The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Hi :

O too hot.

How've you been?

I'm a bit better. After the heat subsides I'll let you know the day I make noodles so if you wish, come up and observe the masterchef as she putters.

At the moment this noodle drops a few lines of Darwin's Formation of Vegetable Mould, through the Action of Worms, with Observations of Their Habits into the soup-conscious.

Stay cool —
