The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

So You're Graduating . . .

and it's time to look at the most important aspect of your nursing career-choosing the right hospital!

Montgomery General Hospital is a 229-bed privately owned, not-for-profit community hospital located in a country setting, close to Baltimore and Washington, D.C. Our staffing is great, our Nurse-to-Patient ratio is excellent.

We are presently accepting applications for May Graduates. Our Med/Surg, Orthopedic and Psychiatric areas offer a two month practicum. Our Critical Care Areas offer a four month internship for new grads with a strong desire to work with the critically ill patient.

Start your career off the right way by calling our Nurse Recruiter, Carol McCutcheon, RN at 301-774-8666, and, don't forget to ask about our RN to BSN program.
