The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Maple Syrup

Not long ago a man hired me to make maple sugar with him. It was so cold the sap didn't flow but at last it got nice and we made maple sugar all day and all night. I got enough syrup for a year. Just one dipping pail full of sap will make half a pint of syrup.
