The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

### Three Men Went Hunting

One time three men went hunting. As they were going along the road, they ran out of food. So then they hunted various kinds of game and at last he killed some. Then one man said, "Let's have a contest to see who has the best dream and he will eat the most."

Then one man said, "I had a dream of a stairway, a stairway that went to heaven. One man climbed up that stairway and then another man climbed up the stairway to heaven. That's the reason the two of them were eating since I saw them in heaven."
