Monthly Reports.

Dear Mrs. Trainer:-

Answering your letter of March 6th, with reference to duplications in your November, 1928, report of names and tax included in your October, 1928, report, beg to say if you will send us the names and tax that were duplicated in your November report, we shall be glad to make allowance by giving you credit to be applied to future reports, for amount of tax remitted in error.

Certainly the winter conditions which you described have been a great hinderance to the activities of your Organization and we hope that with the coming of Spring that your Klan will rejoice in the opportunity afforded for greater and more effective work and that you will have a successful year with the Klan program.

In this connection it affords us pleasure to advise you that the books of the Auditing Department has an unused credit of \$19.95, which may be applied to your future reports. Thanking you for your letter, and with very best wishes, we are,

My dear Mrs. Trainer:-

Answering your letter attached to report for the month of June, beg to say your October and November reports showed tax of \$ 4.90 in duplicate, being Imperial, \$ 3.15 and Realm, \$ 1.75. The account of your Klan was given credit for this amount and it gives us pleasure to inform you that your report for the 2nd Quarter, 1929, has been received and analyzed as correct. Herein please find report of our analysis for the 2nd Quarter, also statement showing taxes advanced for account of the 3rd Quarter and statement showing the suspense account of your Klan now clear.

We hope that with the closing of the busy farming season your members will find more time for social and other activities of your Organization. However, we would say to your membership that, in our opinion, it is the busy people who count for the greatest things in Klankraft.
