<http://rightsstatements.org/vocab/InC/1.0/>

The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# Moisture Trap

Soothes Itching, relieves dryness, retains skin moisture...

## SARDO® in the bath

Unlike miscible bath oils which mix throughout the bath water, exclusive-formula Sardo\* spreads on the surface in an undilutable, finely-dispersed film that transfers easily to the body as the patient leaves the bath.

Soothing, lubricating Sardo traps moisture in the skin . . . augments natural skin lipids . . . helps restore the lipid-aqueous balance in the stratum corneum and thus provides rapid relief of dry, itchy or scaly skin.

For dry and chapped skin, "winter itch," intertrigo and all other common skin conditions that can benefit from bath oil therapy, recommend non-miscible, undilutable Sardo.

SARDOETTES®... disposable towelettes impregnated with Sardo for use after showering or local washing.

\*U.S. Patent #3150049

Samples and literature from Sardeau, Inc., Dept. #3, Kenilworth, N.J. 07033
