AUDIOTAPE JULY 27, SIDE 1

00:00 Arnold Munkel: This is Saturday July twenty-seventh, 1974. We're sitting down here in Decorah, Iowa in the Viking Theater waiting for the musical program to start. This is mostly old-time fiddlers and folk music artists here. There seems to be a lot of new faces here, but we will make a record of who they are and where they're from.

It's very nice and cool in this place here, it's air-conditioned and real modern. And we're very fortunate to have this place here because- or have the program here because it's really warm outside and some of the other places we had years before it was a little warm in there at times. Although they had fans going and everything, but this is really ideal so I'm sure we will be enjoying it.
