<http://rightsstatements.org/vocab/InC/1.0/>

The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

TYMPAGESIC

Ear Drops

WARREN-TEED

- The penetrating, dissolving, and drying actions of its propylene glycol are far superior to those of glycerine. Phenylephrine—its positive acting decongestant—reduces swelling and discomfort. Benzocaine and antipyrine bring prompt analgesic relief from pain. Moreover, Tympagesic is safe, non-irritating, non-allergenic.

Phenylephrine Chloride	0.25%
Antipyrine	5%
Benzocaine	5%
Sodium Metabisulfite	0.1%
in Propylene Glycol	

Supplied in half-ounce dropper bottles, upon prescription.
