POSTPONED MEETING OF THE BOARD OF REGENTS

Tuesday, May 27, 1941

At the residence of Regent Sensenbrenner, Neenah, Wisconsin

Meeting of the Board of Regents postponed from May 10, 1941  
to May 27, 1941

President Glover presiding

PRESENT: Regents Callahan, Cleary, Glover, Hodgkins, Holmes, Kleczka, Sensenbrenner, Vergeront, Werner.

ABSENT: Regent Ekern.

A communication was received from Regent Ekern from California regretting that he could not return in time for the meeting.

Upon motion of Regent Werner, seconded by Regent Callahan, it was VOTED, That the minutes of the last meeting of the Board held on March 8, 1941, be approved as sent out to the Regents.

Upon motion of Regent Callahan, seconded by Regent Kleczka, it was VOTED; That the minutes of the meeting of the Executive Committee held on April 2, 1941, be approved, ratified, and confirmed.

Regent Sensenbrenner referred to a letter which he had received from Governor Heil, and read the following statement:

"A few days ago I received a letter from Governor Heil. It was addressed to me, not to the Board of Regents.

In it he called attention to a radio program - 'Wake up America' - now being broadcast over WHA, the University station. His curiosity was aroused by the titles and he asked if I was familiar with it.

He said that complaints had come to him that some things were not satisfactory at the University. That the views of some members

of the faculty were subjects of criticism. He cited the fact that Dean Garrison had opposed Bill 183 S. before a legislative committee and at a hearing before him.

I have discussed the contents of the Governor's letter with a number of the Regents. They expressed an interest and propose to make inquiry. The Board may wish to consider the matter when members have had a chance to make their inquiries." *Commencement*
