REGULAR MEETING OF THE BOARD OF REGENTS

Madison, Wisconsin

Saturday, January 23, 1943, 9 A.M.

President Glover presiding

PRESENT: Regents Callahan, Ekern, Glover, Holmes, Kleczka, Sensenbrenner.

ABSENT: Regents Cleary, Hodgkins, Vergeront, Werner.

A communication was presented from Regent Cleary advising that he was absent on account of illness. A telegram was received from Regent Hodgkins stating that he could not get here because he could not get a train out of Ashland on account of storm.

Upon motion of Regent Sensenbrenner, seconded by Regent Callahan, it was

VOTED, That the minutes of the regular meeting of the Board held on November 21, 1942, be approved as sent out to the Regents.

RECOMMENDATIONS OF THE PRESIDENT

- Administration and General -

1. That the following actions by the Faculty be approved:

- (a) The date upon which the 1.5 grade-point requirement in the College of Agriculture becomes effective be postponed.
- (b) The food and nutrition majors in home economics be permitted to take Education 75 for three semester hours, with credit towards the Bachelor of Science Degree in Home Economics.

- (c) Men entering the American Field Service be on the same basis as men entering the armed forces as regards war credits, completion of incompletes, etc.
- (d) In accordance with the recommendation of the Reorganization Committee, the University go on a three-term plan beginning in the summer of 1943, a 15-week summer session shall be held from June 7 to September 18, and six and eight-week sessions, primarily for teachers, shall be held beginning June 21. Should a change in the length of the sessions become necessary in the light of subsequent information which may be forthcoming from the Army regarding its training program on the college campuses, the Administrative Committee shall have power to adjust the dates accordingly.
- (e) For the duration of the war, and for such period thereafter as may be necessary in the judgment of the Executive Committee of the School of Education, the requirements for degrees in the four-year course in Physical Education for Women (general major and dance major) be changed as follows:
- (1) Total credits required for graduation to be reduced from 130 to 124
  - (2) Requirement in Chemistry for the general major to be reduced from one year to one semester.
- (f) For the duration of the war, students 21 years of age and fully qualified for entrance to the College of Letters and Science be allowed to register in the School of Commerce for preparation for war work in a special three-semester curriculum not leading to a degree.
- (g) The existing requirement of 1.75 grade-point average throughout four years of study in the course in Applied Mathematics and Mechanics be replaced by the following:
- The grade-point average of at least 1.75 in all subjects taken at the University shall be required for admission to the senior year.
- Students electing to transfer at the beginning of their senior year to the B.A. or the Ph.B course shall be permitted to count Mechanics 106 (Advanced Mechanics) and Mechanical Engineering 63 (Thermodynamics) within the "20-credit rule".
- (h) The Departments of Journalism and Agricultural Journalism be given full membership in the Division of the Social Studies.

- (i) Recommendation in regard to type of registration and credit for students sent here by the Government, as follows:

Students sent to the University by the Government may be registered as unclassified. Such students will receive credit for successfully completed work of a University character. Transcripts showing the completion of this work may be issued. If such students later return to the University they must either before registering satisfy the entrance requirements of the University or on special permission of the Executive Committee of the College concerned make up these requirements after entrance according to a schedule specified in advance by this Committee. However, work completed by a student while unclassified even if done before fully meeting the University's entrance requirements will be credited after the entrance requirements have been met for any degree towards which it normally applies. Work done under similar conditions at other universities may under like conditions be accepted for credit at the University of Wisconsin.

- (j) Amendments to the by-laws of the Student Court (already approved by the Student Board), as follows:

Article 5

10. Substitute, "ten days" for "three days" after the preposition "within" in the sentence beginning, "Such appeal must be made within".

Article 7

2. a. Strike the period and substitute a comma, then add, "except that, whenever the Chief Justice shall feel in regard to a particular controversy that some personal interest makes it unwise for him to preside, or whenever he is prevented from so doing by reason of illness or other like exigency, he may after consultation with the court advisor and the selection by them of a temporary Chief Justice be excused from presiding over the trial of the particular controversy".

Add e. "Within a week after the judges and other court officials have been appointed, the Chief Justice shall at the convenience of the Court Adviser call a meeting of the newly appointed judges and other Court officials and a representative of the Student Board, at which meeting the Court Adviser shall discuss with those present the history of the Court and the philosophy behind its formation, the conduct of trials in general, and the place and conduct of judges and other Court officials in the Student Court."

3. Add "one copy with the Dean of Women in cases relating to women, " after "one copy with the Dean of Men". Also add the following sentence to this paragraph: "In cases of classroom dishonesty the decision of the Court shall be transmitted within three days by the Clerk of the Court to the Chairman of the Discipline Committee, the Faculty Complaintant and, if judged guilty, to the Offender's Dean and Adviser, and the Registrar in cases requiring enforcement by this office."

Article 9

Add 4. "The Board of Appeals shall select from its own membership a panel of three, consisting of two faculty members and one student, to act on appeals from traffic cases decided by the Student Court. This panel shall have no authority to hear any other type of appeals from the decisions of the Court, and the whole Board of Appeals may elect to act on whatever traffic appeals it desires."

- (k) In view of problems now arising which involve the coordination of high school and university work, the University Committee recommends to the faculty that a standing committee on High School and University Correlation be elected annually for conferences with a committee of the Wisconsin Education Association which is to be chosen for this purpose. The proposed committee is to consist of four members, one elected by each university division, with the President of the University serving ex-officio as chairman, and with the deans of the various colleges serving as advisory members when questions involving their colleges are under discussion.

Upon motion of Regent Holmes, seconded by Regent Kloczka, recommendation No. 1 (a) to (k) under Administration and General was adopted.

- Comptroller -

1. That the penalties for late registration and payment of fees be extended one calendar week for new freshman students entering the University at the beginning of the second semester of 1942-43. (This action is taken to permit new students to enroll without penalty because their mid-year graduation from high school falls on a date subsequent to the opening of the second semester as scheduled in the revised University calendar for 1942-43.)

BE IT RESOLVED by the Regents that all lawful rules, regulations and orders issued by the Mayor of the City of Madison pursuant to Section 25.27 of the General Ordinances of the City of Madison authorizing blackouts and air raid protection shall be deemed to apply to all University property under the control of the Regents and University officials are authorized and directed to secure compliance therewith.

Regent Sensenbrenner explained the obligations relating to the Arboretum property and presented the following resolution:

*pay in envelope*

RESOLVED, that The Regents of the University of Wisconsin authorize and approve of the conveyance by said Regents to the Wisconsin University Building Corporation of the arboretum properties known as Jessie B. Noe Tract, Frank W. Hoyt Tract, Mandan Realty Company Tract, Mortgage-Securities Company Tract and Nettie A. Grady Tract, for the purpose of having said properties and also the so-called Burr W. Jones Tract, now owned by the Wisconsin University Building Corporation, leased to and ultimately conveyed to The Regents of the University of Wisconsin; said lease to run for a term of thirty (30) years for an annual cash rental of not to exceed \$6,419.15, payable at the end of each rental year. When the payments have been made in full, as required by said lease, the title to said six tracts so leased shall be conveyed to and vest in The Regents.

BE IT FURTHER RESOLVED that The Regents approve and authorize the granting of a \$111,000 first mortgage covering the above six tracts of

arboretum property and running from the Wisconsin University Building Corporation to the Wisconsin Alumni Research Foundation. Interest is to be at the rate of four (4) per cent per annum and said principal sum with interest is to be paid in twenty-nine annual installments of \$6,419.15 each and one of \$6,418.58, commencing one year from the date of said note and mortgage, each installment to be applied first on interest with the balance on principal so as to amortize said loan over a period of not to exceed thirty (30) years but with the privilege of making additional payments on principal in any amount on the installment paying dates.

The President and the Secretary of the Board of Regents are authorized and empowered to execute and deliver any and all instruments and documents necessary in the carrying out of the foregoing resolution.

Upon motion of Regent Holmes, seconded by Regent Kleczka, the resolution was adopted.
