267 ATHLETES ENTER

TO REPRESENT 38 SCHOOLS IN INTERSCHOLASTIC.

Promise of Close Fight for Championship Between Madison and West Side Milwaukee.

The schools and entries for the big Interscholastic meet are now all in. Thirty-eight schools are entered with a total of 267 contestants. Both the number of schools and the number of athletes who are to compete in this year's meet far excel any previously held at Madison.

The preliminary contests to determine those who came under the eligibility requirements have shown, on the whole, a good lot of material, and many records will probably be broken in the meet at Camp Randall Saturday.

The contest for championship will be this year between the Milwaukee West Side and the Madison High. In the meet between the Milwaukee high schools Saturday, West Side scored 63 points, East Side 41, and South Side 40.

The Madison high school has devoted itself exclusively to track work this year and is unusually strong. Daniells does the quarter in 52 3-5 seconds, and has made the half in 2:05 3-5, which is below the interscholastic record. Fuller throws the hammer 130 feet, and Bagley in the quarter and Regan in the dashes may be counted on as point winners.

Green for West Side is a good distance runner, and Phair will do the middle distances. Dugan can be relied on for over 20 feet in the broad jump, and Bodenbach in the half and mile and Carrol in the discus are probable point winners.

Mowry, who has held the half mile record for the past two years will give Daniells a close run in the half mile.

Among the innovations this year is the year book, which is to be known as the Wisconsin Interscholastic Annual, which is being gotten out by G. F. Downer of Milwaukee. The book is to be an illustrated fifty-page pamphlet and will constitute a permanent record of High School athletics in Wisconsin.

A number of bleachers are being put up at Camp Randall to accommodate the large crowd which is expected. Seats on the bleachers will be fifty cents, but the regular price of the grand stand seats will be a dollar, and they can be reserved at Menges, by mail if desired.

Sphinx Board Elected.

At the last meeting of the Sphinx, Ida Elliott, '02, Mary Swain, '02, Nora McCue, '02, Harry Kelley, '02, Dwight Beebe, '02, Floyd Naramore, '04, were elected as members of the staff.

The following officers were elected for the next year: Editor-in-chief, Joseph Koffend, '02; managing editor, Ralph S. Gromann; managing artist, Nora McCue, '02; business manager, Herbert John, '03.

Annual Inspection Tomorrow.

Tomorrow afternoon at Camp Randall will occur the annual inspection of the University regiment. The regiment will assemble at the armory at 2 o'clock and together with the band will march to Camp Randall where they will be inspected by Major Irvine of the 9th U. S. infantry. Dress parade and review will also be held. The admission is free and the public as well as the student body is invited to witness the ceremonies.

Prof. and Mrs. M. V. O'Shea very pleasantly entertained the members of the University Christian associations at their Langdon street home Saturday evening. The house was tastefully decorated and several hundred guests were present. Mrs. A. P. Wilder and Miss Florence Robinson presided at the refreshment table and Miss Helen Shepherd at the punch bowl. Misses Thomas, Brewster, Telford, Mignon Wright and Wells assisted. During the evening Mrs. Monaghan favored the company with a vocal solo.

POSITION UNCHANGED.

Wisconsin Still Leads in Inter-collegiate Pennant Race.

W. L. P. C.

Wisconsin	4	1	800
Michigan	5	2	713
Illinois	6	4	600
Chicago	4	7	364
Minnesota	2	4	333
Northwestern	1	5	167
Iowa	0	1	000

The positions of the teams in the percentage column remain unchanged. But two games between conference colleges were played. The first of these was the Illinois-Chicago contest. The Maroons had hoped to redeem their disastrous record of defeats but the Illini proved too strong. Stagg's aggregation is woefully weak in fielding but the way they whang the sphere is a caution.

Saturday's Game.

Wisconsin played her first game with one of the "big nine" away from her own bailiwick last Saturday. The game, which was with Chicago was close throughout; the score alternating in favor of first one and then the other. The Badgers took the lead in their half of the ninth by the aid of three runs but Stagg's men pounded out four tallies in their half winning the contest. Mathews was in the box for the locals while "Tibby" Smith did the pitching for the maroons.

Local and Personal.

Mrs. B. W. Snow has returned from a visit with her sister at Superior.

Secretarwy Phelps of the Y. M. C. A. leaves for Kenosha to-night where he will resume the financial canvass.

Mrs. W. A. Scott is entertaining Miss Florence Thilleo of Grand Rapids and Miss Maud Tibbets of Milwaukee.

Professor J. F. A. Pyre will deliver the commencement address at the graduating exercises of the Tomah high school.

Professor Sharp entertained his Psychology and Ethics classes at his home in Mendota Court Saturday evening.

Mr. George M. Link, '98, of the Madison high school teaching force sails from New York for Hamburg June 15 on the Graf Waldersee.

Philomathia's Semi-public will be held tonight in Library Hall. The question to be debated is: Is the Union Label Advantageous to the Wage Earning Classes as a Whole? The affirmative will be supported by Hale, Foelske, and Minahan (closer); negative, Primakow, Wrabetz and Schuette (closer).

Tomorrow evening the Hesperian literary society holds their annual banquet at Keeley's next Wednesday evening. L. G. Lohr will be the toast-master. Harry Sauthoff will respond for the juniors, Eben Minahan for the sophomores, George Davies, and for the freshmen, William Grove. All the seniors and alumni will respond to toasts.

Championship Calculations.

The Daily Cardinal has been subjected to some adverse criticism on the part of other college publications for its policy of omitting from the percentage list of the intercollegiate baseball games the Beloit and Notre Dame teams. Our position in the matter is simply that college teams whose players make no pretense to conforming to the amateur rules governing the teams in the "Big Nine" should not be counted in championship calculations. This method of figuring the championship, far from being unfair to those left out, is really the only fair method. Take Beloit for an example. For one to contend that the Beloit team is not a strong aggregation would be folly. Indeed the Congregational school is represented by probably the strongest team of any of the western colleges this year. But the tower of strength of the Beloit team is in Adkins, who for no less than three years has made no claim to amateur standing under the intercollegiate rules. Again, the rattling infielders and clever batters, the Brown brothers, of the same team, have played on that team longer than the intercollegiate requirements allow. It is obvious that were Beloit to conform to the same rules as govern the members of the "Big Nine," her team would lose its strongest players.

We are not advising Beloit to revise the rules governing the players on her team, that is a matter for Beloit to determine; but until she enters her team in the intercollegiate race as a bona fide amateur team, we must continue to class contests with her as purely practice games having no effect in championship calculations.

Military Hop.

The last Military Hop of the season, last Saturday evening possessed all the pleasantnesses and unpleasantnesses of its predecessors. These Military Hops are undoubtedly the most popular parties of the year, and are always anticipated with a great deal of pleasure and enjoyed by all students who patronize them. Yet notwithstanding their popularity, the students are allowed but four of them a year, when they are annually promised six.

Then again the time allowed for them is so short than any intermission of a reasonable length between the dances is impossible. Before you can barely thank your partner for the dance, the next dance begins and you are off, and so on until the end. A few minutes more would do away with this unpleasantness, contribute to make the hops a perfect success, and allow of the strict enforcement of the S. G. A. and faculty regulations.

It would not interfere greatly with the success of the Hops if the floor of the gym. was scrubbed once in a while. Everything has its proper place, but dust in a ball room is a rank out-sider and should be taught its place once for all, else linen dusters and gauze masks will become the order of the day, or rather evening.

Of the evil of making out programs in advance so much has been said in the past and with such little effect that it is useless to prolong the dis-

cussion. The ladies say the men are to blame, while the men, for divers reasons, answer not when the charge is laid at their door. All this savors of the ex post facto but there are hops coming again next year and it may be to the point then.

On the whole the Hops have been decided successes and with more of them in the future and the unpleasant features removed, they ought to be more popular than ever.

Poor Form.

Our friend the University of Chicago, is amusing itself by guessing at the result of the big meet next Saturday. In its guess it says that Wisconsin may score twenty-five points and Chicago thirty-one. Of course her defeat Saturday counts for nothing. The competition of other colleges besides these two cannot be the responsible factor, for Illinois seems slated for the dashes, which Chicago captured Saturday.

In her guess Chicago gives herself first in the four-forty when our representative beat out their man by about twenty yards and then in time almost three seconds above his record. It does not seem probable that Maloney can take both the half and the quarter, if he enters the latter, in the face of the fierce competition in those events. In the high jump not a solitary point is accorded to us whereas Meyer's six feet has not been equalled this spring. It is claimed that Meyer is ineligible; this remains to be seen. The information must be a scoop.

Apart from the general futility of guessing, is it needless to scrutinize that guess further. We make no extravagant predictions but for a defeated team to rank itself above its successful rival betokens a wonderful command of the theory of probabilities, and poor form at the best.

Generally fair tonight and Tuesday.

Geological Excursion.

Professor Van Hise, Dr. Clements and the party of geological students returned Saturday evening from their trip to Devils Lake, Abelmanns, Baraboo and Kilbourn. There were about forty students in the company. The party was chaperoned by Mrs. Van Hise. While at Kilbourn the company enjoyed an impromptu dance. The party from Northwestern University joined the company as had been planned. There were four professors and three students from Northwestern who took the trip.

The Wisconsin party left Madison early Thursday morning and arrived at the Cliff House, Devils Lake about nine o'clock. Here at the lake the large quartzite bluffs were studied and also the historical formation of Devils Lake. After dinner the party took a five mile tramp east from Cliff House after which they were taken by bus to Baraboo. Friday morning the party went by team to Abelmanns, a distance of about ten miles. From Abelmanns the company drove to Kilbourn, a distance of about seventeen miles. After supper the lower delles of the Wisconsin river were visited. Saturday morning all went up to the upper delles where the old Wisconsin channel was observed. The party came back to Kilbourn by boat and left early in the afternoon for Madison, arriving home at 6:25.

"In The Blues"

is a common saying of a person who exhibits low spirits, nerveless action and a failure to enjoy even the most cheery surroundings. Nine times out of ten this condition is accounted for by poor digestion, which affects the mind and nervous system, besides enfeebling the body.
