## BELOIT TOMORROW

BADGER HITTEES TO PLAY WITH  
CONGREGATIONALISTS.

Captain Peirce's Team Expects to Re-  
trieve Their Recent Waterloo—  
—Field in Excellent Shape.

Wisconsin will try tomorrow to redeem the poor record made against Beloit a week ago. Although badly beaten at that time the Badger players are not discouraged and confidently hope to turn the tables upon the Congregationalists tomorrow. Almost all the errors made in the former game were in the shortstop position over which seemed to hang a persistent hoodoo. Positions on the team have been changed since then and it is hoped that the shaking will make a difference in tomorrow's game. Although Murphy is not a strong batter, his work at short is steady and conscientious.

Beloit has undoubtedly the best of the smaller college teams. Indeed this year she has met nearly all of the so-called big nine, and but once has victory failed to perch upon her banner. This was against Chicago. Adkins who will probably do the twirling for the Line City team tomorrow, has grown gray in the service of Beloit. His work easily places him among the leaders of the semi-professional pitchers and is uniformly effective against college batters. In stick work Coach Hollister has developed a bunch of hard hitters whose slugging has been seen to the sorrow of many a hopeful college slugger.

Owing to the patient work of Manager Kilpatrick the field is in excellent shape and nothing short of a heavy downpour of rain can spoil its condition.

## SIX NEW HARESFOOTERS.

Local Dramatic Club Will Initiate and  
Banquet To-night.

The Haresfoot Club meets to-night to initiate the six new members which have been taken in as a result of the year's work. The men to be initiated are Messrs. Harry Johnson, John B. Brennan, Joseph Davies, Francis Kales, Chas. A. Lyman and Roy Chapman. After the initiation the club will banquet at Mrs. Baltzell's.

The membership of the club is now nearly doubled by the coming in of these new members. The present active members are Messrs. Walton Pyre, Chas. Vilas, Edwin A. Snow, E. T. Fox, Clifford Ireland, and J. Bartow Patrick. Mr. Vilas is president of the club.

There is a movement on foot among the Haresfooters to extend chapters of the club to several of the surrounding colleges. Almost all of the colleges have dramatic clubs but there never has been a movement towards consolidating them into a national organization. The Haresfoot Club is very hopeful that they will succeed in forming the nucleus for such an organization.

The Glee club, Girls' Glee club, Haresfoot and Mandolin club will appear on program of the concert at the Fuller Thursday night.

## MUSICAL DRAMATIC CLUBS

Fuller Opera House

### Thursday, May 9th.

#### PROGRAM PUBLISHED.

For the Glee and Mandolin Club Concert.

Preparations are now almost complete for the annual Glee and Mandolin club concert to be given at the Fuller Opera House Thursday night. Both the Glee and Mandolin clubs are in excellent shape, having worked hard all winter and their part of the program will doubtless be up to the regular standard set by former clubs. The Girls' Glee club has also been practicing steadily and their number will be a feature of the program. Among the attractions worthy of notice is the production of the one-act play "The Littlest Girl," which is to be given under directions of the Haresfoot club.

The following is the program as arranged.

#### Part I.

1. When Day Fades, Parks, Glee club.
2. Salome, Loraine, Mandolin club.
3. I'd Wish to Die, Tosti, F. P. Bower.
4. Waltz Song, F. A. Vogel, Ladies' Glee club.
5. Bolero, Graziana Walter, Mandolin club.
6. a. The Store, b. Asleep, Adream, Awake, Glee club.

#### Part II.

1. O. K. Pi March, Dran, Mandolin club.
2. Last Night, Parks, Glee club.
3. "Daddy," Parks, Quartette—Messrs. Ehlman, Bowen, Pray and Conge.
4. Old Songs, Glee club.
5. "The Littlest Girl," Hillyard, Haresfoot club.

#### Miss Loeb's Oration.

Miss Louise Loeb of the University of Wisconsin scored the success of the evening. Her oration was most eagerly awaited by the audience. When the beautiful young lady appeared on the stage and with perfect self-possession and a most womanly manner began to deliver the impressive, appealing tones of her grand oration the enthusiasm of the men and women in the house became intense. Miss Loeb delivered her oration in the best possible manner and at the close of her grand appearance, many were placing her among the honor orators.—Vidette Reporter, "U" of Iowa.

#### TOURNAMENT MAY 15.

Annual Contests in Tennis to be Held  
Next Week.

The tennis association has decided upon regulations for the annual spring tournament beginning May 15. Any member of the Tennis Association is eligible to enter this tournament. The entry fee is but fifteen cents this year and all entries must be in the hands of the manager before the tenth of the month.

The tournament is to decide the championship of the University in both singles and doubles. It will also help in selecting the men to represent Wisconsin at the intercollegiate contest at Chicago on May 27. In order to secure a good team the association has thought best to have the tournament on the fifteenth. Although wet weather has somewhat delayed practice for the past two days the men are getting well along with the practice work. Coach Coffin is very anxious that all members will get out now every day until the tournament comes off. Unless there is a large number of entries good results cannot be expected. As this is the only event at which the men have an opportunity to prove their abilities with the racket, the coach wishes all tennis players to enter and show what they can do.

Complaints have been made of late that the courts are not kept properly marked but the management will undoubtedly remedy this in the future. It is also said that some students are not careful about using the courts when in a wet condition. If they are used too soon after a rain the ground is torn up and the courts are considerably damaged for some days.

The management has received letters from Minnesota, Upper Iowa, Nebraska, and Northwestern all asking for meets with us to take place here on our courts, we paying half of the expenses of the visiting teams. The association was obliged to refuse these offers on account of the present condition of its finances. Manager Taylor states that undoubtedly the usual meet with Beloit will take place but that the arrangements and date have not been settled upon as yet.

#### Philomathia's Semi-Public Team.

The Philomathian society has elected a Semi-Public team as follows: Wetzler and Tomlinson, closers; Milbrath, Breslauer, Lyman, Cowells; Ellis and Seele, orators; Paust, president.

## ANNUAL NAVAL BALL

FOR BENEFIT OF CREW SATUR-  
DAY EVENING AT GYM.

Excellent Program Arranged—List of  
Patrons and Patronesses—Strictly  
Informal.

A list of patrons and patronesses for the Naval Ball has been arranged and is as follows:

Acting President and Mrs. E. A. Birge, Dean and Mrs. Johnson, Professor and Mrs. Olson, Miss Mayhew, and Mrs. R. M. La Follette, and Mrs. Fred Brown, Mr. and Mrs. Bashford, Mr. and Mrs. Sandborn, Mr. and Mrs. B. J. Stevens, Mr. and Mrs. Spensley, Mr. and Mrs. Carl Johnson, Mr. and Mrs. Harry Hobbins, Mr. and Mrs. Ed Fuller.

The program will consist of sixteen dances and four extras. The music will be furnished by the University Band under the direction of Professor Nitschke, and a number of new pieces have been worked up and an excellent program of waltzes and two steps has been arranged.

The annual Naval Ball has been for several years one of the pleasantest social events of the college year and the ball this year promises to be as enjoyable as any ever given at the University. It is the purpose of the management to make the party as informal and pleasant as possible. The purpose of the Naval Ball is, as is well known to raise money for the support of the crew and with so worthy an object should have a good attendance. Tickets as in former years will be one dollar each.

#### Athenae's Blowout Thursday.

The leaders of Athenae's blowout teams state that all their men are prepared for the debates to come off in Athenae hall Thursday evening. The regular blowout program will not be followed out this year. The orator and essayist have been dispensed with in order to give each member of the freshman class an opportunity on one of the debates. It was also decided to have the regular president of the society preside at the meeting instead of a member of the freshman class. These changes now give the freshmen all their time to put on their debates and give each man an equal chance for making the Semi-public. Although the debates take place on Thursday instead of Friday evening the attendance is sure to be large.

#### Iowa-Wisconsin debate Friday night.

#### Sphinx Out.

The present number of the Sphinx is a creditable one, when not compared with the yellow and pink glory of the Sphinx-American that preceded it. The editorials protest that there is nothing that requires remedying and then proceeds to make some very pertinent remarks. The board deserves credit for fighting off the spring fever and getting out a full number.

Don't fail to attend the inter-collegiate debate Friday night.

### The Hogs Exonerated.

Some time ago our courteous contemporary, the U. of M. Daily, published an article entitled "Unpenned Hogs," the opening paragraph of which contained the remark that "Wisconsin has an unsavory reputation, anyhow." There was more to this same effect. The purpose of the article was to demonstrate the utter disregard of all decency on the part of Wisconsin in claiming the presidency of the Northern Oratorical League and the indisputable and inalienable right of Michigan to the assumption of that office. The article invited and received the disapproval of other college papers.

Now the entire dispute hung upon a technical point not covered by the constitution, namely the question of whether the local associations have the power to fill vacancies caused by the resignation of officers of the inter-collegiate league. When President Loeb went to Harvard Wisconsin nominated W. J. Carr for the vacant position and so notified the other colleges. Michigan protested that her representative, who held the office of first vice-president, should assume the duties of the presidency. The representatives of the two colleges were prepared to settle the matter in a gentlemanly way when the U. of M. Daily gave vent to the flood of abuse in question.

At the N. O. L. meeting at Iowa City Wisconsin's point was sustained by a decisive vote and the convention framed an amendment to the constitution intended to obviate the possibility of any future misunderstandings on this score. The Michigan representatives also expressed their regret for the appearance of the venomous attack upon Wisconsin and denounced it as irresponsible, officious and unauthorized. And so-closeth the tale of the Daily's virtuous horror at the utterly depraved and conscienceless course of the University of Wisconsin. It is fortunate that this sort of

thing does not occur more often or it would intensify the already numerous petty sources of disagreement between colleges that ought to aim more at co-operation and friendly rivalry than the bitter spirit that the article hinted at.

### Worthy of Support.

The glee and mandolin clubs have with commendable perseverance continued their work this winter in spite of the discouragement of not securing permission to take a trip. Next Thursday evening they give their annual concert, a concert which ought to be well attended, both because of the excellent program that is assured and because the clubs deserve some return for their expenditure of time and energy in the face of so many discouragements. It is often apt to be a struggle here in the University to keep up the interest in musical enterprises and any effort that is made to do so merits support and encouragement. The personnel of the clubs this year is a good one and an unusually good program is promised, including as it does a contribution by the Haresfoot Club.

## SUCCESSFUL SEASON.

Varsity Gymnastics Awakened Especial interest this year.

The gymnastic season which has just closed has been an especially successful one. Director J. C. Elsom says that unusual interest has been shown in the various departments of work during the past year. The fact that prizes and medals were given for the best gymnasts at the circus proved an incentive to the men and more went into training for the various events. As work was required on three or four different pieces of apparatus all-around gymnastic development was necessary in order to win the medal. That there were prospects for a team competing in the eastern games was also an additional incentive to the men in their work.

Wisconsin is now a member of the Eastern Inter-collegiate Gymnastic Association, which was formed two years ago. Although we are a charter member, we have never been represented in the annual games on account of the fact that there were no funds at our disposal with which to send a team. Owing to the prosperous condition of the financial side of our gymnastic department at present there is little doubt but that this fact will not prevent our entering in the contest next year.

The games are usually held in the early spring and last year took place in Philadelphia. These contests are considered of great importance in the east and all of the larger eastern universities usually compete. Harvard, Yale, Princeton, Johns Hopkins, Haverford and Virginia are among the present members of the association.

Dr. Elsom thinks that although this year we will lose some of our best men, we will be able to send a good team east next spring. The teams are limited to twelve men from each university.

At present Dr. Elsom is working upon the statistics of the average improvement in the measurements of the freshman class determined from the first and second measurements taken. The result will be published.

During the summer the gymnasium will be open to all students without any additional charge in the summer school. The gymnasium is largely used in the summer. Four classes are held each week which counts for a semester's credit. There will be a normal class this year for those expecting to teach physical culture.

Dr. Elsom and Mr. Ishikawa will have charge of the women's classes and during certain hours the gymnasium will be used exclusively by the ladies. The gym at Chadbourne Hall will be closed during the summer as Miss Harris, who has usually given the instruction, intends to study in the east during the summer months.
