MORTAR BOARD ELECTS EIGHT JUNIOR WOMEN

President Announces Results Following Impressive Swing-out

ALL CLASSES IN LINE

Mortar Board, senior women's honorary society, announced elections for next year immediately after the senior swing-out held yesterday afternoon. Marion Strassburger, retiring president, announced the following women were elected:

Mary Baldwin, Florence Hupprich, Helen Kasbeer, who is now in China, Elizabeth Kirk, Cleo Parsley, Marjorie Severance, Merle Shaw, and Helen Zuehlke.

Senior Swing-out

On the upper campus, just as the long hoped for sun set over the Hill, the impressive ceremony of the Senior Swing-out started with the long procession of seniors in cap and gown, headed by Dean F. Louise Nardin, and Ima Winchell '22, president of Blue Dragon. This stately line was followed by the sophomores and freshmen in white, slowly marching to the music of the University Regimental band in two columns down the hill to the two garlanded pillars.

May Pole Dance

Here they were met by the juniors carrying the daisy chain and led by Merle Shaw and Cleo Parsley. An aisle was then formed through which the seniors and underclassmen passed. The seniors massed themselves just below the Lincoln statue in front of the band, and the other three classes fell in on each side.

The Maypole dance was given by a group of 20 girls dressed in white, who, in accord with the old English custom, twined the brightly colored ribbons about the pole to the simple melody in keeping with the dance.

Will Start Razing Pres. Birge's Home At 1 O'Clock Today

A band, cheers, speeches, and an enthusiastic mob of Memorial Union supporters, will all make up the razing ceremony to take place at one o'clock this noon at the former home of President E. A. Birge, between the Union building and the Y. M. C. A.

"We want everybody out," said Leslie Gage '23, president of the Union board, "for it is only on account of the enthusiasm and the loyalty of every individual student that this proposition has been put through this far and that same spirit will finally boost it to completion."

At 12:45 a band will start at Wisconsin avenue and march down Langdon street to the site of the ceremony. The meeting will be in charge of Gage, and speeches will be made by Dean Scott H. Goodnight and Prof. E. A. Gardner. Professor Gardner, who is conducting the alumni campaign in Chicago, will return especially for the occasion.

DANCE MUSIC IS TOO EXPENSIVE

Fraternities and Sororities Charge Orchestras Profiteer

Excessive orchestra prices, prevailing among the local concerns which furnish music for fraternity and sorority parties, were scored in a questionnaire sent to all organizations by the office of the Dean of Men. The result of the questionnaire follows:

1. Do you approve of concerted action to bring about a reduction of orchestra parties?

Answer: Yes, 57. No, 2. (Sororities unanimous)

2. Will your organization enter upon an agreement with others to effect this end?

Answer: Yes, 57. No, 2. (Sororities unanimous)

Joint Action Planned

A joint meeting of Pan-Hellenic association and the Inter-fraternity council will be held Wednesday evening May 31, at 7:15 in Lathrop parlors, at which time a resolution will be presented which asks all fraternities and sororities to refrain from making music contracts for next year's dances prior to September 25. If this resolution is passed by three-fourths of the or-

A CORRECTION

In the list of 1922-23 Cardinal staff appointments published yesterday in The Daily Cardinal, the name of Maynard W. Brown '23, was erroneously omitted from the editorial writers.

Official appointments to that position were made by the Board of Control as follows:

Editorial writers—Maynard W. Brown, L. Francis Lamb.

Gala Day to Open With Canoe Tournament at 9:30 A. M.

All Wisconsin turns to Venice today.

Sixteen decorated floats, brilliantly illuminated by 600 electric light, will swing into line in front of the Hydraulics laboratory at 8:45 tonight, proceed along the lake front amid soft orchestra music and a flood of white light from the shore and red flares from mid-lake, and Wisconsin's most unique tradition, Venetian Night, will again be in progress.

The water carnival will open the day's program of entertainment at 9:30 a. m., when 20 canoes line up for their first race in front of the University gym. Novelty races, men's singles and doubles, and girls' singles and doubles will be run off with Coach Joe Steinauer judging. Prizes will be awarded.

May Still Enter Canoes

Entries are not limited to registered entrants. Students may enter with rented canoes from the lake this morning.

In case the lake is too rough for the canoe events, they will be postponed until 4:30 this afternoon. The motor and sail boat races will be held this morning at scheduled time.

Twelve sailboats will race at 10 a. m. over a four and a half mile course in competition for the two silver cups to be awarded to the class A or B victor and the class C winner. Ten motor boats will dash away from the gym at 10:30 over a two mile course to decide the Mendota power boat champion.

Champ Swims at 11:00

The times of the sail and motor boat races have been shoved ahead so that the Badger and visiting crews will have a quiet and clear course for their races at 11 a. m. and 11:30 a. m.

Harold Kruger, world's champion back stroke swimmer from Honolulu, will give an exhibition swim in front of the boat house at 11 a. m.

The university boat house will be decorated this morning with Canadian colors of gold and bronze and

MacInnis to Run Summer Cardinal

The Daily Cardinal will continue during the summer session as an afternoon paper, under Charles P. McInnis '22, as managing editor, Douglas K. Newell '23, as business manager and James R. Frawley '23, as advertising manager. The paper will appear Monday, Wednesday and Friday, with the present system of deliveries. The first issue will be published Monday, June 26.

Staff positions in both editorial and business departments are filled on the usual basis of merit and ability, and may be applied for now at the office of the Union building. The form of the paper will be much the same as the regular session Cardinal, including skyrockets, calendars and bulletins. The subscription price of \$1.00 for the entire session may be paid now at the business office. Students who wish to have the paper sent to them during the summer may sign up before leaving.

BIGGEST PREP MEET STARTS WITH 1:30 GUN

544 Athletes Competing Promise to Lower Interscholastic Records

MADISON IS DARK HORSE

The crack of the starting gun at 1:30 this afternoon for the 120 yard high hurdles, the opening event of the Twenty-eighth Interscholastic track and field meet, will mark the beginning of the largest and greatest interscholastic meet every held by Wisconsin.

With 544 prep school stars, the premier athletes of the state, striving for honors on the cinder path and in the field events, several of the Interscholastic records now standing are likely to be shattered.

Besides the high hurdles race, the shot put and the pole vault will both get under way at 1:30 sharp. In the pole vault the present holder of the Wisconsin Interscholastic record of 11 feet 6 inches is Landowski, former Milwaukee River-side star, who is now performing for Michigan. There is a good chance that this record will be approached or broken today by some future Big Ten performer.

Following the high sticks will be

Athena Wins Soph Semi-Public Debate

Athena Literary society won the annual sophomore semi-public debates last night by winning from Philomathia with its negative team and from Hesperia with its affirmative team.

The question debated was, Resolved that the United States government should own and operate the coal miners. The judges were Prof. J. M. O'Eill for the Hesperia-Athena debate, Wayne L. Morse for the Athena-Philomathia debate, and Prof. P. V. West for the Hesperia-Philomathia clash.

Athena's affirmative team was composed of E. G. Williams, H. Siljan, and Edgar J. Smith, the negative team was A. J. Sherr, Edgar Kapp, and Henry Blake.

Philomathia's affirmative team consisted of H. H. Laskey, E. W. Greene, and M. H. Erickson, on its negative team were A. W. Walter, Henry Klos, and H. A. Seering.

Hesperia's affirmative case was represented by R. B. Stewart, David Sinclair, and Calvert Dedrick, and its negative case was upheld by R. Pfeifer, Albert McGlasson, and Seth McKittrick.

Prof. W. G. Bleyer Will Spend Year On Tour of Europe

Granted a leave of absence, Prof. W. G. Bleyer, director of the course in journalism, will leave for the East with his wife October 1, where he will stay until February 1, of next year.

Professor and Mrs. Bleyer will go abroad on February 1. They will visit Italy, France, Holland, and Belgium, and will spend the remaining months until September in England where Professor Bleyer will study material in the British National museum on the relation of the American and British newspapers of the eighteenth and nineteenth centuries.

BAND WILL PLAY AT HORSE SHOW TODAY

"The combined regimental bands of 60 pieces will play during the first annual horse show on lower campus at 3:30 today," announced Major Orlando Ward, director of the show yesterday.

The mounted exhibition was to have been given last Saturday afternoon but inclement weather made it necessary to postpone the affair.

Several sororities and girls' rooming houses have entered representatives in the show. Several townspeople have entered and will ride some of the best horses in the city.

attack will fail in its desired result."

The results of other questions contained in the Dean of Men's questionnaire are as follows:

3. Are you willing to abandon the practice of importing orchestras for private parties. Answer: Yes, 47. No, 12.

4. Are you willing to abandon the "double header" plan? (The Student Life and Interest Committee has a ruling against this practice at the present time) Answer: Yes, 38. No, 22.

5. Are you willing to abandon Saturday matinee dances during the semester? Answer: Yes, 53. No, 7.

6. Are you willing to abandon 1 o'clock parties during the semester? Answer: Yes, 5. No, 55. (The twenty sororities were unanimously opposed to this move)

7. Are you willing to see all activities prohibited the two weeks preceding final examinations? (This ruling is in effect at present) Answer: Yes, 48. No, 12.

The committee appointed to present the resolution to a joint meeting of Pan-Hellic and the Interfraternity council is as follows: George Parker '22, Isabel Trotter '23, and Walter Porth '23. The last two named are presidents of their respective organizations.

INSPECT CADET CORPS TUESDAY

General Bell to Review R. O. T. C. Unit; Hold Memorial Service

General George Bell, Jr., commanding general of the Sixth Corps area of the U. S. army, accompanied by his chief of staff and assistant will review and inspect the Wisconsin R. O. T. C. unit at the President's review which will be held on the lower campus May 30.

General Bell distinguished himself as commander of the Thirty-third Division in France during the World war. His division made a lasting name for itself especially during July, 1918 on the British front.

All cadets will report at 8:45 Tuesday morning in the armory in uniform, and later the corps will assemble on the lower campus at 9 o'clock. They will then be inspected by General Bell, after which they will parade for the President's review.

General Bell will present commissions to seniors of the Military department. Medals will be given to the winners of the competition held last Friday. The corps will march up to the Lincoln monument, on the upper campus, where Memorial exercises in honor of Wisconsin students who were killed in the war will be conducted.

Students Wait Two Nights In Drizzle For Free Badger; Deans Trace Wisconsin Ideals

The 1923 Badger, dedicated to Prof. W. G. Bleyer of the journalism department, appeared on the University of Wisconsin campus today. Robert Atwood and Alfred Jensen, both members of Sigma Pi fraternity, formerly Alif Mim, 1530 University ave., received the first copies.

The two students camped on the steps of Music hall from early Wednesday night until 9 this morning when the doors opened, despite a drizzling rain which continued throughout most of that time.

The Badger is being given the "once over" today. It is said to be the greatest university publication ever put out.

Dean S. H. Goodnight has a statement in The Badger which says: "A retrospective glance over recent years shows the world

thoughts by odd winds of doctrine. Thrift was cast aside and autos, diamonds, furs and silks abounded; but economic law brought a speedy reaction—enforced economy, a buyers' strike, financial depression. Sobriety, integrity and industry were also discarded for jazz, booze, joyriding, gambling and lax morality. Today the press is insistently demanding relief from this surfeit of frivolity and materialism and a return to old ideals. Through it all, Alma Mater has unwaveringly stood for these very ideals."

**

Dean S. H. Goodnight has a statement in The Badger which says:

"The college still fosters its original purpose, broadened now to include, more consciously, the development of personality, tolerance and sympathy."

Big Test Case in Inheritance Case June 6

Millions May Be Involved In Outcome of Cotting- ton Action

Refunding of inheritance taxes paid to the state of Wisconsin is being asked by executors of the Charles E. Cottington estate of Massachusetts. Papers have been filed with the federal court clerk, W. H. Comerford, bringing suit against the state and Dane county stating that they have no power to collect taxes on the shares held by the Cottington estate in companies from outside of the state of Wisconsin.

The firm of Sanborn, Blake and Alberg of Madison represent the estate in this city. The plaintiff contends that the defendants had no authority to collect inheritance taxes in this question as the companies are foreign. They ask a re-

turn of taxes amounting to \$6,000. Trial of the case will be made before Federal Judge C. Z. Luse June 6. It is understood that the case is a test case and, if won, will involve the turning over of millions of dollars in inheritance taxes which have been collected by the state and county.

The companies in question are from out of the state but own property within the state of Wisconsin. The defendants in their demurrer allege that the plaintiff has no claim for action.

Drastic Ordinance Before Council Tonight; To Create Zones

A zoning ordinance, which would insure better fire protection to garages in the city, was drawn up by Ald. Thomas Quinn at a meeting of the council ordinance committee last night, and will be submitted to the council for consideration tonight.

The proposed ordinance, divides the city into two zones, the first calling for fireproof construction within a distance of two blocks of

the capitol, on Wilson st., from Northwestern station to King st., State st., from Carroll to Park st., University ave., from Gorham to Breeze Terrace. Garages outside of this zone may be only partially fireproof.

INTERNATIONAL COURTESY

TODAY Wisconsin meets Manitoba in an international crew race.

Wisconsin welcomes the Canadians. They are experienced oarsmen, worthy opponents. They are America's recent allies. They are good sportsmen.

As a courtesy to the visitors, the band will play "Rule Britannia" and "The Maple Leaf Forever," the national anthems of Britain and Canada.

These anthems will receive the same recognition that "The Star Spangled Banner" would receive at Winnipeg.

If you know the tunes, keep your ears open. If you don't, watch the rest of the crowd and act accordingly.

PASS THE RESOLUTION

MORE than \$48,000 was spent last semester on dance orchestras by the fraternities and sororities.

The price for dance music at the University of Wisconsin is higher than at any other conference college except Minnesota. This is shown by the report of the dean of men. Students at Minnesota employ big city orchestras and must pay big city prices. Such places as Michigan, Illinois, Iowa, and Purdue pay a much lower rate for their orchestras than we do at Wisconsin.

The reason for the high prices in the city of Madison is obvious. The competition between the orchestras of the city is insidious. It tends to raise rather than to lower prices because the bidding is for men rather than for work. The efforts of independent student orchestras to reduce costs fail because of mercenary inducements of city orchestras.

At a joint meeting of Pan-Hellenic association and the Inter-fraternity council which will be held next Wednesday evening, a resolution will be introduced which asks all fraternities and sororities to refrain from making music

contracts for dances next year before September 25. If three-fourths of the organization represented pass this ruling it will be made binding by the committee on Student Life and Interest, according to a rule of undergraduate organizations.

If the fraternities on the campus will hold their music contracts until fall, there can be an appreciable reduction in the prices of orchestras. Expensive dance music is not a social asset, but a reflection upon the efficiency of the social chairmen.

This year the Junior Prom was made as inexpensive as possible. Social functions are working toward economy, and it is obvious that less expensive orchestras are essential to meet the desires of the majority of students.

Reduced orchestra pieces means more dances and a bigger and better social calendar. It is up to the fraternities of the university to have the resolutions passed and announce a definite stand on the music question.

TODAY'S EVENTS

TODAY there are several events which will take place that are of interest to many. The Interscholastic Track meet, the crew race, Venetian Night, the Horse show, and W. A. A. Field day, will all attract many spectators.

All these events will give the 544 visiting track men and other Interscholastic visitors an opportunity to view a part of Wisconsin life outside the class room. University life is not made up of outside activities it is true, but a glimpse of the diversity of university life is an added attraction to the prospective student.

The Interscholastic meet will uncover valuable material for future college athletes. The impressions of Wisconsin that these men receive will weigh heavily in their selection of a school later on.

The crew race is of especial importance. Rowing as a major sport was re-instated in 1921, and the forward strides of the crew since that time have been exceptional. Last year's record is an excellent one. Not only is the race today interesting from the standpoint of rivalry and athletics—it is an international race. Competitions between schools in different sections of the country are seldom held. International meets are more infrequent, and there should be an unusual amount of interest shown.

THE STUDENT COURT

WHAT is the Student court? Elections were held yesterday to appoint new justices for the coming year. What are their powers and duties? What connection do they have with the everyday life of the student?

The court was authorized and chartered by the Student Senate some years ago as a legislative branch of student government. It functioned satisfactorily until a crisis arose, and then, like too many student organizations, it was forced to discontinue. It lacked the power to carry out the purposes it set out to accomplish.

Additional power has been granted after a period of six years, and it is to be hoped that it can cope with circumstances as they arise. In fact, the organization must be able to meet all problems if it is to justify its existence.

The deans of the colleges recommended those men that they consider capable of occupying a seat on the student court. In the hands of the court lies the power to punish for hazing, rioting, thievery, infraction of lake regulations, and numerous other misdemeanors. Regulations for such things are necessary. Can a student court give unbiased and unprejudiced opinions on such matters? The court is on probation; the Cardinal expects good results.

Several Madison public school rooms are adorned by mural paintings, designed and executed by art students in the university.

Building Code Before Council Here Tonight

New Construction Law and Garage Ordinance To Get Attention

Consideration of the garage zoning ordinance and revision of the building code will be taken up at the regular meeting of the common council tonight. Reports of other committees will also be disposed of.

Repealing of the bond issue which was turned down by a Milwaukee firm will be taken up and a new issue conforming with the new city charter is to be issued upon recommendation of the finance committee.

Repair of the old city ambulance will be acted upon. The matter was introduced at the last meeting of the council but was referred back to the city property committee. Bids on the sale of the old scales and for the purchase of a new one, will be opened.

Two minor appointments made by Mayor I. Milo Kittleson will be brought up for confirmation. Mike Lyons, seeking a special police position at the Capital City bank, and Eiler Hilsenhoff, special police with jurisdiction on university property, are to be confirmed.

A communication from City Atty. Roman A. Heilman will be read favoring the acceptance of the commission's findings on the Winger Land Co. plot of ground to be used for cemetery purposes. The commission placed the value at \$54,000 for the 60 acres.

Spare Trees

Park Board Head Warns Students To Save Shrubbery

A plea to the members of the sororities and fraternities to "spare that tree" when seeking outdoor decorating materials for the Venetian Night celebration tomorrow, was sent out today by Ernest N. Warner, president of the Madison Park and Pleasure Drive association.

"The VeNetian Night is a beautiful festival," Mr. Warner states in his letter, "but this association is asking you to see that it shall not

become, as often heretofore, an occasion for permanently mutilating the splendid trees and shrubs of our drives for the sake of decorating a pier or a float for a few hours.

"Hundreds of beautiful fir and spruce trees have been 'topped' and permanently ruined, because of the deplorable ignorance and ruthlessness of young people who have undertaken to decorate something," Mr. Warner says.

He points out that coniferous trees are not indigenous to this locality and are therefore precious property of the people of Madison.

Four were arrested and fined for speeding yesterday. Arraigned in Superior court this morning were W. W. Jones, F. Armstrong, C. I. Ramsdall and H. Sinaiko. Each was assessed \$10 and costs.

Seek Wealthy Woman For \$15,000 Theft

Mrs. Heil, "Millionaire Maid," Sought In Milwaukee

(By the Associated Press)
CHICAGO — Belief that Mrs. Etta Perry Heil, divorced wife of a wealthy broker here, and wanted in connection with the theft of \$15,000 worth of loot from the home of Owen W. Brewer, had fled to Milwaukee, was expressed by the police today. At the same time it became known here that St. Paul police had traced to Chicago a woman answering Mrs. Heil's description who had robbed a home there of \$20,000 in loot while employed as a maid.

Mrs. Heil was convicted of larceny before her divorce when she posed as a maid in homes of several wealthy persons here.

A taxicab driver told police he had driven a woman answering Mrs. Heil's description to the Chicago, Milwaukee and North Shore electric line the day of the robbery.

Service Men To March on Memorial Day

Vets Plan Activities at Meeting; Take Part in Parade

Ex-service men of Madison who are to march in the Memorial day parade are to meet at the service company armory, South Carroll st., at 1:15 Tuesday to join the line of march on Wisconsin ave., it was decided at the meeting of William P. Cairns post, American Legion, Thursday night. Cards are being sent to Legion members urging them to turn out and to bring other ex-service men with them, in order that a creditable showing may be made by the veterans of the world war.

"The observance of Memorial day is not limited to members of the Legion. All ex-service men should turn out," said R. C. Montgomery, commander of the local post.

After disposing of business, the legionaires adjourned, to hold their monthly good-time meeting. "Chief K. P." Colucci and his staff served the "sinkers" and coffee for which they are renowned. "Jimmy" Clark won the crooked smear players contest, having been detected in more sleight of hand performances than any other player, according to Commander Montgomery who awarded the prize, a pair of handcuffs.

Radio May Show Humans On Venus, View Of Scientist

WASHINGTON, D. C. — "Venus is possibly inhabited by human beings and communication with planetary neighbors by wireless may be possible, although the cost would be immense," is the opinion of C. G. Abbot, assistant secretary of the Smithsonian institution in the annual report of the institution just made public.

Mr. Abbot says Venus reflects light as if it were surrounded with clouds and so probably "it contains plenty of moisture."

"Its temperature is about the same as that of the earth," he added. "And all other conditions are apparently compatible with the existence of intelligent life."

Many popular writers have claimed great things for Mars as an abode of life, Mr. Abbot says, "but I cannot accept this view."

Scout Troop No. 1 To Give Two Plays

The boys of Scout Troop No. 1 will present two plays at St. Andrew's parish house, Wingra Park, tonight for the benefit of the summer camp fund. W. Norris Wentworth, who has been prominent in university dramatics, has trained the boys. In "The Heathen Chinee"

the cast follows: "Titus Wadd," Philip Larson; "Wing Wu," and "Jack Douglas," Roderick Riley; "Kitty O'Dea," Hefty Douglas," Jack Stehn, "Michael O'Dea," Milton Scheffer. The second play entitled, "The Last Rehearsal," will be presented by these boys: "The General," Jack Linden; "The Spy," Walter Miller; "The Manager," Albert Soelting; "The Ash Man," Joseph Astell; "The Orderly," Arthur Goddard; "The Carpenter," Edward Steidtmann.

The troop, under the leadership of Major Ward, scout master, and Stanley Schafer, assistant scout master, will have the last meeting on June 5.

Towns Must Prosecute Persons Who Harm Roads

Town officers should proceed under powers held by them to prosecute persons who injure their roads in view of the fact that state statutes would be unlikely to apply. F. E. Bump advised Dist. Atty Clive J. Strang at Grantsburg, today. Contractors building a federal trunk highway were ruining the improved town roads with heavy gravel trucks, town officers complained, and insisted upon resurfacing of the highway by those who caused the damage. The attorney general informed that state laws would probably not apply to the situation.

University Women Realize Responsibilities--Nardin

LOUISE NARDIN, dean of women at the university, has the following statement in *The Badger*, which is out today:

"What stamp does the spirit of Wisconsin put upon its women? Wisconsin women realize that they are women, with the responsibilities and privileges of women. Even when the fashion runs to prolonged irresponsible juvenility set off by a show of equally irresponsible sophistication, the Wisconsin woman realizes the beauty of a grown-up mind. She knows that 'co-ed' is only a nickname, suitable as a fond, good-natured joke in the university family, but not truly representing her. She sees the mistaken ideal of life in the 'co-ed' when head-lines, quaintly forgetting the origin of the term, apply it to 'shrewd, keen, hard, worldly, little things' in women's colleges. She knows that the typical 'co-ed' is a mere trifler strayed from her proper place, intellectually asleep, and waking only under the charm of Friday night. She knows that the typical 'co-ed' locomotion through life would be dancing; the true Wisconsin woman walks upright, comradely and strong."

Dean F. Louise Nardin.

McGILVARY IS NOT SATISFIED WITH OPINION

Give Testimony in Madison Man's Death At Boston Inquest

"We were not satisfied with the disposition of the case last summer," said Prof. E. B. McGilvary this afternoon, when it was suggested that reports from Boston were regarded here as intimations that he was pushing the investigation further.

"The situation was this," he said. "Last summer Dist. Atty. Peltier held some conferences in his office about the death of my son and gave out his personal opinion that it was suicide.

Peltier has since been discharged from his office by the Massachusetts supreme court on grounds of all kinds of corruption. With a new attorney things are moving along as they should."

BOSTON—New facts in connection with the death of Lieut. Paton C. McGilvary, of Madison, Wis., former army aviator whose body, pierced by four bullets, was found in an alley in the Back Bay district more than a year ago, are said to have been related at the inquest into his death which was reopened yesterday.

These phases of the case, which were not made public, are said to have been the cause of the reopening of the inquest.

Two witnesses, a newspaper reporter and a police sergeant, gave testimony yesterday. The continuation, started several months ago to establish whether McGilvary died a suicide or was murdered, was said to have been urged by Medical Examiner Leary. In his report when the body was found, Dr. Leary said death was due to an unknown cause.

Mr. Harold Cheetam '20 is a guest at the Kappa Sigma house.

Sloop Snaps Mast Stay in High Wind

A small sloop owned and sailed by A. Larson '24, called for help yesterday afternoon when the port mast snapped and allowed the mast to crash onto the deck. She happened to be about a mile off the boat foot of Pickney street.

Two friends were with Larson but none of them were hurt. Captain Isabel, making his first rescue trip of the season, towed the wrecked boat to its moorings.

flags of the two countries. A squad of life guards under "Bus" Johnson '22 will patrol the lake shore all day today. A lookout will watch from the boat house tower and the "Cardinal" and two launches will safeguard people on the water.

High school contestants in the Interscholastic meet will witness the whole carnival from boats along the race courses.

Band Open Venetian Night

Evening crowds will gather around the University band, playing from the university pier, opens Venetian Night proper at 7:15. Varsity Gymnasts will give their annual demonstration in the gym at 7:30. Diving exhibitions by Varsity swimmers and special features will take

place in spotlight at the foot of Lake street from 8:15 to 8:45.

At 8 o'clock all organizations entering floats in the parade are asked to have their crafts in front of the Hydraulics laboratory.

Orchestras will play continuously from lake shore piers beginning at 8:15 in competition for the silver cup to be awarded the best combination. It is requested that orchestras do not play before 8:15, at which time judging will begin under the direction of Prof. E. B. Gordon, Prof. C. H. Mills, and Mary Baldwin '23.

Judge Floats at 8:45

The floats will leave the Hydraulic laboratory at 8:45, proceed down the lake front towed by the "Cardinal" to the Theta Delt pier, where they will turn and head back toward the Hydraulic lab. A power barge, the work of Ray Paulus '22, will furnish lighting power for the floats.

Judging of floats and piers will take place as the parade moves down the lake shore. Dean F. W. Roe, Prof. P. W. Dykema, Prof. W. H. Varnum will act as judges. Winners of the two float cups and the two pier cups will be announced tomorrow morning.

All lake shore piers are decorating for the Venetian spectacle. Crowds will gather on the piers, the shores, and in canoes to watch the evening's entertainment. The Varsity quartet will sing Venetian songs from the Badger club float during the parade.

McKay Appointed Highway Director

J. G. McKay, assistant professor of economics, has resigned from the university faculty to take up the position of director of highway economics in the bureau of public roads, Washington, D. C.

Professor McKay and his wife will drive to Washington, leaving here as soon as school closes. As yet it is not known who will take his place.

NEWS OF CONFERENCE SPORTS

BIGGEST PREP MEET STARTS WITH 1:30 GUN

544 High School Athletes to Compete in Big Event Today

The 100 yard dash at 1:45, at which time the high jump will also be called. Gene Tuthar, formerly from Milwaukee North and holder of the Interscholastic high jump mark of 6 feet 10 3-8 inches, will be one of the judges in this event.

The one mile run will take place at 2 o'clock, and the 440 yard dash will come next in line. Entries in the 220 yard dash will take their marks at 2:30; the record of 2:24 in this event is one of the marks likely to go by the boards with the keen competition that is expected. The remaining events of the meet, the 220 yard low hurdles, the half mile, the discus, and the javelin, will be called for between 2:30 and 3:00 o'clock. Graff, Milwaukee Riverside, who holds the present Interscholastic record of 141 feet 5 inches, will compete again this year in the same event. He is a comer in all weight events and promises to develop into a second Arlie Mucks.

Although the Milwaukee River-side, winners of first place in Class A last year, are doped to repeat their performance in today's contest, they will have strong competition from Milwaukee West and South Divisions, Madison, University high, and Stoughton. The West Division school has two reliable men, Shotola in the hurdles and sprints, and Held in the 440 yard dash.

Madison high has the best track team in years and is apt to prove the dark horse of the meet. Walsh is a sure point winner for the local team. University high, also has a good team; Holworth and Sternh have both won laurels in the hurdles this season.

Athletic Review Out Today; List of Entries Given

A complete program of events and a list of entries in the Interscholastic track and field meet at Camp Randall today has been published in the June issue of the Athletic Review which will be on sale this morning.

The number of each contestant in the meet is given together with the name of the high school he represents. The program also contains a list of the Interscholastic records made in previous years.

"My Career in the Cinder Path" is the title of an article written by Earl Thompson, Dartmouth, world's champion high and low hurdler.

The best methods for hurdling are given in "Hurdling Dope," a second article by Thompson, appearing in this issue of the Athletic Review. He tells of the benefits to be gained from the stretching exercise, and the harm resulting from running full flights of hurdles too many times a week.

Baseball, track, crew, and tennis form the basis of other articles in this issue. Leading Wisconsin athletes are given a word of appreciation in an article, "The Big Ten."

SOPH TENNIS TEAM BEATS JUNIOR WOMEN

The sophomore women's tennis team annexed another victory Thursday afternoon by defeating the juniors in two fast sets out of the three.

Dorothy Alshuler '24 and Lois Jacobs '24, played a consistently good game of tennis which the juniors were unable to withstand. Isabelle Capps '23 and Betty Schaefer '23, played for the juniors. The sets were 2-6, 6-0, 6-3 in the sophomore's favor.

CREW RACES MANITOBA TODAY

RAIN POSTPONES PURPLE CONTEST, TILT NEXT WEEK

Will Decide Championship in Michigan Game on Monday

The Wisconsin - Northwestern baseball game was postponed for the second time yesterday after an all-night rain had put the diamond into condition unfit for play.

After the Wisconsin athletic department had decided to put off the contest, the Purple squad returned to Evanston, Ill., at 8 o'clock yesterday morning. The game will probably be played on the Purple home diamond next Tuesday while Wisconsin is returning from its three-day jaunt into Michigan.

Coach Guy S. Lowman and his team of pennant-chasers left last night for Lansing, Mich., where the Badgers will stack up against the Michigan Agricultural college this afternoon. The team is booked to clash with the University of Michigan at Ann Arbor on Monday afternoon in one of the most important games of the season.

If Wisconsin can "take" the Wolverines, they will have definitely put them out of the title chase. If Michigan wins, it will force Wisconsin into a low place in the Big Ten ratings and will give itself a chance to get into the lead with Illinois and Purdue.

Girls Will Hold Field Day Events This Afternoon

Field day activities will open this afternoon at Camp Randall with the championship tennis match at 2:30 on the Randall courts.

The other events for the day are track meet and archery contests at 3 and a baseball game at 4. In the evening there will be Maypole dances, Varsity team announcements, and the awarding of the all-year championship to the winning class. A bronze tablet given by W. A. A. for class championship will not be formally awarded until the W. A. A. banquet.

An Interscholastic track meet with Northwestern W. A. A. will be held by means of telegraphic reports, and results will be posted during the afternoon at the field house.

To the winner of the individual tennis tournament a silver loving cup, presented by Charlotte Voorhis '22, will be given.

In order that the spectators of the afternoon program may remain at Camp Randall for the evening entertainment, box lunches will be sold for 35 cents. Sandwiches and ice cream will be sold by W. A. A. members in booths.

In the preliminary track contests, the sophomore and senior classes scored most points. Unusual performers were Esther Mainland '23 in high jump, Ernestine Troemel '25, Marjorie Severance '23, Florence Hupprich '23, and Jean Kilgour '22.

WOMEN HOLD WIRE MEET

A telegraphic meet with Northwestern is to be held this afternoon, according to announcements made in the W. A. A. meeting Tuesday evening. The results will be sent here of the different events and the winner of the meet will be announced at the Field house.

A small emblem was awarded to Mildred Warsinske '22, and a pin to Margaret Murray '24. New members taken in were: Janet Walls '25, Harriet Thorp '25, Anna Fox '25, Veda Shepard '25, Lucille Valentine '25, Ann Smith '25, Margaret Pantzer '25, Marie Damez '24, and Ruth Staudmeyer '24.

Eliminate Badger Tennis Team at Conference Meet

The Badger entrant in the singles and doubles tennis matches at the conference meet, which is at present being conducted at Chicago, failed to place the preliminary trials yesterday, and are consequently out of the running.

Captain Tredwell lost two out of three matches to Sanchez, Michigan, 1-6, 6-2, 6-3.

Gofredson, the other Badger entrant in the singles, was eliminated on Thursday.

The dope was upset when Tredwell and Gofredson lost to Frankenstein and Stagg, Chicago, in the doubles by scores of 2-6, 6-4, 6-4. The Bros-Pidgeon combination beat Moulding and Hastings in the other doubles match, 1-6, 6-3, 6-2.

Medkel, Michigan, Myers, Illinois, and Norton, Minnesota, placed in the semi-finals, with the latter picked as the probable winner in the finals.

Wisconsin Golfers Victors in Second Minnesota Match

Badgers Meet Northwestern Team Here Next Wednesday

The Badger golf team defeated the Gophers yesterday by a score of 15 to 3, in a match consisting of 36 holes. Eighteen holes were played in the morning, and the other 18 in the afternoon. This is the second time that Wisconsin has beaten Minnesota in golf this season.

The two captains, Swanson of Minnesota, and Frost of Wisconsin were matched against each other. The morning round was won by the Gopher captain by a score of 83 to 85. The afternoon match was a tie at 82. Capen, Wisconsin, defeated his opponent, Harding, both rounds. The scores were 86 to 89, and 80 to 86. Bauer, Wisconsin, defeated his man, Saravela, both times, by scores of 81 to 85, and 80 to 92. Stegeman, of Wisconsin, also defeated his opponent twice. The scores were 92 to 95, and 79 to 83. The best score was 79 made by Stegeman. In spite of the bad rains of the past few days, the course was in fairly good condition.

The next match which the Badger golf team will have is to be played with Northwestern university on Wednesday at Madison. They will play a return match at Evanston on June 16, and will enter the Conference meet at the Indian Hill course on June 19.

Grinnell Track Star To Race in N. C. A. A.

(Special to Daily Cardinal.)

Paulu, the winner of the 100-yard dash in the National Collegiate Athletic Association Track and Field meet last year, will run in both the century and the furlong in the N. C. A. A. meet June 17, it was announced today by "Doc" Huff, the Grinnell college track coach.

Last Saturday in the Grinnell-Washington dual meet Paulu won the hundred yard dash in :09.4-5 seconds, and the two hundred and twenty yard dash in :21.4-5 seconds.

Paulu was seriously wounded on the Western front in a brush with the Germans in 1918, and as a result lost one eye, a part of one heel, and still carries a piece of shrapnel in one leg. In spite of these injuries, Paulu is still one of the best, if not the best sprinter in college today.

IS FIRST TILT WITH CANUCKS

Junior Varsity Hits St. John's; Expect Fast Time

The Wisconsin crew will row against the University of Manitoba eight at 11 o'clock this morning in the first boat race that any Badger oarsmen have ever held against a foreign club. The Junior varsity eight will meet the crack St. John's outfit immediately following. In the event of bad weather the races will be held at 6 o'clock this evening.

The race against Manitoba will be something new for locals as well as for the 544 athletes who are here for the Interscholastic day, since the invading club is composed of eight stellar professional rowers who use a stroke that is entirely different from that used by Vail's men.

Juniors Have Tough Job

Today will be the first time that Captain Toepper and his mates have appeared in a race on Lake Mendota this season, and an exhibition that will prove superior to any seen here since the reestablishment of the popular eastern sport may be expected.

The junior crew will have a tough job on its hands if a victory is to be annexed over the St. John's eight. The latter aggregation showed itself to be in the championship class when the Lincoln Boat club of Chicago was defeated last Saturday. The Badger juniors, however, have undergone a vast improvement since losing to Culver last week and the varsity has been forced to the limit to beat them in practice races held during the past few days.

Finish Near Park Street

The Badgers are going in better style than they have at any time in the past two seasons, according to the time hung up on Thursday night, and indications point to a win for them.

The race will be run over a course one and one-fourth miles in length, the finish being directly opposite the Park street pier. The boats will start out at the rate of 40 strokes per minute, and probably will not drop below 36 strokes per minute at any time during the race.

The Canucks will be somewhat handicapped by the fact that their home course is on a river, and also by the fact that they will be using a Wisconsin shell. The latter is considered a handicap in that the men become used to their own boats and it is difficult to "feather" the oars when rowing in a strange boat.

The junior men who will hold shell positions in the race today are: Walter, 1; Pearse, 2; Turner, 3; Plettner, 4; Smith, 5; Klussendorf, 6; Benton, 7; Newcomb, 8; stroke; and Kitchen, caxswain.

The Varsity-Manitoba lineup follows:

Wisconsin
Toepper, captain, 1; Puestow, 2; Jones, 3; Okerston, 4; Schuetz, 5; Crozier, 6; Johnson, 7; Brehn, stroke; Hanley, coxswain.

Manitoba
Creighton, 1; R. Carey, 2; Adamson, 3; E. Crahey, 4; Watt, 5; Spry, 6; Galt, 7; Phinney, stroke; Hillhouse, coxswain.

WILL REMODEL LAB FOR ZOOLOGY CLASS

The small two story Zoology laboratory on the shore of Lake Mendota between the Hydraulics laboratory and the Pumping station, is being repaired and made ready for the use of summer students who will do research work under Prof. Arthur S. Pearse. Trips to various parts of the Lake Mendota will be made by the students who will gather specimens for work in their classes.

Frocks As Fresh As A Summer Day

—of Sheer Organdie, Swiss or Gingham

If there could be another way of devising a frill, or twisting a gay ribbon into an avalanche of beauty or fashioning summer blossoms from a bit of cloth, then, surely, these charming frocks would have discovered it.

Pastel tinted organdies choose the most original adornment. Ginghams find new variations achieved in gros-grain woven into lattice and even chintz appears in quite the quaintest frocks of all.

Like a garden of blooming flowers, new frocks appear each morning.

Voiles and dotted Swisses begin at \$6; ginghams at \$5, and organdies at \$11.50.

Chenille-Dotted Veils

Insure a Trim Appearance
When Motoring

Light colors or dark, to match your hat or costume color scheme. The veilings are in fine mesh with gay dots of chenille—jade on white, black on flesh pink, copen and brown on tan, and many other combinations. 60c to \$1.25.

Metal Girdles \$1.89

Attractive metal girdles with colored bone and carved metal rings. Especially desirable for wear with the new summer ratines.

Onyx Silk Hose Special \$1.59 Saturday Only

Slightly irregular Onyx hose, silk to the top. Values to \$3.50.

The New Season Demands A Smart White Hat for Summer Wear

What else can give the season's touch to suit or poiret or tweed? How else can the smartest sport clothes be smart without it—the clever white, or light colored summer hat?

Summer hats—disguised in frilled white grosgrain ribbon, perhaps; white milans wreathed with meadow flowers; black and white hats to finish a stunning costume scheme; jaunty sport hats to enjoy each and every summer lark—all are blooming in our millinery rooms.

Black Cire Ribbon

Gives a Smart Touch to 'Most Anything

Put a length of cire on a hat to give it a Parisian touch; make roses of it for a light frock of silk; tie it around the wrist of a white blouse that needs toning up a bit; fashion it into bows to end the puffed sleeve—in short, let it solve the problem of "how shall I make this look smart?"
