# Hazel-Balm™

"MEDICATED CUSHION OF FOAM"

## for hemorrhoid patients

Cleansing after defecation can be excruciating for patients with hemorrhoids, posthemorrhoidectomy, or anal irritation. Now, a quick spray of Hazel-Balm on the tissue makes a smooth, non-irritating "wipe". Takes the dryness and roughness out of the tissue. The foam does the cleansing! Then leaves a residual protective layer . . . cooling, antipruritic, bacteriostatic. Very inexpensive to use.

**COMPOSITION:** (Exclusive of inert propellant): Hamamelis Water, N. F., (witch hazel) 79.9%; polyoxalkylene lanolins (Aq. Gel) 20%; Benzethonium chloride 0.1%. **SUPPLIED:** 5 oz. aerosol dispensers each containing approximately 150 applications and 2 oz. dispenser, easy to carry in pocket or purse.

Let the foam do the cleansing
