THE BEST FAMILY NEWSPAPER

One of the most widely-known, ably conducted, and successful newspapers ever established in this country, is

THE INDEPENDENT,

A weekly journal, printed on a double sheet of imperial size, and published weekly in the city of New York. *The Independent* is a religious, moral, and literary newspaper, filling a distinctive and eminent place in the ranks of American journalism—embracing within its columns a wide range of reading both of current interests and intrinsic value, and adapted to the tastes of all cultivated and thoughtful persons.

Among its attractive features for the present year will be a series of

"STAR PAPERS,"

To appear every week, by
HENRY WARD BEECHER, ("*")
Together with special contributions, both in prose and poetry, from

JOHN G. WHITTIER, ("J. G. W.")

A series of characteristic articles by
MRS. HARRIET BEECHER STOWE, ("H. B. S.")
Regular weekly communications from

REV. DR. GEO. B. CHEEVER, ("C.")

And frequent and interesting papers, on various subjects, by numerous other distinguished writers.

The Editorial Department of the paper will keep pace with all public questions and movements, and will strive to lead, instead of merely to follow, the public opinions of the times.

Every successive number will contain a complete weekly history of affairs, both Foreign and Domestic, Secular and Religious, together with the latest intelligence from all Religious Denominations—such as Methodist, Baptist, Presbyterian, Congregational, Reformed Dutch, Unitarian, Universalist, Episcopalian and Roman Catholic.

Among the special departments, is a "Commercial and Financial Article," prepared with great care every week; an interesting page of Family Reading, with a column of "Stories for Children;" a weekly digest of "Foreign Miscellany;" the latest intelligence in "Art, Literature and Science;" together with "Correspondence" from all sections of the United States, and from England, France, Germany, Switzerland, Italy, the Holy Land, India, Southern Africa, the Sandwich Islands, and various parts of South America.

The Independent is controlled by no party either in Church or State, and is free to discuss every public question involving the morals of the community and the progress of civilization and Christianity throughout the country.

Sewing Machines**

OFFICE, No. 505 BROADWAY, NEW YORK.

Send for a Circular.

GOOD NEWS—A reduction in the prices of Sewing Machines is announced in our advertising columns. Their utility is established beyond question, and at the present prices we see no reason why they should not be found, as they ought to be, in every household. Several varieties are manufactured, adapted to various purposes. So far as public opinion has been formed and uttered, the preference is emphatically accorded to the Wheeler and Wilson Machine for family use, and for manufactures in the same range of purpose and material. During the present autumn the trials have been numerous, and all the patents of any pretension have been brought fairly into competition. In every case, the Wheeler & Wilson Machine has won the highest premium. We may instance the State Fairs of New York, New Jersey, Pennsylvania, Kentucky, Illinois, Wisconsin, Virginia, Michigan, Indiana, Mississippi, Missouri and California, and the Fairs in Cincinnati, Chicago, St. Louis, Baltimore, Richmond and San Francisco. At the Fair of the St. Louis Mechanical Association, the Examining Committee was composed of twenty-five Ladies of the highest social standing, who, without a dissenting voice, awarded for the Wheeler & Wilson Machine the highest and only premium, a Silver Pitcher, valued at \$75. If these facts do not establish a reputation, we know not what can.—*Christian Advocate and Journal.*

NEW AND ATTRACTIVE FEATURES.

We have commenced the publication, in the *Home Journal*, of the most interesting story ever written for the columns of any American periodical. It is an historical narrative, entitled,

SEVENTY-SIX,

A TALE OF THE REVOLUTION.

BY A POPULAR WRITER;

and is descriptive of events that occurred in this city and its vicinity, during the struggle for independence.

It is pronounced by the press and the public to be the best historical romance ever written for a newspaper. This charming story will be succeeded by others of a similar description, several of which are already in preparation.

All the former peculiar features of the paper, which have given it a world-wide reputation, will be continued, while the several new ones will give an infinite variety to its ever diversified pages. Among them are a number of fresh, spicy, amusing

ORIGINAL COMIC STORIES,

which smack and relish of the wit, humor, raciness, brilliancy and sparkle of the times.

As heretofore no labor nor expense will be spared to maintain the high reputation of the *Home Journal*, which is everywhere, both at home and abroad, acknowledged to be the most refined and elegant repository of Literature and the Arts on this side of the sea, and the

Best and Cheapest Family Newspaper

IN THE WORLD.
