BAY LEAVES

WILLIAMS BAY, WIS.

VOL. V

SEPT. 30, 1937

NO. 37

LIFE, LIBERTY AND PURSUIT OF HAPPINESS. IN THE UNITED STATES

DECLARATION OF INDEPENDENCE ----- " We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness. " -----

These truths expressed in the Declaration of Independence became enacted in the Constitution of the United States.

How far do they follow a citizen of the United States? Can we expect them to follow him into all parts of the World or does the guarantee only apply to the United States?

Should a few hundred citizens in a country now in a state of warfare by insisting upon their rights bring our nation into a position of embarrassment and possibly war?

Many remaining in China are missionaries. We respect them and expect them to carry on the traditions of Christians throughout the centuries, but on the other hand should they expect the red, white and blue to protect them under the circumstances?

WILLIAMS BAY IS GROWING

Williams Bay has approximately 600 houses which are occupied part of the year. This does not count the cabins in Conference Point, Eleanor Camp or College Camp or several single room cabins which are at the rear of lots and rented out to transients.

Of these ten were new this year or nearly 2%.

O.A. Rosboro, a Summer resident of Loch Vista for several years, built an attractive all year round home in Oakwoods Estates facing the Bay. Eric Werner was the contractor. Ivar Viehe - Naess who has a Summer home in Loch Vista was the Architect.

Another attractive home overlooking the Bay end lake was built by Harvey S. Brackett. It backs up on Park Ridge Road and faces Oak Grove Park. Logs and boulders are used in its construction. Eric Werner was the contractor.

In Bay View S. Jorgensen who lived several years ago in Oak Woods Estates is building a home for all year round use and will occupy it next Spring. Anderson Brothers were the contractors.

An attractive home was built on Circle Drive in Cedar Point Park by Anderson Brothers for Mr. and Mrs. H.P. Anet of Oak Park, who are staying as long as weather permits this fall.

Another new home is being completed in Oakwoods Estates for Gerald Young of Chicago. It is of modernistic design and is being built by Eric Werner.

Facing the lake in the Original subdivision of Cedar Point adjoining the park a new home is going up for Ernest Erickson of Riverside, Ill. Eric Werner is contractor and will have it ready for occupancy next Spring.

Gust Anderson built a Summer cottage up on Orchard Street to which he will add improvements as he himself builds it.

Three cottages were built in Cedar Point Park by Chicago contractors for Mr. Novak, Chicago; Mr. Englehart, Chicago; Mr. John Hoglund, Chicago.

Piehl & Piehl are building a bungalow for D.J. Oetjen in Jewell Subdivision.

Another home which was built last winter and occupied this Spring was the George A. Morava home on Circle Drive in Cedar Point Park. This was built by Eric Werner.

Indications are that several more homes will be built for occupancy next Summer if the requests for figures can be used as a guide. Building costs are considerable under the figures for 1929 though there has been a tendency for rising costs.

There are a lot of very desirable building lots in the village on which homes for all year round use can very profitably be built right now.

The criminal case which was brought against the captain of the Wisconsin Transportation Co. boat from which a bottle was thrown severely injuring one of three young men in a motor boat which had been bothering the captain by running criss cross in front of it to the dismay of the passengers was dismissed after being tried by District Attorney Freytag before Justice Belton in Elkhorn last week. The incident occurred last Summer.

The village of Williams Bay had been requested to step into the case but the Board had felt that it was a civil instead of a criminal one. Now it will probably be made a civil case for damages, if brought up at all.

The village interest would have been in the enforcement of the Ordinance Regulating the Use of the Beach and Water Craft. With the increase of craft and the large number of bathers something must be done during the coming season to better regulate the water front and the use of the Bay.

Miss Mary Margaret Hussa, a former teacher in the Williams Bay school was a visitor in the village over the weekend. She is teacher of music in the school at Columbus, Wis. She has sixty in a girls Glee Club and ninety-two students in a mixed chorus.

The Williams Bay Garden Club will meet with Mrs. G. Van Biesbroeck, Constance Blv'd., on Tuesday afternoon, October 5., 2:30. A study, "Know Your Trees", will be a part of the program. All members are asked to be present.

Rev. and Mrs. R.K. Kinney and Carl Anderson took a group of young people of the Gospel Tabernacle to a Young People's Rally at Racine last Sunday afternoon, and remained for the evening meeting. Beth Kinney, Loraine and Gertrude Peterson, Lloyd, Doris and Walter Frey, Margaret MacDonald, Mary Vavra and Jeanette Ringstad were the group who attended the rally.

CONGREGATIONAL CHURCH

Rev. Victor Keiser, Pastor

Morning Worship 10:45

Sunday School 9:30

The sermon topic for the Sunday morning service, October 3- will be "What Does Religion Do?"

The choir will sing the anthem "Dear Land Of Home" by Sibelius.

Fontana, Wis.

MASS- at 9 o'clock a.m.

MEN'S COMMUNITY CLUB TO
HAVE SPEAKER NEXT TUESDAY

Prof. H. Storlie of the University Extension School will be the speaker at the next meeting of the Men's Community Club next Tuesday 6 p.m. at Rose Lane. All men invited.

CASUAL COMMENT

The scientists who lately braved the dangerous hazards to ascend Shiva Temple, near the rim of the Grand Canyon in Arizona, have succeeded in trapping some animals that may open the story of evolution, a hundred centuries old. They may be able to prove that Darwin was right in his theory of evolution. If they are successful in finding the missing link, we might have to begin to live all over again. Those of us living now won't need to worry as 38,000 years, the age of the Shiva Temple, is a long time.

Now that the Chinese people are constantly being brought to our attention these days, let me give you a Chinese version of the poem, The Honey Bee (in English)

How does the little busy bee
Improve each shining hour?
He gathers honey all the day
From every blooming flower.

- Chinese reciting the same poem -

"How does the little sting bug
Spend every sixty minute all the day?
Go picky' up sting bug, all de
juicy, all de time
From every flower what goes busted."

Franklyn DeLano Roosevelt, Jr. and his cellophane bride, the former Ethel du Pont, recently returned from a three months honeymoon spent in Europe.

FOR SINGLE MEN ONLY

An elite hotel in New York now has a sewing school for men. The teacher in charge says-"You know George Washington was an excellent sewer and knitter!" Now all the single will learn to sew on bachelor buttons, feeling that a button sewed on properly is better than a nail and a piece of string.

WELL SPOKEN

Teacher-Que-"Johnny, what is the shape of the world?" - Johnny-Ans-"My father says it's the worst shape it ever was."

P E R S O N A L S

Miss Frances Sherman, a graduate of Oberlin College, Oberlin, Ohio, has come to the Yerkes Observatory to continue her studies for her Master's Degree in Science.

Mr. and Mrs. John Hillhouse have gone to Kirkwood, Mo. for a visit with Mrs. Hillhouse's parents.

Mrs. C. McKenzie of Chicago, spent last weekend with her son, L.A. McKenzie and Mrs. McKenzie at their Cedar Point Park home.

Mrs. William Elbert will be hostess to the Williams Bay Woman's Club, on Friday, October 1. This will be an anniversary Tea. Mrs. I.B. Davies of Delavan will be the speaker.

Mrs. Harry M. Algeo of Cedar Point Park had the misfortune to fall down stairs on Wednesday last, dislocating her shoulder.

Mrs. A.P. Lovejoy went to Glendale, Calif. last Saturday to attend the wedding of a niece, which will occur this week, on Thursday.

Harry M. Algeo, Cedar Point Park, reports having a pear tree in blossom in his yard for the second time this summer.

A purple violet was found blooming in the F.M. Van Epps yard on Monday of this week. Some one might call this a sign of an early spring! Never can tell.

Mrs. Lizzie Krause of Racine, is visiting her sister, Mrs. Henry Granzow, this week.

Mrs. Walter Jewell and Mr. Geo. C. Blakslee will be delegates attending the Wisconsin Congregational Conference at Whitewater, October 5, 6, and 7, at F. I. church, representing the Wms Bay Cong'l Church.

DELAN'S QUALITY DEPARTMENT STORE

WILLIAMS BAY FIRE DEPARTMENT
MAKES A NEIGHBORLY CALL.

The word neighborly is used advisedly as the Town of Geneva where the fire was (it was on the Elkhorn Road opposite the Lockwood Farm) will not pay for any calls made by our department. This is the second call made within a few months in that district.

Being good neighbors the department goes to the aid of those in the district immediately north of the village. Those making the calls naturally call the nearest department, especially as they are on the Lake Geneva exchange.

The attitude of the Town Board of Geneva is difficult to understand in the matter. They say that they have a part in the fire apparatus in Elkhorn which should serve all the Town of Geneva.

The residents in the district should take the matter up their board and get a better understanding about the service.

Our department was there in a jiffy and put out the fire which had a good start. It must have been caused by spontaneous combustion as no one had been in the cottage for a couple of weeks.

BIDS TO BE OPENED FRIDAY NIGHT

On Friday night this week it is expected that bids which are opened for the Water Purification and Softening Plant will be within the amount allotted for that purpose, namely around \$30,000.

The two previous times when bids were submitted the bids were rejected as being beyond the means of the village. Such changes have been made this time that the engineer feels confident that the bids will be low enough to accept.

Several firms which previously submitted bids are again figuring on the work.

P.T.A. OF WILLIAMS BAY SCHOOL TO
HOLD MEETING

The first meeting of the Williams Bay Parent-Teachers Association will be held on October 4th, at 8 o'clock. A welcome to the new teaching staff and parents, will be given by Mrs. Wesley U. Lockwood, president. A presentation of the years program will be given by Mrs. Van Biesbroeck program chairman.

Mr. Frank Holt, Dean of University of Wisconsin Extension, will be guest speaker. His talk will enlighten interested members of the advantages and functioning of a University extension course, as we now have in Williams Bay. Carl Cable Bjorge will play a piano solo and Miss Jean Radebaugh will sing a group of songs. Refreshments will be served while parents and teachers may become acquainted and enjoy a social time.

Florence M. Lockwood.

BENEFIT LUNCH TO BE HELD AT
HERMANSON'S BAKERY

On Monday, October 4, Hermanson's Bakery will serve a bakery lunch for the price of twenty cents, from 12 o'clock. Afternoon coffee during the afternoon. The proceeds will be donated to the Student Aid Fund for the free scholarship. The serving will be done by Mrs. Hermanson and Mrs. Van Biesbroeck.

Please come and bring your appetite and help a good cause along. Afternoon coffee will be ten cents.

WISCONSIN CONGREGATIONAL CHURCH
CONFERENCE TO BE HELD

The ninety-ninth annual conference of the Wisconsin Congregational churches will be held next week, Tuesday, Wednesday and Thursday, October 5, 6, and 7, in the First Congregational church, Whitewater. The theme of the conference is, "The Mind of Christ in The Life of Today". Many prominent Clergymen and Christian leaders from all parts of the United States will appear on the program.

THE GENEVA LAKE SUMMER SCHOOL OF
NATURAL SCIENCE ISSUES PRINTED
REPORT FOR FIRST YEAR .

Director O.D. Frank advises:

" Thirty-two students were enrolled, a busy, enthusiastic, earnest group. Dr. Downing gave body and direction to the School.

Dr. George Van Biesbroeck of Yerkes helped our students interpret the stars and planets and constellations of the skies. Dr. M.E. Wing of Beloit College took them through the unglaciated regions and the kettle moraine area and taught them geography and geology in a new way. Dr. Carl Welty of the same institution showed them the minutiae of plant and animal life. Your director helped students to discover the relationship of plant life to its environment. And the special lecturers, such as Professor Franz Aust of the University of Wisconsin, provided breadth and depth to the the investigative work.

The School has been designed to give outdoor-minded people contact with the out-of-doors first hand. It has helped to interpret the New Education to the students and to the community. The location is ideal- in the midst of everything a naturalist's soul could desire- woods, water, sky, rocks, birds."

OLIVET INSTITUTE CAMP

Olivet Institute Camp occupies five acres with 300 feet of lake frontage at the western limits of the Village of Williams Bay. The camp has just finished its twenty-eight season under the supervision of Dr. Norman B. Barr who is also its founder. The site of the camp was purchased nearly 30 years ago from Dr. Stockum, who at that time was conducting a small health resort. There were a half dozen small buildings on the site then and these were almost concealed by the dense woods.

When Dr. Barr acquired the site the foremost thought was to build up a camp to accomodate groups of children and mothers from the congested district near Olivet Institute (Chicago). This program has been carried on all through the years of the camp's existence and thousands of children have been given outings in June and July.

To help meet the expenses of maintaining the camp, house-keeping units were established and accomodations for hotel guests were also added and now the camp has facilities to accomodate thirty-two families in housekeeping cottages and about a hundred in the hotel bungalows. The camp is making every attempt to keep up in the pace toward modernization and if present plans can be carried out will be justly proud.

Mr. Louis A. Bowman of Oak Park is at present and for a couple of decades has been President of the Board.

Dr. and Mrs. Barr, who have just returned from a three months vacation in Europe have all these years been prime factors in the development of the camp. They occupy one of the cottages there and are planning to spend much of their time at the camp whenever the weather will allow them to do so.

L.W. Johnson.

Editor: Mr. Johnson was Camp manager and wrote this article at the suggestion of the editor.

NEWS OF 1937

FRESH AIR ASSOCIATION

The annual meeting of the Lake Geneva Fresh Air Association was held on Sept. 16, at the residence of Mrs. Wilmarth. The following officers were elected for the ensuing year - President, Mrs. Edward Russell; Treasurer, Mrs. Herbert A. Beidler; Corresponding Sec., Miss Hatley; Recording Sec., Mrs. N.C. Sears.

It is said of Mrs. E.E. Ayer, the retiring president, that the present prosperous condition of the Association is largely due to her management and personal work. Her successor, a daughter of Richard T. Crane, is abundantly qualified to carry on the work, and as she is thoroughly interested, will undoubtedly see that interests of the home are well cared for. "

Mr. George C. Blakslee will leave on Monday, October 4, for a ten day lecture tour; taking in several cities in southern Illinois and northern Michigan.

Mrs. Paul B. Jenkins of Milwaukee visited in the home of Mr. and Mrs. S.B. Barrett a few days last week.

Mr. and Mrs. H. Granath and children will live in the house in Oakwoods Estates which the D.J. Oetjens soon will vacate. Mr. Granath's business is in Chicago. He will spend the weekends in Williams Bay.

Placards are up announcing a new series of Wrestling Matches at the Pastime Roller rink. the first one is on next Tues. Oct. 5th at 8.30 p.m.

Look for the posters. Well known wrestlers take appt.

INTERESTED IN SHOOTING?

The members of the Williams Bay Gun Club got busy on Monday afternoon and cleaned up the grounds at the trap in Recreation Park(?) so it is in readiness for use.

On next Sunday every one interested in shooting is invited to be at the Club grounds with guns all cleaned up ready for a trap shoot.

The Gun Club was organized several years ago but has been inactive of late. Now it is being revived and to start it off a Clay Pigeon Trap Shoot will be held Sunday afternoon at about 2 o'clock.

About 25 men are interested and all others interested are asked to be on hand next Sunday afternoon.

RECREATION PARK

Let's give it a name. It is fast becoming a recreation park. Last winter a good start was made in tobogganing and skiing. The toboggan slide was built as a W P A project and the ski jump was put up by the village.

The shelter was also built by the village at the request of the Chicago and Northwestern Railway which advertised extensively our Village as a Winter Sport Center. In fact a leading trades journal for Winter Wearing Apparel placed Williams Bay on its map of Winter Sports capitals.

The Williams Bay Gun Club has its traps in good order and is ready for a lot of activity this Fall.

There is talk already of putting in a skating pond for skating and hockey. With such a pond there could be a lot of Hockey Games with nearby clubs competing.

Now for a name. Nominations will be presented to the Village Board to select from. If it is dignified with a name all will take more interest in keeping it up.

What is your suggestion?

COON AND FOXHOUND FIELD TRIAL

Our neighbor Harry Billings is a Director of The Wisconsin Raccoon and Fox Hunters Association which is sponsoring a Tri State (Wis., Iowa and Illinois) Coon and Fox Hound Field Trial on Sunday, Oct. 3rd at Evansville, Wis. on the John Mc Dermott farm 5 miles west of Evansville.

The trials start at 9 a.m.

In the afternoon there will be several speeches of interest to hunters and their friends.

The public is invited. The admission is only 25¢ for the men folks with ladies and children free.

It will be in the nature of a picnic and refreshment stands will be on the farm for those wishing to buy lunches there.

Harry will be glad to furnish any further information, just phone 1246 R-3

LAKE GENEVA VOLUNTEER FIREMAN, CHARLES VOSS BURIED WEDNESDAY.

All members of the Volunteer Fire Departments in Walworth County knew Charley Voss on account of his keen interest in Fire Fighting. In " Bay Leaves " the editor told some time ago of his signal system for passing on orders during a fire.

He had a stroke several weeks ago which kept him confined to his home and he did not seem to recover from it as was expected. He passed away last Monday and was buried at Oak Hill on Wednesday.

He was employed by Bucknall's Store for Men and had been with Ralph Bucknall for seven years. Previously he had been with J.E. Barr for 24 years.

He was active in the Evangelical Lutheran Church, Lake Geneva.

He is survived by his wife and one daughter, Mrs. Marvin Burns.

WILLIAMS BAY SCHOOL NOTES

The first football game of the season proved to be a bog success for Williams Bay. A large group of Bay folks went to Clinton on Thursday afternoon, Sept. 23, and saw Wms Bay win -13-6. The game is played with six pen instead of 11 men. This gives the fellows more of a chance for clever teamwork. The next game is October 1, and will be played at Darien.

The players on the squad are Lester Hackett, Robert Hansen, Rob't Hess, Robert Kukukuck, Carl Borge, Roy Johnson, Edward Soplanda, Warren Rasmussen, Harold Wittig, Elmer Billings, Jack Delappe, Edwin Van Biesbroeck, Fred Kudrna, Vernon Lockwood, George McDonald, Carl Osman, Arthur Werner, Jack Keiser, Robert Kenyon, Dick Spencer, Alvin Stenstrom, Wilber Gardner, Gerald Ohl, Willie Horvath, Fred Horvath. Roy Johnson, Edward Soplanda, Warren Rasmussen, Elmer Billings, Jack De Happe, Art Werner and Alvin Stenstrom starred in the first game.

The Junior is sponsoring a Pie Sale to earn money. They will take orders and deliver the pies Saturday, October 2. Elsie Ambrose and Nancy Hollister are the chairmen. The Juniors are also going to publish a school paper of which Rector Blakeley will be the editor.

The Glee Club held their first meeting, September 24. Miss Radebaugh is the director. Officers elected were- President, Jeanette Ringstad; Secretary and Treasurer, Jacqueline Lockwood; Librarian, Nancy Hollister.

The girls had a steak fry in the Boy Scout Cabin, Tuesday evening, September 28. Miss Pagenkopf, Miss Herwig, Miss McMeans were the guests.

Jeanette Ringstad.

WILLIAMS BAY CONGREGATIONAL CHURCH HOLDS ANNUAL MEETING

The annual meeting of the Wms Bay Congregational Church was held Wednesday evening, September 29. A pot luck fellowship supper was enjoyed by the members and a few visitors, with Mmes Wm Elbert, Roy Johnson, E. Kukukuck and Alfred Johnson in charge.

Immediately after the supper a song service was held, followed by a stirring address, "I Believe In The Church", by Rev. H.A. Studebaker, pastor of the Second Cong'l Church of Beloit.

Mr. George Blakslee acted as moderator of the business meeting. Reports were read and accepted from the officers of the church departments and societies and chairmen of the various active church committees. There were 21 reports in all.

The new years' budget of \$2350, was voted and approved. Mrs. Storrs Barrett reported on the membership roll of the church, which now has 93 resident members and 27 non-resident members.

The new amendments to the Constitution and by-laws of the church were approved and accepted.

Mrs. Edward Zabler, chairman of the nominating committee for the new officers for the church and Sunday-school, made the following report, which was approved and accepted.

Church trustee, Mr. Edwin Holm, to succeed Mr. Geo. Blakslee. Five other trustees are- J.S. Hotton, Harold Fierce, Oscar Stenstrom, Mmes Elliott R. Downing, Wm Elbert. Deacons- Harry Everson, F.M. Van Epps.

Church Treasurer, Mary R. Calvert. Clerk of the Church, Mrs. Walter Jewell, who has served in this important office for over 35 years. Deaconess- Mrs. Elmer Tess, to succeed Mrs. Storrs Barrett. Mrs. Edw. Zabler is the other deaconess. Sunday school Supt., Rev. Keiser. Mr. Geo. Blakslee, church representative on the Sunday school Board. Secretary-treasurer- Sunday school, Ruth Ellen Ohl; assistant, Leola Ripley.

ANNUAL MEETING CONG'L CHURCH (Cont)

Mrs. E.B. Frost, treasurer of the Ladies Aid Society, read the years report which showed the society earned \$1075 last year. \$229.50 from the summer luncheons; \$134.00, from the play, "Village Gossips", written by Mrs. Frost. \$25.00, gift to this fund.

Usually the ladies aid does not earn much during the summer, but due to Mrs. Frost's untiring efforts, the society did well socially and financially the past summer.

The report of the Choir, read by Mrs. Karen Steele, president, showed all money on hand sufficient to pay the chorister, Miss Anna Lee, for the next year, which sum was earned from sales, and gifts from friends and sewing robes for a boy's choir of Cong'l church, Northampton, Mass.

Dr. and Mrs. Elliott Downing left last Saturday for a few days visit with their daughter, Dr. Elizabeth Downing in Chicago and will later go to Springville, Mich. to visit Mr. and Mrs. G. Hewitt (Lucia Downing) and new granddaughter, Elizabeth Hewitt.

HILLARD in "NEW FACES"
A group of new players. A lot of
comedy.

THE STUDENT AID FUND

With the establishment in Williams Bay of a University Extension Branch, giving our young students a complete year of University instruction with full credit at the least possible cost, a new occasion for community service was brought about.

The P.T.A. took the opportunity and decided to adopt as a yearly project, the task of raising the necessary funds to offer a scholarship to two local high school students, eligible for a college education, who otherwise could not afford even the one hundred fifty dollars necessary for the tuition.

It is hoped that such a project will meet with the approval of the community and that everyone who possibly can do it, will receive the pledge card with a smile and fill it out as best they can for the benefit of the cause.

Mrs. G. Van Biesbroeck.
