# THE UNIVERSITY OF WISCONSIN

The University of Wisconsin, one of the world's leading institutions of higher education, is dedicated to the support of academic freedom.

Established in 1848, the first class of 17 students assembled February 5, 1849. Today, the University of Wisconsin includes 13 schools and colleges, 133 academic departments, more than 45,000 students and 14,000 employees, nearly 4,000,000 volumes in 22 libraries, a \$750,000,000 budget, and research and development expenditures totalling \$185,000,000 (third largest in the U.S.).

Wisconsin has ranked among the top ten universities in the United States in every scholarly reputational study since 1910. Combining the results of seven major ratings since 1925, Prof. David Webster of the University of Pennsylvania, writing for the June, 1983 *Change* magazine, ranked the University of Wisconsin fourth

UW departments ranked among the top ten in the nation in the 1983 *Assessment of Research-Doctorate Programs in the United States* include Sociology (1st), German, Chemical Engineering and Geography (2nd), Statistics (4th), Plant Pathology, Molecular Biology and Biochemistry (5th), Spanish and Portuguese (6th), Zoology (7th), Political Science, Chemistry and Economics (8th), Mathematics (9th), and History (10th).

The UW's international activities extend the boundaries of the campus to all parts of the globe. The campus has about 3,600 foreign students from 125 countries, offers some 50 foreign languages for study, and has the largest overall number of international studies faculty and largest number of faculty of any university in East Asian, South and Southeast Asian, African and Latin American studies. Junior year abroad programs are offered for students going to Brazil, China, England, France, West Germany, Hungary, Israel, India, Italy, Spain, Sweden, Norway, Nepal, Thailand and Mexico and Quebec for summer study.

The UW's Center for Health Sciences is one of the Midwest's leading centers for patient care, education of physicians and other health professionals, research and public service. It includes the Medical, Nursing, Pharmacy, and Allied Health Professions schools; UW Hospital and Clinics; State Laboratory of Hygiene; UW Health Service; and Wisconsin Clinical Cancer Center - one of 21 designated cancer centers in the country.

More than 400 campus organizations offer a wide variety of activities for Wisconsin students - including social, political, philosophic or religious, sports, honorary, ecological, philanthropic, drama and music groups plus fraternities and sororities. Film societies show 400 titles a year, and the intramural recreation program serves some 35,000 students and staff at five indoor recreational facilities every month.

# 1987-88 BADGER HOCKEY

# LOOK OUT

The University of Wisconsin returns 19 lettermen, including six of last season's seven leading scorers, for 1987-88 and Head Coach Jeff Sauer is understandably optimistic about the Badgers' prospects this winter.

"No doubt about it," said the fifth-year mentor, "we should be an exciting hockey team. We have a solid group of experienced veterans, players who have been through the WCHA and know what it's about, led by our co-captains Steve Tuttle and Paul Ranheim. On defense, we'll be led by the likes of Shaun Sabol, Paul Stanton, Rob Mendel and Kurt Semandel, while in goal we feature strength in returning senior and three-time letterwinner Dean Anderson.

"We feel we have more depth this year than we've had in a long time. And because of our experience at the various positions, we should be very competitive."

Sauer's 1986-87 Badgers finished at a respectable 23-18-1 overall and tied for third place in the WCHA standings with Denver at 17-17-1.

"A Key for us will be getting off to a good start," added Sauer. "We need to make some strides early. The last couple of seasons we haven't started as well as we would have liked, and we've had to claw our way back. We've been very strong over the second half though, and hope that trend will continue."

Senior Dean Anderson has a chance to set a new career record for wins by a goaltender in 1987-88.

Co-Captain Paul Ranheim may be college hockey's most explosive winger. He is a top candidate for All-America and All-WCHA acclaim.

Senior right wing and co-captain Steve Tuttle is the WCHA's top returning goal scorer; he had 31 a year ago. He, too, is a top candidate for All-America and All-WCHA honors.

The two questions facing him throughout the summer months - will Paul Ranheim and Mike Richter make the Olympic team, will either of them be back? - were partially answered in September when it became known that Ranheim would be returning for his senior season at Wisconsin. Richter, however, still appeared headed for Calgary in February.

What Sauer gained in the return of Ranheim was a bonafide All-America and All-WCHA candidate at forward. One of college hockey's most explosive players, Paul was a second team All-WCHA selection in 1986-87, and is the Badgers' leading returning scorer after marking 24 goals and 35 assists for 59 points in 42 games last winter. At 6-1 and 205 pounds, the speedy and aggressive left winger is an "impact" player. He has been selected as a co-captain for '87-88.

What he loses in Mike Richter - also a bonafide All-America and All-WCHA candidate - he hopes will be compensated for in the return of Dean Anderson.

Top returning offensive performers also include senior winger and co-captain designate Steve Tuttle, whose 31 goals and 21 assists for 52 points earned him honorable mention All-WCHA accolades last winter, sophomore center Chris Tancill (9-23-32), and sophomore winger Gary Shuchuk (19-11-30). All three of these players are considered contenders for post-season accolades as well.

Senior forward Glenn Revak has played in 87 games and earned three varsity letters heading into 1987-88.

The biggest loss up front is 1987 Hobey Baker Memorial Award finalist Tony Granato, who amassed 220 points during a brilliant four-year Wisconsin career. Granato figures to be in Calgary next February as a member of the 1988 US Olympic Hockey Team.

Other key returning lettermen at forward are Pat Ford (32 GP/5-9-14), Glenn Revak (39 GP/7-7-14), Tony Scheid (23 GP/4-3-7), Andy Akervik (18 GP/3-3-6), John Byce (40 GP/1-4-5), Tom Sagissor (41 GP/1-4-5), Steve Rohlik (31 GP/3-0-3) and Kurt Svendsen (1 GP/0-0-0).

Sophomore defenseman Shaun Sabol was an honorable mention All-WCHA choice as a freshman last winter.

On defense, Coach Sauer will rally his promising blueline unit around All-America and All-WCHA candidate Shaun Sabol, a rugged 6-3, 215-pound sophomore who topped off an outstanding freshman campaign of 1986-87 with honorable mention all-league honors. Shaun spent much of the past season on the power-play, and contributed seven goals and 16 assists for 23 points in 40 games. A dominating presence, Shaun participated in the Olympic Festival last summer in North Carolina.

Also returning on defense for 1987-88 are steady junior and two-time varsity letterman Paul Stanton (41 GP/ 5-17-22), along with an up and coming trio in junior Kurt Semandel (37 GP/1-3-4), junior Greg Poss (20 GP/0-2-2), and sophomore Rob Mendel (42 GP/1-7-8). Stanton's steady overall play will be vital to the defensive success of the Badgers, while Semandel and Mendel add an extra dimension offensively to the UW attack. All three have made great strides the past year.

Senior center Pat Ford looks to rebound offensively in 1987-88 and will be a key player to watch.

In goal, Dean Anderson is a three-time varsity letterwinner who's name is found in several places in the Wisconsin Hockey record book for goaltenders. He has fashioned a 38-21-0 career won-loss record with over 3,600 minutes of playing time, but he played in just nine games a year ago behind Mike Richter with a 4-2 record and a 3.96 GAA. Dean, who played in a record-setting 36 games as a freshman in 1984-85, has proven he can hold up to the day-to-day grind of playing every day - something he may just have to do this winter. There is one other thing to note about Dean this winter, something called 'incentive'.

Additional varsity candidates are goaltender John Lambie and forwards John Parker, Brian Sergenian and Kurt Stahura.

Incoming freshman prospects for 1987-88 are defensemen Rob Andringa (Madison), Chris Jensen (Wilmette, IL) and Rodger Sykes (Waukegan, IL), and forwards Joe Decker (Bloomington, MN), Jon Helgeson (Roseau, MN), Don Granato (Downers Grove, IL) and Dennis Snedden (Eagle River).

The Badgers will play a 39-game regular-season schedule in 1987-88. This includes a strenuous 28-game Western Collegiate Hockey Association slate - with 14 straight league games to open the campaign - and seven games with Hockey East opponents. (The Badgers will both open and close the regular season with WCHA-rival Northern Michigan.

Junior defenseman Paul Stanton helps anchor a solid defensive corps that should be one of Sauer's best.

Sophomore center Gary Shuchuk tallied 19 goals as a freshman. His speed and explosiveness figure to give opponents fits.

Additional highlights of the 1987-88 Wisconsin hockey schedule include a Monday, December 7th Dane County Memorial Coliseum date with the 1988 USA Hockey Team (featuring the return of former Badgers Tony Granato and Mike Richter), a Tuesday evening, December 8th home-ice contest against a touring Soviet Select team, and a December 29-30 appearance at the prestigious Great Lakes Invitational Tournament at Joe Louis Arena in Detroit, where the Badgers will join up with Michigan Tech, Michigan and Michigan State.

All Wisconsin home games in 1987-88 will face-off at 7:35 pm central time, with one exception.

# HEAD COACH JEFF SAUER

One of the most respected and influential coaches in the collegiate game today, 1987-88 marks the sixth year for Jeff Sauer as the guiding force of the University of Wisconsin ice hockey program.

In five seasons at the helm of the Badgers, Sauer's teams have averaged nearly 26 victories per year and have compiled an impressive 129-77-6 record and a .623 winning percentage. His 1986-87 squad put together a 23-18-1 overall mark and a 17-17-1 third place (tie) WCHA finish.

The Badgers' 23 victories in '86-87 marked the tenth time since 1971 that Wisconsin teams have won at least 23 games, and was the 17th time in the past 20 seasons that the UW has won 20 or more games. Under Sauer's leadership, the Badgers have won at least 21 games all five seasons.

In addition to being one of college hockey's top coaches, Sauer has a wealth of international hockey experience as well. He is a regular consultant to USA Hockey Teams and served as one of four head coaches at the Olympic Festival in North Carolina this past summer. In the spring of 1985, he served as an assistant coach to Dave Peterson for the 1985 USA Hockey Team that participated in the annual IIHF (International Ice Hockey Federation) World Championships in Prague, Czechoslovakia. That team put together a fine fourth place finish - just out of the medal picture and behind World Champion Czechoslovakia, runner-up Canada, and third place Russia.

Sauer guided his first Wisconsin Hockey team to the 1983 NCAA Championship.

Sauer enters the 1987-88 campaign just four wins shy of 300 career victories, a plateau which will put him in select company in college hockey circles. Only 44 years old, Jeff will also mark his 17th season as a Western Collegiate Hockey Association Head Coach in '87-88, qualifying him as the "Dean" of league coaches.

In his first year at Wisconsin in 1982-83, Sauer accomplished what no other first-year college hockey coach had ever done before. His Badgers captured the 1983 NCAA Championship, earned the No. 1 ranking in the final poll, and posted one of the best marks in school history at 33-10-4. It marked the fourth national championship for Wisconsin since 1973. Four members of that team - Pat Flatley, Chris Chelios, Bruce Driver and Marc Behrend - played in the 1984 Winter Olympic Games in Sarajevo and have since become stand-out players in the National Hockey League.

Known for their second-half peaks, Sauer's Wisconsin hockey teams have put together some impressive numbers during

the January-March stretch runs. His 1982-83 team compiled a 23-4-2 record and an .828 winning percentage after Christmas; his youthful '84-85 club ran up a 19-9 mark and a .679 winning percentage after November 30th; while his '85-86 club went 14-5-0 (.737) from December 30th to March 2nd. Last year, Wisconsin fashioned an 8-1-0 tear from late December to late January.

Among his other list of "notables" in the coaching profession are: head coach of the South team at the 1983 National Sports Festival; member of the 1984 US Olympic Hockey Committee; 1983 Chairman of the WCHA Coach's Committee; and a stint on the NCAA Ice Hockey Rules Committee. Jeff also directs his own hockey school in Madison and has worked with the Stan Mikita Hockey School for the Hearing-Impaired in Chicago.

Sauer had big shoes to fill when he left a comfortable position as head hockey coach and athletic director at Colorado College to replace the highly successful Bob Johnson in 1982. But his character, determination to succeed and his positive rapport with student-athletes, fans, and media have proved he was the ideal choice.

At Colorado College, where he had served as the Tigers' Head Coach since 1971, Jeff won more than 180 games and was twice named WCHA "Coach of the Year". His first award came following his rookie season of 1971 and the second following the 1975-76 campaign when Colorado College posted a fine 23-14-0 record and finished third in the final WCHA standings. Sauer also guided his '80-81 Tigers to third place in the WCHA.

Wisconsin hockey fans will probably never forget the almost legendary "Black Sunday" in March of 1981 when Sauer's CC Tigers came back with a miraculous 11-4 upset over the Badgers in the Dane County Coliseum to claim the two-game, total-goals playoff victory. (Wisconsin had won the opening game 8-2.)

A 1965 graduate of Colorado College, Jeff earned a Bachelor's degree in Sociology. During his undergraduate years in Colorado Springs, he competed in both varsity hockey and baseball for the Tigers.

In 1966, Sauer began his coaching career as an assistant to Bob Johnson at Colorado College. Then when Johnson took over the head coaching duties at Wisconsin, Sauer again served as his assistant coach.

Jeff and wife, Jamie, are the parents of two children - Chip, 12, and Beth, seven.

# BADGER ASSISTANT COACHES

## MIKE KEMP

### Assistant Coach

Marking his sixth year overall as an assistant coach with the Wisconsin Hockey program in 1987-88 is Mike Kemp.

In addition to his numerous on and off-ice coaching and administrative duties with the Badger Hockey team, Kemp also coordinates recruiting efforts for head coach Jeff Sauer.

From 1983-85, Mike served as administrative assistant coach to Sauer as well as executive director of the Blue Line Club. One of his chief duties in that role was producing the official program at all Badger home games.

In 1981-82, the 34-year-old native of Duluth, Minnesota served as administrative assistant under former Badger coach Bob Johnson, but moved on to the University of Illinois-Chicago for the '82-83 season as an assistant coach for the Flames.

Mike is a 1975 graduate of Gustavus Adolphus, where he majored in public relations and business. After a year of graduate work at Nebraska-Omaha, Kemp returned to his alma mater where he was the assistant hockey coach as well as the women's golf coach.

He and his wife, Julie, have a one-year-old daughter - Emily.

## PETER JOHNSON

### Assistant Coach

Named as the University of Wisconsin's new assistant hockey coach this past August is Peter Johnson.

A 1983 University of Wisconsin graduate with a B.S. degree in Physical Education, Peter had been an assistant coach at Cornell University in Ithaca, New York the past two seasons. At Cornell, his duties included head recruiter, assisting in practice planning, on-ice coaching, off-ice training and scheduling for junior varsity games.

Prior to his tenure at Cornell, he was an assistant coach at Bowling Green State University during the 1984-85 season and also served one year (1983-84) as a graduate assistant coach at BGSU while earning his Master of Education degree in Athletic Administration.

Peter played four years of collegiate hockey at Wisconsin under his father, Bob, and was a forward on the Badgers' 1981 NCAA Championship team. The 1981-82 Wisconsin team, which he captained, placed second in the national tournament.

During his four years at the UW, Johnson played in 153 games and scored 159 points on 82 goals and 77 assists. His point total is the 17th best all-time mark at the UW. He also earned four varsity letters, was named the team's most improved player for 1979-80, and earned the team's Ivan B. Williamson Award for scholastic achievement for 1981-82.

Peter was a member of United States National Hockey Teams in 1982 and 1983, was a participant in National Sports Festivals in 1981, 1982 and 1983, and took part in the World Ice Hockey Tournament in 1982 at Helsinki, Finland.

He and his wife, Sally, have a son, Craig.

## **BILL HOWARD**

### **Assistant Coach**

A key to the Badgers' continued success at the goaltending position in recent years has been Bill Howard, who marks his sixth year with the Wisconsin Hockey program.

Howard is credited with helping develop such recent Badger goaltending standouts as Marc Behrend, Terry Kleisinger and Mike Richter.

Prior to his tenure with Wisconsin, the 42-year-old Howard was a successful high school coach during a ten-year span at Madison Memorial. His Spartan teams won two state titles and posted an impressive 136-72-1 record.

As a collegiate player, Howard enjoyed a distinguished career at Colorado College as a goaltender, where he played for former Wisconsin coach Bob Johnson.

During the off-season, Howard is actively involved in numerous summer hockey camps and seminars, including an intensive goaltending school in St. Louis, Missouri. He also serves as a color commentator on WIBA's University of Wisconsin Hockey broadcasts and teaches high school on a full-time basis.

Originally from Grand Forks, North Dakota, Bill and his wife, Bonnie, have two sons - Troy and Casey.

## **IAN PERRIN**

### **Assistant Coach**

Ian Perrin, who has been affiliated with the University of Wisconsin Hockey program for all but two years since his playing days as a Badger began back in 1974, serves as an assistant coach as well as executive director of the Blue Line Club.

With the UW hockey program, Perrin has served as varsity reserve coach and academic co-ordinator, but he is also involved with off-ice training and conditioning. Originally from Spy Hill, Saskatchewan, Ian was a four-year letterwinner on defense for the Badger hockey teams from 1974-79.

Following graduation from the UW, Ian spent two seasons playing professional hockey in the minor leagues, but an injury ended his playing career in the spring of 1981.

Perrin originally joined the Wisconsin Hockey staff as a graduate assistant in the fall of 1981. Since returning to the UW, he has completed a Masters program in Agricultural Economics and is currently working on a Masters of Science in Physical Education.

Ian and his wife, Jayne, were married in the summer of 1986.

# THE WCHA

Recognized by many as the premier collegiate hockey league in the United States, the Western Collegiate Hockey Association proudly marks its 29th year in 1987-88.

WCHA-member teams have claimed an unprecedented 20 NCAA Division I Championships in the past 28 years, including 11 of the last 15 with the University of North Dakota skating to the national title in 1987. And since the NCAA Tournament began in 1948, the WCHA has claimed 30 national collegiate ice hockey titles! Three member institutions - Wisconsin, North Dakota and Minnesota - have accounted for ten national championships since 1973. The Badgers earned the NCAA Championship in 1973, 1977, 1981 and 1983; North Dakota took the crown in 1980, 1982 and 1987; and Minnesota captured the national title in 1974, 1976 and 1979. In NCAA final four competition, the WCHA has had two teams in the final four an impressive 34 of 39 times since 1949!

The names of ex-WCHA players are legendary. Although the list is too numerous to mention everyone, you can start with John Mayasich, Bill Hay, Bill Mas-

terton, Gordon "Red" Berenson, Lou Nanne, Tony Esposito, Keith Magnuson, Wayne Thomas, Dennis Hextall and Ron Grahame. Since 1950, the WCHA has had more than 130 of its players earn All-American honors, while another 70 (total does not include 1988) have played on U.S. Olympic Hockey Teams. Fourteen of the 21 players on the United States' 1980 gold medal team were from the WCHA. And just some of the recent National Hockey League performers from WCHA-member institutions are, by school:

**COLORADO COLLEGE** - Dave Feamster (Chicago), Doug Lidster (Vancouver), Rob Doyle, (Detroit) Ed Mio (Detroit) and Greg Smith (Washington); **DENVER** - Glenn Anderson (Edmonton), Ed Beers (St. Louis), Kevin Dineen (Hartford), Peter McNab (New Jersey), Rich Preston (New Jersey) Jim Leavins (NY Rangers), Craig Redmond (Los Angeles), Dwight Mathiasen (Pittsburgh); **MICHIGAN TECH** - Bob Lorimer (New Jersey), Tim Watters (Winnipeg), Warren Young (Pittsburgh), Chris Cichocki (Detroit) and Mike Zuke (Hartford); **MINNESOTA** - Russ Anderson (Los Angeles), Aaron Broten (New Jersey), Neal Broten (Minnesota), Scott Bjugstad (Minnesota), Bryan Erickson (Los Angeles), Reed Larson (Boston), Mike Ramsey (Buffalo) and Jeff

**December 6, 1963**—A rebound goal by Chan Young 5:10 into the sudden death period gives Wisconsin its first modern collegiate win, a 3-2 victory over Macalester.

**February 22, 1964**—Wisconsin concluded its first season of hockey in the modern era with an 8-5-3 record.

**December 11, 1964**—In an effort to upgrade their program, the Badgers scheduled eight games against WCHA teams, but unfortunately, the Badgers lost all eight of those games.

**February 22, 1966**—After 13 straight losses to WCHA teams, the Badgers finally post a victory, a 5-4 overtime win over Minnesota. Jim Petruzates scored on a break-away just two minutes into the overtime period.

**April 1, 1966**—Following the retirement of John Riley, Bob Johnson was named head coach of the Badger hockey program.

**March, 1968**—Wisconsin hockey hit the national spotlight as Bert DeHate, a sophomore center from St. Paul, MN, wins the national scoring title with 77 points on 47 goals and 30 assists. DeHate hits for seven hat-tricks, a Badger record, as the team goes 21-10.

**March 30, 1969**—After another successful season, including an 11-9-2 mark against WCHA teams, the Badgers were admitted to the WCHA.

**March, 25, 1977**—After missing the NCAA playoffs for three years, the Badgers make it to the final four again. Les Grauer scored the tying goal against New Hampshire and Mike Eaves won it in overtime 4-3, as the Badgers advanced to the finals.

**March 26, 1977**—Senior Steve Alley culminated the Badgers' finest season ever with a goal 23 seconds into overtime to give Wisconsin a 6-5 win over Michigan for their second NCAA title. **March, 1979**—Record crowds saw the Badgers (25-13-3) play as 21 of the 23 home games were sell-outs and the average crowd of 8,654 was just eight short of a sell-out. # THE DANE COUNTY COLISEUM HOME OF THE BADGERS

Home ice for the University of Wisconsin Hockey Team is the modern Dane County Memorial Coliseum, one of college hockey's finest facilities and the site of NCAA attendance records for 18 consecutive seasons.

With theater-style seating for 8,644, the Coliseum is the second largest collegiate ice facility in the nation. The ice surface is 200' by 85'.

Inside, the Badgers make use of dressing room facilities that rank second to none. Each player is assigned an individual stall (3½ × 6) for his equipment and personal belongings. Also located adjacent to the Wisconsin dressing room is a

modern training room which includes a whirlpool and all the various modalities and exercise equipment for treatment of rehabilitation of injuries. The Badgers also make use of a fully-equipped weight room inside the Coliseum.

Recognized as the home of some of the nation's best collegiate hockey fans, the Coliseum and the University of Wisconsin hockey team have attracted record crowds every year since the Badgers joined the Western Collegiate Hockey Association for the 1969-70 season.

The University of Wisconsin has set American college hockey attendance records for 18 consecutive seasons dating

back to 1970. Nearly 3½ million fans have watched Badger Hockey in the Coliseum since 1967, and since 1969, the UW has drawn 3,244,342 for 393 home dates (not counting exhibitions) - an average of 8,255 per game.

In 1981-82, the Badgers drew 240,095 fans for 28 home games to set an all-time NCAA single season record, while the 1978-79 average attendance of 8,654 is both an NCAA and University of Wisconsin record.

Witnessing a Badger hockey game in the jam-packed Dane County Coliseum is like nothing else in college hockey.
