Committee and also a director and an active force in the affairs of the Madison Parks Foundation, that this should be made clear. He also stated that if any member of the Board felt that under all the circumstances the University would be in a better situation to own the Ward Farm than to have a well secured first mortgage for \$10,000.00, that it was still perfectly feasible to turn the Ward Farm back to the University and that its use in the transaction was in no sense a matter of any favor to Madison Parks Foundation in its operations. Regent Olbrich presented

THE BUDGET for 1928-29

explaining that the Finance Committee had been in session for two days carefully checking over the items.

Upon motion of Regent Olbrich, seconded by Regent Schmidtman, the following motion was adopted:

✓ That the Budget of the University for 1928-29 be approved as presented by the President, with ministerial authority to make such necessary adjustments therein as do not materially alter totals.

Called vote was taken, all regents present voting and voting "Aye".

✓ *Grady Wild Olbrich*
Regent Olbrich reported upon the investigation of the special committee on Military Training, stating that the entire matter of military training rested upon the proposal contained in a Federal Statute and its acceptance by an Act of the Legislature of Wisconsin. Hence the matter was beyond the jurisdiction of the Board of Regents as to whether the University would or would not offer courses in military training. This was formally ruled upon by the Attorney General at the time these courses were made optional.

The report was approved and the committee discharged.

✓ The Business Manager reported that there was a shortage in the appropriation for the publication of "The Mollusks of Wisconsin", which is being published by President Emeritus Birge.

Upon motion of Regent Olbrich, seconded by Regent Cashman, it was

VOTED, That an additional appropriation of \$500 be made for the completion of the work. Called vote was taken. Regents voting "Aye", Cashman, Berger, Callahan, Faast, Grady, Mead, Olbrich, Richardson, Schmidtman, Waters, Wild, - 11; Regent Nelson voted "No".

✓ Upon motion of Regent Faast, seconded by Regent Berger, it was VOTED, That the President of the Board appoint a committee to report to the Board as to the character and extent of the gifts made to the University and the purpose of each gift, the report to be made as early as possible.
