U. W. Took First in Mile Run, Quarter, Pole Vault, Discus, Two Mile, High Jump and Broad Jump.

Wisconsin downed Chicago in the dual meet at Marshall field this afternoon; the final score was Wisconsin 59, Chicago 53.

Special to the Daily Cardinal.

Marshall Field 3:30 p. m.—The Chicago-Wisconsin dual field and track meet began with a strong northeast wind, almost a gale, quartering down the stretch. The weather was cold and disagreeable. There was but a small crowd of spectators present and little enthusiasm was shown.

The 120 yard hurdle race was won by Fred Maloney of Chicago in sixteen seconds, with Schule of Wisconsin second.

W. Maloney took the hundred yard dash in ten seconds flat. F. Maloney took second.

Hahn and Keachie took all the points for Wisconsin in the mile run. Hahn finished first in 4:46.

Poage won the quarter mile run for Wisconsin in 53 2-5 seconds, defeating Lord who took second place for Chicago.

The points in the pole vault went to Wisconsin by default.

In the discus throw, Webster took first with a throw of one hundred and thirteen feet. Place took second.

Chicago took all the points in the shot put. Place took first and Perkins second. Distance, thirty-eight feet, eight inches.

In the 880 yd. run Lord beat Burdick Time 2:10.

In the 220 yd. dash W. Maloney took first place and Senn second. Time 22:2-5.

Hahn and Smith took the points for Wisconsin in the two-mile with Hahn as the winner. Time 10 minutes 41 and two-fifths seconds.

Fred Maloney took first in the low hurdles with Schule second. Time 25 seconds.

Meyer and Hughes tied in the high jump at 5 ft. 7 1/2 inches.

Schule won the broad jump, making a distance of 21 feet, 9 inches. Pettit took second for Chicago.

Carey won the hammer throw for

Chicago, 140 feet. John of Chicago took second.

The final score was Wisconsin 59; Chicago 53.

DIXON DEFEATED.

Varsity Takes Game in Last Inning by Score of 5 to 4.

The Varsity nine defeated the strong Dixon college team yesterday by the close score of five to four. Wisconsin's winning run was made in the final inning. A raw cold wind was blowing but nevertheless the game was a fine exhibition of baseball. Ware was easily the star of the game, he making four out of Wisconsin's total of seven hits.

THIRD SUMMER SESSION.

Will be Held From July 1 to August 9 Inclusive.

The University of Wisconsin's third summer session will begin July 1 and close August 9. This additional term of the University will provide elementary, advanced and graduate instruction throughout the range of subjects ordinarily covered during the school year. The summer session will meet the wants of teachers and special undergraduates who desire to broaden and deepen their knowledge; of regular undergraduates who desire to shorten their University course; and of graduates who wish to devote a part of their vacation to work for advanced degrees.

Among the features of the coming session will be several courses of lectures. A number of the regular faculty members will give special lectures as well as some lecturers who are not connected with the University. Mr. Percy Ashley of London, England, will lecture on municipal government and modern European statesmen; Mr. W. H. Schoff of the Philadelphia Commercial Museum, will lecture on South American commerce; Professor Fisk of Tome Institute, formerly secretary of the United States Embassy at Berlin, will lecture on the history of the commercial relations between the United States and Germany; and Professor L. M. Keasbey of Bryn Mawr College, will lecture on economic geography. Also special lectures on transportation and foreign commerce will be given by Professor Emory R. Johnson of the University of Pennsylvania.

Pleasant Dinner Party.

Mr. and Mrs. F. W. Meisnest gave a pleasant dinner party last evening to the members of the faculty in the German department. Among those present were: Dr. Voss, Miss Sterling, Mrs. Eaton, Dr. and Mrs. Roedder, Mr. and Mrs. Lessing, Miss Veerhusen, Miss Herfurth, Mr. Handschin and Mr. Eckelmann.

New Fraternity in Prospect.

It seems quite probable that a new chapter of a Greek letter fraternity will be established here in the near future. A prominent instructor in the history department is said to have gathered together a number of students who have applied for a charter from one of the leading national fraternities.

FOURTEEN WILL SPEAK

IN INTERSCHOLASTIC DEC. NEXT FRIDAY.

Arrangement Committee Appointed—Excellence of Contestants Promises Fine Program.

Plans are now being rapidly consummated for the inter-scholastic declamation contest to be held next Friday afternoon. It will occur at half past two in Library Hall. Yesterday afternoon the arrangement committee was appointed consisting of Joseph Koffend, W. S. Kies, F. W. Bucklin, R. A. Maurer, Louise Loeb, Ida Elliot and Cynthia Adams. This committee will have in charge all matters concerning the decorations, music, advertising and the entertaining of the contestants. The judges for the contest have not yet been selected, but as Madison will have no representative, they will be probably chosen from this city.

The general excellence of the various principals in the contest predicts that the entertainment this year will be of a higher standard and a closer contest than ever before. In all, nearly one hundred and fifty high schools entered the preliminary contests this year. The following are the winners of first and second places in their respective districts, with the title of their declamations. These will enter the final contest next Friday:

From the Oshkosh district, Edna Ferbur, Ryan high, Appleton, "Story of Patsy;" Thomas Grey, Kaukauna, "Conner." From the Whitewater district, Florence Copeland, Brodhead, "Eugene Aram's Dream;" Eureka Kimball, Janesville, "Helen Thrame." From the Superior district, Mr. Grey, Ironwood, Mich., Lulu Pickering, Superior, "Story of Patsy." From the Plattville district, Sadie Jeffries, Muscoda, "Madeline's Victory." From the River Falls district, Robert Reed, River Falls, "Fight with the Aurochs;" Mida Lawson, Hudson, "Soul of the Violin." From the Milwaukee district, Emma Leins, West Bend, "Dr. Carter and His Mother;" Marjory Roberts, Milwaukee, "Eruption of Vesuvius." The contestants from the Stevens Point district have not yet been selected.

MANY VISITORS COMING.

Five Hundred Ohio People Will Inspect College of Agriculture.

Some 500 people from MacHenry county, Ohio, are to visit the college of agriculture June 4th through the efforts of R. A. Moore of that school. Rates have been secured, and it is expected that a large number of farmers and other interested parties will take advantage of them. During the last week in June a large number of people throughout the state will be present to inspect the school of agriculture. Reduced rates will be secured and the event made a farmer's excursion to the University. It was hoped to secure the rates in time to make the date about the middle of June, but the necessary red tape among the various railroads has caused a delay. Mr. Moore estimates that there will be upwards of 1,000 visitors at that time.

Vassar will exhibit a model of the college grounds and buildings at the Pan-American exposition.

A Welcome Victory.

The victory over Chicago today in the dual meet, although expected, should give us the greatest satisfaction and prove an inspiration to the team to duplicate the performance next Saturday. The uniform success of our track team up to date is a gratifying end to the reverses of the last two years. The captain, coach and individual members of the team are to be congratulated.

Local History Instruction.

The importance of local history is often under-rated. It is not realized that it is only the sum total of these chronicles of town, county and state that make up the annals of our national history. An instance of this failure to comprehend the true proportion of things is offered at Wisconsin where we have such an able and well equipped faculty in the school of Political Science, Economics and History and yet where our own state and local history is relegated to a very insignificant position. Would it not be well for the University to maintain one capable professor or instructor whose duty it should be to teach classes and guide the advanced students in the study of our own beginning and growth. The material is at hand in the library, scattered in hundreds of books, ready and waiting for laborers and painstaking students, in order that it may take on a useful and instructing form. True there are occasional theses written on topics of local interest, but what is needed is an expert who knows familiarly the sources and methods of local historical study and then results would be obtained that would be useful in the future. Every year that passes without witnessing the recording of the facts of early days in the state marks a distinct loss, since more or less material becomes increasingly difficult to obtain and to comprehend as time goes by. Thus it should be one of the missions of the University

to seek the preservation of the past by the encouragement of local historical study.

It is expected that this method of training will result in the turning out of a championship team next fall.

"In the dual meet with Illinois last Friday, Wisconsin made some fine records. Illinois was not far behind and the only reason that Wisconsin won was because she cut toward records in every event."—Minnesota Daily. The score, 76½ to 35½, shows how far Illinois was behind.
