The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

*when his need is greatest... **postoperatively***

Severe or rapid depletion of water-soluble vitamins is effectively and optimally countered by ASF - Anti-Stress Formula. Fulfilling the recommendations of the Committee on Therapeutic Nutrition, National Research Council, ASF supplies the critical vitamin needs of the patient during periods of physiological stress.
