A Tribute to . . .

The Farmers of Dane County

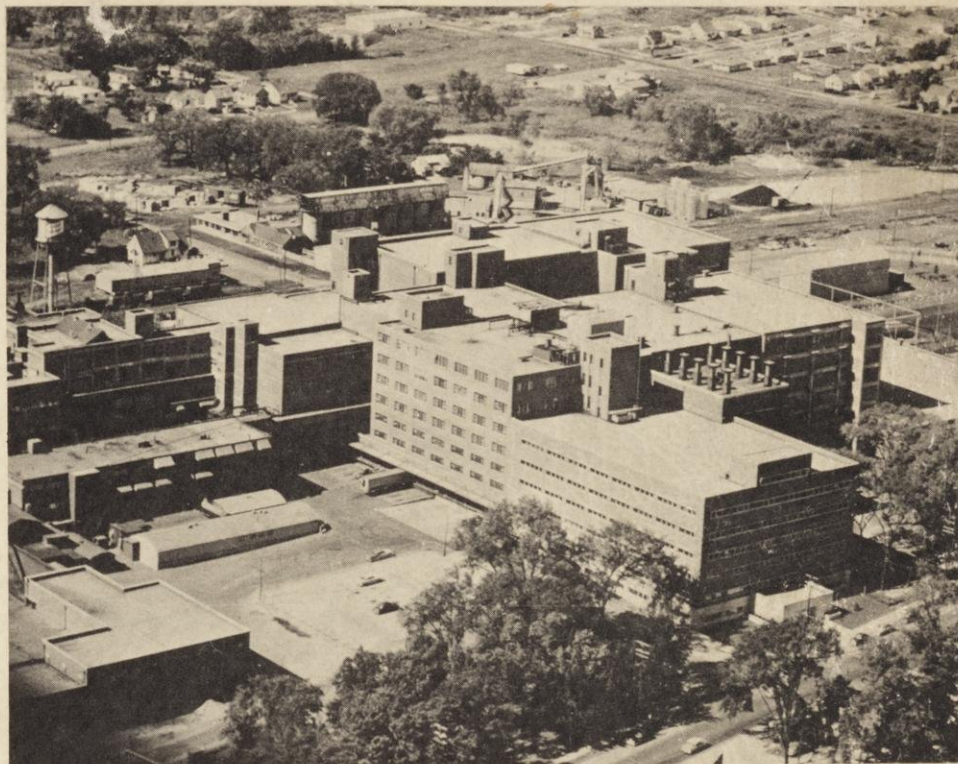

In 1919 the farmers of Dane County cast their lot with Oscar Mayer & Co. when they voted to sell the Farmers Co-operative Packing Company plant to Oscar Mayer.

Dane County farmers wanted a Company that would do an efficient job of processing livestock into saleable meats and meat products. For they knew, that only through efficient processing by the packer is the farmer assured of consistently higher prices for his cattle and hogs.

The past years of growth and development of Oscar Mayer & Co. serve as a testimonial to the faith and trust of these farmers. Oscar Mayer & Co. has maintained the most efficient processing methods possible—resulting in higher prices for the farmers and better products for the consumer.

The farmers of Dane County deserve a tribute for the outstanding co-operation they have given Oscar Mayer & Co. in the raising of lean, meat-type hogs, making possible efficient low-cost processing.

The Meats team is an important structure in the American economy and the farmer is the foundation on which that structure is built.

For the highest prices for your Livestock bring them directly to the Oscar Mayer & Co. Madison Plant or to the Oscar Mayer Buyer in your vicinity.

For the latest up-to-date Livestock prices listen to the Oscar Mayer Farm Service Radio Programs.
