THE 1939
Meletean

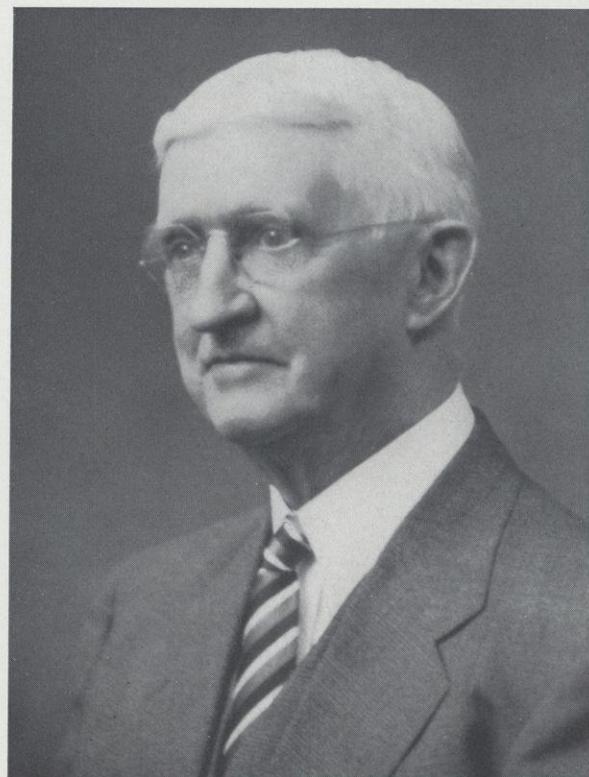

PUBLISHED BY THE STUDENTS OF THE
STATE TEACHERS COLLEGE
RIVER FALLS, WISCONSIN
VOLUME TWENTY-EIGHT

W. H. HUNT

Dedicated to

WALTER H. HUNT
ERASMUS A. WHITENACK

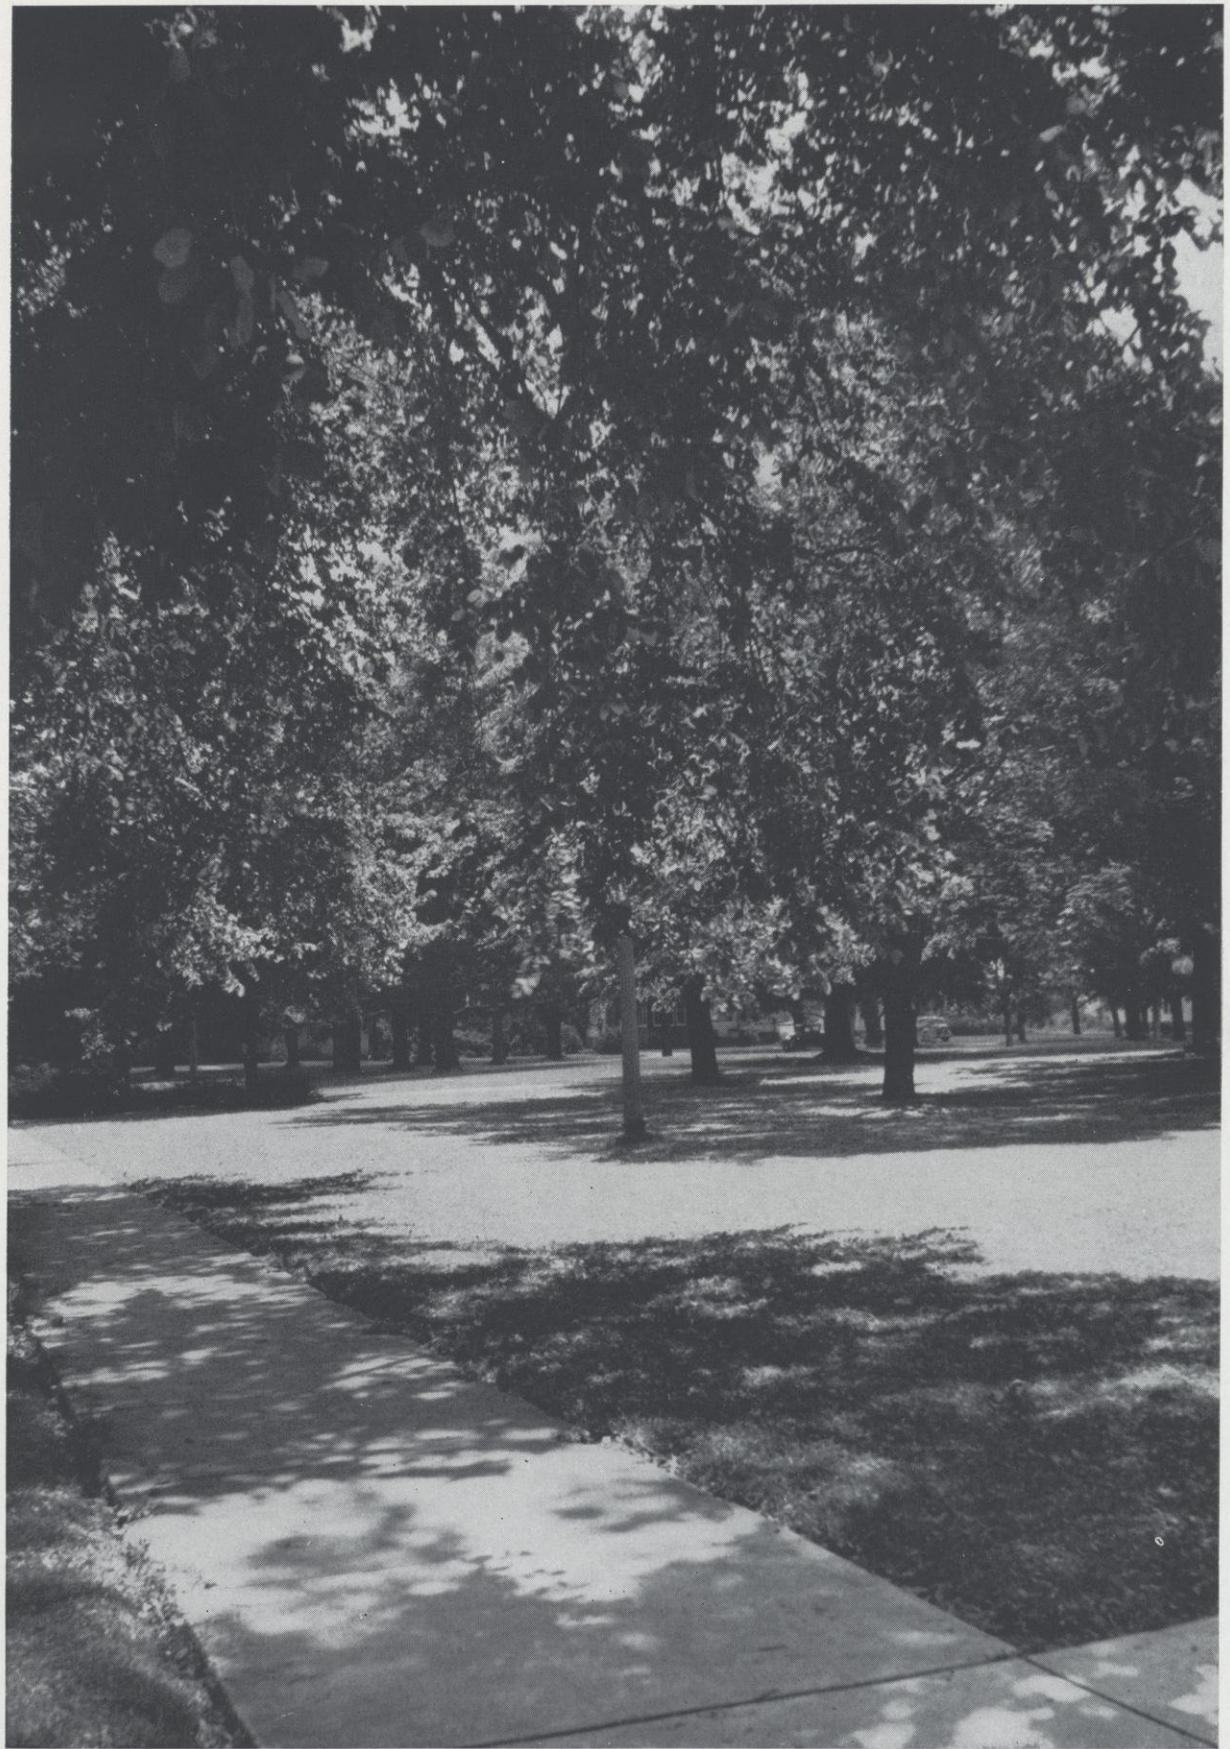

E. A. WHITENACK

To WHOM the Meletean pays tribute not only for the qualities which have brought achievement in their fields but also for that friendly and personal interest in the student body which they have shown during nearly three decades of service to the River Falls State Teachers College. • • • • • • • •

BLANK

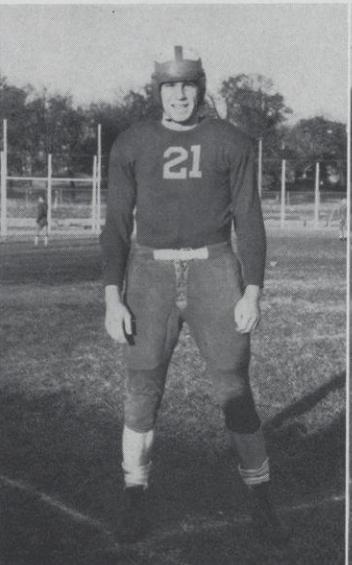

DUBBE

CHAMPIONS—1938

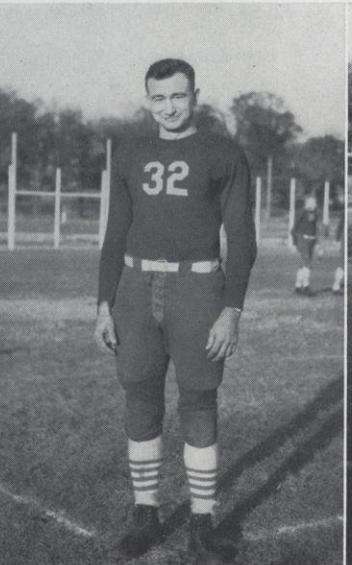

ON MONDAY, September 12, a squad of enthusiastic candidates, containing thirteen lettermen, responded to Coach Lowery's call for the opening football practice. The squad had been hard hit by graduation when it lost seven lettermen, two of whom were all-conference men. Staley, giant all-conference tackle, was lost when he failed to return to school. Veterans returning were Leon Larson at end; Fred Dubbe, Lawrence Selvig, Robert Schlomann, and Orlan Born at tackle; Donald Gille and Glenn Gerhardt at guard; Stuart Larson at center; and Bartz, Torgerson, Blank, Frank, and Martin in the backfield. The Falcons were fortunate in having a fine, inspirational leader in Captain Stuart Larson, who instilled the proper attitude in the team. Freshman gridders who showed promise were Schmidt, LeDuc, White, Stone, Crosby, and Bohmback. Bohmback, freshman back, was slowed up for almost the entire schedule because of an ankle injury sustained in the opening game against Mankato Teachers.

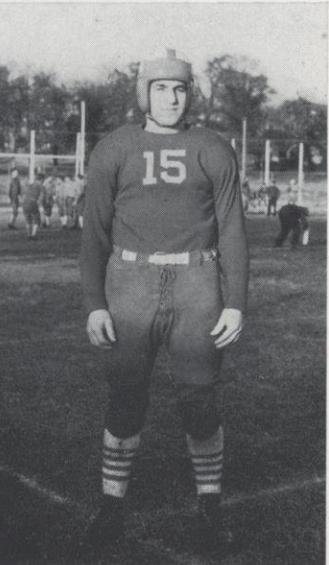

BARTZ

FRANK

SCHLOMANN

RIVARD

CHAMPIONS-1938

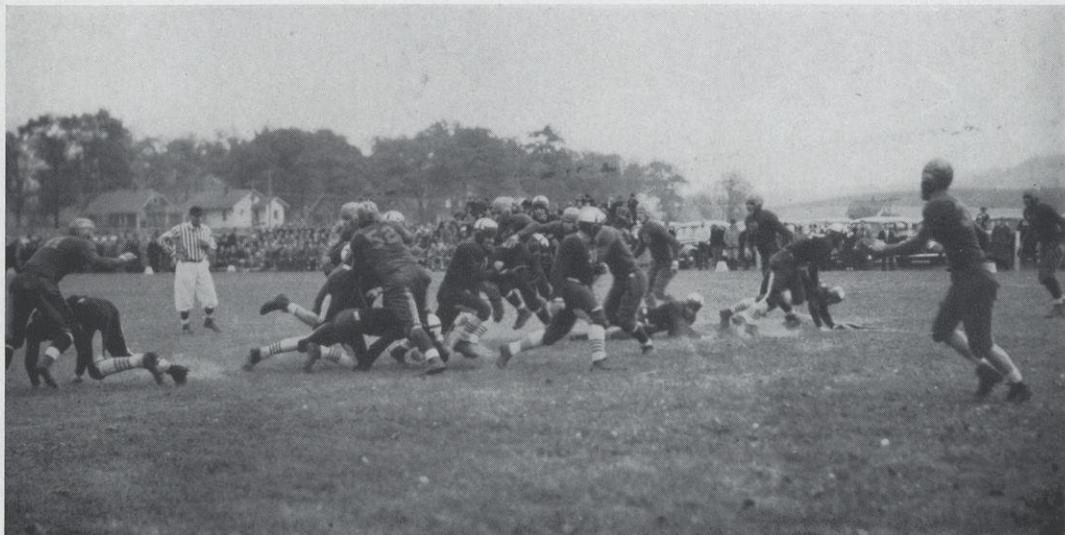

RIVER FALLS 20 STOUT 6

RIVER FALLS opened the conference season with a 20 to 6 victory over the Stout Institute Blue Devils at Menomonie, October 8. The Falcons had a large delegation of rooters at Menomonie including the River Falls College Marching Band. The Red and White had scored all three of their touchdowns before Stout scored late in the fourth quarter. After only five minutes of play Torgerson had smashed through for the first Falcon points, after a nice punt return by Blank. In the second quarter Bartz knifed through from the one-foot-line and in the last quarter Colonel Larson scored again for River Falls on his favorite scoring play, an end-around play, making the score 20 to 0. Shortly before the game ended, Captain Murphy scored from the two-yard mark for Stout, leaving the final count at 20 to 6 for the Red and White. An epidemic of ankle injuries struck the Falcons this season and Vandeberg was added to the list of casualties at the Stout game.

HOMECOMING

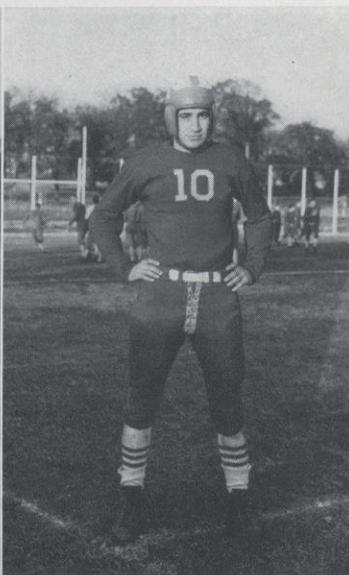

RIVER FALLS 13 EAU CLAIRE 0

RIVER FALLS extended its perfect record in conference play by defeating the Eau Claire Teachers 13 to 0 in our Homecoming attraction, October 15. A large, enthusiastic Homecoming crowd was on hand to cheer the Falcons on in their best efforts. In the opening minutes of the game, Rudd's punt was blocked by Colonel Larson. Selvig gathered in the ball and galloped for a touchdown. Dubbe's try for point was good. After a sustained drive from mid-field, Blank piled across the goal line from the one-yard-line on the first play in the second quarter to add the final points of the game. Both teams threatened to score in the second half but interceptions and fumbles nullified most advances. Torgerson broke loose for the longest run of the game when he gained twenty-five yards in one try. The whole Falcon team played hard, inspired ball against their Blugold opponents to practically rush them off the field. The game was featured by crisp blocking and tackling and strong defensive play.

WHITE

CROSBY

GILLE

LeDUC

CHAMPIONS—1938

RIVER FALLS 6 LA CROSSE 0

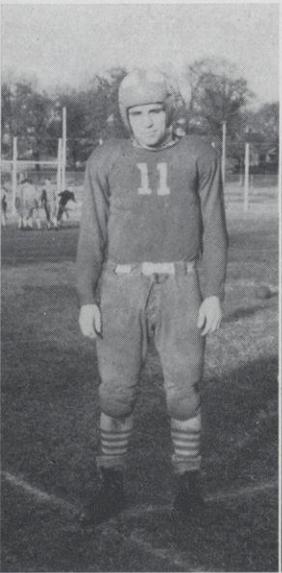

PLAYING ON A WET, muddy field, during a continuous drizzle which lasted for the duration of the game, the Falcons edged out the La Crosse Teachers 6 to 0 at La Crosse on October 22. Freshman backs were instrumental in the scoring of the lone Falcon touchdown. Crosby raced forty-seven yards to the Indians' nine-yard-stripe. La Crosse was penalized five yards for too many times out and Bohmback scored on the next play from the four-yard-line. La Crosse began passing desperately in an attempt to even the score but the Falcons held; once on the five-yard-line Blank's booming punts kept the Indians back on their heels. River Falls played its best game of the season, the substitutes playing equally as well as the starting team and deserving equal credit for the victory. Colonel Larson was injured quite seriously and remained in La Crosse until Sunday. Gille was also injured in this game. First year men LeDuc, White, and Rivard proved very valuable in relief duty.

NICKERSON

SELVIG

GERHARDT

BOHMBACK

MARTIN

CHAMPIONSHIP CLINCHER

RIVER FALLS 20 SUPERIOR 13

THE LAST AND MOST THRILLING GAME of the season was played here against the Superior Teachers Yellowjackets on November 5. Both teams had everything at stake and the game was hard fought from the start. Falcon hearts were saddened momentarily as the Jackets plowed over for a touchdown within the first three minutes of play. The determined Falcons went to work immediately and raked up two quick touchdowns in the first period and threatened seriously three times in the second to take an eight-point, 14 to 6, margin at half time. Superior pulled up to within one point of the Falcons when they scored in the third period, but Colonel Larson won the game for River Falls by falling on a blocked Superior punt behind the goal line, making the final score 20 to 13. The whole Falcon team played a magnificent game in hanging up an undisputed conference championship with a perfect record of four wins and no losses. The long punts by Blank and the hard charging of the Falcon line were high spots in the game. Colonel Larson stood out in the line.

Besides winning the Conference Championship the Falcons monopolized the all-Conference honors by placing seven men on the all-star aggregation. On the first team were Blank, fullback; Gille, guard; Colonel Larson, end; Selvig, tackle, and Captain Stuart Larson at center. Torgerson and Frank made the second team at backfield positions.

Dr. Karges of the Athletic Council presented the members of the team with gold footballs in a short ceremony December 19.

CHAMPIONS-1938

NON-CONFERENCE GAMES

THE FALCONS opened the football season with a night game at Mankato against Coach Jim Carter's Mankato Teachers on September 23. Mankato had already gained their mid-season form as they had previously played two games. River Falls opened the scoring when Bohmback sprinted over fifty yards to the nine-yard-line from where Torgerson scored through the center of the line on a very deceptive play. Schmidt failed to make the try for point after touchdown. By tightening up their defense when Mankato threatened the Falcons held the score at 6 to 0 until the last minute of the game, when Mankato scored on a pass from Lopata to Davison. Lopata made the conversion good and won the game 7 to 6. Outstanding in the game for the Falcons was the punting of Blank, which took the team out of trouble time and time again, and the fine defensive work of Captain Stuart Larson and Selvig. The entire game was broadcast over a local Mankato radio station, KYSM.

The first home game of the season was played against Northland College of Ashland on Saturday, October 1. In this game the Falcons had acquired a polish in their plays which had been lacking in their first game. River Falls counted first on an end-around play with Colonel Larson scoring from the five-yard-line. Coach Lowery substituted the entire team and Northland scored shortly afterwards to take a 7 to 6 lead.

Gonske, Trekker, Schulenberg, Boles, Merkt, Peloquin, Jackman, Hagemann, Harrington, Isaacson, Allen Anderson, Thompson, Kroeger

LeDuc, Lee Martin, Norman Martin, Foy, Wesenberg, Mackie, Donald Martin, Peterson, Froker, Kinney, Dobberstein, Coach Lowery

Lynn Jackman, Luente, Blank, Monette, Born, Stone, Schlomann, Vandeberg, Diermeier, Selvig, White, Rivard, Berklund, Williamson

L. Larson, Bartz, Bohmback, Crosby, Nickerson, Gerhardt, S. Larson, Gille, Dubbe, Frank, Torgerson, Schmidt, Assistant Line-Coach Wulf, Line-Coach Setterquist
Mascot, Roger Kuhn

CHAMPIONS-1938

NON-CONFERENCE GAMES

THE RED AND WHITE scored again before the half ended when Bartz smashed through from the one-yard-line. Late in the third quarter, Frank scored on a pass from Bartz. With numerous Falcon substitutes in the game the Lumberjacks scored again and the game ended in a 19 to 13 Falcon victory. Standing out for River Falls were the backs, led by Harold Blank, and the line play of Captain Stuart Larson, Leon Larson, and Selvig. Captain McGroarty of the Lumberjacks was probably the finest fullback who faced the Falcons this year.

The Falcons traveled to Houghton, Michigan where they met and overwhelmed the Michigan Tech Miners by a 32 to 0 score on October 29. River Falls displayed its greatest offensive strength of the season against the Miners. Bohmback scored three touchdowns on runs of twenty-five, twenty, and five yards. Crosby ran twenty-five yards for his counter and Bartz ran eighty yards after taking a lateral from Martin for his contribution to the final score. Schlomann protected Bartz all the way on his long touchdown jaunt. Nickerson almost broke away for a touchdown early in the game, but was the unfortunate victim of a clipping penalty. River Falls was slowed up by the infliction of sixty-five yards in penalties. The entire squad saw action in this game with the exception of Colonel Larson and Gille who were recuperating from injuries sustained in the previous week's game.

BASKETBALL-1938-1939

MOST OF LAST YEAR'S SQUAD reported for the opening basketball practice called by Coach Lowery on Monday, November 14. Veterans returning and reporting were Blank, Martin, Schwartz, King, Tarpey, Larson, Nelson, Torgerson, Palm, and Osborne. Randles enrolled for the winter term to fill out the roster of returning veterans. New men showing up well in practice were Bohmback, Crosby, and Kroeger

The Falcons opened the season with a decisive 63 to 34 victory over Macalester College of Saint Paul. A flurry of Falcon baskets took away a short Macalester lead and gave the Red and White a 20 to 16 halftime lead. The second half was a rout for the Falcons. Led by Blank, King, and Nelson they pulled away to a safe margin. Much improvement in the sophomores, King and Schwartz, was noticeable and freshmen, Bohmback and Crosby, played well. The game was very fast and ragged with numerous fouls.

The Red and White traveled to Northfield, Minnesota, where they won their second straight non-conference victory in as many starts from the St. Olaf College Oles, by a close 40 to 36 score. The game was close all the way. Unerring accuracy from the free-throw line gave the Falcons their victory as they made good on sixteen out of eighteen free throws. Nelson was tied with Captain Stanton Sheino for high point honors at twelve points apiece. The contest was marred by the calling of thirty-four fouls by the officials.

Our third non-conference victory was taken from a new opponent, the Scalpers from Huron College of Huron, South Dakota, by a score of 49 to 27. In this game Coach Lowery used two complete teams to wear the opponents down by substituting frequently. The Scalpers could not cope with the Falcon offense led by King, Bohmback, and Blank.

BASKETBALL—1938-1939

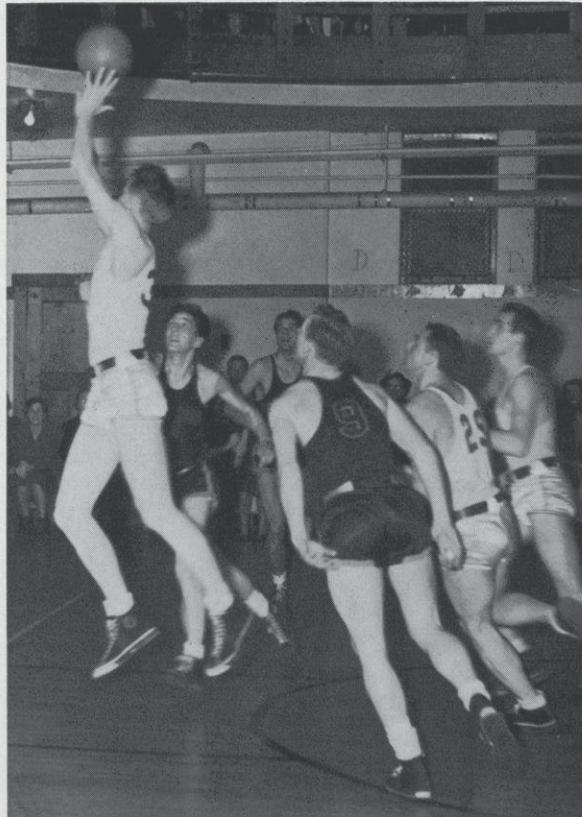

IN A RETURN ENGAGEMENT with St. Olaf College of Northfield the Falcons were once more victorious, this time by a 45 to 36 score. King sparked the Falcon attack with a couple of baskets in the second half. Three men were forced from the game for having too many personal fouls. Blank led both teams in scoring with an eighteen point total.

Just before Christmas vacation the Falcons made a trip to Oshkosh and Stevens Point Teachers Colleges where they engaged in two hard fought games. They captured a 40 to 30 win in their first game played at Oshkosh, but suffered their first defeat of the season at Stevens Point when they couldn't find the basket and lost 41 to 25. Blank, King, and Nelson led the scoring in both games. Besides these men, Tarpey, Schwartz, Bohmback, Randles, Martin, Larson, and Torgerson made the trip with Coach Lowery.

Playing their third game in five nights and traveling over six hundred miles, the Falcons finished their pre-conference season with a 43-33 victory over Augsburg College of St. Paul. The tight Falcon defense would not allow the Auggies to break in for many shots. Nelson led the Red and White scoring with nine points. This game wound up the non-conference play with a fine record of six wins in seven starts.

The first conference game resulted in a loss to a rejuvenated Stout Institute team by a 59 to 48 score. A fighting Falcon team could not cope with the uncanny shooting ability of the Blue Devils. Stout held a 25 to 31 lead at halftime. Randles played a fine game, besides collecting eight points for himself. Blank led both teams with fifteen points.

River Falls lost its second conference game to Superior Teachers by a close 45 to 39 score. The Falcons started fast to gain a substantial 19 to 6 lead only to see it whittled down to a 25 to 21 margin at halftime. The loss of Nelson through too many personal fouls and the injury of Bohmback weakened the Falcon defense and Superior pulled away to a comfortable margin. Blank and Bohmback led the Falcon scoring.

SCHWARTZ

NELSON

KROEGER

S. TORGERSON

BOHMBACK

BASKETBALL-1938-1939

LAST YEAR'S CHAMPION Eau Claire Teachers cagers handed the Falcons another defeat at Eau Claire by a 46 to 36 score. Eau Claire held a 19 to 15 halftime advantage. In the second half Lehman of Eau Claire began to toss baskets from all angles and when he left the floor in the last quarter he had garnered twenty-two points and put Eau Claire into a safe lead. Blank was high for River Falls with eleven points.

The Falcons finally broke into the win column when they defeated La Crosse Teachers College by a 46 to 31 score. The Red and White led during the entire game and were never threatened. Blank, Randles, and Larson led the Falcon offensive with thirty-three points among them. Wulk scored nine points for the Indians.

River Falls scored its most glorious victory of the season when it conquered the Eau Claire Teachers in the most thrilling game of the year 40 to 38. The lead changed hands almost a dozen times during the game. Lehman scored eighteen points for Eau Claire, while Blank led the Falcons with twelve points. This was the first conference defeat for Eau Claire.

Stout again beat back the threats of River Falls by a 57 to 45 count in a game played at Menomonie. Worman of Stout ruined the Falcon hopes by piling up a total of twenty-four points. The game was exceptionally rough with Bohmback, King, and Randles banished for too many fouls. Blank and Nelson stood out for River Falls.

Playing a postponed game here against the Superior Teachers, the Falcons were outlasted by a narrow margin 43 to 41. The Yellowjackets destroyed a 23 to 15 halftime Falcon lead to win. Bohmback and Nelson shared scoring honors for River Falls.

Bartz, Lindahl, Wycoff, Wulf, Blank, Peloquin, Gray, Hermansen, Frolik
 Flynn, Nelson, Kroeger, Hoagenson, Trecker, Stone, Wilson, Peterson
 Mascot, Roger Kuhn

BASEBALL

UNDER THE GUIDANCE of a new baseball coach the remnants of last year's undefeated baseball team assembled for their first workout the second week in April. Mert Wulf replaced last year's coach, Ted Setterquist, who guided the team to a perfect record of ten wins and no defeats. Wulf, former Falcon star and infielder with Crookston of the Northern league, acted as playing coach this year. The squad was hard hit by graduation, with only four lettermen, Blank, Wulf, Hoagenson, and Hoey, returning as a framework for this year's team. A new conference was organized with the teachers colleges this year, so River Falls played a home and home series with La Crosse, Eau Claire, and Stout. Superior did not enter because of the uncertainty of the Superior weather. Other contests were booked with St. Thomas, St. Cloud, Concordia and Minnesota State Prison at Stillwater.

The Falcons were defeated in the first game of the season by St. Thomas College of St. Paul 6 to 3. River Falls failed to hold a two-run, first inning lead, as a result of Wulf's homerun with Hoey on base. The Falcons were outhit six to nine, but left thirteen men stranded on the base paths. Blank worked the whole game for River Falls.

In their first home game the Falcons easily put down Concordia Junior College 12 to 4. River Falls outhit the Comets twelve to five. Falcon pitchers, Peloquin, Gray, and Hermansen, struck out nineteen Comet batsmen in this contest.

River Falls routed Eau Claire 13 to 2 in the first conference game of the season. Wilson, Bartz, and Trecker led the Falcon attack by collecting three hits apiece. Wulf hit a homerun in the first inning. Peloquin, Blank, and Gray pitched for River Falls and allowed Eau Claire only four hits while the Falcons collected fifteen for themselves.

INTRAMURAL ACTIVITIES

UNDER THE EXTENSIVE SYSTEM of intramural athletics introduced by our new physical education director, Clifford Juedes, every man in college had a chance to participate in at least one sport. Mr. Juedes aroused much enthusiasm among the men and a high percentage of the students took advantage of opportunities afforded them to get in on some good exercise and to secure the other benefits derived from athletic competition. Interest was further stimulated throughout the season by competition for seven medals to be awarded to the men who had compiled the highest number of points at the close of the season according to a point system devised by Director Juedes. Points were awarded according to contestants' individual standings in each activity and the standings of the team or doubles event of which he was a member. Captains of teams received ten points extra. First place in individual competition gained two hundred points for the contestant, while membership in a championship team or doubles team netted the contestant one hundred and one hundred and fifty points respectively. High point man at the close of the season was awarded a gold arc and the next two men were awarded a silver and a bronze arc. The three highest men were not eligible for bronze medals awarded to the high scorer of each class.

The intramural program opened in the fall with the organization of a touch football league. Approximately a hundred men signed up for this sport and eight teams were organized. The championship was won by the Badger team, captained by Robert Rudesill. Competition was keen throughout the scheduled play and the players developed their skill in kicking, passing, and catching a football.

The largest group of men was interested in playing basketball and over two-hundred men signed up for the contests to be run off during the winter months. Because of the large number of men playing, it was necessary for the twelve teams to be divided into two divisions of six teams each. At the end of the regular season the teams were divided into an upper and a lower bracket, according to their season's record, and a tournament was played. The champions were the Panthers, led by Fred Dubbe. Other members of the squad were Junkman, Roberts, Wulf, Froker, Selvig, and Dykstra. Besides adding to the playing skill of the participants, the games brought these men together for good fellowship and developed good sportsmanship and a more thorough knowledge of basketball.

A sport which had been neglected at River Falls was given some attention through a series of splash parties and a swimming decathlon. The events were held to increase the interest in swimming and to urge men to take more advantage of the sports our natatorium has to offer. Swimming is one sport that utilizes all the muscles of the body. This type of individual competition destroys the competitor's fear of defeat and develops individual skills. In the decathlon John Schorta won the honors with Robert Ryder as runner-up.

CLIFFORD JUEDES

INTRAMURAL ACTIVITIES

BOWLING WAS ORGANIZED as an intramural sport this year with singles and team competition. Sixty men entered the individual matches and each man rolled twelve games at any free period during a six weeks period. The averages were compiled and Nels Sondergaard was declared the winner with Merton Wulf runner-up. Four teams were organized and rolled three round robins with the finals resulting in a tie between Imbert Eslinger's Slingers and Mert Wulf's Wolves.

The mental gymnasts had a chance to show their prowess in the straight elimination checker tourney which involved forty of these Men's Union athletes. At the top of the list was Stanley Bednarczyk as the champion after defeating Norman Larson in the finals.

The novice class badminton players took part in a round robin doubles tournament with fourteen teams participating. The contests gave a lot of men experience with the shuttlecock and racquet, which can be used later on in varsity competition. Champions were LeDuc and Allan Peterson with Peloquin and Thompson a close second.

Over a hundred men participated in the annual spring volleyball matches. Eight teams were organized and a round robin tournament was run off. The team captained by Lowell Bengston won first place.

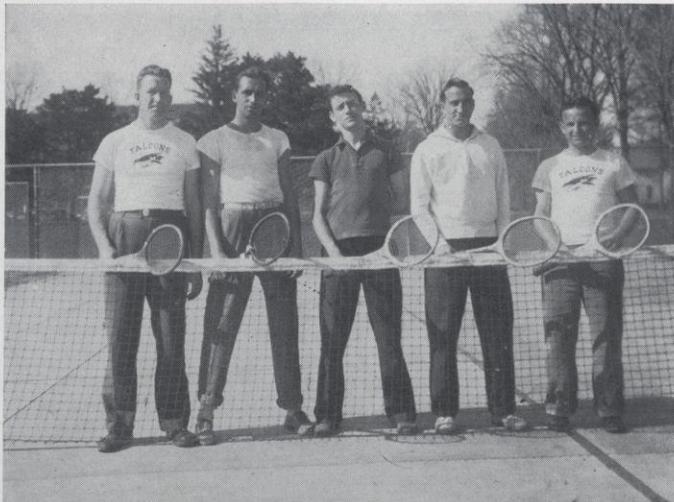

Competition among the ping pong players was very keen and both doubles and singles matches were conducted. Competitors were divided into experience classes and Dale Johnson, Arno Wesenberg, and Jerome Sobota won in their respective classes. Doubles matches were not completed in time to publish the results.

The horse-shoe pitchers had a chance to exhibit their skill in a straight elimination tourney in which forty men competed.

Interest this spring was highest among the kittenball ranks and eight teams have been organized to play. Each team will play each other team twice and the champion will be decided by their final standing.

A feature of the spring games was a decathlon, consisting of an individual track and field meet of ten events. The events in which each contestant competed were, the fifty, one-hundred, and two-hundred-twenty-yard dashes, shot put, broad jump, high jump, discus, hop-step-and-jump, and baseball throw for accuracy and for distance. The winners in the decathlon were presented with awards.

MINOR SPORTS

TENNIS AND GOLF MATCHES were scheduled to fill out the spring schedule. Matches were scheduled with St. Thomas, Concordia Junior College, St. Cloud, La Crosse, and Stout Institute.

The tennis squad was composed of Stuart Larson, Crosby, King, and Nickerson. They opened the season with a 4 to 3 defeat by St. Thomas but won their second start from Concordia by a 6 to 0 score. The third contest resulted in a 3 to 3 tie with Eau Claire.

The golfers lost their first match to St. Thomas by a 9 to 3 score. Marcel Nelson was low for the Falcons. Other members of the golf team are Sondergaard, Prucha, Torgerson, Schmidt, and Dykstra.

These men will receive awards at the close of the season and will be given a chance to compete in the State Tennis and Golf Tournament to be held in Eau Claire May 26.

THE WOMEN'S ATHLETIC ASSOCIATION

ONE OF THE MOST ACTIVE organizations on the campus is the W. A. A. All those who belong are proud to be members of this energetic body. Anyone will be admitted who wants to join; fifty points a year are needed to keep one's standing as an active member.

The women's sports program for the year is sponsored by the W. A. A. Among the organized sports are included hockey, hit-pin ball, basketball, volleyball, and baseball. In the individual sports one can find badminton, archery, tennis, ping-pong, and swimming. Several tournaments are run to make competition more interesting. With such a wide variety of sports, every girl has a chance to participate in the sport she likes best. Sport heads, elected by the W. A. A., manage each sport during its season and are under the supervision of Miss Branstad.

On each Tuesday and Thursday organized sports have their meetings after four o'clock in the afternoon. At first the sessions are devoted to practice and fundamentals, but later colorful and exciting tournaments are held. When the tournament has been completed, an honor team is selected from the best players. Business meetings are held on the fourth Monday of each month.

Three awards are given in the organization. A W. A. A. membership pin can be attained when the member has two hundred fifty points to her credit. An "R" is given when a person has a total of five hundred points or more. When one has passed the Official Red Cross Life Saving test, she may receive a Red Cross Life Saving emblem.

For the second time in two years Eau Claire took home the Falcon cup after winning the most points in a play day held between these two colleges. River Falls won the basketball game by a close score, but Eau Claire went on to win in volleyball, ping-pong, shuffleboard and deck tennis. Nevertheless, a most enjoyable day was spent, and it is hoped by members of both schools that this event will continue to be an annual one. The Falcon cup was donated by the River Falls W. A. A. and will be permanently kept by the school winning it three times.

Throughout the entire school year the girls are busily trying to raise money for their annual camping trip at the Y. M. C. A. camp near Hudson. It takes place on a May week-end and gives the women an opportunity to spend a few days out-of-doors with ample time for all kinds of sports. Baseball, swimming, tennis, and boating, together with hikes, are major activities. This year the W. A. A. of Eau Claire camped with us, as they did last year. Their companionship and varied sport program makes this event a highlight.

MARY LOUISE BRANSTAD

Parrish, Tromm, Johnson, Lovell, Chubb
Cairns, Jorgensen, Rhodey, Birkmose, Deiss

Tromm, Jorgensen, Saul, Nugent
Lynum, Parrish, Larson

BASKETBALL

AGAIN AS IN PAST YEARS, basketball proved itself the most popular game of athletic schedule. The girls eagerly look forward to it, and this year nearly fifty participated in the tournament.

After a practice session of a few weeks, four captains were picked by Leona Rhodey, sport head. Joyce Chubb, Miriam Cairns, June Johnson, and Dorothy Parrish each captained a team. A round-robin tournament was played. After the first few weeks of play, Dorothy Parrish's team gained a lead it never relinquished. June Johnson, Miriam Cairns and Joyce Chubb placed second, third and fourth respectively.

All officiating for the games was handled by Miss Branstad and several of the girls. This gave the girls a better understanding of the game.

The following honor team was chosen: Dorothy Parrish, LaVernia Jorgensen, Mim Cairns, Bernice Deiss, June Johnson, Bernice Lovell, Leona Rhodey, Joyce Chubb, Milly Birkmose, Marie Tromm. Those to receive honorable mention were: Marion Saul, Marion I. Johnson, Eleanor Stevenson, Neca Bleisner, Joyce Chapman, Eunice Manske, Donna Lynum, Phyllis Case.

HOCKEY

A SHORT OUT-OF-DOOR SPORT is hockey, which is played in the fall after the school term opens. Many girls report for the first few games, but soon the weather drives some inside. However, the girls who remained to the end of the year had much fun in the tournament which was held.

Leona Rhodey and Milly Birkmose were captains of the two teams which were picked after the fundamentals were learned and a few practice sessions had been held. At first the games were won first by one team and then the other, but toward the end Leona Rhodey's team took three games straight to win the tournament.

Because of the small number who came out, only a small honor team was chosen by Doris Lindh, sport head, and the captains. The members were: Milly Birkmose, LaVernia Jorgensen, Alma Sumner, Bernice Deiss, Leona Rhodey, Eunice Manske, Doris Lindh.

BADMINTON

A GREAT DEAL of attention was again centered on this ever-growing, popular winter sport. Special classes and tournaments helped to gain interest from men as well as women. The following results show that instructional time was not spent in vain, for River Falls showed up well in anything that they entered.

Before the all-college tournament that was held at the end of the season an all-school and open tournament was held. A large number of people entered both. In the all-school college tourney, Elmer Hehnke won the men's singles. La Verne Jensen and LaVernia Jorgensen won the women's singles, while Elmer Hehnke and Robert Platte won in the men's doubles. LaVernia Jorgensen also won in the women's singles. In the mixed doubles, Mary K. Prucha and Stuart Larson carried off the honors.

Again, in the open tournament, nearly the same people entered. However, this time Dr. Owens triumphed over Elmer Hehnke for the men's singles crown. In the men's doubles, Dr. Owens and Elmer Hehnke teamed together to win. Miss Louise Branstad and Mrs. Owens won the women's doubles. In the mixed doubles, Dr. and Mrs. Owens were the winners.

In the second annual intercollegiate badminton tourney, which was held April 1, River Falls competed against teams and players from Stevens Point, St. Olaf, and Augsburg. In men's singles Elmer Hehnke successfully defended the title which he won last year. La Verne Jensen and LaVernia Jorgensen took the women's doubles crown away from Leona Rhodey and Mary K. Prucha, winners of last year.

At the Minnesota State Tournament, Miss Eunice Manske and Dr. Owens were defeated in the semi-finals of the mixed doubles. Dr. Owens and Elmer Hehnke were defeated in the semi-finals of the men's doubles. The Miss Louise Branstad and Elmer Hehnke and Miss Manske-Miss Branstad teams were defeated in the early rounds of the matches they entered.

Elmer Hehnke and Dr. Owens went to the Wisconsin State Tournament to defend the title they won last year; however, in the finals they were defeated.

Norberg, Rockman, Lovell, Johnson, Raawe, Carlson, Case
Prucha, Lindh, Rhodey, Manske, Hawn

Chubb, Sumner, Engebretson, Parrish, Jorgensen, Fellrath
Owens, Birkmose

PIN BALL

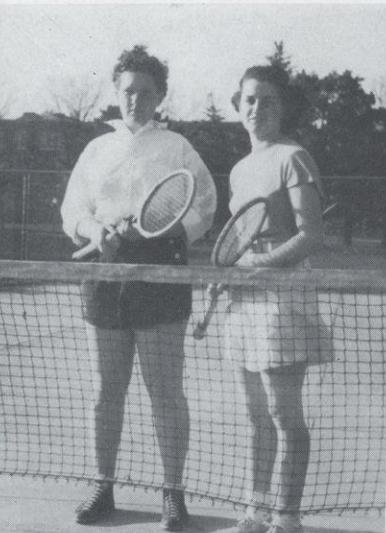

UNDER THE GUIDANCE of Mildred Birkmose, sport head for hit-pin ball, another successful season of this game was run off. This is the third year it has been played, and its ever increasing popularity shows a promise of its being on the sports calendar in succeeding years. The game is a combination of soccer and baseball played on an indoor diamond.

Four teams were selected from the forty girls who reported at the first practice session by captains Marjorie Day, Adele Olson, Virginia Griffith, and Phyllis Case. These teams participated in a tournament which lasted for approximately seven weeks. Top honors were taken by the team captained by Virginia Griffith. Second place went to Adele Olson and Phyllis Case. Marjorie Day placed third.

An honor team was picked by the sport head and captains and is made up of the following players: Adele Olson, Marjorie Day, Virginia Griffith, Phyllis Case, Leona Rhodey, Mildred Birkmose, LaVernia Jorgensen, Bernice Deiss, Eunice Manske.

ARCHERY

A PLEASANT PASTIME for the individual is archery. It requires skill, concentration, and a good eye, but when one has mastered the technique he is constantly striving to better himself. Miss Branstad offers archery each year to those who are interested as well as making it a part of freshman physical education work. Those girls who do take advantage of this opportunity become ardent supporters of this game. It is one of the sports that can be continued after college, for it does not require a team of nine or ten players. A bow and arrow and bulls-eye will be sufficient.

JORGENSEN

MANSKE

TENNIS

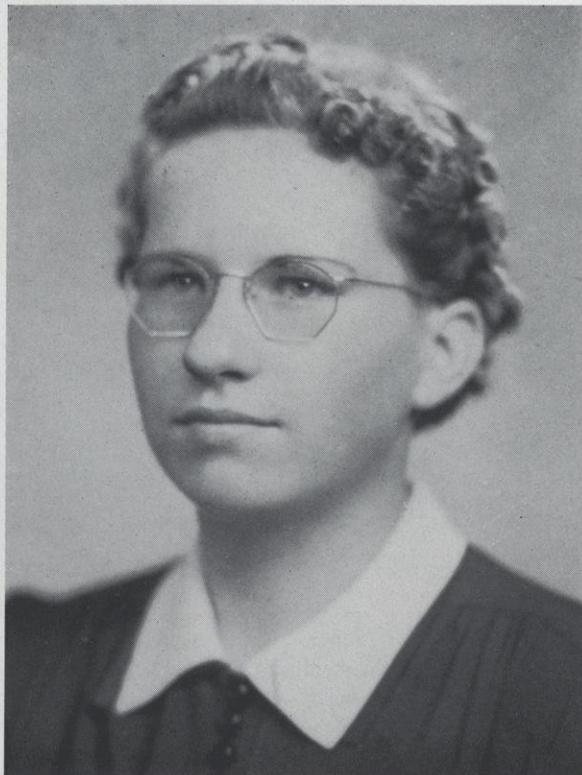

EACH SPRING AND FALL the W. A. A. conducts a tennis tournament. These tournaments are often much delayed because of uncertain weather. LaVernia Jorgensen won the singles championship last spring; however, she lost it this fall to Eunice Manske. In the singles and doubles tournaments, which will be held late this spring, she will attempt for the last time to regain the title.

BASEBALL

DUE TO OUR LATE SPRING, the girls are not able to spend as much time out-doors playing baseball as they would like. However, approximately six weeks are given over to this sport, and should the weather be unfavorable, they play indoors.

This year, because of the large number who turned out, four teams were chosen to run off a round-robin tournament. The captains for these teams were Ann Beige, Marie Tromm, Elaine Nugent, and Marion Saul. Dorothy Parrish was the sport head for baseball.

LAVERNIA JORGENSEN

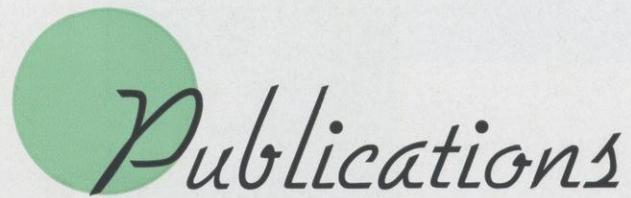

LAVERNIA JORGENSEN, a member of this year's graduating class from Frederic, Wisconsin, has made an outstanding record in women's athletics during her college career. Not only has it been a wonderful athletic record, but also one of service to the Women's Athletic Association.

In her first six weeks in school as a freshman, Miss Jorgensen gained recognition by winning the women's fall tennis tournament; she repeated this victory in the spring tennis tournament that same year. Another achievement in the racquet games was the winning of second place in badminton singles. Besides being a member of the hockey, basketball, volleyball, and softball teams, she captained a basketball team and gained places on the honor team in basketball, volleyball, and baseball. She climaxed the year by winning the school "R."

In her sophomore year her laurels were much the same, though in addition to winning both tennis tournaments she also won the badminton tournament. Once more she won places on all-sport honor teams, and in addition, served as basketball manager.

As a junior, she again made the honor team in all sports, and won the spring tennis championship. Besides her participation in active sports, she served as vice-president for the W. A. A. Another award came her way in the form of the W. A. A. pin, for which one must have a minimum of 250 points.

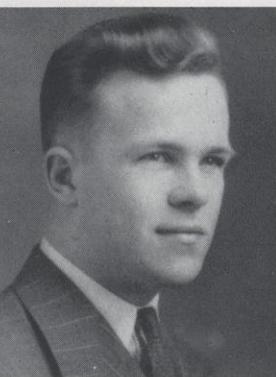

Her senior year, Miss Jorgensen had the honor of acting as W. A. A. president, an office which she executed with much thoughtfulness and thoroughness. She won the badminton singles title, and teamed with LaVerne Jensen to win the women's doubles title in the school and inter-collegiate tourneys. In spite of the pressure of senior duties, she managed to participate in all organized sports and gain a place on the honor teams. During her college career, she amassed a total of 2100 points, truly an outstanding record. Miss Jorgensen has done much for women's athletics in this school, and it is with regret that her fellow-sportsmen see her graduate.

CARA WHARTON

CONCERT

ON FEBRUARY 27 Miss Wharton directed the Women's Chorus in a varied concert in the College Auditorium. As the curtains were drawn, colored lights were thrown upon the singers, suggesting moonlight and giving the proper atmosphere to the songs.

A special feature was the singing and dancing of "Sweethearts" by Frona Nelson and John Lowe. Three piano solos were played, and an octet sang a medley of Herbert songs.

The climax of the evening was the singing of "Espana," a Spanish dance by the chorus with Frances and Virginia Zeilinger, Alice Olson, Doris Christenson, Joyce Chapman and Joyce Chubb dancing in Spanish costumes.

Marion Kirkpatrick was the accompanist.

	Interpretative Reading	Ruth Peterson
	Original Oratory	Orville Iverson
	Dramatic Oratory	Verna Annett
	Humorous Declamation	Adelaide Hill

DEBATE

THE 1938-1939 DEBATE SEASON included 134 debates with 48 colleges from nine states and an international debate. Dr. Wyman's progressive policy of permitting the greatest number to take part in intercollegiate debates, rather than to concentrate on the training of a few, made it possible for sixteen students to represent River Falls throughout the season. In spite of the fact that many of the debaters were inexperienced, over half of the decision debates were won.

The season was begun November 4, 1938, when Osborne and Larson upheld the traditions of the school in the battle of wits with the gentlemen from King's College, Oxford University, England, on the question of collective security in the United States.

Work on the Pi Kappa Delta question—Resolved: That the United States should cease to use public funds for the purpose of stimulating business—or “pump-priming” as it was more popularly known, was begun soon afterward. A number of practice debates were held, but the first real clash of the season came in January when the Osborne-Larson and Jackman-Lucente teams, accompanied by Dr. Wyman, journeyed to Normal, Illinois, for the invitational tournament held there. Both teams outranked their opponents in 4 out of 5 debates.

Debates were held with St. Olaf, Hamline, St. Catherine and St. Thomas.

The annual Eau Claire tourney took place January 21. Five teams were entered: Annett-McDermott, Prucha-Hickcox, Wilkins-Vig, Prucha-Chapman, and Jackman-Lucente.

Two women's teams, Hill-McDermott and Prucha-Hickcox, and two men's teams, Jackman-Lucente and Osborne-Larson, made the trip to Fargo-Moorhead on February 2, 3, and 4 for the Red River Valley tournament. The Osborne-Larson combination lost only one of six debates in that tourney. Larson ranked second out of 140 debaters from 28 colleges and universities. McDermott and Hickcox also received high rankings.

On the 17th and 18th of February, Miss Loeb accompanied the Hickcox-McDermott and Osborne-Larson teams to the Whitewater tournament. Larson brought home a medal from the discussion contest which was held at the same time. While that group was in Whitewater the Wurtz-Vig, Prucha-Chapman, and Prucha-Annett teams took a trip to Eau Claire and spent all day Saturday in competition with Eau Claire teams.

Augsburg and Macalester came here on the 21st and 22nd, and on the 25th Eau Claire came here for a return meet.

The Northwest Tournament was held in St. Paul on February 27, 28, and March 1. Hickcox and McDermott were entered in the women's division at St. Catherine's College, and Jackman and Lucente, Osborne and Larson in the men's division at St. Thomas. There were only five teams left out of more than 150 when Osborne and Larson were defeated at the end of the eighth round.

WALKER D. WYMAN

HELEN LOEB

Meacham, Hill, Vig, P. Prucha
Annett, Wurtz, M. Prucha, Chapman

Those debaters who had not entered the Northwest Tournament took part in the annual "B" tournament held here at River Falls on March 18. Nine colleges took part. Honors went to St. Thomas, River Falls being tied for third place. Meacham, Stolt, Prucha, Wurtz, Mary K. Prucha, Hill, and Annett took part. Veteran debaters acted as judges.

Osborne and Larson took part in a post-season debate with St. Thomas before the Hudson Women's Club on March 21st.

Hickcox, Hill, McDermott, Prucha, Vig, and Larson will be graduated this June. Loell Larson, President of Pi Kappa Delta, closes this year a very successful collegiate speech career. He has been a member of the varsity debate teams for four years, during which time his teams have made a very creditable showing. In addition, he represented this province in the Senate of the Pi Kappa Delta National Convention last year, and has participated in numerous discussion and extempore contests. Loell will be keenly missed by his colleagues.

PROVINCIAL SPEECH CONTEST

MISS LOEB AND DR. WYMAN, together with Margaret McDermott and Loell Larson, our entries in the Extempore Contest, and Andrew Osborne, our entry in the After-Dinner Speaking Contest, represented the Wisconsin Delta Chapter of the Pi Kappa National Forensic Fraternity at the bi-annual provincial speech contest in Northfield at which St. Olaf's was host. Osborne won second place in competition with entries from eight colleges from three states.

SPEECH ACTIVITIES

ALBERT ZAHRADKA placed fourth in the Peace Oratorical Contest at Beloit on April 21.

At the Eau Claire Invitational Speech Meet Andrew "Jack" Osborne took first place in Dramatic Reading with his interpretation of "The Short Cut" by Eugene O'Neill, Loell Larson won second place in Extempore Speaking, and Ruth Peterson won second in Poetry Reading. Orville Iverson placed third in Original Oratory. Ruth was also entered in Interpretative Reading, Verna Annett in Dramatic Oratory, and Adelaide Hill in Humorous Declamation.

THE COLLEGE MASQUERS

THE AIM OF THE COLLEGE MASQUERS is to give its members an opportunity to keep in touch with contemporary drama, to appreciate and understand the better plays, and in every way possible to develop dramatic interest on the campus.

In the past, membership has been granted in a number of different ways. These have included an apprenticeship method, voluntary "tryouts" in which candidates were asked to read certain parts of plays, and pantomimes demonstrating acting ability and facial expression. Those desiring membership were judged by the Board of Admissions, five Masquers appointed by the president. This year all people desiring admittance were asked to fill out a questionnaire giving all information about their past dramatic work. The questionnaire was looked over by the Board of Admissions, and suitable short plays were assigned. The new members were selected on the basis of their performance.

The principal interest and work of the organization is, of course, the presentation of plays. Every member of the organization is called upon to assist in production in some manner, either by acting, staging, lighting, gathering properties, make-up, or other details.

This year the Masquers chose for their annual three act play a hilarious comedy written by Will Evans and Valentine, which was presented under the direction of Miss Nelle L. Schlosser.

Also, during the year a number of one act plays were directed by student members. *Travelers*, coached by Lenore Anderson, was presented as an assembly program. Four one act plays for public performance were coached by Masquer members who had been appointed by the president. John Lowe directed *Moonshine*, Howard Wert coached *Sweethearts*, Harriette Anderson directed *Oatmeal*, and Robert Platte produced the play *Bills*. At one of the first meetings of the year the new members presented two plays under the guidance of Norman Aderhold.

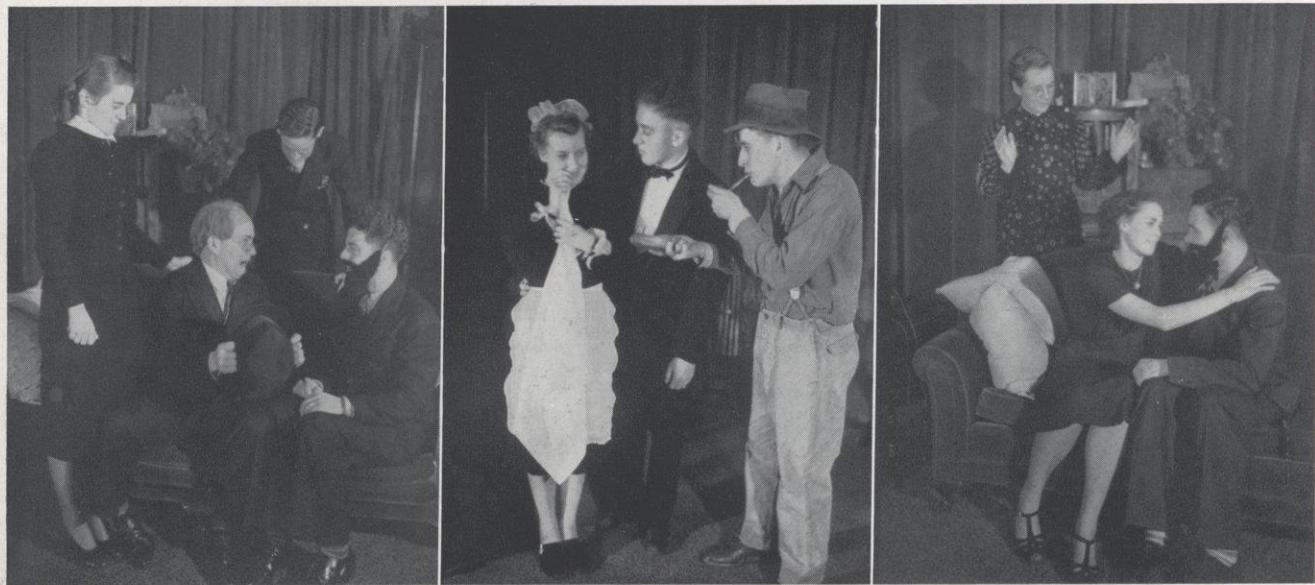

The Masquers also take part in other activities of the college. There is always a Masquers' float and stunt for Homecoming. This year Muriel Taylor headed the float committee, and Ruth Phillips was in charge of the stunt.

The principal social event of the year was the Masquers' formal which was held in the North Hall gymnasium March 11. The decorations followed the theme of the Kentucky derby. Pennants decorated the walls and ceiling, and a white fence encircled the floor.

At the end of the school year the two Masquers having the most outstanding records for their junior and senior years are awarded an emblem at the Recognition Assembly. The final meeting of the year is in the form of a banquet, at which time the officers for the ensuing year are elected.

THE STUDENT SENATE

THE STUDENT SENATE was organized as a student governing agency to promote the best interests of the college. The organization is composed of eleven members, seven of whom are elected by the students at large while the other four positions are filled by the class presidents. The constitution sets the election at not later than the second week in May.

While still a comparatively young organization, the Senate has shouldered many responsibilities. The first work of the Senate is to elect editors of the *Student Voice* and the *Meletean*, after recommendations are made by the advisers, Dr. Walker D. Wyman and Miss Maud Latta.

An important Senate committee is the Organization Committee whose work is to formulate a schedule of meetings for organizations to reduce to a minimum the conflict in dates for students who are members of more than one organization. A Party Committee of eight members selected by the Senate, two from each class, arranges for school parties and social events. The Senate has one representative on this committee, and since the Senate controls the finances, the treasurer of the Senate works with the Party Committee in order to adjust the program to the finances. This student governing agency also performs an important function through the Auditing Committee, which instituted a uniform system of accounting, valuable in facilitating easy checking by the committee. The Senate also provides student representation on the Assembly Committee. Nominees for Homecoming Queen and Homecoming Chairman are selected and submitted to the student body. The Homecoming Chairman works in close connection with the Senate in making the arrangements for Homecoming. This body also selected a committee which promoted the Ice Carnival.

In the interests of freshman orientation, the Senate provides for the publication of a handbook supplying valuable information in regard to rules and regulations.

The Student Faculty Relations Committee, a new body, is composed of six Student Senators and five faculty members. Its purpose is to improve relations between the students and the faculty. By inviting all students to attend its meetings and by the use of plebiscites, the Senate strives to promote the best interests of the student body.

THE HONOR SOCIETY

THE HONOR SOCIETY is made up of those students who have made high records in scholarship. In order to be eligible one must receive two and one-half honor points per credit hour for one term or more. There are approximately seventy members in the organization. A small silver "R," the emblem of the organization, may be worn by students after they have had their name on the honor roll for at least one term. Upon graduation a gold "R" is awarded to those who have two and one-fourth honor points per credit hour and have no grade below "C."

Since the membership of the group is of such a diverse nature, the Honor Society functions mainly as a social organization. Monthly meetings consist of parties or other activities held for the enjoyment of the members. Members of the group acting in committees plan and put on the parties.

Early in the fall a small but congenial group had dessert in the park as an initial get-together. Games of all sorts make up the parties; this year Chinese checkers was taken up with enthusiasm. St. Patrick's day was duly commemorated by kissing the blarney stone, rolling potatoes, and blowing soap bubbles. In the spring a scavenger hunt was held. The groups spent a pleasant evening hunting for live frogs, boxelder bugs, and other items common to scavenger hunts. Several informal teas were held to welcome new members at the beginning of the new terms. The final meeting of each year is a picnic; this year the picnic was given for the Seniors by the rest of the members.

To keep up with the good record established when the Honor Society won the student assembly program prize in 1938, the organization this year did its part to entertain the student body. Under the direction of Eugene Laurent, a type of "Information Please" was conducted. Questions solicited from the student body were propounded to Drs. Wyman, Kettelkamp, and Owens. When they couldn't answer, the student submitting the question was paid twenty-five cents. Much interest was aroused by some of the questions, which caused discussion and search for verification of answers.

At Homecoming a group of students under the direction of Betty Boardman planned and put on a stunt for the mass meeting.

All activities of the Honor Society are planned to foster a feeling of friendship among the members and to give each person a chance to work with others.

THE YOUNG MEN'S CHRISTIAN ASSOCIATION

FOR THE RIVER FALLS STUDENT Y. M. C. A. the year 1939 marks the beginning of the second twenty-five years of existence. The twenty-fifth anniversary was celebrated at a banquet on May 1, and at that time the cabinet for next year was installed. Beginning in 1914 with a membership of 35 men, the Association has grown to its present size of 142 members who work in sixteen departments directed by cabinet members. In the twenty-five years the organization has had but two advisers, Professor J. I. Malott, who assisted with the founding and continued as sponsor until Professor J. P. Jacobson was elected in 1920.

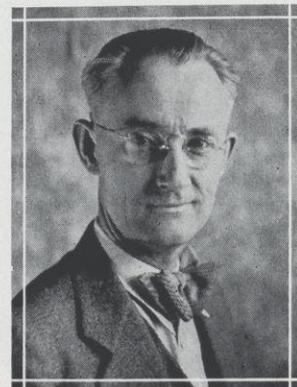

The work of the "Y" for the year 1938-1939 began with freshman orientation activities sponsored in cooperation with the Y. W. C. A. Among these events were the annual freshman mixer and a new project, the freshman breakfast. Another innovation this year is the publication of the "Y Alumnus." Two issues have been sent to the one hundred and fifty cabinet alumni who are scattered from Boston, Massachussets, to the University of Nanking in China. Other new contributions to campus life were the organizing of the Photography Club and the introducing of folk dancing to the campus.

Continuing to gain recognition for leadership in the exchange of usable ideas among Y Associations, the YM cooperated with the YW in displaying the program exhibit and planning the program exchange hour at Camp Ihduhapi and will direct the Program Workshop at the Lake Geneva Conference in June.

The regular Monday evening programs provided education, entertainment, and a friendly, inspirational atmosphere for the lay membership. And such projects as the construction of the float for the Homecoming queen gave them opportunities to find fellowship in working together. Discussions in the February Series and the junior cabinet breakfasts provided them a chance to express their views and form opinions on a rational basis.

Various cabinet departments also directed other activities. The Deputation Department with the aid of the "Y Singers" and several dramatic groups furnished programs for a number of P. T. A. and church groups in nearby communities. The twenty-second annual Stag Party was among the Social Department's projects. Organized by the Sports Department the Y. M. C. A. basketball team exchanged games with the Stout Y team. This department likewise sponsored an all-school skating party. The Dramatics Department produced *Bothan'*, a Christmas play, which was presented as a part of one of the three worship services conducted by the Department of Religious Resources. The Hi-Y Department sponsored a Junior Hi-Y in the training school.

Through these activities the Y. M. C. A. has tried to accomplish its purpose of providing opportunity for the development of Christian personality and of influencing thinking toward a Christian solution of the problems of living.

JOYCE ODELL	<i>Treasurer</i>
Virginia Smith	Mary Anderson
Jenny Lindh	Verna Annett
Mildred Boles	Dorothy Severson
Betty Boardman	
MISS HATHORN	<i>Adviser</i>

THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

THE LOCAL Y. W. C. A. IS A BRANCH of the national Y. W. C. A. and is affiliated with the World Student Christian Federation. This organization aims toward promoting a fuller and more creative life for the girls of the campus and toward helping them build a character and personality well adjusted to college life.

The Y. W. C. A. is governed by a cabinet which consists of the four officers and from eight to ten chairmen who direct the various activities of the program. The cabinet is assisted by an advisory board of three members, each serving for a term of three years, one being elected each year. The present members are Mrs. Justin Williams, chairman, Miss Mable Bridges, and Mrs. Jesse Symes. Mrs. John Knapp will replace Mrs. Symes next year. Miss Irma Hathorn is the faculty adviser.

The regular Monday night meetings of the "Y" have been devoted to programs and projects, including talks, musical programs, a style show, and social meetings. Among the outstanding programs are the Thanksgiving, Christmas, and Easter worship services, held jointly with the Y. M. C. A. and open to the public. Perhaps one of the biggest projects of the year is the work with the freshmen which begins the very first night of school with a freshman mixer. At that time a campus sister is found for every freshman girl. This campus sister helps her find her classes, meet friends, become familiar with the town and college, and above all keep her from getting homesick. A little later the Big and Little Sister Tea is sponsored, at which various faculty women are present.

The outstanding social event sponsored by the "Y" is the annual Puff-Pant Prom, to which half the girls come dressed in formals, accompanied by the other half who are dressed in men's suits.

This year a record group attended the Ihduhapi area conference at Lake Independence, Minnesota, at which were Y. M. C. A. and Y. W. C. A. delegates from several colleges of Minnesota and Wisconsin. Other conferences were also attended. Verna Annett and Mildred Le Page attended the fall area meeting held at the University of Minnesota, at which they heard and met Mrs. John B. Kelso, vice-president of the national board. Mildred Boles, Mary Anderson, and Betty Jane Hogue attended the Ihduhapi planning conference held at the University of Minnesota in March, and Jenny Lindh attended the N. I. C. C. conference at Chicago during the Christmas holidays. The Geneva Conference held annually at Lake Geneva, Wisconsin, is the high point of Y. W. experience. This year the "Y" has been building up its revolving Geneva fund to enable more girls to go by lending them money to be repaid within two years after they graduate.

THE MATHEMATICS CLUB

THE PURPOSE OF THE MATHEMATICS CLUB is to offer an opportunity to study interesting topics which are not presented in regular mathematics classes. The monthly meetings are conducted and presented by students. Everyone interested in mathematics and its applications is invited to its meetings.

In addition to formal programs, the club this year had informal meetings at which mathematical recreations, games, and puzzles were presented. The club also took charge of the bulletin board in the mathematics room in order to keep students posted on timely topics in mathematics.

Under the leadership of the chairman, Robert Ryder, a Homecoming float in the form of a football, guarded by falcons, was constructed. At the celebration in honor of the district football championship, the Mathematics Club gave a burlesque on "Ferdinand the Bull." A play entitled "Mathematical Nightmare" was presented by the members at the annual Christmas party held in the social room.

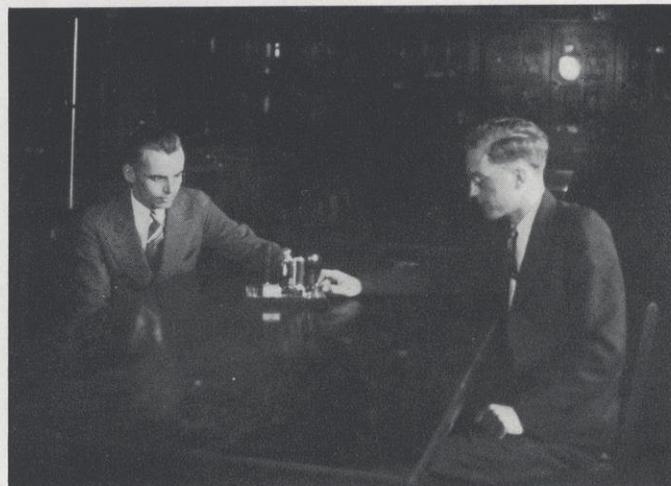

The hundredth anniversary of the birth of America's greatest mathematical physicist, J. Willard Gibbs, was observed at the February meeting. Hartman Soli read a paper on the life and works of Gibbs, loaned to the club by Professor Rudolph Langer of the University of Wisconsin. At the November meeting Mr. Herman Hagestad, local city engineer, gave some illustrations of applications of mathematics in his engineering work.

Other programs centered around the following: the three famous problems of antiquity, viz., trisecting the angle, squaring the circle, and duplicating the cube; mathematics in the days of Columbus; complex numbers and their uses; points and lines associated with a triangle; investment problems; divisibility rules; and *Flatland*, a romance of many dimensions. The lives of Euler, Dedekind, Lobachevsky, and Poncelet were presented.

Among students appearing on programs throughout the year were Ulrich Bents, David Wicken, Willard Lane, Gust Zignego, Ross Jesse, Theodore Brandt, Robert Ryder, Norman Martin, Marcel Nelson, Bruno Berkland, Tommy Kliszcz, Neil Jacobson, Graydon Wood, Gordon Howe, Orlan Soli, Stanley Palm, Mildred Birkmose, Margaret McDermott, and Howard Junkman. The program committee for the year consisted of Ulrich Bents, chairman, David Wicken, secretary, Ross Jesse, and Mildred Birkmose.

THE SCIENCE CLUB

THE SCIENCE CLUB HAS AS ITS purpose the promotion of interest in scientific subjects among the students and the faculty and also aims to act as a supplement to class instruction. The organization is open to all people taking courses in science. Meetings are held on alternate Thursday evenings and are open and of interest to the entire student body.

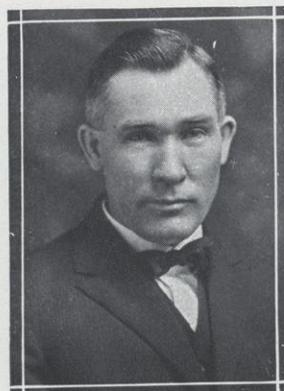

In carrying out its purpose, the club makes much use of visual education. The motion picture, the demonstration, the illustrated lecture, and the excursion or field trip are some of the different methods used by the club to present its material.

At the beginning of the year the motion picture was the chief type of entertainment and instruction. Pictures furnished by the large industries of our nation formed the material. They dealt with such subjects as mining, plant life, wild-life study, and a series on the petroleum industry. Later in the year when the projector was out of repair, a few meetings were devoted to demonstrations of new and modern sound equipment. Some examples of how such equipment might be used were given the student body. One of the best of these was a film dealing with the subject of fencing, which was presented by the Republic Steel Corporation.

It is the aim of the Science Club to touch upon all of the different fields of science, and so for a time the meetings were devoted to demonstrations from the various departments. The physics department presented a program with radio as its subject. The agriculture department supplied a program which dealt with some of the phases of science applied in this department. One of the highlights of the year was a program presented by County Agent Seyforth of Pierce County. Mr. Seyforth gave an illustrated lecture on the Tennessee Valley Authority. Mr. Plahn, the Deputy State Oil Inspector for this part of Wisconsin, was again a guest at one of the meetings. He demonstrated the testing of gasoline, oil and fuel oils and told about some of the interesting experiences he has had. He also stressed the need for adequate legislation to govern the petroleum industry.

At Homecoming time the Science Club entered into the festivities and entered a float in the parade. Members of the club acted as a lighting committee to set up the illumination for the outdoor mass meeting.

Realizing that the conservation of wild life is one of the important projects in the nation today, the Science Club cooperated with nation wide organizations in sponsoring a Wild Life Conservation stamp sale on our campus. At one of the last meetings of the year the District Conservation Warden, Corky Hope, again gave an interesting program. This program closed the year's activities for the club.

FUTURE FARMERS OF AMERICA

THE COLLEGIATE CHAPTER OF THE Future Farmers of America celebrate their second anniversary this year. The sole aim of this organization is to prepare prospective teachers of vocational agriculture in their duties as local advisers of high school chapters. Collegiate Future Farmer Chapters are chartered by and are under the authority of the state association of the Future Farmers of America. The meetings are conducted according to the National Future Farmer ritual. The constitution, which has been drawn up by the charter members, states the rights and privileges of the organization. It also includes a system of degrees designed to stimulate the interest of its members and their advancement to higher ranks in the organization.

The program of work for this year has been large and varied. One of the high lights of the program was the rural school fair. This fair was a large success due to the fine cooperation shown by the business men of the city, the rural schools which participated, the members on the various committees, and especially the Lions Club who presented the traveling trophy for the winning booth. The chapter expects to hold an even larger fair next year.

Another event held was the Future Farmer Field Day. All the officers of the high school chapters met in round table discussions to get new ideas on how to carry out their duties as officers in their respective chapters. The members of the Collegiate Chapter led these discussion groups.

During the fall and winter terms, two degree teams were organized to initiate high school members into the ranks of Greenhands and Future Farmers. These teams traveled to Clayton, Roberts, Hammond, Spring Valley, and Menominee.

In order to develop the speaking ability of the members of the organization, a speaking contest, open to all members, was held this spring term. Winners of this contest were Don Martin, first, who spoke on "Farm Accidents," Thomas Ronningen, second, on "Crop Insurance," Bernard Hylkema, third, "The St. Lawrence Waterway," and fourth, Merton Timmerman, "The Need of Trees on Wisconsin Farms."

Other events carried out in the program of the Future Farmers included panel discussion groups, a boxing tournament, the Future Farmer dance, the annual banquet, and the spring picnic.

Many alumni have commented favorably on the activities of the Collegiate Chapter. They believe that this organization is a valuable asset to the Agricultural Department and hope that it will continue to aid in the advancement of a better understanding between rural and city communities.

THE RURAL LIFE CLUB

THE RURAL LIFE CLUB is an organization for students in the Rural Department. Due to the large increase of freshmen entering the department, this year's membership was greatly increased and reached the highest peak since the club was organized.

The purpose of this organization is to bring the members of the department together so that they may become better acquainted, and enjoy the educational and entertaining programs which it sponsors. Regular meetings are held the first Thursday of every month. Miss Phyllis Hawn had charge of the programs for the first half of the year, and Miss Florence Nelson took over this responsibility for the second half. Much talent was discovered among this large group, making every meeting worth while.

People outside of the club who helped make these meetings successful were Miss Nina Jorstad, supervising teacher in Pierce County, who gave an interesting travelogue on her trip to Alaska last summer, and Miss Monie Archie, also a supervising teacher in Pierce County, who demonstrated methods to use in teaching music in rural schools.

Two meetings were held for mere enjoyment. Instead of a regular meeting in December, the club chartered a bus and enjoyed a trip to the Ward Quality Park Farms to see the Christmas display. In April the sophomores who had obtained positions at that time entertained the club with a picnic at Glen Park.

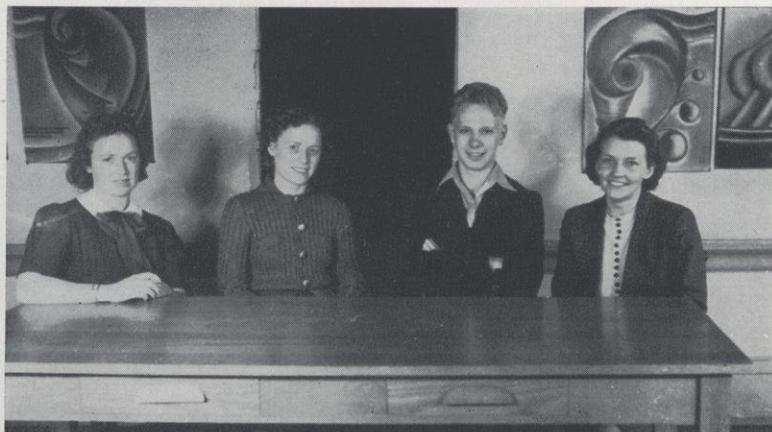

Climax of the year's activities for Rural Lifers was the six weeks practice teaching in rural schools in St. Croix and Pierce Counties. Many never-to-be-forgotten experiences are had by the teachers at this time.

The schools which were selected for practice were: the Oak Grove School, Miss Mayme Larson, teacher; the Gertrude School, Miss Clarice Anderson, teacher, and the Herum School, Miss Florence Jenson, teacher. The first six weeks eleven members of the sophomore class were in practice schools, three or four students working together in one school. During this time the cadet teachers do all the teaching and take over all the other responsibilities which are expected of a rural teacher. Their work is closely supervised and many helpful suggestions are offered. These practice teachers spend their whole time in the country during this period. This gives them an opportunity to become active members of the community.

The Rural Life Club concluded a successful year with their annual banquet for returning alumni and present members. An interesting program was provided which was especially impressive for those who graduated this year. Following the traditional procedure, the banquet was held the same night as the senior class play, and was attended *en masse* by those at the banquet.

THE PALETTE CLUB

THE PALETTE CLUB IS AN organization of students with a mutual interest in art for the purpose of increasing their understanding of art as well as encouraging the development of technique, crafts, and special interests.

At the first meeting of old and new members the executive committee was elected. The chairman, who is elected the preceding year, presides over the general meetings. Meetings are held on the first and third Tuesdays of each month at seven o'clock in the art room.

During the first part of the year the major activities were confined wholly to individual craft work, such as beaded purses, carved wooden plates, soap carvings, and leather tooling.

For the Christmas holidays, under the sponsorship of the Student Senate and with some help from other students, the halls were given a festive atmosphere.

The last part of the year was given over to planned group programs. Interesting talks were given by Miss Greene on water color technique and on the original etching art exhibit. The evolution of cartooning was explained by Mrs. Wyman. Other evenings were spent in clay modeling, charcoal sketching, and water color painting.

The major social activity was a Valentine's party given on February 7 in the social room. Chinese checkers and several card games followed by a lunch of coffee, ice cream, and cake made up the evening's entertainment. The last general meeting was held at Miss Greene's apartment. The early part of the evening was given over to the playing of games. Arrangements were made for a picnic as a conclusion to this year's work. The election of next year's chairman then followed.

THE G. O. P

ONE OF THE PURPOSES OF THE G. O. P. is to uphold standards of character and good taste. With this thought in mind, fifteen new members were initiated in the fall. Qualifications considered in choosing new members were sportsmanship, personality, scholarship, and leadership ability.

The G. O. P. took an active part in the celebration of the seventeenth annual Homecoming. At the mass meeting the club received first place for their representation of "Snow White and the Seven Dwarfs."

Following the custom of the last few years, the G. O. P. formal was given in the winter. The present trend in modern music was used for the theme of the decorations, and instead of a spring formal, the G. O. P. had a "swing formal." Popular songs and "jitterbugs" carried out the theme.

Among various school organizations, the G. O. P. was chosen to give an assembly program this year. With a night club setting to create the proper atmosphere, Carl Miller's orchestra and the G. O. P. swing chorus were featured on the program, which was enthusiastically received by the student body.

The annual G. O. P. spring alumnae luncheon was planned by junior members of the organization. This luncheon is given in honor of alumnae members of the association who return for commencement exercises, and also in honor of the senior girls who will be graduating. It is one of the most important events of the year, because it enables alumnae to renew acquaintances with present members of the G. O. P. and to watch the organization as it develops year by year.

All in all it has been a profitable year. The meetings have been interesting, and the girls have been enthusiastic and willing workers in all the projects that the G. O. P. has undertaken. And that is the secret of the success of any organization. The work must come from the members themselves, not only from the officers. We owe a debt of gratitude to Miss Greene for her helpful advice and assistance throughout the year. May the G. O. P. continue to uphold the standards and to assume the responsibilities with the willingness that it has in the past.

THE PHOTOGRAPHY CLUB

THE PHOTOGRAPHY CLUB IS THE new organization on the campus this year. It was formed to meet a definite need in our college. For years the hobby of photography has been becoming more and more popular. This trend manifests itself quite definitely at this college, and so, in order that the people who are prone to choose photography as a hobby may share their experiences, the Photography Club came into being.

The club was organized by Werner Gleiter under the sponsorship of the Y. M. C. A. shortly after school opened in the fall. The first meeting brought out a group of about forty men, all of whom professed a real desire to join. The limited laboratory space available made it necessary to limit the group to a much smaller number, and the final membership roll has about half of the original number. These people have shown in their year's work a real interest in the science of photography. They have carried out the entire program of the club and have made it one of the most active on the campus.

The club has as its purpose "To foster a lasting interest in photography and to practice good photographic technique." The program that the organization carried on throughout the year was chosen in a manner that closely followed out that purpose. In the program the theoretical was mixed with the practical to make the weekly meetings both educational and interesting.

At the first few meetings of the season the mechanical side of the camera was studied and demonstrated. Then as the members of the club became more adept at taking pictures the subject of darkroom technique was discussed. The members first took their own photos, then developed them and finally printed and enlarged them.

At the end of this season the club can look back on the year and see certain things that it has accomplished. To foster wider interest in photography it has sponsored several picture contests for the student body at large. It has taught a score of young men enough about photography so that they can independently take and make their own pictures. Excepting the scenic plates and the portraits, the pictures appearing in this *Meletean* were taken by members of the club or by its advisers. As an additional project, one of the club members made from a small negative a life-sized mural enlargement of a young boy.

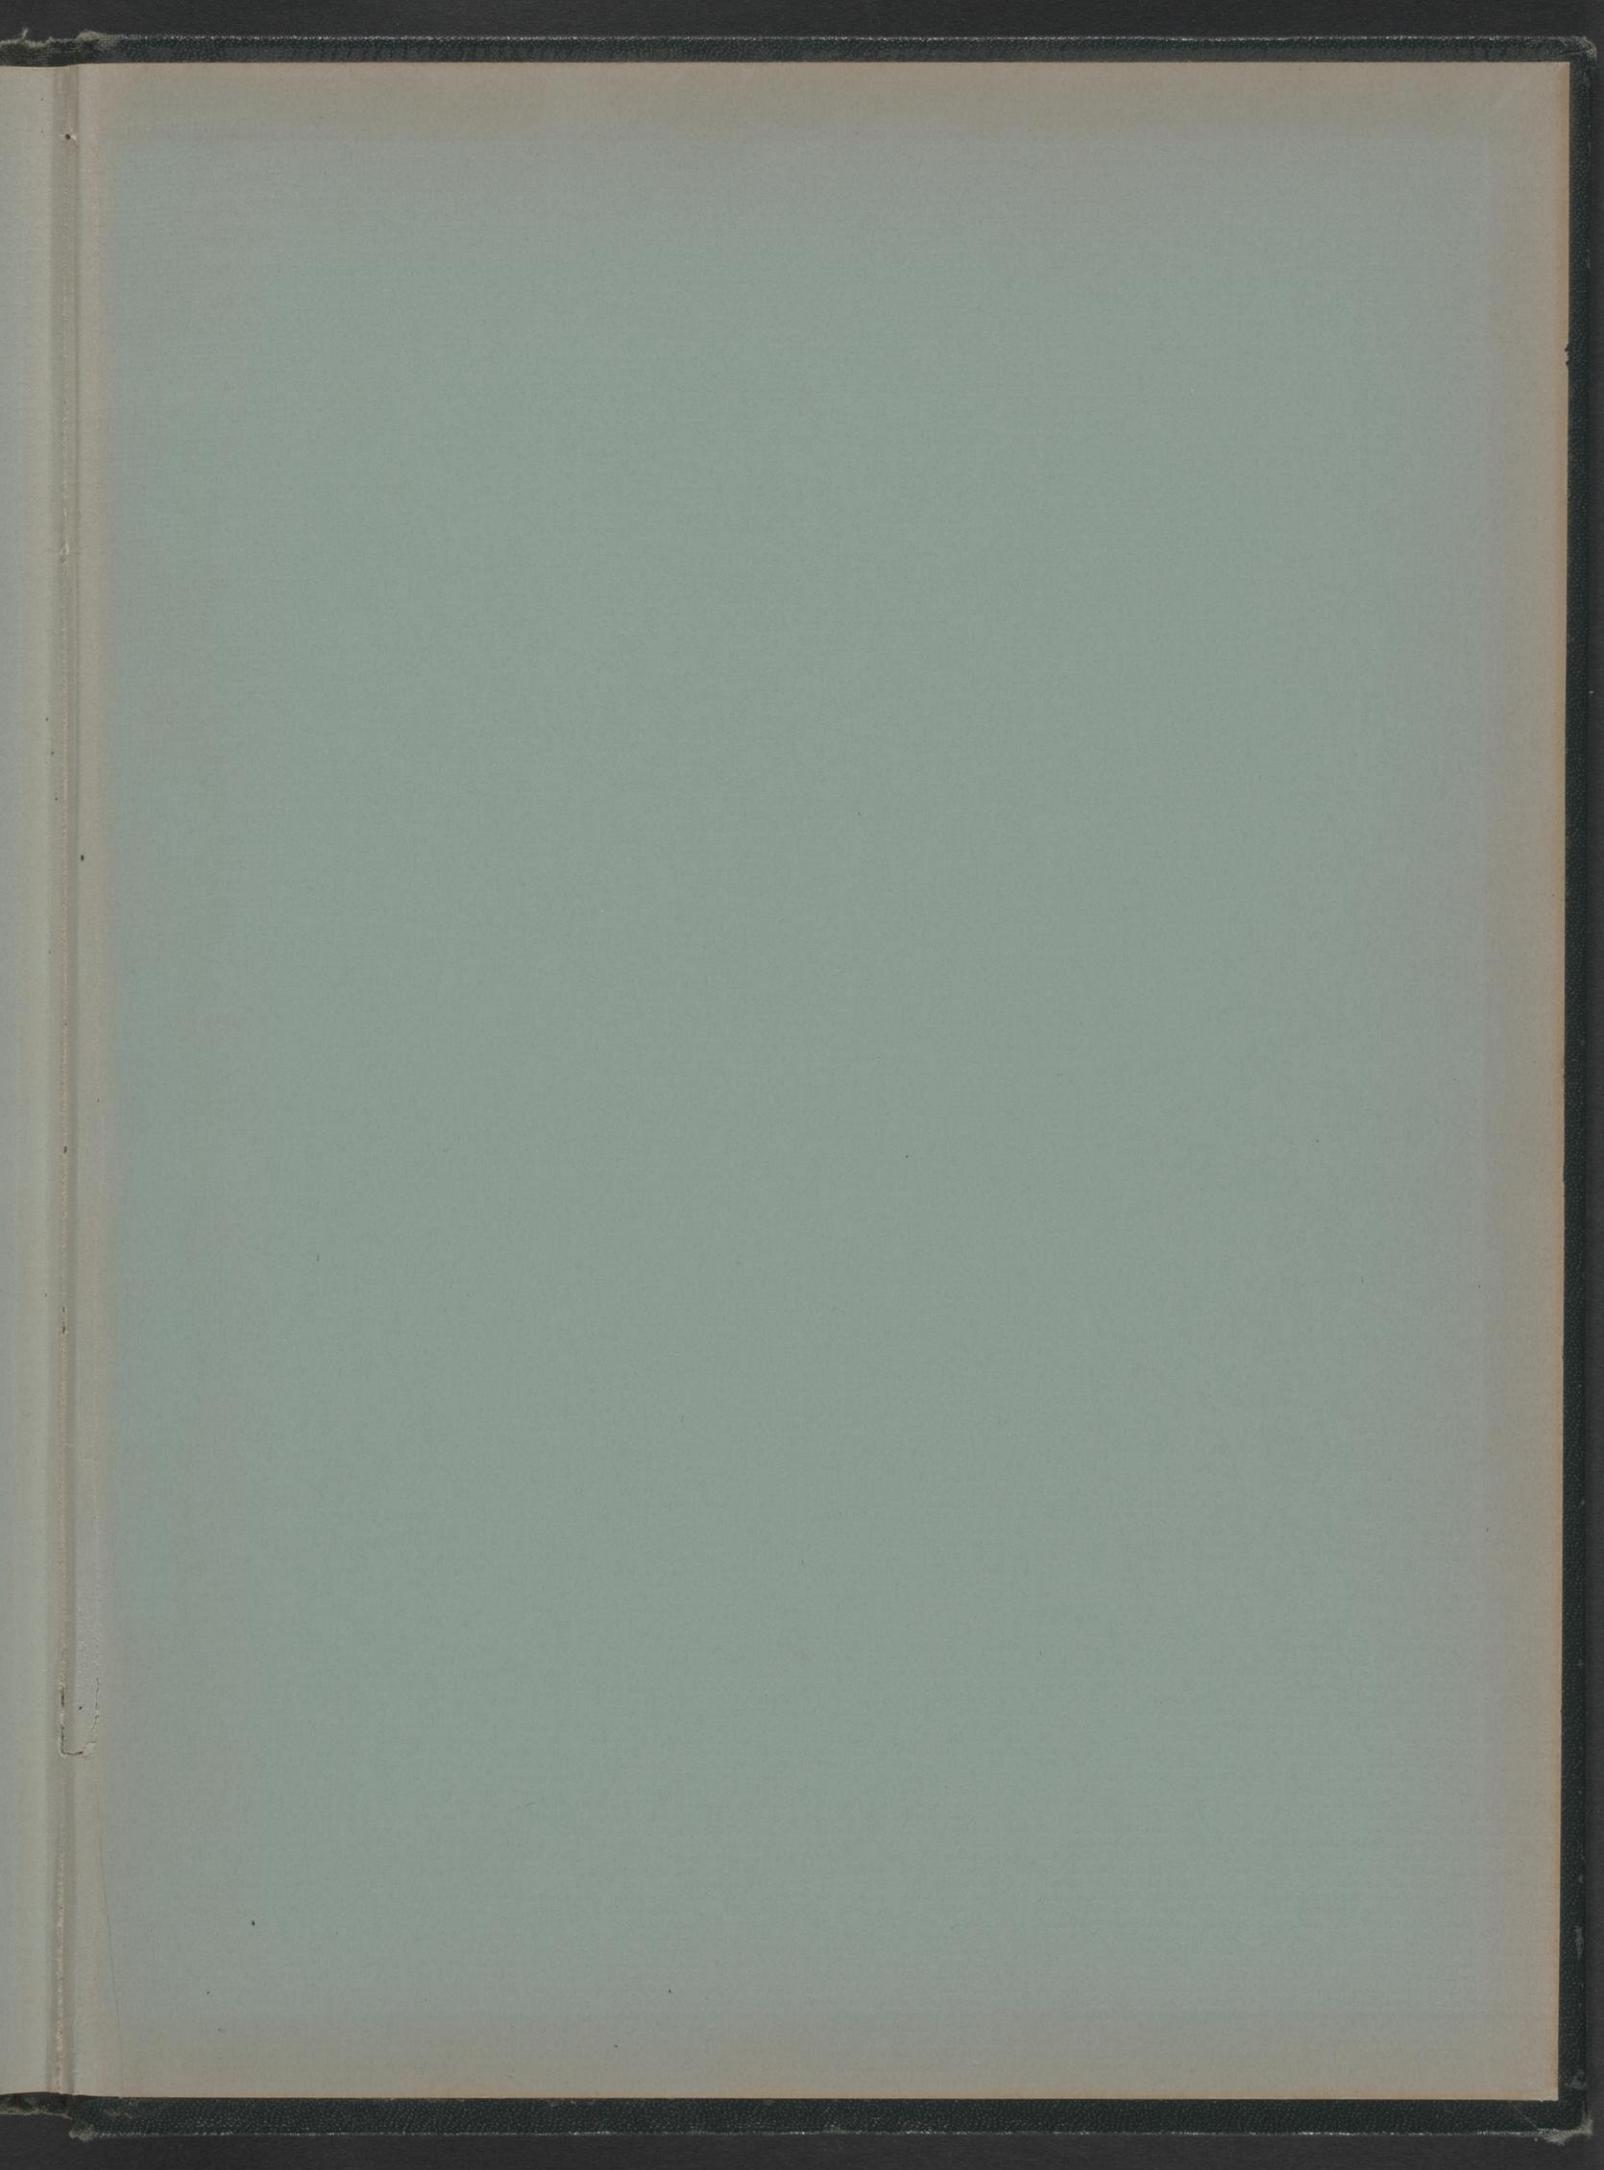

Much credit for the success of the club is due to Professor Jacobson for his kind and ready help. With his guidance the club looks forward to another successful season next year.
