The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Volar Distal Radius Plating System

## Introducing a Proximal Plate Option.

MORE CHOICES, OPTIMIZED DESIGN, STREAMLINED SURGERY.

Acumed<sup>®</sup> introduces the Acu-Loc<sup>®</sup> 2 Volar Distal Radius Plating System. This new system provides both proximally and distally fitting plates, fracture management instrumentation, innovative plate placement technology and the unique percutaneous Frag-Loc<sup>™</sup> compression screw for dorsal fragments. The Acu-Loc<sup>®</sup> 2 Volar Distal Radius Plating System is the most comprehensive wrist fracture solution on the market.

To learn more about this and other innovative solutions, contact your local Acumed<sup>®</sup> Sales Representative or visit our website at [www.acumed.net/joint](http://www.acumed.net/joint) • +44 (0)1264 774450 • (888) 627-9957
