAMPS

Coach Milt Bruhn

Opening the season with a 69-13 rout of New Mexico State, the Badgers rolled to an 8-1 record and the Big Ten title. Although USC defeated Wisconsin 42-37 in perhaps the most exciting Rose Bowl ever, the Badgers finished the storybook campaign ranked second in both the AP and UPI polls. Ron Vander Kelen set a Rose Bowl record with 401 yards passing as the UW scored 23 straight points in a fourth quarter rally. Pat Richter was a consensus all-American after catching 49 passes.

Coach Barry Alvarez

The 1993 Badgers established a new standard of excellence, shattering school records and earning numerous honors. After claiming Wisconsin's first Big Ten title in 31 years (a co-championship with Ohio State), the Badgers defeated UCLA 21-16 in the Rose Bowl. The 10-1-1 club became the winningest in school history and boasted eight first-team all-Big Ten players, including Big Ten and Rose Bowl Most Valuable Player Brent Moss. Wisconsin ended the season ranked fifth and sixth by the coaches (CNN/USA Today) and media (Associated Press), respectively.

Wisconsin won the '94 Rose Bowl championship trophy with a 21-16 victory over UCLA.

Badgers in Bowls

1953 ROSE

PASADENA, Calif. — Southern Cal scored the game's only points on a 22-yard pass from Rudy Bukich to Al Carmichael in the Trojans' 7-0 win over Wisconsin in the Rose Bowl.

The Badgers dominated the game from a statistical standpoint, outgaining USC by 120 yards. Led by Alan Ameche's 133 yards rushing, Wisconsin had a 211-48 advantage on the ground. However, both defenses rose to the occasion when necessary.

One of Wisconsin's best scoring chances came in the opening minutes of the third quarter. Ameche broke loose for a 54-yard run as the Badgers got to the USC 21-yard line. On third down, Archie Ray Burks fumbled on an end run and USC recovered.

The Trojans then put together the game-winning drive (73 yards), which ended with Bukich's TD pass. Wisconsin countered with a 13-play, 84-yard drive that ended at the Trojan 2-yard line when Jerry Witt was stopped a yard short of a first down on a fake field goal play.

Coach Ivy Williamson's club was the first in Badger history to play in a bowl game.

1960 ROSE

PASADENA, Calif. — Washington scored the game's first 17 points en route to a 44-8 Rose Bowl victory over Wisconsin.

Washington tallied the first TD on a 6-yard run by Don McKeta 10 minutes into the game. George Fleming booted a 26-yard field goal after the Huskies recovered one of four Wisconsin fumbles. Fleming then returned a punt 53 yards for a score on the final play of the period for a 17-0 Husky lead.

Badger fullback Tom Wiesner tallied Wisconsin's only points on a 4-yard run with 5:27 left in the opening half. Dale Hackbart connected with Al Schoonover for a two-point conversion that cut the lead to 17-8.

Washington quarterback Bob Schloredt, who shared game MVP honors with Fleming, tossed a 23-yard TD pass to close first-half scoring. Schloredt completed four passes for 102 yards and rushed for 81 yards.

Wisconsin mounted a challenge in the third quarter, but four plays inside the Husky 10-yard line failed. The Badger defense entered the bowl with a defensive average of barely 10 points per game for the regular season.

1963 ROSE

PASADENA, Calif. — A 23-point fourth quarter explosion wasn't quite enough as the Badgers dropped a 42-37 Rose Bowl encounter to Southern Cal. The Trojans had claimed a 42-14 lead on the first play of the fourth quarter before the huge Badger comeback.

USC raced to a 21-7 halftime lead and extended it on the first play of the third stanza, before Ron Vander Kelen led one of the biggest charges in bowl history.

Vander Kelen reached paydirt on a 17-yard scamper to reduce the margin to 28-14. USC responded with a pair of TD passes by Pete Beathard and the Trojans led 42-14.

Lou Holland (13-yard run) and Gary Kroner (4-yard reception) tallied for the Badgers within three minutes. A bad center snap on a punt resulted in a UW safety. After the free kick, Vander Kelen hit three straight passes, including a 19-yard score to Pat Richter for the final 42-37 margin.

Vander Kelen, the game MVP, set both Wisconsin and Rose Bowl records with 401 yards passing. Richter caught 11 of those aerials for 163 yards. The 79 total points was a Rose Bowl record that stood for 28 years.

'81 GARDEN STATE

EAST RUTHERFORD, N.J. — Tennessee scored 18 straight points in the first half and held on to defeat Wisconsin 28-21 in the Garden State Bowl.

The Badger defense limited UT to 89 yards rushing, but Volunteer QB Steve Alatorre unleashed a potent passing attack. Alatorre threw for 315 yards. WR Anthony Hancock caught 11 passes for 196 yards.

After Fuad Reveiz booted a field goal in the first quarter, Wisconsin assumed its only lead of the game on a 3-yard run by Jess Cole. Willie Gault returned the ensuing kickoff 87 yards to give Tennessee a lead it never lost.

Reserve quarterback Randy Wright came off the bench to throw a pair of second-half touchdown passes for the Badgers. Wright hit Jeff Nault and Thad McFadden on scoring tosses in the final period.

The game featured two high-powered offenses that combined for 49 points, 793 total yards and 49 first downs

1982 INDEPENDENCE

SHREVEPORT, La. — Wisconsin won its first bowl game with a 14-3 decision over Kansas State in the Independence Bowl.

Randy Wright threw a game-record two TD passes and the Badger defense set a scoring record before 24,684 fans. The anticipated crowd was more than 49,000, but a 23-mile-per-hour wind dropped temperatures to 10 below zero.

Wright, the game offensive MVP, completed nine of 24 throws. However, his 87-yard pass play to Tim Stracka was the longest in UW and Independence Bowl history. The UW defense limited Kansas State to 192 total yards in the Wildcats' first-ever postseason appearance.

KSU had taken a 3-0 lead on Steve Willis' 29-yard field goal before the Badgers scored 14 straight points. Tim Krumrie was the game Defensive MVP. He helped limit the Kansas State running attack to less than two yards per carry.

Game totals showed five turnovers, 14 punts, 22 completions in 59 attempts and 14 penalties.

1984 HALL OF FAME

BIRMINGHAM, Ala. — A fumbled snap on a 26-yard game-winning field goal attempt was the deciding play in Wisconsin's 20-19 loss to Kentucky in the Hall of Fame Bowl.

Trailing by a point after the Wildcats' Joe Worley booted a 52-yard field goal with eight minutes left, the Badgers drove inside Kentucky's 20-yard line.

Todd Gregoire's field goal with 1:55 left never materialized after holder Bob Kobza dropped the center snap. Gregoire, a freshman, had tied a school record with four field goals earlier in the game.

Wisconsin assumed a 13-0 lead on a pair of Gregoire three pointers and a 3-yard TD pass from Mike Howard to Thad McFadden. The Badgers outgained their SEC foe both on the ground and through the air.

However, UW was assessed 13 penalties for 133 yards, both Hall of Fame Bowl records. The Badgers threw two interceptions. Kentucky, which was making its second straight postseason appearance in Birmingham, had no turnovers.

1994 ROSE

PASADENA, Calif. — The Wisconsin defense forced six turnovers, while the offense churned out 250 yards rushing as the Badgers downed UCLA 21-16 in the Rose Bowl. It was the Badgers' first-ever New Year's Day bowl victory.

More than 70,000 Badger fans attended the game and provided a distinct home field advantage in the Bruins' home facility.

Tailback Brent Moss, the Rose Bowl MVP, helped the UW to a 14-3 halftime lead by scoring on a pair of short runs. Moss rushed for 158 yards on 36 carries.

Wisconsin extended its lead to 21-10 when Darrell Bevell provided the game's most unlikely play. On second-and-eight from the UCLA 21-yard line, Bevell broke containment and weaved his way to the end zone for the game-winning points.

Trailing 21-16, UCLA's final drive made it to the Badgers' 18 before Wayne Cook was stopped and the clock expired before the Bruins could run another play.

"The win, as much as it was for our players and coaches, was for our fans," said Coach Barry Alvarez. "They supported us all the way."

1995 HALL OF FAME

TAMPA, Fla. — Senior Terrell Fletcher rushed for a Hall of Fame Bowl-record 241 yards as Wisconsin won its second January bowl game in as many years with a 34-20 triumph over Duke.

Fletcher gained 190 yards and scored two touchdowns in the second half to ice the win. Wisconsin intercepted three passes in the opening half. Jeff Messenger's 19-yard return of one of those pickoffs resulted in the Badgers' first TD.

Duke eventually tied the game in the third period before Fletcher took over the contest. Fletcher broke the deadlock with a one-yard run late in the third period. Jason Burns extended the margin to 27-13 with an 11-yard reception from Darrell Bevell.

After the Blue Devils cut the margin to seven (27-20) on Robert Baldwin's second score, Fletcher turned a critical third-and-one play into a 49-yard touchdown run to clinch the win.

More than 30,000 fans made the trip to Tampa as Wisconsin won its third game in a row to close the season 8-3-1.

1996 COPPER

TUCSON, Ariz. — Freshman tailback Ron Dayne concluded his remarkable freshman season with a 246yard, three-touchdown performance in Wisconsin's 38-10 win over Utah in the Copper Bowl.

Dayne was named the game's Most Valuable Player. He totalled 152 yards by halftime as the Badgers opened up a commanding 31-3 lead. QB Mike Samuel got the UW on the board with a 38-yard run. After Utah kicked a field goal, Dayne scored (two carries for 77 yards) to give the Badgers a 14-3 lead.

The Utes were driving again when Cyrill Weems intercepted a pass and returned it 82 yards for a TD and a 21-3 bulge. Wisconsin's secondary picked off four Mike Fouts' passes.

The featured matchup between Dayne and Utah's Chris Fuamatu-Ma'afala never materialized. The Ute ballcarrier hurt his ankle and gained just five yards.

Badger defensive end Tarek Saleh was game defensive MVP with six tackles, one for a loss, one pass broken up and a blocked field goal. It was the Badgers' third bowl championship in four seasons.

ALL-AMERICANS

First-team selections only

Robert "Butts" Butler was the Badgers' initial first-team all-American. He was named to Collier's elite squad in 1912.

Robert Butler (1912)

First-team all-America honors by Collier's

A member of Wisconsin's last undefeated team in 1912, "Butts" Butler was the school's first consensus all-American. He was named to Walter Camp's all-America team as a junior (first-team) and senior (second-team). In the 1912 season finale against Minnesota, the tackle and his 10 teammates played the entire game in a 14-0 victory. He went on to compete professionally for the Canton Bulldogs and played with the legendary Jim Thorpe. Butler was later named to the National Football Foundation Hall of Fame in 1972.

Ray Keeler (1913)

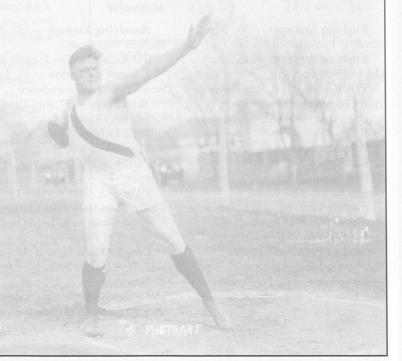

First-team all-America honors by International News Service / Frank Menke

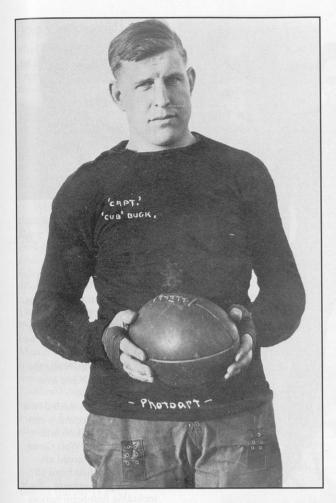

Consensus all-America lineman Ray "Tubby" Keeler was a three-time letterman in both football and track and field at Wisconsin. Despite just a 185-pound frame, he earned all-America recognition in his junior season from the International News Service. He captained the 1914 Badger squad and served on the Athletic Board in 1914 and 1915. Keeler went on to coach the UW-La Crosse football team to a 45-24-15 (.625) record from 1917-1929.

Arlie Mucks (1914)

First-team all-America honors by International News Service / Frank Menke

One of Wisconsin's truly great athletes, Arlie Mucks was probably best known for his success as a discus thrower. The 1914 football all-American (as selected by INS / Frank Menke) placed second in the discus in the 1912 Olympics as a high school athlete. He was undefeated in college in the discus and shot put and set a then-world record discus mark of 155-2 in 1916. He is the only person to win national track titles in two events three consecutive years. Selected in 1969 to Wisconsin's all-time football team, Mucks officiated Big Ten football games following his playing career. He is a member of the State of Wisconsin and University of Wisconsin Athletic Halls of Fame.

Howard "Cub" Buck

Howard Buck (1915)

First-team all-America honors by Newspaper Enterprise Association; International News Service / Frank Menke and Walter Eckersall

A consensus all-America pick, Howard "Cub" Buck was labeled by many as the best college lineman of his era. He also played "roving center" on defense and was credited by many observers with making half of his team's tackles. Former Canton teammate Jim Thorpe called Buck the finest lineman he ever played with. Buck also played for Green Bay (1921-25) and is a member of the Packers' Hall of Fame. After his playing career, he became the first head football coach at Miami (Fla.) in 1926.

Paul Meyers (1919)

First-team all-America honors by Walter Eckersall

End Paul Meyers earned first-team all-America honors from Walter Eckersall as a senior. Meyers was an all-Big Ten choice in both 1916 and 1919. The three-year letterman, who played for three different coaches, was Badger team captain and a third-team all-America choice by Eckersall in 1916.

Charles Carpenter ('19)

First-team all-America honors by Frank Menke

The two-time all-America center made Walter Eckersall's honor squads in both 1916 (third-team) and 1919 (first-team). Carpenter, the first all-America center at the UW, captained the 1919 squad. One of the truly great multi-sport athletes of his era, Frank "Red" Weston also carried his talents beyond the sports arena. A letterwinner three times in football and twice in basketball, he was a member of the UW Medical School faculty for more than 40 years. Weston served as senior class president in 1921. On the gridiron, he was captain of the 1920 team and was named all-America by four organizations. He was a member of the school's Athletic Board and was enshrined into the Madison Sports and Wisconsin Athletic Department Halls of Fame.

Regarded as a "triple-threat" quarterback, he was proficient at running, passing and punting. Girard was drafted by the U.S. Army after his freshman season and returned to school in 1947. He holds the school record for most punt return yards in a game with 158 when he scored two touchdowns against Iowa in 1947. Ed Withers (1950)

First-team all-America honors by Look

An all-city football and basketball player at Madison Central High School, Ed Withers came to the UW after serving a year in the Army. The aggressive defensive back had eight career interceptions and probably would have had more if opposing quarterbacks weren't instructed to avoid throwing in his direction. Withers' three interceptions helped lead Wisconsin to a 14-0 victory over Iowa in his all-America year. His 103 interception return yards in that game are tied for the most in UW history. The school's first black all-American, Withers was drafted by the Green Bay Packers in 1951.

As a 25-year-old senior, he was one of the most experienced players on the 1951 squad. A roommate of fellow all-American Pat O'Donahue, Faverty played on both sides of the ball. He was a linebacker on the "Hard Rocks" defense, which allowed a school-record 5.9 points per game.

A penetrator on the line, O'Donahue played on the 1949-51 teams and was named all-American as an end in his final season. He played with the 49ers and Packers and was inducted into the UW Athletic Hall of Fame in 1993.

Madison native Dan Lanphear rebounded from an injury-plagued junior season to gain all-America honors in his final year. In that contest, Lanphear recovered a fumble, blocked a punt for a safety, and knocked two Buckeye running backs out of the game with strong hits. He went on to play defensive end for the AFL's Houston Oilers and was a member of their league championship teams in 1960 and 1961.

Former lineman Don Davey, the first four-time academic all-American in university division history, accepts congratulations from GTE spokesperson Dick Enberg.

Bryan Jurewicz was a second-team academic all-American by CoSIDA last fall.

GTE/CoSIDA Academic All-America Hall of Fame

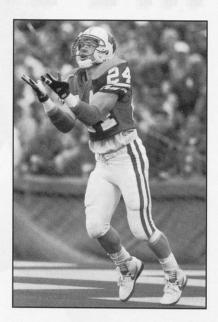

Two former Badger gridiron greats (Alan Ameche and Pat Richter) have been inducted into the GTE/CoSIDA Academic All-America Hall of Fame.

To gain admittance to the Hall, student-athletes must be former academic all-Americans who have distinguished themselves off the playing field after graduation.

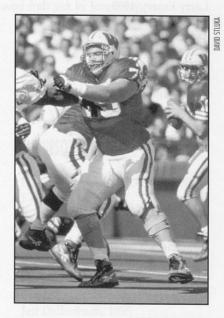

Ameche, who played professionally after graduation, retired in Philadelphia after his career and became one of the city's philanthropic leaders. Richter also played pro football before returning to the UW to earn his law degree. He worked at a Madison law firm and at Oscar Mayer before his appointment as Director of Athletics.

BADGER HISTORY

1890 — First win, a 106-0 shutout over UW-Whitewater. Wisconsin played Minnesota for the first time. Except for 1906, the Badgers and Gophers have played every year since. It is the longest running series in Division I-A.

1895 — Wisconsin played a vital role in the organization of the Intercollegiate Conference of Faculty Representatives, which eventually became the Big Ten.

1896 — Wisconsin claims first outright Big Ten title with a 7-1-1 record for Coach Phil King.

1897 — Coach Phil King produces second straight Big Ten title and outscores opponents 210-14 in 9-1 campaign.

1901 — First undefeated team (9-0) in UW history. Coach Phil King wins third conference title. Eight shutouts highlight the season as UW has 317-5 scoring margin.

1902 — Lost 6-0 to Michigan, breaking a 17-game Badger winning streak.

1906 — Dr. C.P. Hutchins coaches Badgers to 5-0 record and the Big

1912 — Last undefeated team (7-0) won the school's fifth Big Ten title for first-year coach William Juneau. Nine Badgers named to Walter Eckersall's all-Western team.

1942 — UW is named mythical national champion by the Helms Foundation after 8-1-1 season. A stunning 6-0 loss to Iowa prevented the Badgers from earning a conference championship.

1951 — The "Hard Rocks" team led the nation in total defense and set five Big Ten records in a 7-1-1 season. The UW defense outscored the opponents' offense 58-53.

1952 — Wisconsin voted to represent Big Ten in '53 Rose Bowl after tying Purdue for the conference title. USC scores a third-period TD for a 7-0 Rose Bowl victory.

1953 — Badgers upset No. 1-ranked Illinois 34-7 in Madison.

1954 — Alan Ameche wins the Heisman Trophy, given to the nation's top collegiate player.

1959 — UW rallies to defeat Minnesota 11-7 and earn second Rose Bowl berth. Badgers lose to Washington 44-8 at Pasadena.

1962 — The No. 2-ranked Badgers make second Rose Bowl appearance in three years. The foe was top-rated USC. Badgers' 23-point fourth quarter rally falls short in 42-37 Rose Bowl loss. Ron Vander Kelen was named Big Ten MVP, and UW led the nation in total offense.

1974 — Billy Marek scores five TDs and rushes for 304 yards as Badgers defeat Minnesota 49-14.

1981 — Matt VandenBoom intercepts three passes to spark Badgers' 21-14 victory over No. 1-ranked Michigan. Wisconsin earns trip to Garden State Bowl, but falls to Tennessee 28-21.

1982 — John Williams tallies the only score in a 6-0 win at Ohio State, the Badgers' first triumph in Columbus since 1918. Badgers win

their first bowl game, a 14-3 decision over Kansas State in the Independence Bowl.

1983 — Al Toon sets Big Ten record with 252 yards receiving in a 42-38 victory at Purdue.

1984 — Fourth consecutive seven-win season ends with 20-19 loss to Kentucky in the Hall of Fame Bowl.

1990 — Don Davey becomes the first four-time first-team academic all-American in NCAA university division history.

1991 — Troy Vincent is runnerup for the Jim Thorpe Award and is the seventh overall pick by Miami.

1993 — The UW shares the Big Ten title and defeats UCLA 21-16 in the Rose Bowl to finish sixth in the AP poll. Brent Moss is the Big Ten and Rose Bowl MVP. Eight Badgers are named first-team all-conference, and three earn second-team all-America honors.

1994 — The Badgers claim their second straight bowl victory, a 34-20 win over Duke in the Hall of Fame Bowl. Terrell Fletcher is game MVP with 241 yards rushing. Cory Raymer is a consensus all-American, and the NFL drafts seven Badgers.

1996 — Wisconsin wins five of its final six games, including a 38-10 Copper Bowl triumph over Utah. Ron Dayne breaks five NCAA records in a 2,109-yard season. That total is the highest in Big Ten history and betters the NCAA all-time freshman mark by more than 300 yards.

HEISMAN TROPHY

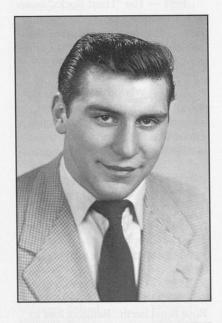

Alan Ameche, the bruising fullback from Kenosha, Wis., is the only Badger to win the Heisman Trophy, given to college football's top player.

Ameche, a two-time all-American, won the trophy in 1954 after rushing for 641 yards and nine touchdowns.

Additionally, he made first-team all-America squads by the Football Writers' Association, Look, NEA, Paramount News, All-Academic, Athletic Publications, Catholic Weekly and UNICO (National Italian Association). He was also named United Press National Back-of-the-Year as a senior.

The Big Ten's leading rusher twice in his career, Ameche brought much distinction and honor to the UW. He was an academic all-American twice. Ameche also became the first Badger to earn membership in the CoSIDA Academic All-America Hall of Fame. He was inducted in 1992.

Nicknamed "The Horse" for his rugged running style, Ameche left Wisconsin as the NCAA's career rushing leader. His 3,345 yards are currently fourth in Wisconsin history. Ameche led the Badgers to a 26-8-3 record during his career and a berth in the 1953 Rose Bowl.

Why was he called "The Horse?"

In 1953, when the rules made it necessary to be an all-purpose player, Ameche was a workhorse in the drills. His ability to play 55 minutes or more per game in 1953 created his nickname, "The Iron Horse." It was later shortened to "The Horse."

KANGAROO KICKER

The first time Pat O'Dea kicked a football on the Wisconsin campus, the reaction of spectators was so violent that he thought he had committed a public offense.

O'Dea was a football star shining 50 years too soon. He had everything which goes to make up a modern athletic idol — personal charm, magnificent appearance, supreme skill. Playing football as he did for the UW from 1896-99, his name would be on the lips of every sports enthusiast.

Just imagine a player today drop-kicking four field goals in one game, or getting credit for 14 field goals in a season or sending punts down field 80 to 100 yards or booting field goals from 65 yards out.

Patrick John O'Dea was born in Melbourne, Australia, and was an athletic luminary at Victoria High School and Krew College in his native city.

Pat's older brother, Andy, came to the United States early in the '90s. Andy, a famous oarsman, football player and boxer in his youth, turned to coaching rowing soon after he reached the states. He came to Wisconsin as varsity crew coach in 1895, and he probably was the most surprised man in the world when, one sunny afternoon, his younger brother Pat showed up on his boat deck.

RECORD KICKS

PUNTING

- Averaged 50 yards punting for 4-year career
- 110-yard punt vs. Minnesota, 1897
- 100-yard punt vs. Yale, 1899

DROP-KICKING

- Field goals, career 31
- Field goals, season 13 in 1899
- Field goals, game 3 vs. Lawrence, 1899
- 65-yard field goal vs. Northwestern, 1898
- 60-yard field goal vs. Minnesota, 1899

PLACE-KICKING

• 57-yard field goal vs. Illinois, 1899

RUSHING

• 100-yard touchdown run vs. Beloit, 1899

Pat took whatever work he could find that spring and in September enrolled in the prelegal course at Wisconsin. One day when football practice was going on in front of the Old Red Armory, the ball bounded over to Pat. To return the ball, Pat simply reverted to form and booted the pigskin the length of the field.

Coaches, players and sideliners erupted with a concerted shout and converged on Pat who feared he had committed an offense by touching the ball. But the rush toward Pat was to recruit him, so he agreed to join the team the following day and "try and learn something about the crazy American version of

this game."

Often Pat would open scoring with a drop kick (five points) and Wisconsin would follow that up with TDs against a demoralized opponent still dazed from seeing the ball soar through the goal posts from mid-field.

O'Dea was a greyhound type of athlete. His legs were abnormally long and highly developed. He had real speed and covered 100 yards in 10 seconds.

He was used as a high hurdler in track and once ran a dead heat for first place in the Big Ten finals within one-fifth of a second of the then world's record.

O'Dea's punting style was peculiarly his own. As he swung his right foot into the ball, he lifted himself completely into the air, his left foot lifting 6-8 inches off the ground. Although the spiral kick was new to him when he started in American football, he mastered it but always reverted to his Australian style of "end-overend" kicking during games.

He got his punts off very fast and often electrified crowds by dodging tacklers on the run and kicking the ball 60 yards.
Rarely was he called upon to make short kicks and that's why so few of them appear in the record books.

Alvarez vs. Wisconsin — Coach Barry Alvarez was a linebacker for the Nebraska teams which played Wisconsin in 1965 and 1966. In the 1966 contest, Alvarez intercepted a John Ryan pass at the Nebraska 28-yard line and returned it 25 yards. Nebraska won both games — 37-0 (in '65) and 31-3 ('66) — in which Alvarez participated.

Ameche, Alan — Born in Italy as Lino Dante Ameche, the future Heisman Trophy winner changed his name to Alan at age 16. Lino, in his mind, was not rugged enough.

Widely respected for his strength as a youth, he won the light heavyweight Golden Gloves novice championship of Kenosha by default. All of his rivals dropped out after learning Ameche had entered the tournament.

During his college recruitment, he was being heavily pressured to attend Notre Dame by Fred Miller, the philanthropic owner of Milwaukee's Miller Brewing Co. Wisconsin partisans, however, threatened a boycott against the buying and consumption of Miller beer if Ameche attended Notre Dame. Under threat of boycott, Miller backed off and Ameche signed with Wisconsin.

In 1953, when rules changes made it necessary for him to be an all-purpose player, Ameche played defense with such ferocity that he ended up playing 55 minutes or more in each game, prompting a nickname, "The Iron Horse."

Ameche, drafted by Baltimore, eventually turned down a lucrative offer to join the pro wrestling tour and signed with the Colts. He led the NFL in rushing his first season and was named Rookie of the Year.

Ameche died following heart surgery in 1988 at the age of 55.

Artificial turf — The artificial turf at Camp Randall Stadium was first installed in 1968. Wisconsin was the second school in the nation to install Tartan Turf, which was designed by the 3M Company. The \$210,000 project was funded by the UW Parking and Transportation Board in exchange for permission to convert practice fields on the north end of Camp Randall into a 500-car parking lot. The initial surface turned black in some areas when the green fiber tips broke off, so 3M sprayed the field green for the 1969 season.

Badger nickname — The team's nickname, "Badgers," was borrowed from the state of Wisconsin. The territory was dubbed the "Badger State," not because of animals in the region, but rather an association with lead miners in the 1820s. Prospectors came to the state looking for minerals. Without shelter in the winter, the miners had to "live like badgers" in tunnels burrowed into hillsides.

Bakken, Jim — Wisconsin's special events coordinator played 17 years in the NFL for St. Louis, setting almost all of the team's placekicking records and retiring as the team's all-time leading scorer. He set NFL records in '70 converting seven of nine field goals in a 28-14 win over Pittsburgh. Bakken was

selected by the Los Angeles Rams in the 1962 draft by general manager Elroy Hirsch.

Band caps — When a Badger team wins an athletic contest, members of the band turn their hats around and wear them backwards. The practice started in the 1920s to symbolize the band looking back at the victory in days when they marched out with the departing crowd.

Bucky Badger — Badgers in various forms have been recognized as the school mascot for decades. The version currently known as Bucky, sporting a cardinal and white letter sweater, was first drawn in 1940 by artist Art Evans. At that time, the badger went by names like Benny, Buddy, Bernie, Bobby and Bouncey. Art Lentz, the department's publicity director, had the idea to bring the mascot to life.

The original badger mascot was too vicious to control. On more than one occasion, the live badger escaped handlers before a sideline hero recaptured the animal with a flying tackle. It was decided in the interest of fan and player safety that Wisconsin's mascot be retired to the Madison Zoo. The Badger Yearbook replaced the live badger with a small racoon named Regdab (badger backwards) and passed it off as a "badger in a racoon coat."

In 1949, a student in the university's art department, Connie Conrad, was commissioned to mold a paper-mache badger head. Gymnast and cheerleader, Bill Sagal, of Plymouth, Wis., was directed by homecoming chair Bill Sachse, to wear the outfit at the homecoming game. A contest was staged to name the popular mascot. The winner was Buckingham U. Badger, or Bucky. The name apparently came from the lyrics in a song which encouraged the football team to "buck right through that line."

Bucky Badger has persevered through the years, even surviving a threat by then assistant attorney general, Howard Koop, in 1973. He suggested that Bucky be replaced by Henrietta Holstein, a loveable cow. Koop argued that "kids love cows. A generation could grow up supporting the university and Henrietta Holstein." Koop's effort to overthrow Bucky failed.

Bucky even survived a cameo appearance by *Sports Illustrated* writer Rick Telander. In preparation for a book about the athletic department, Telander wore Bucky's costume at a '91 volleyball game. Telander overcame "terminal claustrophobia" in his appearance.

Bud Song — An integral part of any Wisconsin band performance is the playing of the Bud song. The tune is a spinoff of the song "You've Said It All," a jingle with words and music originally written by Steve Karmen for Budweiser beer commercials. Copyrighted by Sandlee Publishing Corporation in 1970, the song has become legendary at the University because of its polka-like rhythm. Band director Michael Leckrone said the song's popularity got started at a 1975 hockey game. "The crowd wanted to hear a polka," he said. "I didn't have any polkas. We had, just by accident, this beer commercial in the tunes we play. I told the band if we substituted the word 'Wisconsin' for 'Budweiser' it would work."

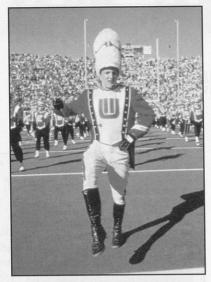

Leckrone said the song became a football tradition after a 1978 comefrom-behind victory over Oregon. "Wisconsin was behind by three touchdowns, and the crowd was really dead. I played the song to get everyone pepped up. About 20 seconds after that, Wisconsin scored a TD. I played it again, and Wisconsin scored another touchdown. From then on, the band could never play enough 'Bud.'"

BUCKY BADGER

Bucky Badger is the nation's second most-popular athletic department mascot. ESPNET SportsZone has staged a fan participation poll during the Final Four the last two years. Bucky won the championship in its inaugural season.

JAVID STLUKA

The UW Band is nationally known for its post-game Fifth Quarter celebration.

Colors — The University of Wisconsin Athletic Department's official colors are Cardinal and White. PMS 200 is the designated color of the cardinal.

Fifth Quarter — The Wisconsin band has become nationally famous for its post-game celebration called the Fifth Quarter. Win or lose, fans sing, dance and cheer with the band as they play traditional favorites, like "On, Wisconsin" and the Bud song. Originally, the post-game concert was designed to give the fans something to listen to on their way out of the stadium, but it developed into a post-game party as the band built in audience participation activities.

Graduating law students — At the homecoming game, graduating law students throw canes over the crossbar of the goal post in a pregame ceremony. If students catch their cane, legend claims they will win their first case. If the cane is dropped, the case will be lost. The custom originated at Harvard and came to the UW-Madison in 1910.

"Hard Rocks" — The 1951

Wisconsin defense, known as the "Hard Rocks," led the country in total defense (154.8 per game) and was second in rushing defense (66.8). That defense allowed only 5.9 points per game and actually outscored the opponents 58-53 for the season. The defense was so terrorizing that the athletic department received a letter from one fan asking Wisconsin to "punt on first down" so he could see more of the defensive platoon.

Eight of the nine seniors on the "Hard Rocks" scored in their careers. The ninth, Bill Lane, came close. With Indiana backed up deep in its own territory for a punt, the seniors told Lane they would refrain from rushing in order to form a wedge, or "meatchopper," for him to run behind and score. Much to the seniors' dismay, freshman Don Voss missed the call and blocked the punt.

After the season, the defensive platoon challenged the offense in a charity game with one interesting twist. The offensive team could have the ball all the time, since the defense felt it could outscore its opponents even without the ball.

Hirsch, Elroy "Crazy Legs" —

Though he only played one season in Madison, Hirsch's legacy grew through 18 years as Wisconsin's athletic director and many more as a goodwill ambassador.

Pictured above is the annual cane ceremony on homecoming. Law students who catch their canes are supposed to win their first case. Those who drop their canes will lose their first case.

Hirsch was first tagged "Crazy Legs" on Sept. 26, 1942, after a 60-yard touchdown run vs. Notre Dame prompted a local writer to say, "His crazy legs were gyrating." After leaving Wisconsin, he starred for nine seasons with the Los Angeles Rams.

During those days in L.A., he kept busy by making three movies, including "Crazy Legs, All-American" in which he portrayed himself. After retiring as a player, he worked in the Rams' front office before returning to Madison as athletic director from 1969-1987.

His No. 40, the number he wore at every stop in his football career but one, is retired at Wisconsin. Because of a mandatory league numbering system he wore No. 80 (double-40) for the Chicago Rockets, but had the No. 40 stitched on the inside of his jersey.

Leckrone, Michael — If the Wisconsin band is the heartbeat of spirit at UW football games, Director Michael Leckrone is its pacemaker. A merciless drill sergeant, he takes the field like a conquering general. During a football trip to Las Vegas, his band's performance earned the headline "Best Show in Town" in the local paper. Leckrone has maintained the dual role of band director and arranger, which are jobs normally divided at other schools. Leckrone is credited with beginning the "Fifth Quarter" ritual, one of the most entertaining post-game celebrations in college football.

Marek, Billy — The three-time first-team all-Big Ten running back wasn't recruited to play high school football because he had Osgood Slaughter disease (a knee ailment that affected teenagers) and didn't play seventh and eighth grade football.

The 5-foot-8 Marek carried the ball only once as a freshman at the UW, then put together three consec-

utive 1,200-yard seasons. In danger of falling shy of 1,000 yards in 1974 after missing nearly three full games with injuries, Marek rushed for 704 yards in the final three games, including 304 and five touchdowns in a 49-14 rout of Minnesota. His play earned him *Sports Illustrated's* national offensive back of the week honors.

Marek was at the center of an April Fool's Day joke played by Wisconsin State Journal columnist Tom Butler in 1975. Butler wrote a tongue-in-cheek piece about moving the Big Ten's leading rusher to the defensive secondary for his senior season. The article ended with the phrase, "April Fools!" Unfortunately, wire service reporters did not make it to the last line, and called head coach John Jardine's house for confirmation. The AP eventually moved the story on its national wire for about a half-an-hour before the hoax was discovered.

Motion "W" — When Barry Alvarez came to Madison, he decided that the helmet logo needed to be updated to signal a new era in Wisconsin football. He entertained 15-20 different designs in 1990 before Rayovac artist Rick Suchanek developed the "Motion W," which included a tail at the back of the logo. Alvarez thought the tail was a bit much, but when it was removed, decided to go with it. The University bought the rights to the design, and the logo has been adopted by all other UW sports.

Mott, Jim — There is no greater authority on UW athletics than former Sports Information Director Jim Mott. His association with the sports information office began as a student assistant in 1953. He was named assistant SID a year later and was appointed director in 1966, a position he held until his retirement in 1990.

He is a past president of the

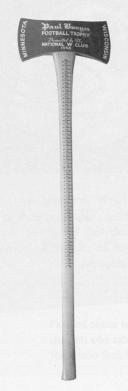

The "Motion W" was introduced as the football team's identifying mark in 1991. Since then, the Athletic Department has adopted the mark for all of its programs.

Band Director Michael Leckrone directs his troops at the 1993 Rose Bowl.

College Sports Information Directors of America (CoSIDA) and is a member of that organization's Hall of Fame.

Mott's memory is legendary among athletic department staffers. When the question of previous home night games was being tossed around the sports information office in anticipation of a 1995 contest against Colorado, Mott noted that the UW had two previous home night games in its history. Obvious was the 1986 battle with Michigan. Mott also recalled the 1896 loss to the Carlisle Indians, including the date of the game, final score, and the fact that it was played in Chicago Coliseum. Mott, a former basketball letterman at the UW, is currently writing a book on the history of Wisconsin athletics and is still a member of the school's football and basketball stat crews.

O'Dea, Pat — One of several Wisconsin greats from the pre-modern era of college football is kicker Pat O'Dea. The Australian-born O'Dea came to Madison in 1896 to join his brother Andy, who was crew coach and football trainer. Known as the "Kangaroo Kicker," O'Dea brought a different style to the American game of football. He learned to play the Australian game where all punting and drop-kicking was done on the run. O'Dea dropkicked a legendary 62-yard field goal vs. Northwestern during a heavy blizzard. After his playing days, he coached at Notre Dame and Missouri before moving to San Francisco. O'Dea, who essentially had disappeared, was thought to have joined an Australian contingent which travelled through the country. Press releases surmised that he "probably lies beneath an unmarked grave in France."

The truth was, he had moved to California under the assumed name of Charles J. Mitchell, to escape the pressure of being a star ex-athlete. "Probably, I was wrong," he said in

an interview with San Francisco sportswriter Bill Leiser after the 17year exile. "I wanted to get away from my past. As Pat O'Dea, I seemed very much just an ex-football player. I was very happy as Charles Mitchell for awhile."

"On, Wisconsin" — The tune was originally composed in 1909 by Chicago's William Purdy, and the words were written by Carl Beck. Purdy and Beck had been fraternity brothers at Hamilton College (Clinton, N.Y.) and were roommates in Chicago. Purdy was going to submit the song for a \$100 prize the University of Minnesota was offering for a new football song. When Beck heard the music, he offered to write words and suggested that Purdy offer it to Wisconsin, where Beck had once studied. The song was an instant hit on campus and spread throughout the world. It was especially popular with military bands.

Some 2,500 schools and colleges have adopted the music and changed the words to suit their needs. "On, Wisconsin" was sung for the first time at the 1909 homecoming game vs. Minnesota.

The music was adapted by current Band Director Michael Leckrone in 1969. The original version had been played virtually unchanged since its inception. "I got a lot of flak for that," Leckrone said. "The old version was one you had to wait on. I wanted to generate immediate crowd reaction, so I stepped it up a bit."

On Wisconsin, On Wisconsin Plunge right through that line, Run the ball clear down the field, boys Touchdown sure this time On Wisconsin, On Wisconsin Fight on for her fame, Fight, Fellows, Fight, Fight, Fight We'll win this game!

Paul Bunyan Axe — The mostplayed rivalry in Division I football continues this fall when Wisconsin and Minnesota meet. The UW-UM series is the nation's oldest and has been played continuously for 89 years. The neighboring schools have met on the gridiron in 105 of the last 106 seasons (the exception was 1906). The game has alternated sites between the university campuses since 1946. Much prestige was always associated with the game, and the significance was emphasized with its place on the schedule. Between 1933 and 1982, the Wisconsin-Minnesota game was always the final regular-season contest for each school.

The series took an added twist in 1948 when more than state bragging rights were on the line. After a 16-0 setback that season, the Wisconsin lettermen's group, the National "W" Club, presented Minnesota with an axe wielded by Paul Bunyan. He was the mythical giant of Midwestern lumber camps. Each year since, the winner of the annual battle between the Big Ten rivals is presented with the axe, complete with scores inscribed on the handle, for display on its campus.

Richter, Pat — One of the most successful athletes in UW-Madison history is Pat Richter, the last ninetime letterwinner in school history. The 6-5 Richter attended Wisconsin on a basketball scholarship, but was better known for his football and baseball exploits. Richter, of course, has been the UW's Director of Athletics since 1989.

Shalala, Donna — Secretary of Health and Human Services Donna Shalala is credited with being a major force in the Wisconsin football program's recent success. When Shalala became UW chancellor in 1988, it was the first time she led a school with a football program. Following the 1989 season, she hired Director of Athletics Pat Richter, who subsequently picked Barry Alvarez as head football coach. Her enthusiasm and support of the program won over many fans. Some boosters even sent roses to her Washington office when the Badgers earned a berth to the 1994 Rose Bowl. She attended the Badgers' Rose and Hall of Fame Bowl games.

Slab of Bacon — The Slab of Bacon trophy was the precursor to Paul Bunyan's Axe as the prize in the Wisconsin-Minnesota football series. Apparently, the trophy was presented to the winning school by a sorority from the losing institution. The trophy was discontinued in the 1940s and was discovered in a storage room at the UW Department of Athletics in 1994. It is currently housed in the football office at Wisconsin. "We took home the bacon," Coach Barry Alvarez said, "and kept it."

"Varsity" — The traditional arm-waving at the end of the song, "Varsity," was the 1934 brainstorm of band leader Ray Dvorak. He saw Pennsylvania students wave their caps after losing a game. Dvorak later instructed Wisconsin students to salute UW President Glenn Frank after each game.

Var-sity! Var-sity! U-rah-rah! Wisconsin! Praise to thee we sing Praise to thee our Alma Mater U-rah-rah, Wisconsin! Our Team is RED HOT!

The Slab of Bacon trophy was given to the winner of the Wisconsin-Minnesota game until the 1940s when it was replaced by the Paul Bunyan Axe.

STADIUM HISTORY

History of Camp Randall & the grounds

Camp Randall Stadium and its grounds had a rich history prior to its affiliation with UW athletics. In the days before the Civil War, the site was owned by the Wisconsin Agricultural Society, which held its annual state fair on the site.

When hostilities broke out in 1861, the society gave the land to the government for a military training center. More than 70,000 troops attended training drills at the Camp Randall complex.

After peace was restored nationally, the land was returned to state fair property. The fair later moved to Milwaukee, and Wisconsin's Civil War veterans urged the legislature to purchase the land. In 1893, the state presented the site to the university as a memorial athletic field.

Intercollegiate athletics began on campus in 1881, and football joined the scene in 1889. The first games were played on the lower part of campus. The stadium was built at its present site in 1913. A collapse of the wooden bleachers in 1915 prompted the UW to build concrete stands.

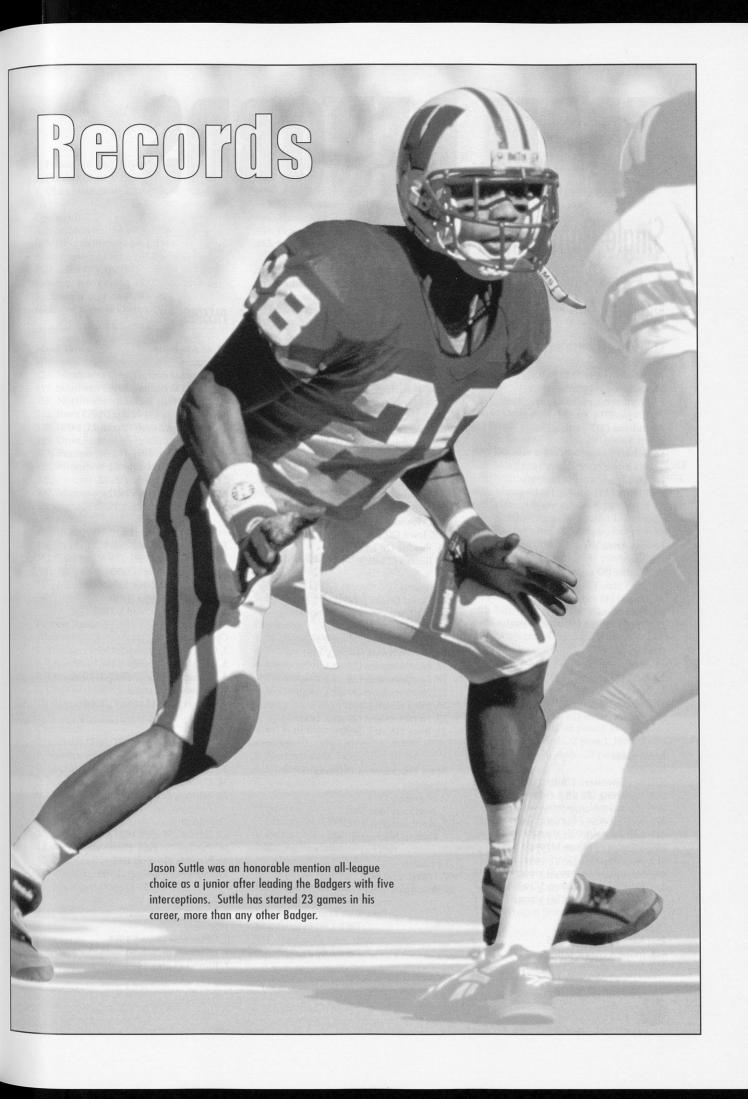

Stadium construction & additions

Two years later, a 10,000-seat concrete stadium was built with a grant of \$15,000 from the state legislature. The first game played in the facility was a 10-7 victory over Minnesota in 1917.

Capacity of the structure has increased several times, jumping to 51,000 by 1951. A revision of the seating in 1955 boosted the capacity to 52,788. In 1958, the running track was removed, the field was lowered 10 feet and capacity increased to 63,435. A deck on the west side was added in 1966, raising the capacity to 77,745. Restructuring in the student section in '94, lowered capacity to its present level of 76,129.

The Communications Center, which is one of the Midwest's best facilities for working media, was built after the 1966 season. The three-level structure includes areas for media, game personnel, department officials and patrons.

Facility improvements have continued into this decade with the installation of an artificial turf playing field in 1990 and a computerized scoreboard and message center in 1992.

Badger Gridiron & Track Stars

Pictured above (left to right) are Al Toon (the school's all-time receiving leader), Reggie Torian (two-year football letterman) and Tony Simmons (No. 5 all-time receiver). All three made their mark at the UW as track stars, too. Torian won an NCAA championship and then finished second at the U.S. Track and Field Championships in the 110-meter high hurdles, while Toon and Simmons won Big Ten titles in the triple jump and sprints at the UW. Torian is currently running world-level track on the European circuit.

PRE-MODERN ERA

The National Collegiate Athletic Association (NCAA) recognizes official football statistics and records beginning with the 1946 season.

The NCAA does not recognize marks set prior to the "modern era." Many great performances were turned in by Badgers prior to the 1946 season.

Following are some of the individual efforts by Wisconsin players, prior to the 1946 season, which would rank on the school's all-time lists.

Jerry Thompson

Hall of Famer and two-time all-America end Dave Schreiner was honored at halftime of a Wisconsin football game.

1,000-yard Rushers

The University of Wisconsin became the first team in Big Ten history to produce a different 1,000-yard rusher four years in a row when freshman Ron Dayne gained 2,109 yards in 1996. Brent Moss (a junior), Terrell Fletcher (a senior) and Carl McCullough (a sophomore) joined the 1,000-yard club in 1993, 1994 and 1995, respectively.

Wisconsin has defeated the nation's top-rated team three times in its history. The most recent was a 21-14 victory over Michigan in the 1981 season opener. The other UW wins over the nation's No. 1 team were over Northwestern (37-6) in 1962 and vs. Ohio State (17-7) in 1942.

The Badgers have been ranked as the nation's No. 1 squad just once in their school history. That was on Oct. 7, 1952, after a 20-6 win over Illinois. The Badgers lost the next week to Ohio State but went on to a 6-3-1 record and a Rose Bowl berth for Coach Ivy Williamson.

ORANGEMEN OUTLOOK

Syracuse, which won nine of its final 10 games a year ago, hopes to continue its fine play in '97. There is reason to think the Orangemen may very well do just that.

Quarterback Donovan McNabb is one of the reasons that Syracuse may meet its high goals. McNabb was the BIG EAST offensive player-of-the-year after passing for 1,776 yards and rushing for 458 yards in 1996. His top receiving target is Jim Turner (19.2-yard average). Kyle McIntosh (272 yards) is the heir apparent at tailback and senior Rob Konrad will handle the fullback spot. Three offensive line starters — tackles Brad Patkochis and Brent Warren and guard Scott Kiernan — return up front.

The Orangemen defense will have a lot of new faces up front. Jeff Danish, who played just three games in '96, is the best interior defensive lineman. Two senior ends - Jason Walters and Dulayne Morgan — have good experience. Three of last season's starting linebackers have departed, but the returnee (Antwaune Ponds) is a good one. He was second-team all-BIG EAST and led the team in sacks. Two former safeties have been moved to linebacker. Depth will be a concern in the secondary. Safety Donovin Darius, one of the nation's hardest hitters, is back after making 103 tackles.

Kicker Nathan Trout, who converted 11-15 field goals, returns. He led the Orangemen with 85 points last fall. Syracuse needs to identify a punter.

SERIES NOTES

Wisconsin and Syracuse will meet Aug. 24 (the earliest start in Badger history) in the Kickoff Classic at the Meadowlands ... the Badgers' only other appearance at the Meadowlands was in the 1981 Garden State Bowl ... the Badgers trail in the all-time series vs. Syracuse, 1-2-1 ... Wisconsin lost the first two meetings (1941 and 1969) and won the last encounter in 1972 ... the only game at Syracuse was a 20-20 tie in 1971 ... Wisconsin's alltime record against teams in the BIG EAST is 4-8-1 ... the last time the UW faced a team that currently plays in the BIG EAST was in 1990, a 24-18 loss to Temple ... the Owls were not in the BIG EAST at the time of that game.

BRONCOS OUTLOOK

Boise State begins a new era in 1997 with the arrival of Coach Houston Nutt, formerly the head mentor at Murray State. Nutt replaced Pokey Allen, who resigned his position last December before losing his personal fight with cancer. Nutt, whose last two Murray State teams registered a 22-3 mark, returns 37 letterwinners from last year's 2-10 BSU club.

The Broncos are auditioning four QBs to take the reins of the offense. BSU welcomes back its top rusher, Reggie Etheridge, who gained 811 yards. Etheridge is also the No. 1 returning pass catcher. Nutt is excited about his offensive line, which includes seven players who have started during their careers. Four-fifths of last season's lineup return led by two-year starter Jermaine Belin. Boise State has a pair of quality tight ends in Jim Brekke and Brad Arbon.

The BSU defense is strongest in the secondary with the return of three starters. Jeff Davis, a two-year player at free safety, is the veteran. Returning cornerbacks include Ross Farris and Jason Payne, who suffered a knee injury in '96. Only tackles Jon Rydman and Jay Gibson have experience on the line. The coaching staff moved a pair of former defensive backs — Ryan Brinkley and Kevin Chiles — to outside linebacker. Boise State must indentify replacements for both ILB spots.

Both Bronco specialists return. Kicker Todd Belcastro scored 42 points and punter Jeff Davis averaged 38.6 yards per punt.

SERIES NOTES

The Badgers and Broncos have never met on the gridiron. Wisconsin's all-time mark against teams from the Big West is 2-1. The breakdown is as follows: Nevada (1-0), New Mexico State (1-0) and Utah State (0-1). The last time the Badgers faced a Big West team was vs. Nevada (53-17 win) in 1993, the Badgers' Rose Bowl season. Alvarez has never faced Boise State, nor has Nutt coached against a Big Ten squad. Last year, Boise State played Rose Bowl participant Arizona State, losing 56-7.

SPARTAN OUTLOOK

New San Jose State Coach Dave Baldwin wants to bring his "fastbreak" style of football to the Spartans as quickly as possible.

Baldwin's offense is built around a strong running game. Four veteran ballcarriers provide the optimism. Two-year starting center Harry Daniels and guards Oscar Garza and Curtice Macfarlane are holdovers on the line. The Spartans staged a four-man battle for the QB spot in the spring. The winner of that derby has several good targets. Windrell Hayes and Rommel Canon caught 58 and 29 passes, respectively in 1996.

Defensively, seven starters return from a unit that allowed more than 37 points and 499.0 yards per game last fall. On the perimeter of the defense, San Jose State returns OLB Eric Coughran (five sacks) and CBs Omarr Smith (top returning tackler with 74) and Eric Polk (a '95 starter). The Spartans have some experience up front with three-year starting tackle Jerald Perry and Shon Kendall. Zach Michalski, a 1995 starter, is the best inside linebacker. Michalski missed time in the spring with an injury.

Kicker Seth Wasserman and punter Jason Chapple have no competition for their spots. Wasserman is a transfer and Chapple averaged 36.3 yards per punt last year.

SERIES NOTES

The Badgers and Spartans have never met on the gridiron ...
Wisconsin won all three of its meetings with the Western Athletic
Conference last year, outscoring
UNLV, Hawaii and Utah by a 14937 margin ... Alvarez is 3-0 all-time against teams from the WAC, but has never faced San Jose State ...
both schools play San Diego State this fall ... Baldwin has never coached against the Badgers.

AZTEC OUTLOOK

Coach Ted Tollner hopes his San Diego State ballclub can pick up where it left off last season when it finished 4-1 down the stretch. SDSU has 14 starters back from its 8-3 club.

Tollner, however, needs to identify some replacements from that potent '96 offense, which averaged 38.9 points per game. Gone are QB Billy Blanton (3,221 yards passing) and TB George Jones (968 yards and 11 TDs in seven games). Kevin McKechnie, a two-year reserve, gets the nod at quarterback. Justin Watson, who averaged 6.8 yards per carry, is the heir apparent at tailback. The Aztecs do return three offensive line all-stars led by 305-pound Kyle Turley, a first-team all-WAC Pacific Division choice. As always, the pass-oriented offense has an outstanding receiver. Senior Az Hakim, who made 36 catches (17.6 average) in seven games before breaking his leg, is the headliner.

The club's top two tacklers from a year ago — safeties Jason Moore (92 tackles) and Julius McChristian (77) — bring expectations to the secondary. Moore intercepted five passes en route to earning secondteam all-WAC honors. Joining that duo as a returning starter is Eric Lewis, a 5-foot-7 cornerback, who has started 22 games. Linebacker Joseph Tuipala is the top player in the front seven after making 56 stops as a sophomore.

The kicking game has a couple of holes after the departures of Peter Holt (86 points, including 15-19 field goals) and Noel Prefontaine (46.5 punting average).

SERIES NOTES

The Badgers and Aztecs have played twice previously and the schools split those contests ... SDSU won 24-17 at San Diego in 1979 and Wisconsin posted a 35-12 homecoming victory in 1980 ... the Badgers were 3-0 last year vs. the WAC, beating UNLV (52-17), Hawaii (59-10) and Utah (38-10) ... Alvarez is 3-0 all-time against teams from the WAC, but has never faced San Diego State ... he was an assistant at Iowa when the Hawkeyes defeated the Aztecs 39-38 in the 1986 Holiday Bowl ... Tollner is 0-1 vs. squads from the Big Ten while at SDSU (lost to Minnesota in '94) ... both schools play San Jose State this fall.

HOOSIER OUTLOOK

Cam Cameron, the former Hoosier football and basketball letterman, returns to his alma mater to bring some respect back to the IU grid program. Cameron welcomes back the services of 44 letterwinners and 12 starters from the Hoosiers' 3-8 club of '96.

Cameron, the former Washington Redskins' quarterback coach, has some challenges ahead with his Indiana offense. Alex Smith took his 1,248 yards rushing to the pro ranks after declaring for the NFL draft a year early. Jason Spear (226 yards) gets top billing. The QB battle will feature state prep phenom Earl Haniford versus sophomore Jay Rodgers (600 yards in '96). Receiver Dorian Wilkerson (490 yards) is the top pass catcher. Three of last year's regulars on the offensive line — Chris Liwienski (11 starts), Khalfani Banks and Victor Allotey — are available up

A pair of defensive line veterans lead the way up front. Tackle Benyard Jones started every game a year ago and Adewale Ogunleye topped the team in sacks (8.5). Linebacker Jabar Robinson was fifth on the squad with 63 tackles. Three of the secondary members are on hand. Aaron Warnecke is the top returning tackler (96), Joe King was an every-game starter and Joey Eloms will return after a broken leg.

Alan Sutkowski was secondteam all-Big Ten as a punter, averaging 43.3 yards. A placekicker must be identified in camp.

SERIES NOTES

Wisconsin leads the all-time series against Indiana, 27-16-2 ... the schools have not faced each other for two seasons ... the resumption of the series this fall marks the third time in a row that UW and IU will meet in their league openers ... the Badgers won the two mostrecent meetings in 1993 and 1994 ... the series is even (10-10-1) since 1972 ... the only time in series history that both teams were ranked at the time of the meeting was 1994, when No. 16 Wisconsin defeated No. 21 Indiana, 62-13 ... Wisconsin has a 16-6-1 advantage in games at Madison (although the series is 4-4-1 in Camp Randall Stadium since '75) ... Alvarez is 2-3 vs. Indiana, and Cameron has never faced UW.

WILDCAT OUTLOOK

For the first time since 1930-31, the Wildcats are two-time defending Big Ten football champs. What does Coach Gary Barnett have in store for this season? "We've got to find a way to win a third one," says Barnett. That could be a challenge since the Wildcats lost many of the stars who spurred the success. Barnett's optimism is based on the belief that he has a better defense than a year ago, and he has some explosive performers on offense.

D'Wayne Bates caught 75 passes for 1,196 yards last fall to spearhead a strong aerial attack. Adrian Autry gained 421 yards rushing in a relief role last fall and is poised to takeover for Darnell Autry. The question on offense is who will throw to Bates and handoff to Autry. The choices are Tim Hughes and Chris Hamdorf. Nathan Strikwerda and Paul Janus are the best offensive linemen.

The Wildcats are thin on the defensive line, but ends Casey Dailey and Keith Lozowski combined for 20 tackles for loss in 1996. Barry Gardner (106 tackles) is the top linebacker. Barnett is happy with his experience in the back end, where all four starters from the Citrus Bowl are back. The secondary star is Eric Collier, the club's top returning tackler (107).

Barnett has had the luxury of the league's top special teams the last two years. All-star punter Paul Burton has completed his eligibility, but kicker Brian Gowins (82 points) is back. Brian Musso averaged 11.2 yards on punt returns last year, second-best in the Big Ten.

SERIES NOTES

The Badgers lead the all-time series, 50-29-5 ... the Wildcats have won four of the last five meetings in Evanston ... Northwestern has a two-game win streak in the series for the first time since 1987-88 ... Wisconsin has beaten NU more times than any other foe ... the schools have split their last 14 meetings ... the Badgers won 13 straight in the series (1972-84), their longest skein vs. any Big Ten opponent ... four of the Badgers' 11 largest margins of victory have come vs. the Wildcats ... Alvarez is 3-4 vs. Northwestern, and Barnett is 3-2 vs. the UW.

FIGHTING ILLINI OUTLOOK

First-year Illinois coach Ron Turner hopes to restore some respectability to the Fighting Illini program, which finished 2-9 last fall. The former Chicago Bears' assistant coach welcomes back 38 lettermen, including 15 starters.

Illinois must improve its offense which averaged just 17 points per game in '96. The Fighting Illini graduated its starting QB and top WR, but they do return all-star runner Robert Holcombe. The senior is a two-time 1,000-yard rusher and needs 35 yards to become the school's all-time leader. Junior Mark Hoekstra is the heir apparent at quarterback, and Marquis Mosely (28 receptions) is the top receiver. Three-time letterman Matt Cushing is an accomplished tight end, and he joins four returning regulars on the offensive front line. Guard Brent Taylor is the best blocker

Eric Guenther, the team's top returning tackler (89), hopes to continue the Fighting Illini's strong play at linebacker. Several defensive backs — James Williams (67 tackles), Asim Pleas (four interceptions) and Trevor Starghill (threeyear starter) — are back. The play of the corners, Turner says, will determine what Illinois can do on defense. The main area of concern is on the defensive line, which features Garrett Johnson, Rameel Connor and Jeff Weisse.

Punter Jason Higgins (39.1 yards) and the kicking duo of Neil Rackers and Bret Scheuplein all return to the special teams.

SERIES NOTES

Illinois leads the series 33-27-7 ... the Badgers are 3-0-1 vs. Illinois (outscoring the Illini 92-41) since 1993, their best stretch in the series since a 3-0 run from 1919-21 ... prior to the recent success, Illinois had won 11 of 12 ... Wisconsin's record vs. Illinois in Madison is 15-15-4 ... the most recent meeting in Camp Randall Stadium was a 3-3 tie that ended the '95 campaign ... there have been seven tie games between the schools and four one-point decisions ... the Badgers are 6-2 against Illinois when the UW is ranked, including a 20-6 triumph over the second-ranked Fighting Illini in 1952 ... Alvarez is 3-3-1 vs. Illinois, and Turner has never coached against Wisconsin.

BOILERMAKER OUTLOOK

Optimism is running high at Purdue where former defensive coordinator Joe Tiller returns to West Lafayette after five years as head coach at Wyoming. Tiller has 50 letterwinners returning, 15 of whom were starters last fall.

Nine regulars are back on offense, including the entire backfield. John Reeves and Billy Dicken will battle for top billing at QB. Whoever wins that competition will hand the ball to tailback Ed Watson, the 12th leading rusher in school history. Senior Willie Tillman and junior Isaac Jones are able receivers. The Boilermakers offensive line includes four returning starters. Mark Fischer anchors the line as a third-year regular.

Tiller plans to maintain the Boilermakers' 4-3 defensive formation. His star on defense is twotime Butkus Award candidate Chike Okeafor. The senior has 253 career tackles. Purdue has an allstar on the line in Rosevelt Colvin, who was third in the Big Ten in tackles for loss. Senior tackles Leo Perez and Greg Smith have started 12 and eight times, respectively, in their careers. The secondary returns three-fourths of the starters. Jamel Coleman, Derrick Brown and Willie Burroughs have started 66 times and intercepted 15 passes. Brown was Purdue's leading tackler a year ago (102 stops).

Danny Rogers and Brandon Kaser shared punting chores last fall and both return. The kicking duties were split between Chris Arnce and Shane Ryan and each is back in '97.

SERIES NOTES

Wisconsin leads the series 34-26-8, although the Boilers lead 16-14-3 at West Lafayette ... the Badgers are 3-1-1 vs. Purdue since 1992 ... the series is deadlocked at 10-10-2 since 1971 ... Wisconsin's longest win streak during the series was a fourgame stretch from '81-84 ... Alvarez is 3-2-1 vs. Purdue and Tiller has not faced the Badgers as a head coach ... Tiller was an assistant coach at Purdue from 1983-86, and the Boilers lost both meetings with Wisconsin (1983-84) ... the schools did not play in 1985 or 1986.

GOLDEN GOPHER OUTLOOK

Don't tell first-year coach Glen Mason that he is rebuilding the football fortunes at Minnesota. "I just don't like the word rebuilding," Mason says. "I want us to be as good and competitive as we can be right away." The cupboard is hardly bare as Mason welcomes back 47 letterwinners.

The Golden Gopher offense has been heavily weighted toward the pass recently, and Mason wants to balance things out. He will have a strong air attack with QB Cory Sauter (more than 5,000 career passing yards) in control. Ryan Thelwell and Tutu Atwell are the main targets after 116 catches last season. Thomas Hamner (883 yards) is the key to the running attack. Three of the offensive line starters provide a good foundation up front. Troy Duerr, who played on the defensive line last season, assumes the No. 1 slot at tight end.

Minnesota's defensive troops have been a sore spot recently, and Mason is keying hopes around a strong linebacking corps. Parc Williams (98 tackles) was the team's defensive MVP. Rufus Smith and Donny Dalton also return. Crawford Jordan, Craig Scruggs and Tyrone Carter are impressive defensive backs. Carter and Jordan ranked second and third on the club in tackles last fall. Raymond Baylor is the lone returnee on the defensive line after starting nine times.

Adam Bailey led the team in scoring and connected on 16-20 field goals. Steve Kemph averaged 38.2 yards per punt.

SERIES NOTES

The most-played rivalry in Division I-A football is the matchup between Wisconsin and Minnesota ... the Badgers and Golden Gophers have played 106 times (UM leads 57-41-8) previously, including every year consecutively since 1907 ... the winner of the game receives the Paul Bunyan Axe to display on its campus ... Wisconsin kept possession of the Axe for just the second time since 1984 with its 45-28 triumph last fall ... the teams are 5-5 in the last 10 games at Minnesota and have split 28 games overall since 1969 ... Alvarez is 4-3 vs. Minnesota, and Mason has never faced the UW.

HAWKEYE OUTLOOK

Iowa's goal in 1997 is to continue its fine play of the last two seasons when the Hawkeyes combined to win 17 games. Fourteen starters return from the '96 team that posted a 9-3 record. Hayden Fry, who has coached more games (397) than any active Division I-A coach, likes the prospects for this fall.

Fry has excelled when he retained the services of a veteran QB. That player in '97 is senior Matt Sherman, who has thrown for 5,200 career yards. His top target is Tim Dwight, who snared 97 passes the last two years. Iowa must replace all-time rushing leader Sedrick Shaw, but it does return highly regarded Tavian Banks (12 TDs). Michael Burger is an aggressive blocker at fullback, and the offensive line offers three returning starters. Former guard Derek Rose moves to center, the line's key slot. Chris Knipper earned all-conference praise at TE in 1996.

Three defensive line performers are back led by Jared DeVries, the Big Ten leader in tackles for loss (22). Linebackers Matt Hughes (136) and Vernon Rollins (126) were the team's top two tacklers as sophomores. The Hawkeyes are missing a pair of all-Big Ten defensive backs (Tommy Knight and Damien Robinson). Plez Atkins, a CB, and Kerry Crooks, a SS, are both three-year letterwinners.

Two-time all-Big Ten punter Nick Gallery and long-distance field goal kicker Brion Hurley have graduated. Zach Bromert will handle short placements.

SERIES NOTES

Iowa leads the all-time series 36-34-2 ... a tie in 1984 is the only game Iowa has failed to win vs. the UW since 1976 ... the Hawkeyes are 17-0-1 vs. the Badgers since 1977 ... the schools did not face each other in 1993 or 1994, the years that the Badgers earned Rose and Hall of Fame Bowl berths ... UW holds a 22-15-1 margin in games at Madison ... the Badgers registered a six- and a pair of five-game winning streaks early in the series ... Iowa is the only Big Ten team that Alvarez has not defeated ... Alvarez is 0-5 vs. Iowa, and Fry is 14-0-1 vs. UW ... Alvarez was Fry's linebackers coach from 1979-86.

WOLVERINE OUTLOOK

The '97 Wolverine football team faces one of the nation's most-difficult schedules. It does so, however, with the knowledge that 45 letterwinners, including 14 starters from last season's Outback Bowl team are back.

Coach Lloyd Carr is well stocked at quarterback with Scott Dreisbach and Brian Griese (25 starts between them). Guard Zach Adami and tackle Jon Jansen are the top blockers on a line unit that must find three replacements. Jerame Tuman (33 catches) is a superb tight end. Chris Howard and Clarence Williams are fighting for the nod at tailback. That pair split time last fall and gained 1,562 yards. Tai Streets (44 catches, 730 yards) is the best receiver. He also lettered on the UM basketball team.

Defense figures to be the team strength. Charles Woodson, a do-everything cornerback, is the star. Strong safety Marcus Ray also returns to the back end after leading the secondary with 98 tackles. The Wolverines lost an all-American at linebacker (Jarrett Irons), but the return of leading tackler Sam Sword (99 tackles) eases the burden. The best defensive lineman is senior end Glen Steele, who registered 13 tackles for loss in 1996.

Both of last year's kickers are gone, so Coach Carr will audition a number of unproven players for those roles.

SERIES NOTES

Wisconsin trails in the all-time series 41-10-1, but the Badgers have won two straight ... the schools did not face each other in 1995 or 1996 ... the UW has won three straight games in the series just once (1959-60-62) ... Michigan won 23 of 24 games vs. the UW prior to the recent two-game streak ... the Badgers' win during that skein was a 21-14 win over the No. 1 rated Wolves in 1981 ... Alvarez is 2-1 against Michigan as a head coach and Carr has not faced the Badgers.

NITTANY LION OUTLOOK

Riding the wave of a five-game winning streak to end the year, Coach Joe Paterno is very excited about the prospects for his 1997 club. Forty-two returning letterwinners hope to make a run at the league title.

Replacing Wally Richardson at QB is one of the Nittany Lions keys. Mike McQueary is a fifthyear senior and should get the strongest consideration. Curtis Enis led the squad in rushing (1,210) for the second year in a row and is a seasoned tailback. Four fullbacks also return. The offensive line must be rebuilt after three starters departed. Phil Ostrowski is an honors candidate. Senior Joe Jurevicius (41 catches for 869 yards) is a game-breaker at WR.

Seven starters return to a defense which was 13th nationally in points allowed. Senior tackles Matt Fornadel and Chris Snyder are the vets up front. Junior Brad Scioli also returns after a knee injury. Aaron Collins and Jim Nelson, a pair of two-year starters, will continue the tradition of strong linebacker play at PSU. Brandon Short will play MLB after leading the team in TFLs (12) last year. Shino Prater is the most-experienced secondary performer in an area that concerns Paterno.

Both kicking specialists have departed, so Penn State has a wideopen race for both jobs. Travis Forner and Pat Pidgeon are the favorites at kicker and punter, respectively.

SERIES NOTES

Wisconsin has a 3-1 edge in the series ... last year's 23-20 Nittany Lion win was their first triumph in the series ... the Badgers opened the 1953 campaign with a 20-0 victory over PSU, and the UW added a 29-16 triumph vs. the Nittany Lions in 1970 ... a 1993 Badger victory in Beaver Stadium broke the Nittany Lions' 20-game winning streak ... Alvarez is 1-1 vs. Penn State as a head coach and was 2-3 against PSU while on the Iowa and Notre Dame coaching staffs ... Paterno is 1-2 vs. the UW.

Credentials

Press box — Requests for credentials to cover Wisconsin football should be sent on company letterhead to: Steve Malchow, Director of Sports Information, University of Wisconsin, 1440 Monroe Street, Madison, WI 53711. The fax number is (608) 262-8184. Requests should be received at least 10 days in advance of the game.

Credentials will be mailed if time permits. Those passes which cannot be mailed will be left with the parking attendant (white vehicle) at Lot 18 (southeast corner of the Stadium across the street from the fire station).

Credentials will be issued according to the following priorities: 1) television and radio stations originating a live broadcast; 2) national publications and newspapers filing for the following day's publication; 3) newspapers designated by the visiting sports information director; 4) television and radio stations covering for nightly news; and 5) other requests, which will be evaluated on a space-available basis. Spouses, dates, nonworkers and children are not allowed in the media areas as dictated by the NCAA Media Guidelines book.

Photographers — Sideline credentials will be issued only to accredited photographers and TV reporters / camera operators on assignment. You must display both a credential and an armband

prominently to be on the field level. Your game credential alone will not give you access to the sidelines. Armbands can be picked up in the Reinke Room of the Field House. Media members cannot shoot between the 25-yard lines.

Parking — A very limited number of parking passes are available to working media.

Game-day Services

Media services — Facilities for the press are located on the fourth level of the Press Box. Flipcards, notes and programs are delivered to each working location prior to kickoff. A complete stat packet will be available after the game.

Fax service — Final game statistics are entered immediately after the game on the Big Ten's Fax-On-Demand service. If you do not wish to use the Fax-On-Demand service, statistical packets will be faxed to your outlet for \$10 (payable at the game).

Interviews — With approximately four minutes left in the game, media members will be escorted to the interview areas by Associate SID Justin Doherty. Barry Alvarez meets the media in the McClain Lounge (first floor). Requested players are available in the weight room (lower level of the McClain facility). The Wisconsin locker room is closed to the media.

Phones — Several courtesy phone lines on level four of the Communications Center are available on a first-come, first-served basis. Media requiring their own phones should call Wisconsin Bell (800/447-7738) to order lines.

Interview Requests

Practices — All Wisconsin practices, including Friday walk-throughs, are closed to the media. Interviews are conducted according to the following guidelines.

Head Coach — Barry Alvarez holds a weekly media conference Mondays at 1 p.m. in the "W" Club Room. Audio cuts from Alvarez' Monday media conference are available after 4 p.m. on Mondays by calling (608) 263-3100 (option 3). Comments from Alvarez' Monday media session are also available through the Fax-on-Demand System. Alvarez is available for interviews after practice Tuesday through Friday. He will do interviews after Friday walk-throughs on the road. Call the Wisconsin SID office if you wish to visit with Alvarez at a walk-through.

Additionally, Alvarez is available every Tuesday from 11:50-noon CT on the Big Ten Teleconference. This session is for media use only. Call the SID Office if you need the phone number for this session.

Players — Badger players can be interviewed during the week on Tuesdays and Wednesdays after practice (approximately 6 p.m.). Matt Lepay

Mike Lucas

For the fourth year in a row, exclusive radio coverage of Badger football can be heard on the 43-station Wisconsin Radio Network. The Athletic Department and Learfield Communications entered into an agreement for radio broadcast rights for Wisconsin football and basketball prior to the 1994 season.

WIBA (1310 AM) and WOLX (94.9 FM) are the rights holders in the Madison market, and WTMJ (620 AM) carries the games in Milwaukee.

Entering his fourth season handling play-by-play duties is Matt Lepay. He has called Badger basketball the past nine seasons. A 1984 graduate of Ohio State, Lepay was Sports Director at WTSO in Madison before joining WIBA in 1994. He previously served as Sports Director at WNCI in Columbus, and prior to that worked at stations in Athens and Piqua, Ohio.

Joining Lepay is Mike Lucas, long-time sports columnist at the *Capital Times*. Lucas, who worked on the broadcast team for Wisconsin's delay TV package before assuming color commentary duties on the radio, also provides daily sports commentaries on WIBA.

LISTENING TO BADGER FOOTBALL

Wisconsin football games can be heard from around the world via Learfield Communications and AudioNet on the world wide web. The AudioNet connection is available through the football section of the Athletic Department's website address.

The Badgers' internet site is: http://www.wisc.edu/ath/

Radio broadcasts of Wisconsin's games are also available via the telephone through TRZ's Teamline program. Fans should call 800-846-4700 (dial code 5395) and listen to the broadcast. A valid VISA or MasterCard is required to access that system.

TV COVERAGE

BADGERS ON TV

The resurgence of Wisconsin football has dramatically increased live television exposure for the Badgers.

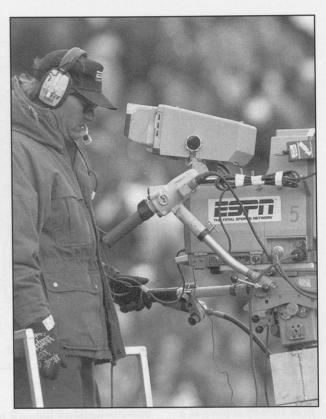

Most Wisconsin games will be selected for live television coverage again this fall, but those schedules are not released until 1-2 weeks prior to each game.

For the 22nd consecutive season, Badger home football games will be televised on a delayed basis by Wisconsin Public Television. Veteran broadcaster Van Stoutt of WIBA Radio is the play-by-play announcer. Pat Stiegman, sports editor of the *Milwaukee Journal Sentinel's* on-line service, handles color commentary.

Broadcast across the state educational network, Badger football replays air Saturdays at 10:30 p.m. The network includes WHA-Madison (channel 21 or cable channel 11), WPNE-Green Bay, WLEF-Park Falls, WHWC-Menomonie, WHLA-La Crosse, WHRM-Wausau and WMVT-Milwaukee.

ALVAREZ TV SHOW

The "Barry Alvarez Television Show," produced by WISC-TV (channel 3 or cable channel 9) in Madison, is a 30-minute program of highlights, interviews and features on Badger football. Seven stations — WISC-Madison (11 a.m.), WISN-Milwaukee (11 a.m.), WSAW-Wausau (11 a.m.), WFRV-Green Bay (11 a.m.), WXOW-La Crosse (11:00 p.m.), WQOW-Eau Claire (11:00 p.m.) and WJMN-Marquette, Mich. (11 a.m.) — show the program each Sunday throughout the season.
