The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Yale UNIVERSITY

Postdoctoral Research Fellowship for Anesthesiologist in the Department of Anesthesiology, Yale University School of Medicine. The appointee will have the opportunity for full-time research training in the field of lung metabolic functions and their relation to cardiopulmonary pharmacology and pathophysiology. Preference will be given to applicants with previous research experience. In addition to research training, the applicant may be provided the opportunity for some clinical work. Please send C.V. and the names of three references to:

C.N. Gillis, Ph.D.
Director of Research
Professor of Anesthesiology and
Pharmacology
Department of Anesthesiology
Yale University School of Medicine
