JUNIOR HIGH.

THH

The opening of the 1922-23 school year in the City of Marinette marked a great step in the progress of Marinette public schools when the Junior high was first opened to school children.

The new Junior high is the latest word in architectural efficiency and in up-to-date equipment. The entire structure is built of concrete, brick, tile and stone making it as nearly fire proof as possible. The interior finish of the woodwork is all done in red oak. Much attention was paid to the lighting plan and the installment of heating and ventilation systems. Special provisions are made in the Jr. High for a dental clinic room, fresh air room, for deaf and dumb and for the mentally retarded. The Manual Training building, separate from the Jr. High is a masterpiece in itself. The approximate cost of the new school was 5,000,000 dollars.

The senior high school was built in 1916. The school is one of the best equipped in the upper part of the state. The auditorium has a seating capacity of 1100 people and the gymnasium is as well outfitted and as large as any schools within a radius of 200 miles. There are fourteen class rooms, two rooms for printing, six domestic science rooms, two laboratories, four science rooms, two mechanical drawing rooms, a chorus room and numerous other rooms such as locker rooms storage rooms etc.

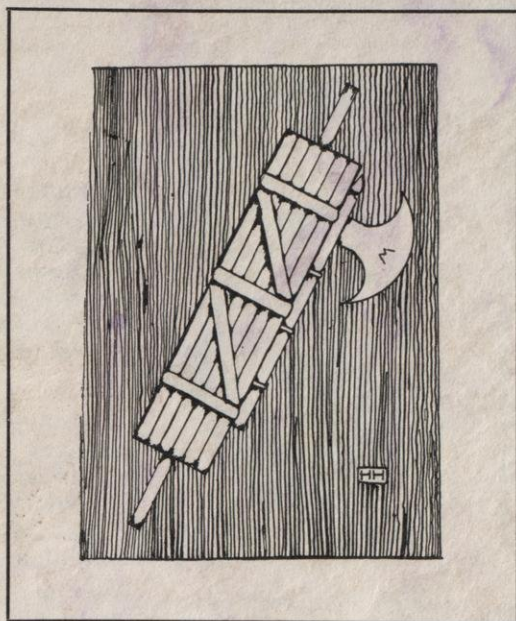

Now with the addition of the Jr. High to the Senior high school, housing a total number of 1200 pupils and capacity of 1700, Marinette can rightfully take pride in her educational facilities.

EB

ADMINISTRATION

## Marinette Spirit

The spirit of Marinette is still, to some extent, the spirit of the pioneer who went into the northern wilderness and wrested therefrom a livelihood, made homes, and established community life. The spirit of the pioneer carried him from the comforts of life, from home and friends into the unknown where hardship and danger lurked everywhere.

The smell of the pine, the song of the saw, and the buzz of the planer are still with us. Soon, however, the time will be at hand when lumbering and the men who devoted their life to the conquering of the forest will be but memories and their achievements history. Already other industries are absorbing the man power of our city.

Marinette needs today, more of the spirit of those who first built homes here. Marinette, while a prosperous community, nevertheless is not making the progress in an industrial, social, and civic way that it should. Too many of its people are content to benefit by what those who came first did and are unwilling to go forth and make better, bigger, and more beautiful the community created and developed by the pioneer.

Marinette needs to face the future as did the pioneer who saw what would be instead of what was. A real Marinette spirit is not content with dirt streets, out of date, poorly lighted and non-ventilated school houses. The erection of the two new school buildings for our children is an incentive to a real Marinette spirit. The few blocks of paved streets is a sample of what a real Marinette spirit desires for all of our city. While real Marinette spirit appreciate the beautiful, but little has been done to make our city, so wonderfully blessed by the Creator of All in natural resources, location, and opportunity, a really attractive place in which to live.

A real Marinette spirit realizes and appreciates the fact that the future, not alone of Marinette but of the state and nation, will be in the keeping of the children of today. In spite of this, too little attention is given, too little money is spent, and too little interest is taken in the education of our children, the most wonderful, and most valuable resource of any community. In spite of what we would like our children to become, we, as a community, are doing nothing to provide a better environment. Play grounds are unknown, ice skating rinks are too expensive, boys' club rooms are unnecessary, gymnasium and winter play facilities are idle talk. The girls, mothers of the future, have not even been given a thought.

Thousands of monuments grace the world's public places, parks, gardens, squares, etc. It is significant to note that everyone has been erected because of service rendered to fellow men and not one to selfishness or wealth.

An awakening of a real Marinette spirit can make of this God blessed section the most wonderful place in which to build homes, rear children and worship the Almighty.

## Marinette Spirit

Marinette spirit, Marinette loyalty! We hear it so much. What does it mean, anyway? Is it merely the enthusiasm that brings students out to mass meetings, ball games and parties? Or is it the more enduring motive that makes them stand behind the athletic teams, in victory or in defeat, because they're "our team?"

It means more, far more, even than that. It means the pride in and love for the school that makes each one who possesses it feel ashamed to do a small or mean thing knowing that he is lowering just that much the high standard of the school. It means the spirit that stands for principle, that will endure misunderstanding, submit to torments of enemies and even luke warm friends, rather than for one moment surrender that ideal.

It of course is difficult to resist when one sees his fellow class mates cutting classes, defacing school property, skimping on the amount of study, keeping late hours, going to parties on school nights, using tobacco and profane language on school premises and in innumerable other ways lowering his own character and damaging the reputation of his school.

Nevertheless, he who has true Marinette spirit and loyalty will resist the tempter and will ask himself, "Will doing this thing be a good thing for my school? Will it help me?" Only on such things can true spirit, loyalty and character be built.

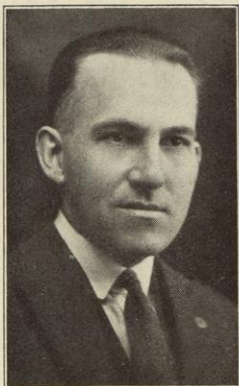

True Marinette spirit means not only supporting athletics which, while fine in their place, is only a part of the system, but getting behind everything and pushing for the best all the time. True Marinette spirit means doing your best in study, in aiming not only for physical perfection but intellectual perfection also. It means backing up your debating teams, oratory and declamatory work, and every other kind of school activity. It means to develop yourself broadly and not lop-sidedly as some do by interesting themselves in only one phase of school work.

This is the real Marinette spirit, the spirit that has actuated the lives of students here for generations. We are proud to be able to say that it is as strong and as powerful today as it has ever been in Marinette's glorious past.

Anyway it is a pretty good  
annual after all. Good luck to you  
J. P. S.

## Football

Marinette will always remember and be exceedingly proud of the 1922 team.

For the second consecutive year Marinette copped the state championship this being the fourth state championship eleven put over in the past six years.

Although the squad was defeated by Toledo, its fine record of nine victories and one defeat caused all the state authorities and most of the leading newspapers to recognize the Marinette eleven as state champions.

Marinette has a record that no other school can boast of turning out championship teams in 1919-21-22.

The team this year went successfully through one of the hardest and longest schedule ever attempted by a High School team.

Marinette had upon her championship eleven some men who were recognized as some of the best in High School football. Marinette also had upon her eleven some of the cleanest athletes and best sportsmen ever gathered to make a football team.

After all eliminations at the beginning of the season Coach Johnson had a squad left of twenty-six men. The first game was easy, but the other nine games were hard. Four or five were especially so but the team did not break under the strain but rather seemed to feed upon hard battles.

The Toledo defeat did not dampen the fighting spirit or stop it's drive as was shown in the following two games, in which they defeated the only two contenders for the state championship.

Menominee, West Allis and Oconto were added to the string. The team extracted revenge by swamping Oshkosh, the only team to hand them a defeat last year.

Green Bay and Appleton died hard. The Sheboygan game was surely what is termed a man-killer. The temperature was around zero and a light snow was upon the ground making it all the harder for the players.

The prospects for next year are bright as some of the regulars and almost all of the second team will be back.

**MIKE KRESKY, CAPT.**  
Tackle

Kresky played a great game at tackle. He was good at opening large holes in the line for frequent long gains. He was also good at place kicking and did all our goal kicking. He was pretty accurate in placing the ball between the bars. He held his part of the line down in great shape thus giving the backfield plenty of time to get away on long end runs.

**CLARENCE BAROFSKY**  
Half-Back

Barofsky was a fast man with the ball and exceptionally good in open field running, where his ability to dodge tackles enables him to run back kicks for long gains. His punting was an important factor in every game. Although his regular position was at half he was capable of stepping into place as quarterback and handling the team in a very capable manner.

*Hutson - I always considered  
you to be a good sport and  
true friend*

**EINAR LUND**  
Half-Back

*E. Lund*

Lund, fastest man on the Marinette back field and unequalled for giving interference. His specialty was long sweeping end runs and also gaining ground through the line because of his ability to get under way quickly and keep his feet. He was a sure, hard tackler and good defensive half. He also was good in breaking up end runs before they were under way.

**JOHN NEGOSKI**  
Tackle

Negoski showed himself well able to play a defensive and offensive game at tackle. He held the line well in giving the back field time to get his punts off. He was good at breaking through and smashing the interference usually getting the man with the ball. He was down under every punt.

Here wishing you lots of good  
luck. When this you see, remember me

*Kathryn S*

**MIKE KUCHENBURG**  
Quarterback

Mike at quarterback handled the team well and showed real judgment in selecting his men and plays. He could hurl the ball almost as far as an ordinary punt would carry, and displayed considerable accuracy in sending the ball into the hands of a waiting back or end. He had the ability to keep his feet which aided him in pulling off quarterback sneaks through the line.

**HERBERT NEWMAN**  
End

Newman was good at meeting the interference and smashing it, sometimes getting the runner himself, thus making the right end of the line secure against any gains on end runs showed up well during the season. He was a good man on the receiving end of passes and always was down under kicks.

**JOE KRESKY**  
Full-Back

Joe's good work as defensive man stopped the opposing team from scoring many a time. In carrying the ball he hit the line hard and most always smashed through for gains. Once under way Joe always arrived with a lot of drive and was a man mighty hard to stop once he was started. The school looks forward to Kresky on this year's team.

**JAKE SAIDEL**  
End

Saidel at left end played a consistent brand of football the entire season. A good tackler and a speedy runner he was down under every kick. He was principally responsible for the comparatively few gains that the opponents made in running back kicks. He also handled passes accurately and cleanly.

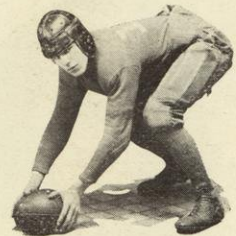

**FRED HOFHERR**  
Half-Back

Hofherr's defensive work at half was of good quality. Although small, he always hit that line like a sledge hammer, smashing through for repeated gains. He always nailed his man, and his ability to side step and dodge opposition tacklers make him a good open field runner, always returning kicks for a gain in territory.

**ELMER PALMQUIST**  
Center

Palmquist played a steady dependable game at center throughout the season. Always alert in breaking through and nailing the runner, and shifty in following the play behind his own line he showed himself to be an aggressive hard fighting center. His passing was accurate and his line play on the attack opened large holes for frequent gains.

**RAYMOND KAMPS**  
Guard

Kamps proved to be a steady dependable man all season. He opened huge holes in the line for line plunges and blocked the smashes of the opposing backfield. The opponents always found him steady and could not get around him. He played a scrappy game throughout the season.

**JOHN MOKEY**  
Half-Back

Mokey showed his worth in open field running. He was a hard man to put off his feet which enabled him to smash through the line and make long end runs. Besides possessing speed he was a hard tackler and usually got his man. He was good at breaking up the aerial attack of the opponents and breaking their line plunges.

**VERNON KRONQUIST**  
Guard

Kronquist best trump card was his ability to break through and smash the interference before it was formed or under way. He was especially good at blocking line plunges. On the attack he could be depended upon to tear a large hole in the opposing line for repeated long gains.

**WALTER KUCHENBERG**  
Quarterback

Walt showed good ability in picking his plays. He was always cool while in the old scrap. His ability to start quickly and being a hard man to tackle he was able to pull off many quarter back sneaks. He played a good defensive game, no man ever getting by him. Walt will have plenty of time to develop in the next two years.

**JOHN COX**  
Tackle

Cox though stocky and powerfully built handled his weight well and frequently was close upon the heels of the ends in covering punts. He had a fast charge, met the interference well and could be depended upon to stop all line plunges that came his way.

**CLARENCE PARENT**  
Full-Back

Parent's offensive work at full was his best trump. He had the ability to start quickly and an eye to pick the holes. He was shifty which enabled him to pick the best chance offered for gain. His interference made it possible for the backs to get away on long end runs.

**CARL WOLFE**

End

Wolfe played good football throughout the season. He was especially good at breaking up end runs, thus making his end of the line comparably safe. He was down under every kick, usually getting his man or breaking the interference.

**MILTON JOHNSON**

Guard

Johnson's chief ability lay in his defensive work, shifting in and breaking up plays and sometimes getting the man with the ball. He stopped every smashing line plunge that came his way. On the attack he always did his share to open large holes in the line.

**CARL BHIEL**

Center

Bhiel played a steady game at center. His passing was accurate and could be depended upon to open holes in the opposing line. He played a good defensive game. He was good at stopping line plunges and breaking through to break up end runs on the interference before they were started.

**LESLIE BAROFSKY**

End

Les played a good old defensive game. He was good at blocking the line smashes of the opponents and always opened a hole for repeated gains. He was down under every kick and got his man before he had a chance to start. He was a good man at picking passes. Once his hands were on that ball he never lost it.

## **SHAWANO 0, MARINETTE 41**

**At Marinette**

Tom Johnson's scoring machine opened the 1922 season with a rush and a bang by handing the Shawano eleven a good beating, 41 to 0.

The play of both teams was somewhat ragged but the boys succeeded in piling up a neat little score of 41. This being merely a practice game, every man was given a chance to show what was in him.

---

## **E. GREEN BAY 7, MARINETTE 13**

**At E. Green Bay**

After beating Shawano, the following week the purple fighting machine journeyed to Green Bay and handed the Bayites the short end of the score in a hard fought game, 13 to 7.

The line, responding to every call, opened great holes in the opposing line. The game was somewhat slowed up due to the muddy condition of the field.

The back field showed its ability and speed by making gain after gain.

During the second half the score being a tie, it was anybodies game. The speed and fighting spirit of the purple squad soon gave the purples another touch down, winning the game for Marinette.

Green Bay had a good team but ours was better. It is to their credit to have held the State Champions to a score of 13 to 7.

---

## **FOND DU LAC 0, MARINETTE 58**

**At Fond du Lac**

Playing in a drizzly rain the purple squad handed the Fond du Lac eleven a drubbing to the tune of 58 to 0. The strong play of the back field was the feature of the game. Although out played and out classed the Fondies fought gamely until the final whistle.

The seconds made a good showing, piling up more points in the last quarter than any other quarter during the game.

---

## **OSHKOSH 0, MARINETTE 59**

**At Marinette**

The purple and white squad wiped away the sting of last year's defeat by easily defeating the Saw-Dust city eleven in a one sided game of 59 to 0. The line was a tower of strength, throwing the play for a loss on almost every play. The Oshkosh clan used a trick shift but this failed to work. The purple warriors easily destroyed the opponents air attack. Long runs featured throughout the game.

## **APPLETON 0, MARINETTE 19**

### **At Appleton**

The purple squad handed the declared championship Appleton eleven a sound beating on their own back lot. The final tally was 19 to 0.

Straight, hard line plunges were used during the game, mixed with the aerial work. It proved Appleton's Waterloo. Marinette speed and the line strength showed up in this game.

Both elevens fought gamely until the final whistle. Relationship with Appleton was broken two years ago, due to a little hard feeling. Friendly relationship has again been established. Appleton did her part as hostess very well. Good sportsmanship was much in evidence on both sides at the game and Marinette came away with the best of feeling toward Appleton.

—M—

## **OCONTO 0, MARINETTE 41**

### **at Marinette**

The Oconto-Marinette game played at Marinette was another one sided game in which Marinette overwhelmed their opponents with touchdown after touchdown.

The game was too much of a runaway to be interesting. The second team went in the 2nd and 4th quarters and repeated the tactics of the first teams.

The Oconto game was the 6th consecutive victory for Marinette.

—M—

## **MARINETTE 21, MENOMINEE 0**

### **At Menominee**

Marinette met and again defeated their ancient rivals on the Walton Blesch field Menominee on November 11th.

Menominee was confident of victory this year and when the game started it looked as though Menominee might make good, but this idea was soon undermined when Marinette broke away crossing Menominee's goal line just before the end of the first quarter. However this did not dampen the fighting spirit of the Maroons.

In the second quarter Menominee staged a spectacular comeback almost turning the tables on the purples. The Maroon back-field and line working in perfect unison worked the ball down the field time and again threatening Marinette's goal line at least three times but before they were able to put the oval over Marinette came too and stopped the Maroon attack, then the tide turned. Menominee held this quarter not allowing Marinette another marker.

The second half opened with Marinette at their best. Menominee's line could not stand long before this attack and soon weakened. Marinette's line played its best ball, meeting and stopping every attempt of the opposing line and backfield.

During the rest of the game Menominee showed the old fight but could not withstand the attack of the stronger team. Marinette hung up two more markers this half the ball being in Menominee's territory the entire half.

## MARINETTE 19, TOLEDO 45

### At Toledo

Marinette came out second best in the game with Scott High of Toledo Ohio, played on the Scott High field the score being 45-19.

Leaving here November 16th by a special car the squad of twenty men arrived in Toledo on the night of the 17th. On the following Saturday morning the men gave the field the once over and that afternoon they met the Scott High team.

Scott had the unblemished record of going five years with out a defeat and were U. S. High School Champions in 1922. Until Marinette crossed their goal line not once but three times, Scott High had not suffered any other to cross their goal line in two years.

The field was almost knee deep in mud from the constant rains. This slowed up both teams and gave little chance for any spectacular foot work.

Scott out-weighed Marinette twenty pounds to a man, but in spite of this fact Marinette made such a wonderful showing of football technique and fighting spirit that Scott High asked them to come back in 1923, a sure sign of their respect for Marinette's football ability.

The people of Toledo were surprised at the showing Marinette made and were lavish in their praise for the team, but as some stated Marinette was outclassed. Scott High had a team that would rank well against the average college team.

Marinette fans were highly pleased with the showing the team made and place it to their credit.

Marinette out-played, out-guessed and out-witted Toledo in the second half, only allowing Toledo one touch-down while Marinette themselves hung up two but the weight of the opposing line held our back field somewhat in check. Marinette completed many passes it seemed as tho Toledo was weak in breakup our aerial work.

## WEST ALLIS 6, MARINETTE 41

### At Menominee

Marinette high met West Allis on the Walton Blesh field of Menominee on December 2. The game had to be postponed from November 30 to December 2 due to sleet and rain.

West Allis came up from the southern part of the state tooted by Milwaukee papers as legal contenders for the championship. Previous to playing Marinette, West Allis won seven games straight.

When the game started it looked to the crowd of five thousand people as though West Allis would live up to their reputation, but the idea was soon dispelled by Marinette crossing their goal line three times in the first half. It was easily apparent that Marinette was the best team even in the first quarter and it was merely a question after that of how many points Marinette could pile up before the end of the game.

West Allis put up a game losing fight. Especially good work was done by the back field, their fullback being the main stay of the team.

By defeating West Allis, Marinette left only one more contender, Sheboygan, in the run for the State Championship.

## SHEBOYGAN 3, MARINETTE 6

### Sheboygan at East Green Bay

The purple squad journeyed to E. Green Bay on Dec. 9th to meet Sheboygan, the only contender for the title at Hegemester Park.

A frozen field to-gether with a light snow made things pretty slippery, this slowed up both teams. This coupled with the temperature, which hovered around zero made playing quite difficult.

Sheboygan with seven consecutive victories to her credit started the game in great style, carrying the ball to the twenty yard line and scored a field goal during the first few minutes of play.

For a time it looked as though Sheboygan would add another victory to her string, but the fans were again shown the fight and comeback spirit of Marinette.

The purple eleven succeeded in carrying the ball within scoring distance three times but twice they lost the ball on fumbles and once on downs. Sheboygan retained their scant lead during three quarters of the game, but in the last quarter Marinette scored the winning tally. During the quarter Marinette outfought and out played the chair makers although beaten Sheboygan by no means gave up but fought the harder, but Marinette's stronger attacks and speed saved them the day.

Straight line plunges were used by both teams although Marinette completed a few passes.

## REVIEW OF THE BASKET BALL SEASON

After the successful season in football, it seemed very likely to every Loyal fan of the Marinette High that a good record be made in basket ball also. Not alone judging from the success of the football season but from that of the team having a few years of experience and also every player of last years team again reporting this year.

The season was a decided success. Winning eight games out of eleven and losing three. Two of these to Menominee and one to Shawano the district tournament winners.

The season was opened by easy victories over Peshtigo and Crivitz on the same night.

The fast Oconto-Falls team was the next victim of our perfect scoring machine.

The first set back of the season came when Menominee defeated us 10-8 upon our own floor. The game was hard fought, but Marinette staged it's come back in the last half a little too late to win the game.

After the Menominee defeat the team staged a splendid comeback and defeated the strong Sheboygan team, in one of the hardest fought battles of the season. Sheboygan longed to revenge the defeat of their foot ball team by our's and nearly accomplished their goal.

The team suffered it's only bad defeat at the hands of Shawano 27-7.

However after being swamped by Shawano the team showed it's real worth by defeating Oconto where by turning a trick not done by any Marinette team in the past seven years.

The boys it seemed just couldn't get rid of that losing streak and dropped a tough battle to Menominee. Marinette played good ball but was somewhat off color that night.

The following week they again showed their ability by beating Shawano, a team who had only a few weeks before beaten them 27-7.

The team journeyed to Green Bay and took the Bay team into camp by defeating them 21-16. Although behind the first half Marinette showed a little pep and class the second round and came home with the bacon.

Successfully closing their basket ball season by defeating Oconto upon their own floor making it two straight victories over their ancient basket ball rivals.

The season was one continual string of hard games. This was about as hard a schedule that any Marinette basket ball team attempted. The first three games were comparatively easy but after that it sure was a battle royal.

The prospects for next year are quite bright. Johnson, Kresky, Mathisen and Hiel all letter men will be back. Most of the second string will also be back. From these men a good team ought to be the results.

—M—

**ALFRED TIEGE—Forward**

Tiege, known as the bright spot of our team rarely missed a short shot. He was the best short shot on the team. His floor work and passing made him one of the main spokes in the wheel. He played a cool game with plenty of scrap and go.

*Thank a thousand  
times for that picture  
H.H. we did appreciate  
Good luck with the pen.*

**CLARENCE BAROFSKY**

Clarence was one of the main cogs of the team. His pivoting and dribbling counted much toward our victories. He was speedy and showed lots of scrap. He was Marinette's best long shot dropping in quite a few long ones during the season. He worked in perfect union with his team mates.

*H.H. 1/24/22*

**RALPH LEONARDSON—Center**

Leonardson was a good all around center. He had a way of working himself under the opponents basket either making a basket or pulling the guard out so as to give his team mates a clear field to the basket. His passing was accurate swift and sure.

**ALTON TREPANIER—Guard**

Trepanier is one of the best guards ever turned out by this school. He held his position down in great style. His scrappy tactics stopped the opponents from scoring or running up a number of points. He was picked as best guard of the tournament.

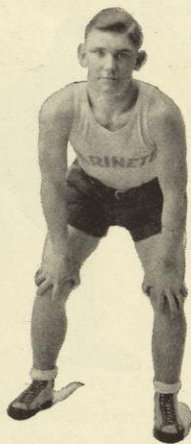

**JOE KRESKY—Guard**

Joe usually burst right through the opponent's defense for a basket ever so often. He showed up best on defense where his aid to Trepanier in guarding the baskets kept many an opponent from scoring. Joe has a number of years to develop and is possibly a coming star.

*How old Kiel - when ever  
I want to know some-  
time - all "a-s-k" yo-u."*

**LESLIE BAROFSKY—Center**

Les was especially good at defense. His pep and scrappy fighting broke up the attack of the opposing team before it was fairly under way. Les was also good at short shots. He handled the ball cleanly and was sure and quick in his passing.

**MILTON JOHNSON—Guard**

Johnson a tower of strength at the guard position broke up many attacks of the opposing team on our basket. He will hold the guard position down for us next year. He was clever in getting the ball off the banking board.

**IRVIN MATHISEN—Forward**

Mathisen showed some good ability which will be developed in his remaining years. He was speedy and had lots of pep and the old fight. He was no slurk at shooting but was best on short medium shots. He displayed good team work.

#### **Peshtigo and Crivitz at Marinette.**

The cover was lifted off the basket ball season in easy victories over Peshtigo and Crivitz. The purple five showed good team work and speed for the first game of the season, having organized only a week before hand. The scores were respectively:

Peshtigo 8, Marinette 23.

Crivitz 9, Marinette 18.

—M—

#### **Oconto Falls at Marinette.**

The strong Oconto Falls team was the next victim of the fast purple quintet in a 28 to 10 score.

—M—

#### **Menominee at Marinette.**

The following week Marinette lost their first game to our ancient rivals. When the final whistle blew Marinette had the short end of the score, 10 to 8. The purples recovered in the last few minutes of play, dropping in two baskets in quick succession but the comeback was staged too late. The whistle blew leaving Marinette with the short end of the score.

—M—

#### **Sheboygan at Marinette.**

In the next game Sheboygan was defeated 16 to 13. The game was scrappy and fast through-out. Marinette showed what they really could do with a basket ball when playing up to colors. The chair makers never gained the lead once and Marinette's team work bewildered them at times. Close guarding was featured by both teams.

—M—

#### **Marinette at Shawano.**

Marinette received their second set-back when Shawano swamped them on their own floor, 27 to 7. The game was fast but rough. The local five were handicapped by the small floor. At times the Shawano five fairly stunned the purple five by carrying the ball straight through to the basket.

#### **Oconto at Marinette.**

The purple squad evened up affairs when they took the fast Oconto team into camp 23 to 12. This was the first time in several years that Marinette succeeded in beating their old-time rivals.

---

M

#### **Marinette at Menominee.**

Marinette dropped the second game to Menominee after a hard fight in which Menominee secured the long end of the score 15 to 11. Close guarding and good shooting by Menominee made their second victory possible.

---

M

#### **Shawano at Marinette.**

Marinette settled affairs with Shawano by defeating them 19 to 13. Shawano was lost upon the large floor. Marinette's team work and defensive proved too much for the Shawano five although they fought hard, and they had to carry a defeat home instead of the bacon.

---

M

#### **Marinette at East Green Bay.**

The purple quintet sank the bay city team in a hard battle, the final score being 23 to 15. Beaten at the end of the first half the locals came back in the second half sweeping their opponents off their feet and before the bayites could recover had the game safely tucked away. After that the bay team never had a chance.

---

M

#### **Marinette at Oconto.**

Marinette successfully closed the basket ball season by defeating Oconto upon their own floor 17 to 14. This was the only time in four years that a Marinette team beat them upon their own floor. Close guarding and good team work on the part of the purple five made this victory possible.

## Basket Ball Tourney

Interest in the city was greater than ever this year in the annual battle for supremacy of the first district tournament ever staged in Marinette.

Eight of the strongest teams in the Marinette district were gathered to battle for the district championship.

The teams from various parts of the district played twelve games of basketball during the three days they spent here.

The tournament opened on Thursday March 8th and closed about 9:30 on Saturday March 10th.

Three teams Shawano, East Green Bay and Marinette were picked by the fans before the tourney to be the strongest teams which proved correct.

Shawano copped the beautiful silver cup by defeating Marinette in a heart breaking game on the final night.

Marinette suffered only one defeat and that at the hands of Shawano which gave Shawano first place and lowered Marinette to second. East Green Bay defeated Oconto Falls for third place.

Gold medals were given to each member of the winning team. Silver medals were also given to second place winners and bronze to the third place winners.

The best forward, guard and center at the tournament also received prizes. Clarence Barofsky was chosen best forward, Trepanier best guard and M. Schweers of Shawano the best center.

The teams all played a good brand of basket-ball. Laona and Peshtigo were put out Friday by two straight defeats, while Gillet was also eliminated Saturday morning.

Shawano won their games by a large margin over their opponents. The highest score run up against Shawano was ten points by Marinette.

Green Bay suffered a defeat by Marinette after a hard fought game by a score of 13 to 11.

Gillet, Laona and Peshtigo seemed as though they could not get started, losing about every game they played.

Shawano had the best team on the floor not only for their team work and good shooting but for their height every player must have measured at least six feet on the average.

Marinette and Shawano both succeeded in placing two men on the first all sectional tournament team while each placed a third man on the second all sectional teams.

M. Schweers from Shawano was highest point getter in the tournament. He also scored the most number of points and baskets in one game.

On the opening night Marinette played and easily defeated the fast Laona team 20 to 8.

On the second night Marinette met Green Bay and after a hard fight came out with the long end of the score 13 to 11. Marinette lead throughout the game but in the last few minutes of play Green Bay jumped from seven to eleven and for a couple of minutes it was anybody's game until the final whistle blew with Marinette still on the lead.

On the final night Marinette again met and was defeated by Shawano in one of the hardest fought games ever staged on the local floor. Marinette started the game with a bang dropping in two baskets in the first few minutes. At the end of the half Marinette still held a scant lead of two points 8-6.

Shawano staged a comeback in the second half over coming Marinette's lead. Marinette twice tied the score but always Shawano forged ahead, until the final whistle found them five points to the good. Marinette put up a scrappy fight and did not give up for a second.

The teams were served at the High School Cafeteria by the girls of the Domestic Science classes.

It was also noticed that Oconto Falls boasted of a Jazz band and brought it along for proof. We must say it sure was some band.

## Conference Basket Ball

Class teams were organized after the Eastern college conference season to play the Menominee class teams. The teams were under the supervision of Coaches Slowthower and Johnson.

A short practice period of two weeks was all these class teams had to round themselves in shape for the battle. The Maroon teams had played together all season so this was a decided handicap to the Purple class teams.

Inter class games were played during practice. The seniors came out in the lead by twice defeating each of the lower classes.

The Juniors and Freshmen invaded Menominee on the night of March 29th. The Freshmen after a hard fought battle in which they outplayed their opponents in every stage of the game, finally beat the Menominee Freshmen by a score of 9-11.

The Juniors who were expected to win surprised everybody by dropping the game to the Maroon five 11-13. The Juniors put up a game fight and practically outplayed their opponents but their weakness on dropping in baskets and Menominee's ability to drop in the free throws lost them the game. It might be said that the Menominee Junior's foul shooting won them their game. Both sides broke even, each winning and losing one game.

The Menominee Seniors and Sophomores crossed the creek to play our Seniors and Sophs on the night of April 9th.

The Sophomores played a rather loose game, the first half allowing the Menominee Sophomores to ring up a score of 25-3. But the second half it was a different song, although not making many points themselves their opponents only slipped in one basket. The game ended with the short end of the score credited to our Sophomores. The score 27-7.

The Senior game sure was a thriller. The Seniors started off with a bang, hanging up two baskets. Menominee came back and tied the score. Then went ahead. Our Senior's tied the score and forged ahead again, the opposing Senior's tied the score and went ahead, this time gaining a three point lead. With only a minute left to play and still on the small end of the score the Seniors dropped in three free throws and a basket, winning the game for them 13-11.

The game was fast and hard fought. Close guarding and good team work brought our Seniors to victory.

Both Marinette and Menominee came out victories and losers in the class games, each winning and losing two games. But Marinette considers itself in the lead by winning the two most important games. The Freshmen have a number of years to repeat what they did over there.

## Class Basket Ball

Class Basketball gave way to league teams representing the eastern colleges conferences teams this year.

The conference teams were organized under the supervision of coaches Slothower and Johnson. The idea of these teams were to give more players a chance to show their stuff and break up the unequal class teams.

The teams were not organized until after the holidays but after getting under way things ran smooth and proved a success. Captains were picked by the coaches from the Senior class team squad. Each captain drew at random for his men.

Six games were played and Princeton captained by Krueger won the conference Championship by the virtue of six wins from six games played.

Penn State captained by Negoski were their closest competitors, winning five of the six games played.

No stars could be picked as each team had one or two men who did especially good work for that team.

Team—	Won	Lost	Ave.
Princeton .....	6	0	1.000
Penn State .....	5	1	.833
Dartmouth .....	3	3	.500
Columbia .....	2	4	.333
Yale .....	1	5	.167
Cornell .....	1	5	.167

—M—

## Junior High Basket Ball

Junior High teams were also organized representing the teams in the Big Ten Conference.

Wisconsin captained by Parish copped the championship by winning seven out of seven games played. Minnesota were the closest competitors, being defeated by the Badgers twice.

Team—	Won	Lost	Ave.
Wisconsin .....	7	0	1.000
Minnesota .....	5	2	.714
Iowa .....	5	2	.714
Michigan .....	4	3	.571
Ohio .....	3	4	.429
Illinois .....	1	6	.143
Chicago .....	2	5	.286
Purdue .....	1	6	.143

## TRACK

About thirty-five or forty men responded to Coach Johnson's call for candidates for the track and field squads which was not issued until late after the basketball season had ended.

The team had to train without the use of a suitable track or equipment while a track is being built in the new athletic field. This made training especially in the early part of the season almost impossible and the little material available the team was not given a chance to develop properly.

In spite of these handicaps Coach Johnson developed a strong track team.

Meets with Menominee and Stevens Point have been arranged for. About ten men or more will be sent to Madison this year.

Last year four men, Lund, Krueger, Negoski and Empey were sent to the state meet at Madison, Marinette got sixth place in the State meet. Marinette being the biggest school outside of the five Milwaukee High Schools. Marinette practically carried the sprints at the state meet last year. More than likely a strong track team will be built around these four men. Lund and Krueger work the sprints and broad jump while Empey does the longer runs and the pole vault. Negoski is at his best in the weights.

There is much promising material this year, among these are Saidel, Mokey, Leslie Barofsky, Kresky and others.

Track had been a popular sport, but when the cinder track was destroyed the track teams ceased to exist.

Three years ago Empey, Negoski and Krueger helped to establish track as a popular sport in school again.

The track team gained valuable experience last year and now hopes to put this to a good advantage. The team with two years' experience behind it has set out to make Marinette proud of it, which we say is quite a task owing to the lack of equipment and a place about thirty yards in which to practice. But in spite of these handicaps it looks as though they may reach their goal.

The prospects for a good track team are bright. As the team will have a quarter mile cinder track to practice on, and as most of the track team is composed of under classmen they will by then have gained a valuable knowledge of track work and so much needed experience as to the trick which net the most gain and make it easy for the man.

act-2

Well dearest:  
I hope you will  
always remember me  
cause I will always  
remember you  
I like you lots straight  
goodbye  
Lovingly  
Bunny

### Girls' Basket Ball Team

Under the leadership of their Coach Miss McKellar the girls organized class basket ball teams. These teams were organized early in the season playing games on Friday and Saturday mornings. The season proved a decided success for the seniors winning every game they played. The Juniors were next, losing several games to the Seniors. The Sophomores come next and the Freshmen ended up at the end of the string. This proves that the knowledge of the game proved to be the best and strongest point for the Senior team.

The Seniors as Juniors last year won the class championship, winning every game they played. They again turned the same trick this year. No doubt the Juniors of this year will capture the championship next year. The Freshmen have quite a squad and with a few years experience will develop into a championship team. Although the teams did not play other High School teams this year, they developed into a splendid working machine.

The Seniors won their game only by their superior knowledge of the game.

The girls next year hope to organize into a regular team playing teams from other high schools.

The class teams did not exchange many interclass games, most of the games were merely practice games. But these games were all hard fought games and none were won by a large margin. The Freshman were some what lost being a little bashful about mixing in the battle, but now they have been through the fire of one years experience. Other teams had better watch 'em.

The Sophomores fell down in their basket shooting no doubt they could have won more games if their eye for the basket had been better.

The Juniors altho pretty good at dropping the ball through the ring, but fell down in their team work.

The Seniors were good in both shooting and team work. The ability of the Senior guards also saved the day for them on several occasions.

The Freshman-Sophomore game was a thriller. It was a battle from start to finish, both teams being equally matched. The game was undecided until the final minute when the Sophomores forged ahead and maintained the lead.

The Senior-Junior game was even more thrilling then the Fresh-Soph. The game extended over two over time periods. In the last minute of the over time period the Seniors dropped in two free throws, winning the game for them. Three times during the game the Juniors showed a flash of pep and class, forging ahead of the Seniors, but always the Seniors showed a similar burst of speed and came back tying the score and in the last minute going ahead.

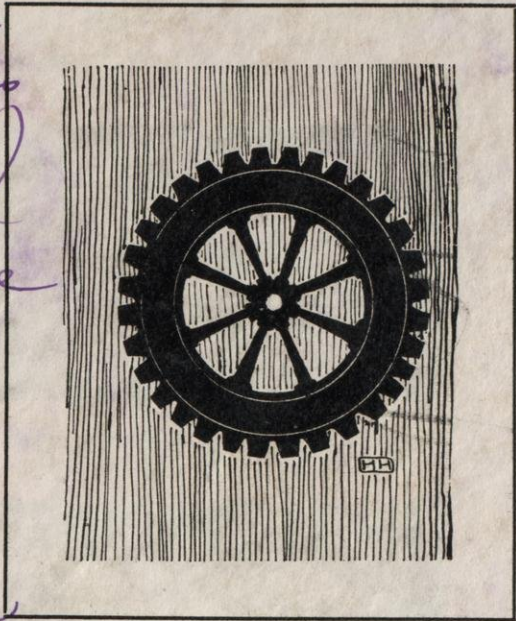

The Soph-Senior game was a little easier than the Junior game. At the end of the third quarter the score was still tie, neither side having scored a point. In the last quarter the Seniors came back to regular form and dropped in three basket and free fouls throws. The last three minutes the Sophomores staged a strong comeback but could not over come the Seniors lead and the game ended with the Seniors ahead, 11-8.

The prospects of the Juniors winning the championship next is very bright. Being the second strongest team this year and the second best basket shooters now all they have to do is to practice more.

The Freshman and Sophomores will surely give them a hard run for it.

Remember our good times  
in the annual  
room telling stories  
and spending my  
leisure hours. I  
wonder when we  
will be together  
like that again  
Harvard.

Some day I

## THE MARIONETTE

Begun in 1920 under the name of the Booster as a means for practical work by the newly organized journalism class, the Marionette, now in its third year, has grown from a three-column paper, set up by hand in the school print shop, to a four-column linotyped newspaper of four pages, issued bi-weekly. The change in size was inaugurated with the first number of Volume Four.

The first Booster was published November 24, 1920, with Maurice Kuchenberg, '21, editor-in-chief. Members of the staff were chosen from the journalism class, which was in charge of Miss Helen Delbridge. Twelve numbers of the Booster were issued, cartoons being used in several of the last editions. A special eight-page number completed the work of the year.

With Pierre Martineau, editor-in-chief, and Claude Yockey, business manager, the 1921-1922 Booster Staff issued the first paper last year, October 21. With one or two exceptions, cartoons portraying some current school event, were used in every issue. Fifteen papers were published during the year, two of which were eight-page numbers, one being a Christmas edition, and the other a Commencement number.

Early this year a staff was chosen from the twenty-four members of the journalism class, but failed to handle the work efficiently; and consequently was reorganized. The resignations of several staff members due to other work, also proved somewhat of a handicap for a time. Finally, using the staff of a city daily as a model, the following board of editors was organized: Editor-in-chief, Calmer Browy; managing editor, Ted Larin; news editor, Fred Hofherr; business manager, Mike Kresky; circulation, Arthur Hanson, Arnold Kamps; exchange, Tom Merar; special writers, Grace Schultz, Kleo Lidbeck; Junior High reporters, Bradfort Bennett, Wallace Hubbell, Dorothy Gander, and Carol Miller. Donald Wilson and Perry Stufflebeam were chosen junior associate editors, so that they might "learn the ropes" in preparation for next year.

With the first number after Christmas vacation this year, the name of the paper was changed, as the Booster was considered a somewhat hackneyed title. At the same time, the long-contemplated increase in size was made, which gave the paper nearly three times the capacity for news that it had held previously. Without the constant hard work of the journalism students who acted as reporters, the larger paper would have been impossible. Members of the four printing classes aided in the make-up and press-work, and needless to say, the paper would often have been late, had it not been for them.

The Marionette is peculiarly fortunate in having had the same two faculty members as its sponsors during the three years of its existence, namely, Al J. Langer, printing instructor, and Miss Helen Delbridge, journalism teacher. With their help, three staffs have successfully published the paper.

The heavy work of publication naturally falls on the staff, and a great part of whatever success the school paper may have enjoyed this year is due the Marionette staff as a whole, and more especially Ted Larin, managing editor; Fred Hofherr, news editor; Mike Kresky, business manager; Grace Schultz and Kleo Lidbeck, special writers; Donald Wilson, junior associate editor; and Wallace Hubbell, Junior High reporter. Frank Bunce and Walter Doberstein, who acted as managing editor and news editor for a time, but resigned because of other work, deserve credit for the capable manner in which they handled their work while on the staff.

—Editor Marionette.

### Webster Debating Society

Webster Debating Society opened its fifteenth year of existence at the beginning of the '22-'23 school year.

The first school function of the year, given by Webster, was a party held on the 26th of January in the High School gym. The party was put on in royal style, and in spite of the small attendance, was a decided success.

On March 2nd, Webster staged a three act comedy with the aid of Miss H. Daniels.

The Seniors leaving the society this year looks back on the accomplishments of the past with reasonable pride. Webster, until two years ago, represented the school in debating with no little success, winning eleven trophies for sectional triangles and taking 2nd place in the state. Practically every leader in school activities has been a Webster. A number of the successful men of the city today were Webster men.

The loyalty of the Webster men to their society is particularly remarkable. Every member takes a personal interest and makes the cause of the society his.

To the men who will lead the society next year, the older members relinquish their leadership with every confidence in their ability.

 Anderson, F. Leonardson, Chucka, H. Olson, S. Leonardson, Johnson

### Edison Science Club

The Edison Science Club was organized March 23, 1921, when forty members of the different science classes met to organize themselves into a science club.

A constitution was drawn up, which has since been revised, as the society has seen fit. The meetings are held every two weeks, when interesting and instructive talks are given by members and the faculty.

The society also has many enjoyable times, such as musical programs, taffy pulls, and fudge parties, not to say anything of their winding up picnic at the end of the year.

This is the only honorary society in the school, only students with ability having been asked to join.

### THE TENNIS CLUB

The Tennis Club, organized in the latter part of the year, is the only organization of its kind in school. It is also the realization of a long cherished hope that some time there would be enough tennis enthusiasts to promote this popular summer pastime. Although membership is limited to thirty two, many have already joined. The promoters of this organization are nearly all Seniors so the Club will not be able to accomplish much this year. Any courts available will be used while with the membership fee, fifty (50) cents, the necessary equipment for the year can be gotten. For next year the organization will have a good start and will then have the Athletic Field on which to play. By a petition which has been passed among the students asking for aid from the city council, it was found that the number of students interested in tennis was a large percentage. The Club put on an elimination tournament to determine the best players. The officers chosen by the Club were:

President—Joseph Chucka.

Secretary-Treasurer—Lael Westberg.

## THE GIRLS' ATHLETIC ASSOCIATION

On Oct. 3, 1922, the first meeting of the Athletic Association was called for the purpose of electing officers. Those chosen for officers were: Vice President, Bernice Klemen; Secretary and Treasurer, Teckla Davis.

At the meeting of the Girls' Athletic Association in Goodman Hall a hike was planned. The hike was well attended and a good time was reported by all. The hike was after school.

Two candy sales were held and both proved successful and the money is to be turned into the fund for the Athletic field. Two tables were put in both the Senior and Junior high schools.

The Second semester twenty Freshmen girls were admitted into the Association. Myrtle Carlson was elected Representative for the Freshman class.

Basket ball brought a large squad out for practice. Most of the members of the G. A. A. played basketball. The title goes to the Senior girls. The championship game was the last game. Senior girls were the winners and they deserve a great deal of credit for their work in the game.

The girls enjoyed another successful hike when they hiked out 11th street and later had a wiener roast. All the girls sure did enjoy the lunch as the hikers must have raised their appetite. Most of the girls hiked to reduce. If there had not been any lunch it might have proved successful.

The preliminary hikes were short but later on the girls did not seem to mind the blister on their heels and tiresome feeling. The season was closed with a few more hikes and a picnic at Henes Park.

On account of the many interruptions this year the Association was not able to carry out all of the plans.

All members thank Miss McKellar for her wonderful leadership in the Association. She has shown her interest and enthusiasm through the whole time she has been here.

Pres. Katherine Weiderhold.

### Girls' Glee Club

The work done by the girls Glee Club, under the able direction of Miss Marion Williams, was exceptionally good this year. The Club was organized early in the year and began its work with much interest and earnestness.

The members received admission after having their voices tested, thus eliminating all but those capable of doing the work. The first appearance the girls made was before the Women's Club, at which time they displayed their talent to good advantage.

Their next undertaking was the putting on of a catchy three-act musical comedy, "The Windmills of Holland," which was a decided success, both artistically and financially. The singing of the choruses and the principle characters was especially fine. The girls also proved that they could dance as well as sing. The school fully realizes that the Girl's Glee Club is one of our most valuable assets in the school. Besides entertaining the student body, it gives valuable training to those taking part.

### Boys' Glee Club

What sounds nicer than to hear a group of boy's voices well trained?

This is what we hear in the Boys Glee Club. This organization, as well as the Girl's Glee Club, is under the supervision of Miss Marion Williams, Director of Music. Much talent is discovered and developed and then put before the students to be enjoyed. Besides entertainment to the members and to those who have the pleasure of hearing them, one must not lose sight of the fact that the training received is of much value, both for the time being and in the future. The boys entered with heart and soul into the operetta work "The Windmills of Holland," when asked to combine with the Girls Glee Club so as to make this entertainment a big success. Many of the leading male parts were taken by Glee Club members. Several times different members and groups of members have appeared before the assembly in songs.

The school is mighty proud of its Boys and Girls Glee Clubs, and the work of the two when combined into the Mixed Glee Club is such that they have proven to be of much credit and value to the school.

Behnke Miss Williams  
 Saidel, Westberg, Bouche, St. Dennis, Schmidt  
 Bergfors, Merar  
 Lang, Ihler, Broughton, Settersten, Rusch

### HIGH SCHOOL ORCHESTRA

What a lost feeling the High School would have were it not for our many musicians who have organized themselves into an orchestra, with Miss Williams as director. The orchestra has done very good work and the members have shown their loyal school spirit by their willing participation in many school activities and entertainments. St. Dennis is one of the many members of which the school is justly proud. During his four years in High School he has been one of our foremost musicians and the leading violinist.

Tom Merar, also a senior, is one of the good clarinet players that the school will lose. The Junior class made a good showing with Arnold Schmidt, Edward Rusch, 1st violinists, Carl Bergfors, clarinet, George Lang, Drums, and Lael Westberg, and Ruth Broughton, accompanists. Merle Bouche, 1st violin, Ralph Behnke, coronet, and Harold Ihler, Juanita Settersten, 2nd violin, represented the sophomores.

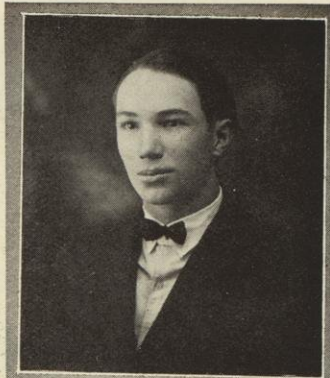

## ORATORICAL CONTEST

William Anderson, Senior, who took first place on his selection "The Orator's Training in America" and Lloyd Cook, who was awarded 2nd place, on his selection "Authority in a Democracy," were also chosen to represent the school at Green Bay. Third place was awarded Floyd Haboeck on "The Radical in Power."

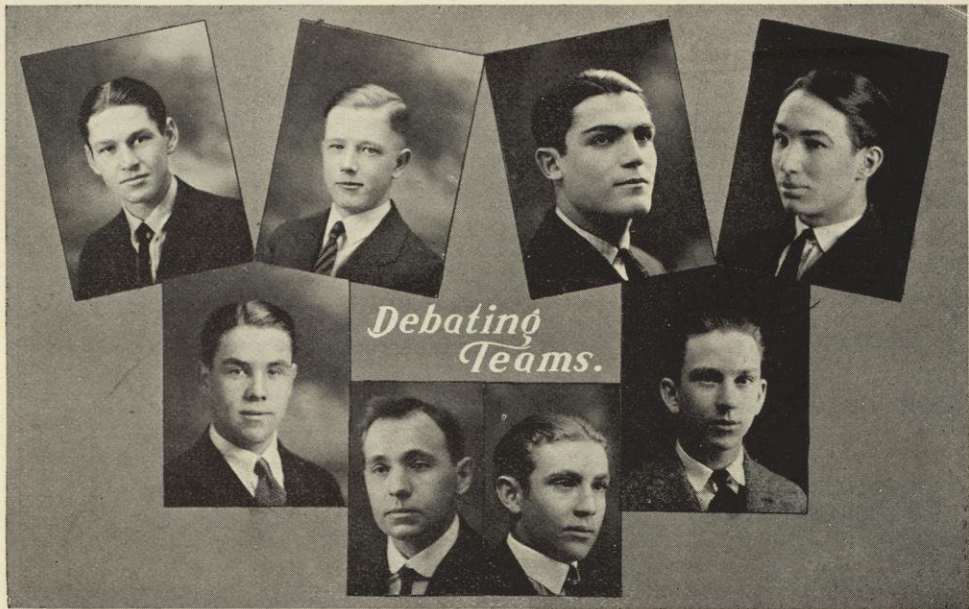

Mary Morton, Junior, having won first place in the Junior-Senior Declamatory contest, at which time she spoke on "Diving the Bridge" represented the school at Green Bay. There was a tie for second place between Hylde Holley, Senior, who spoke on "Mr. Traner's First Hunt," and Katherine Schwittay, Junior whose selection was "Giving an order for a picture." Katherine was also one of the representatives at Green Bay.

In the Freshman-Sophomore Oratorical contest, William Morton, Fresh, took first place on his selection "I am an American," second place was awarded to Milton Nelson, Fresh, who spoke on "The Price of a Good Job," and Harry Sax, Soph, was given third on his selection "The Immigrant Problem."

Katherine Evert, Freshman, took first place in the Freshman Sophomore Declamatory contest Her selection was "Flora & Fauna," Margaret Duxbury, Sophomore, took second, on her selection, "Cutting from Seventeen," while Janet Miller, Sophomore, who spoke on "Aunt Jane of Kentucky" was awarded 3rd.

Affirmative:		Negative:

Bunce		Westberg	
Maurer, Coach		Cook	

### Debating Teams

Resolved: That the principle of the Kansas Industrial Court should have its essential features enacted into law by Congress, and applied to the settlement of Railroad labor disputes." This was the question for debate sent out by the Lawrence Forensic Board. Marinette was first placed in a triangle with Oconto and Oconto Falls. When they withdrew, Marinette was placed in another triangle with Peshtigo but as Peshtigo forfeited Marinette was placed in a triangle with Wausau and Rhinelander.

Marinette's affirmative team, consisting of Sigurd Leonardson, Frank Bunce, and Walter Doberstein journeyed to Wausau while the Marinette Negative team, consisting of William Anderson, Tom Merar and Lael Westberg met the Rhinelander affirmative here. Lloyd Cook acted as substitute for Lael Westberg, who was absent, due to illness.

The debaters were fortunate in having Mr. C. Maurer as coach, for with his untiring efforts and ability, the teams were able to accomplish much.

The decisions were as follows:

Wausau negative—Marinette affirmative	
100%	95%

Wausau affirmative—Rhinelander negative	
100%	88%

Rhinelander affirmative—Marinette negative	
95%	100%

## Thanksgiving Program

The Thanksgiving Program which was given Wednesday Nov. 29, consisted of two parts, the first being miscellaneous and the second "The Pageant of the Pilgrims" in two episodes.

The play was well put on under the able direction of Miss Daniels and Miss Delbridge. The large number of characters and their simple but realistic dress, made the program an impressive and enjoyable one.

### PART I.

Vocal Solo .....	George Michelson
Piano Duet .....	Virginia Boose, Margaret Hassel
"Methods of Charles Stuart York" .....	Clelia Zucolla
Piano Duet .....	Magnhild Olson, Hattie Holmquist
"Pickpocket" .....	Margaret Duxbury
Piano Solo .....	Magnhild Olson

Damaris .....	Thelma Magnussen
Squanto .....	Marvin Rogge

## THE CHRISTMAS PROGRAM

The Christmas Program given Dec. 22, 1922, was the first program of the year in which Junior High students were given an opportunity to take part.

The first part of the program, which was wholly musical, was under the direction of Miss M. Williams.

The second part was a play, "The Bachelor Club's Baby" under the supervision of Mrs. E. Fawcett.

The program read:

### PART I.

- Christmas Carols ..... Junior High Chorus  
    Processional—It Came Upon the Midnight Clear.  
    O Little Town of Bethlehem.
- Duet—Silvery Stars—Irene Schraeder and Joyce Miller.  
    Christmas Come Again.
- Violin Solo ..... Harry St. Dennis  
    (Mrs. E. Fawcett, accompanist)
- Vocal Solo—The Christmas Story ..... Bernice Sievert
- Mixed Glee Club ..... Senior High School  
    Joy to the World.
- Solo—Birthday of a King ..... Lael Westberg  
    O, Come All Ye Faithful.
- Solo—Cantique de Noel ..... Esther Borman

### PART II.

- "The Bachelor Club's Baby."
- Sam Annin, President ..... Walter Doberstein
- Muriel Gray, his sister ..... Esther Delbridge
- Fred Ardley, a close friend ..... D. Larin
- Healy, the porter ..... John Below
- Felix, the bell boy ..... George Lang
- Rex Club Members—Frank Bunce, Lael Westberg, Harry St. Dennis, Herbert  
        Weber, Francis Hood.
- The Baby ..... Junior Merbach
- High School Orchestra ..... Selected
- Christmas Carols ..... Junior High Chorus  
    A Song of Christmas Eve.  
    Silent Night.  
    Recessional—Hark, Ye Herald.

## "HIS FATHER'S SON"

"His Father's Son," a three act comedy, was given by the Webster Debating Society in the High School Auditorium, Friday, March 2. The play was under the direction of Miss Helen A. Daniels.

The personnel is as follows:

## CLASS PLAY

His Majesty Bunker Bean, put on by the Senior Class of '23 on May, was an especially good up-to-date play with an especially good cast.

Much credit is due Miss Helen Daniels, Miss Helen Delbridge and Mrs. C. Fawcett who are responsible for the good work of all. Music was furnished by the H. S. Orchestra.

The Personnel is as follows:

"Pops"—William Anderson.

Bulger—Howard Hutson.

Mason—Robert Murwin.

Larabee—Joseph Chucka.

Bunker Bean—Leonard Hillis.

Waster—Herbert Weber.

Flapper—Marie Phair.

Mops—Hylde Holley.

Big Sister—Florence Erickson.

Grandma, the Demon—Grace Schultz.

The Countess—Lenore Larin.

Mira, maid—Clelia Zucolla.

Balthazar—Tom Merar.

The Greatest Left-handed Pitcher the World Has Ever Known—Clayton Campbell.

Cassidy—Mike Kresky.

Ernest, Lizzie Boy—Ralph Leonardson.

Louis, Chaffeur—Myron Stevenson.

The Very Young Minister—Fritzof Leonardson.

## "The Windmills of Holland"

The "Windmills of Holland," a two part operetta given by the Senior High Glee Clubs in the High School Auditorium, April 6, was a lively mixture of vivacious Dutch maidens, prosperous Hollanders, Yankee drummers, romance, color, and adventure. It was a decided success, both artistically and financially.

The cast, choruses and orchestras follow, Main characters:

Meinheer Hortogenbosch, rich Holland farmer, Lael Westberg.

Frow Hortogenbosch, his wife, Esther Borman.

Wilhelmina, Rebecca Kent.

Hilda, Frieda, their daughters, Esther Delbridge, Kathryn Frink.

Bob Yankee, an American Salesman, Herbert Weber.

Hans, student of music, in love with Wilhelmina, Ralph Leonardson.

Frank, rich farmer's son, in love with Hilda, George Lang.

Katrina, rich farmer's daughter, Elsie Olmstead.

### CHORUSES

Dorothy Nicklson  
Ruth Broughton

#### High School Orchestra:

Magnhild Olson, accom-  
panist  
Merle Bouche  
Ralph Behnke  
Harry St. Dennis  
Carl Bergfors  
John Olsen.

### THE SENIOR HARD TIME

The social activities of the school began on the evening of October 24, with a hard time party given by the Seniors.

The party aroused unusual interest, especially among the students of the Junior High owing to the fact that it was the first party in which both the students of the Junior and Senior High appeared. The party was well attended there being about 300 present.

In addition to the dancing which occupied a greater part of the evening, there was a splendid program of stunts, comic speeches and contests put on. The special feature of the evening was the unveiling of a kewpie doll, a miniature statue which was dedicated to the students of the Junior High.

The best dancers were awarded prizes also the winner of the pie-eating contest. There were many clever make-ups ranging from overalls, knickers and colonial attire for the girls to dress suits and lumberman's clothes for the boys.

At 10:30 loly pops were served to each student. The party broke up at 11:30, all declaring that they had had one grand and glorious time.

—M—

### WEBSTER HOP

The Webster Debating Society gave a party in the gymnasium on the eve of January twenty-sixth.

The evening was spent in dancing and every one present could be seen moving rythmn of some popular tune.

The Society lived up to their promise of giving everyone a good time. The party broke up all wishing that midnight had not come so soon.

—M—

### MATINEE DANCES

There were several matinee dances given this year which were looked forward to by most of the students. As usual there were some who hung back and would not dance because they were bashful—Maybe? You'll have to ask them. Some how the boys seemed to be afraid to get out on the floor and show their splendid dancing ability?

—M—

## THE SOPHOMORE STAG AND COSTUME PARTY

Although there were not as many parties given this year as last they have been rousing and peppy. The parties on the whole were well attended and all had a good time except for a few wall flowers who were too nice to mingle with the rest of the crowd. All those taking the entertainments in the right spirit found enjoyment and will remember them as some of the things which helped to make their high school days happy.

The students of the Junior and Senior high schools learned there was to be a party on Friday evening April the thirteenth, by means of little invitations given each student.

At eight o'clock the party began with a grand march led by Miss Delbridge and Mr. Slothower. Among the lines could be seen those dressed in Colonial attire, some as dutch girls, gypsies and even demure milkmaids took their places among the rest. Many stunts were performed by both teachers and students for the benefit of those not wishing to dance.

The gym was prettily decorated with the class colors. The Sophomores proved themselves good entertainers and can be complimented upon their ability to do things right. The party can well be said to be one of the biggest and snappiest parties of the school year.

At a late hour refreshments were served and everyone could be seen eating a dish of ice cream decorated with a red S.

---

M

## THE JUNIOR PARTY

Following the regular custom the Junior party was a farewell to the Seniors that are graduating. The Juniors started off the party with a grand march and dancing followed.

The party came to an end with the serving of refreshments.

This was the last party that the graduating Seniors attended as students of the good old M. H. S., and probably for the first time they realized that their high school days were nearly over.

---

M

LOOK AT

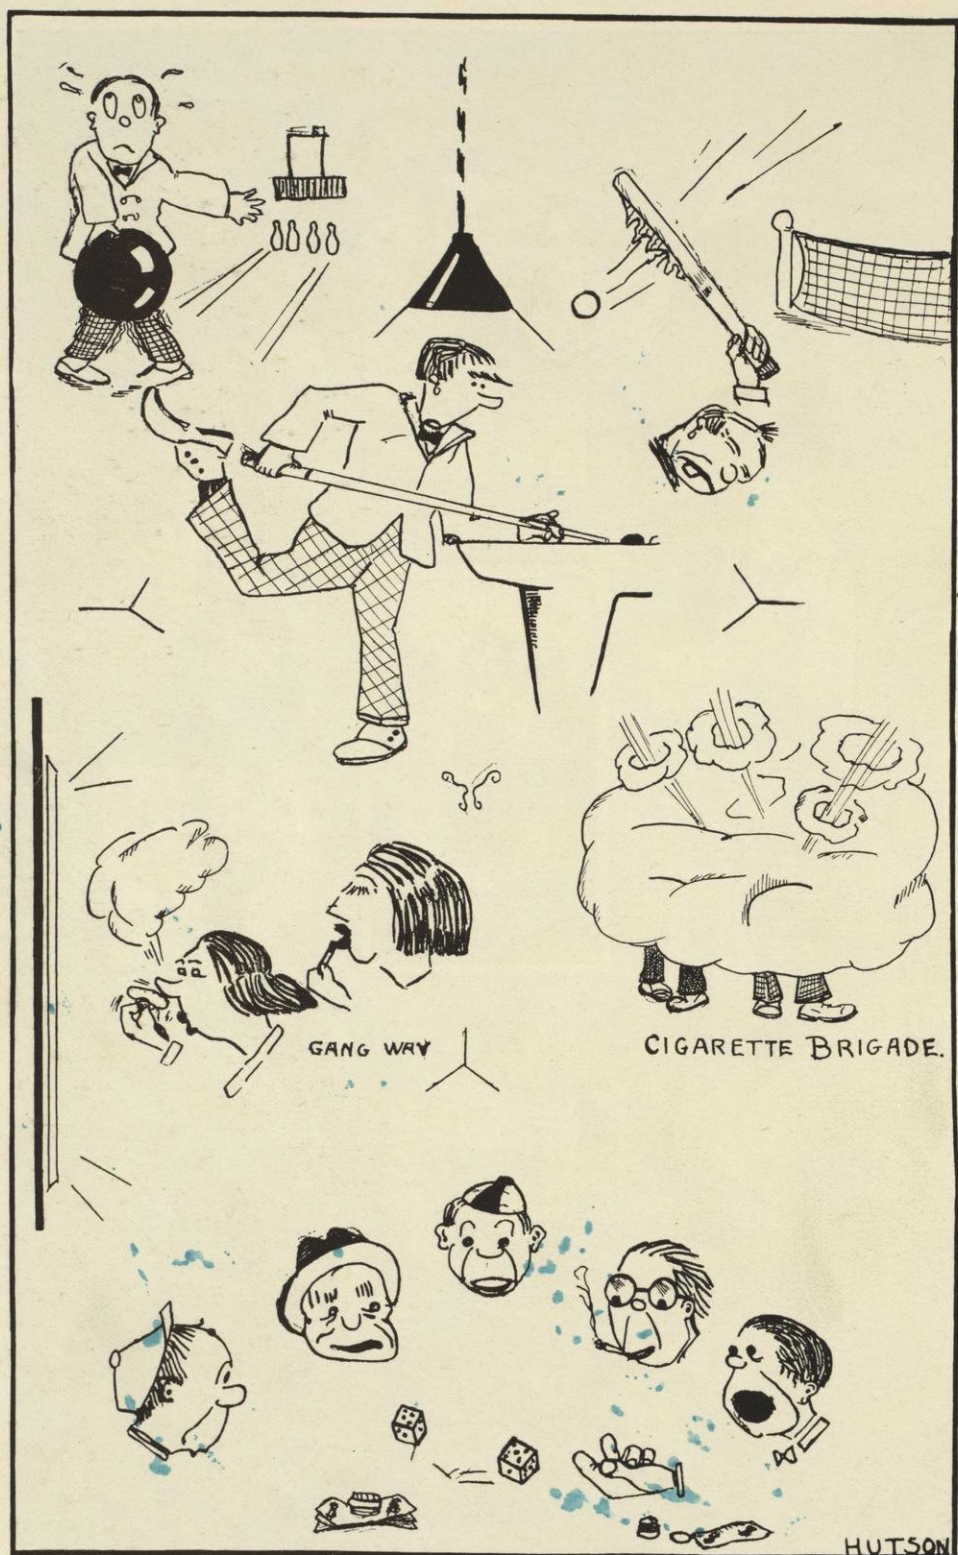

THE FEET

DUMBELLS OF HOLLAND

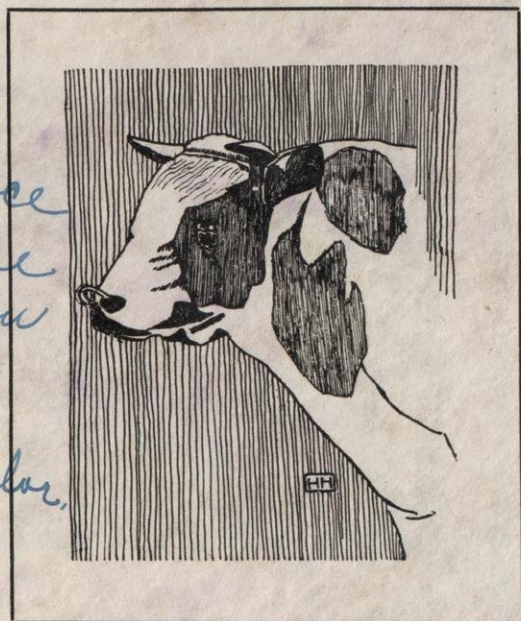

Howard:

I'm glad you reserved this place for me as I like Cows. (Maybe you did and maybe you didn't).

C. Irene Taylor.

#### HUMOR

Talk about throw  
bull that's you as  
pictured above.  
Some day when  
your hooked  
up with Kattie  
Kalmquist I'll  
come over to see you.  
Maybe west hang  
will do the hitching.  
ask me! Just  
ask!  
Soory!

Battling  
Sinner  
murder

Tom  
murder  
6-11-23

Well, Howard  
when are u going to forgive  
me for not coming to your  
party - I do think though  
that I should come & call on  
your neighbor -

Hey?  
Refus B

For ye so solemn, ye sneer at this  
You're naught but senseless asses  
For the wisest man the world 'ere saw  
Dearly loved the lasses.

—M—

It isn't the teachers that I'll miss  
Cause one could never a teacher kiss.  
It isn't the laddies, if you please,  
For who would want a laddie to squeeze.  
But how I'll miss my sassy  
Dear little cute little own little lassie.

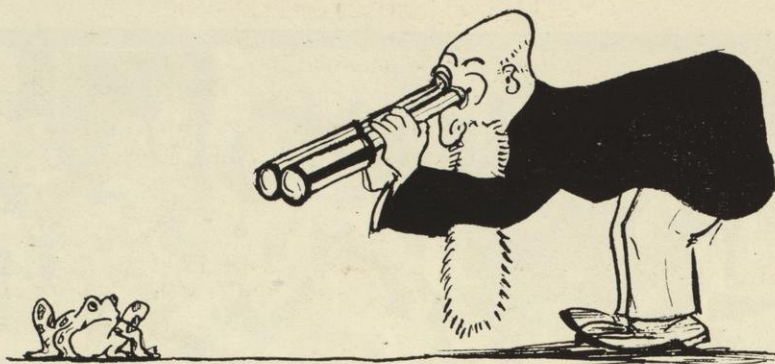

—M—

Some girls are good-looking if you just take a glance at them. (Yes, but often one glance is enough!)

—M—

"May I plant a kiss?" he whispered.  
"Ah yes," she murmured low—  
But after he had planted  
He quoth, "One must reap what one doth sow."

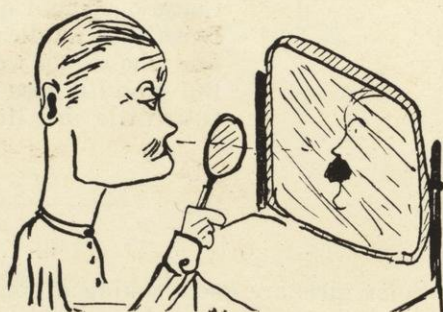

I know a biology teacher, a gay young dog  
Who would sit all day  
Whiling the hours away  
Watching the eyebrows grow on a frog.

—M—

### INTEREST????

Lady Visitor: I think it's simply wonderful, Mr. Merbach, the interest the young men of the school take in school affairs. Why, yesterday I heard a dozen or more young men say, they were at the Congress last night, which I presume is some sort of a school society.

Did you ever see anything that  
looked as helpless as Mike Kresky's  
moustache.

One time when Byrum hasn't got a retort.

### THE VALEDICTORIAN

A silly-looking goof he is  
With countenance serene—  
I feel sorry for the cuss,  
But folks can't all be smart like us.

—M—

Pierre—Great men are never appreciated when they're living.  
Shaver—Well, what are you kicking about, you're dead from the neck up.

—M—

The world is getting better—Steffke remodeled his sheik pants.

### WELL—WELL

Fido—Why won't you  
ever kiss any of the fellows

Clara—For goodness sake!

Health hint: Pay your class dues.

—M—

Mr. Evert—Young man, do you know anything about the lesson?  
T. Merar—A little, sir. What would you like to know?

—M—

The school-bell hums the knell of parting day,  
Cheerfully homeward the schoolboy winds his gladsome way—  
Then all the joyous echoes hie and flee  
And leave the world to detention and to me.

—M—

Basketball coach—Here, you! Don't do that! Use your head!  
Cox—Oh, is that allowed?

Miss Smith calling out the cavalry—  
 “All pupils using ponies, stand up.”

—M—

“What is so rare as a day in June?” and incidentally, what is so rare as a beef-steak half-done?

—M—

Wally had a little girl  
 He played with her at school,  
 And everywhere that Esther went—  
 Wally was the fool.

—M—

### SAD—INDEED.

Uncork a prayer for Esther Young  
 The poor thing died when she lost her tongue.

### SYMPATHY WANTED

Who was the dub who asked one of the teachers for a “consolation” card?

The Sultan of Turkey, skipping the county—"I am sorry I have not more wives to leave to my country.

—M—

Junior—Why as sober as a convention of donkeys in a morgue there, Freshie? Aren't exams over?

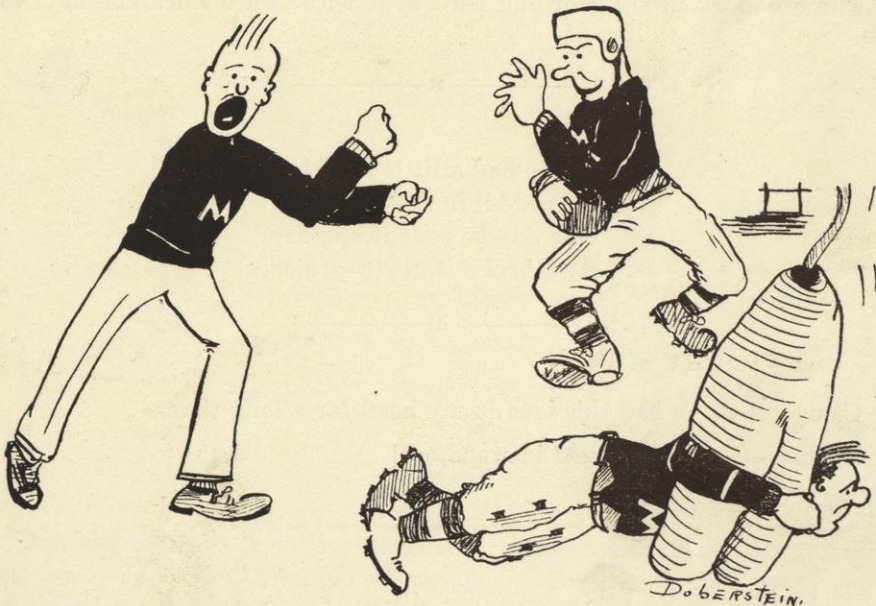

Frosh—Over nothin'! They're over my head, that's what.

—M—

John Cox's strong point is wearing his rubbers all day so as to save the wear and tear on his shoes.

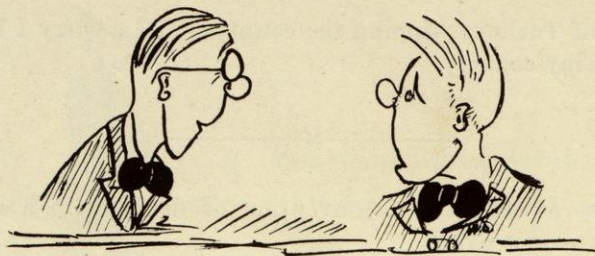

—M—

Men are dum and women dummer  
Women are glum and men glummer  
Now my pen's gone on the hummer  
Ho, hum, guess I'll call the plumber.

FOOT-BALL AS SHE IS PLAYED.

Mr. Conant had to take a group picture of John Below.

—M—

Don't you think I'm a type?

Yes, boldface.

—M—

I tried to cuss in Spanish  
I tried to cuss in French  
I tried to cuss in Yiddish  
When I tore my pants on a fence.

—M—

Three o'clock in the Morning isn't in it with two o'clock the next after-  
noon.

—M—

Eddie had a little bicycle,  
He rode it in the dell  
One day he rode it up a tree  
And broke it all to—(pieces).

—M—

Campbell—I've had this idea in my head for a long time.

Byrum—Oh! I see, aged in wood, eh!

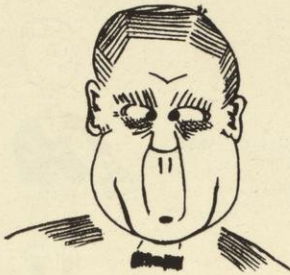

—M—

Man wants but little here below  
All he wants is a little dough.

I've never been drunk on whiskey  
I've never been drunk on wine  
Yet, oh, how I long to get drunk  
On those red lips of thine.

—M—

He has affectionate eyes, they're always looking  
at each other

Form but not etiquette.

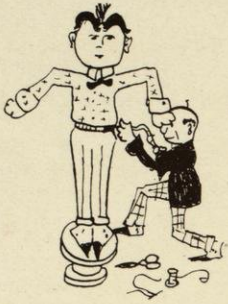

Caesar was a Roman boob  
Who lived in days of yore  
At first he was a country rube  
And later went to war.  
When Ariovistus came to town  
Caesar went a'hiding  
He was smocked!—When he was found  
But his ponies still are riding.

—M—

### BLISS

Our idea of bliss is sitting in the bathtub on Saturday night, with the water up to our chin, thinking about all the good marks we've got on our report cards. (We already have the bathtub and the chin, so all we need are the marks.)

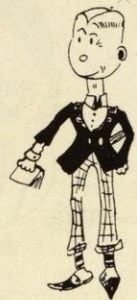

Tailor: Do you want a belt in the waist?

Student (angrily): Do you want a crack in the jaw?

—M—

Whoever it was said brevity was the soul of wit  
must have seen Rip Heimburg in short trousers.

—M—

“Please sing to me, Erling,” she said  
But Erling just blushed a bright red,  
Said he: I can’t sing,  
And then he grew nervous and fled.

—M—

Lenore: May I be excused, I don’t feel well?  
Mr. Merbach: Where do you feel the worst?  
Lenore: In chemistry.

Hofherr: I was out to the beach yesterday.  
Trepannier: See anything?  
Hofherr: Yes, I saw a woman swimming through a telescope.

—M—

There was a young geezer named Lippert  
He had a brain which was rather inert.  
He started to holler when he couldn’t fix his collar  
For he had forgotten to put on his shirt.

—M—

### HIGHER ALGEBRA.

Some people have an idea they are “I” says Miss Whitcomb.

"Greater friend hath no man than this," that a man substitute in detention for his friend.

—M—

By sixteen hundred gods she swore  
Undying love to me  
As we sat in the even light  
Beneath a cypress tree  
And since that night of bliss  
When to me her true love she swore  
She still sits beneath that tree  
And swears love to sixteen hundred more.

—M—

Sig.—I can remember the day I bought this pair of sox.

Walt.—Gee! You've got a good memory.

—M—

Janitor Sundre gets his name in the paper so seldom so we decided to put it in here.

—M—

"Tec" Davis is so religious, she thinks the epistles are the wives of the apostles.

—M—

The editor is a busy cuss  
With all the worry and the fuss  
We do not envy him his lot,  
He's welcome to the job he's got.

## WHAT A SHAME!!

Their meeting it was sudden  
Their meeting it was sad  
She sacrificed her sweet young life,  
'Twas the only life she had.

She lies beneath the daisies  
On the sunny hillside now.  
Oh, there is always something doing  
When a freight train meets a cow.

—M—

Kirkham: Have you "Lamb's Tales?"

Miss Ashmore: This is no butcher shop.

—M—

We will now sing the old Egyptian folk-song entitled the "Flapper's Favorite," beginning, "You may be a sheik to somebody else, but you're only a simp to me."

—M—

Hattie Lavine is sure she is going to heaven—she knows how to play a harp already.

—M—

The reason why I flunked—not because I didn't know enough, but because there is an ancient family feud between Mr. Merbach's family and mine. There must be!

—M—

Physiologists say that our skulls are perforated with cracks—we wondered where these wise boys get their wise cracks.

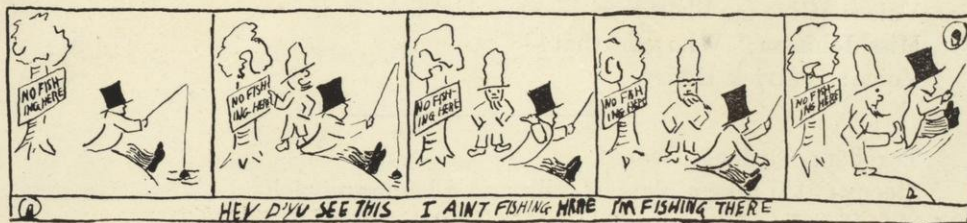

—M—

They say that Ted Larin wears the family ties.

—M—

Our idea of unity in cognomens is Fitzpatrick Fitzgerald Fitzimmons.

### A MODERN MARTYR.

There was once a boy so wondrous good  
He never in his life told a falsehood  
Nor ever said a word unkind  
Nor with his elders fault would find.  
He always observed the Golden Rule  
He never was late nor did he skip school  
He studied both night and day  
Nor ever idled his time away  
And now his name I'd gladly give  
But he's dead—He was too good to live.

—M—

Is it his calf that yelps when a man barks his shin?

PUTTING IT OFF UNTIL TOMORROW.

### SIMPLE

The satisfaction of getting by without knowing a thing about the subject, is unbelievably delicious. If, for example, your history teacher asks of you—"and the law of taxation, what of that?"—arise with alacrity and reply, "That, oh, that reminds me of the high price father paid for Poland China hogs last fall." The teacher will immediately take up the problem of immigration and the Yellow Peril, and the day is yours.

—M—

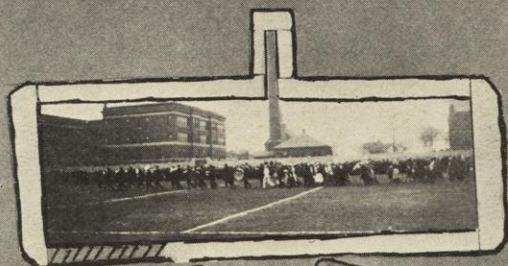

### GRADUATION TOGS

The silver lining to our cloud  
Is very nearly showing through it,  
To wear pink pajamas,  
They couldn't make us do it.

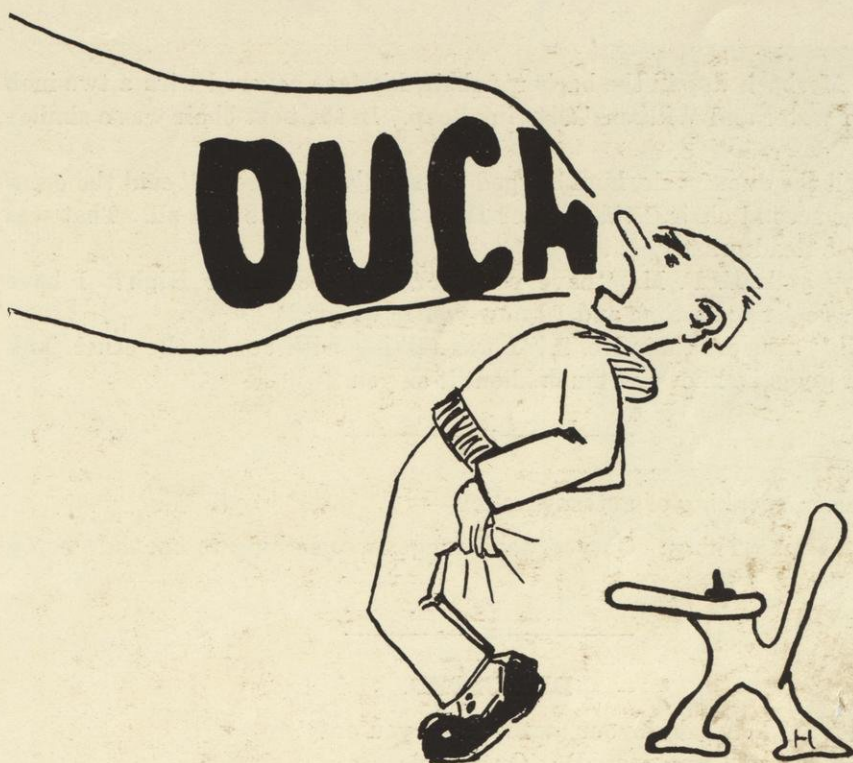

—M—

We notice with alarm and shame, that Rudolph Valentino gets a salary of only \$1500 a week. We gotta treat these immigrants better.

## THE CALL OF THE WILD.

No matter how cool an aviator is, he is usually up in the air.

—M—

Omit the same letter twice from the name of a day of the week and you will have the name of a Senior girl.

—M—

### AMBIGUOUS.

“What did you do last night?”

“Nothing.”

“How did you know when to quit?”

—M—

### FULL OF THEM.

“What do you think of the new teacher?”

“I think she’s a questionable.”

—M—

“There’s something in that too,” said the burglar as he stuck his hand in the cuspidor.

E. F. Merbach was in the barber's chair, his face covered with a two-inch solution of water and Williams' Shaving Soap. In the next chair was a similar spectacle.

"Of all the dum-foozle, hum-bugged hoaxes I've ever seen," said the occupant of the second chair," this Junior High business beats 'em all. That was absolutely a dead graft."

"Say," yells E. F. M., "have you ever seen the Junior High? I have worked there for some time and I know you're wrong."

"Well," answers chair No. 2, "I was talking with one of the other janitors, and I guess he knows as much about it as you."

—M—

Professor, speaking of autosuggestion—

Sweet Young Thing: Oh yes, papa suggests something to our auto every time it stops.

—M—

### DISGUSTED.

Wilmer: "What does your mother feed you on?"

J. B. (tired of being razzed): On a table.

—M—

### A TACTFUL ANSWER

Miss Daniels: Have you read the lesson?

Larin: No.

Miss Daniels: What have you read?

Larin: Hair.

—M—

### Faculty Autographs.

JUNIOR HIGH

Sorry I can't  
 leave this yr.  
 Pays to work now  
 but guess it's now  
 in fine - Long graduation  
 any way - See Davis.

### Junior High School

The Junior High includes the 7th, 8th, and 9th grades. The reason for placing the lower grades in conjunctive with the Senior High is to make the lower grade students accustomed to the Senior High. Thus when a student graduates from the lower grades he does not feel out of place entering the high school. Making the lower grade students acquainted with the Senior High will excite some incentive to continue in school.

The large number of pupils in the Junior High afford ample material for competitive work. Interclass debates, interclass declamatory and oratorical contests are held and also interclass athletics.

In all High School activities the Junior High showed strong support. It has been repeatedly avowed by both the principal and superintendent that the Junior High students show better support to Senior High activities than the Senior High students themselves. At the parties there were always at least fifty per cent of the crowd who were Junior students.

By the time all the promising material of the Junior High gets into the Senior High there will have been a marked change in the school. The students will grow up with the High School and feel a genuine affection for an old acquaintance.

## JUNIOR HIGH BASKETBALL

The seventh, eighth and ninth grades were organized into teams representing the big ten Conference. These teams were under the coaching of Mr. Slothower. Captains were picked by coach Slothower and each captain drew for his men. These teams were organized instead of class teams because it created more interest and granted a greater number to show their stuff. The teams uncovered some very promising material for later years. The experience and early coaching on these teams will be of great value to the players. In gaining experience early in their basketball life they will have a greater chance to develop into regular stars.

Wisconsin upheld the Badger traditions by copping the championship, playing seven and winning seven games.

Wisconsin was captained by Parish whose leadership and good floor work was an important fact in their victories.

Minnesota and Iowa tied for second place by winning five out of seven games played and were Wisconsin's closest competitors. The Badgers succeeded in defeating each twice.

The Wisconsin-Minnesota game was the most thrilling and hardest fought of all games played in the Big Ten Conference. The game extended over two overtime periods, being won by Wisconsin when Captain Parish dropped in a free throw.

The games were played every Saturday afternoon.

Illinois and Purdue could not get rid of their "Jinx" and lost six out of seven games played.

Michigan came in third winning only four of their games. Ohio came fourth in the string, losing four games played. Chicago was fifth, losing five games.

—M—

Team—	Won	Lost	Average
Wisconsin .....	7	0	1.000
Minnesota .....	5	2	.714
Iowa .....	5	2	.714
Michigan .....	4	3	.571
Ohio .....	3	4	.429
Chicago .....	2	5	.289
Purdue .....	1	6	.143
Illinois .....	1	6	.143

—M—

## Junior High Declamatory and Oratorical Contest

The first place in the Declamatory Contest was won by Ruth Mundt with her selection, "The Pillar Fight". She showed the Senior High girls what they were up against.

Howard Baker took first place in 7th and 8th grade oratory. He had a delightful manner of deliverance which held the interest of his audience.

—M—

### Junior High Declamatory

#### 7th—8th

Helen Hovde—"The Little Gentleman".....	8th grade
Henrietta Holz—"In the Morning".....	8th grade

—M—

### Junior High Oratorical

#### 7th—8th

William Borndahl—Poverty by Edison.....	7th grade
Hugh Erickson—"American Liberties".....	8th grade

The Junior High students showed an interest in oratorical and declamatory work that bespeaks of big things in the future.

This is their first year of experience and they sure showed talent in their work. They spent much time in preparing their talks as could be seen by their deliverance.

The declamations and orations were well given from a technical standpoint and without a doubt they will improve very much by the time they get in High School.

## JUNIOR CHORUS

There is no Glee Club in the Junior High but its place is taken by the Junior Chorus. The chorus is made up entirely of girls of the seventh and eighth grade. At the beginning of the year the chorus was small but it has gradually increased in numbers until it now has about ninety in all. The chorus has not made many appearances but there are some with very good voices. They made their first appearance in the auditorium in a procession at Christmas time.

### ORCHESTRA

The Junior High is interested in all of the school activities. They have a fine orchestra which is made up of members of the three grades in the school. There are several in the organization that have special music ability. This is their first year in such an orchestra and next year they will probably be better. It is thought that in the future the Junior High will have just as good an orchestra as the Senior High. The members are all enthusiastic and want to learn to become better musicians. They want to make their orchestra a success and show the Senior High Students that they have spirit and pep. They delight in showing their ability as could be seen at their appearances in the auditorium. Although the orchestra has not appeared many times they made a good showing. They appeared at the oratorical contests.

JUNIOR HIGH RECEIVES

## A Lesson In Dollars--- with Sense

You've often heard of the School of Hard Knocks.

Many people are compelled to attend this school because they neglected a most important study early in life. It was an optional course then, and easy. Later it became compulsory---and much harder.

It is the study of Thrift. We are constantly teaching it at this bank, for one of our chief functions is helping young folks to learn to save money.

Bring a dollar or so here and open a savings account now. It is an easy way to learn a lesson that can't be dodged---the saving of money. It's better to learn this lesson now in cheerfulness and joy than in bitterness of longing in later years. Will you enroll with us to-day?

How are you going to meet it? With the trials of the world before you, you will need every ounce of character, grit and personality to achieve success in your undertakings. Let your Class Motto be your slogan for success.

## Young Man

Become an exceptional man, a man of ability, refinement and taste. Your Clothes will show it. The world looks at a man's Clothes, then rightly or wrongly passes judgement on his ability and character.

Your Clothes will represent your ability and character, if you wear

### Wilson-Henes Clothes

Suits of quality and style, \$45.00 to \$16.50

## Our Young Ladies Wearing Apparel Takes First Honors

in their chic styles and quality fabrics. Fashion's latest whims are portrayed in our new garments, still they retain all their youthful lines and loveliness.

# Chockful of New Styles

## Are the New Suits

### For the Young Fellows

It's enough to make any young man's mouth water---this array of the newest Norfolk, fancy sport and sack suit models.

They have a snap and style young fellows like. And they can't be matched elsewhere---for they are exclusive with Lauerman's.

The newest fabrics---mixtures, checks, diagonals, whipcords, plaids and stripes.

Priced most Reasonable---Come in and try them on.

We also carry a most complete Assortment of Furnishings

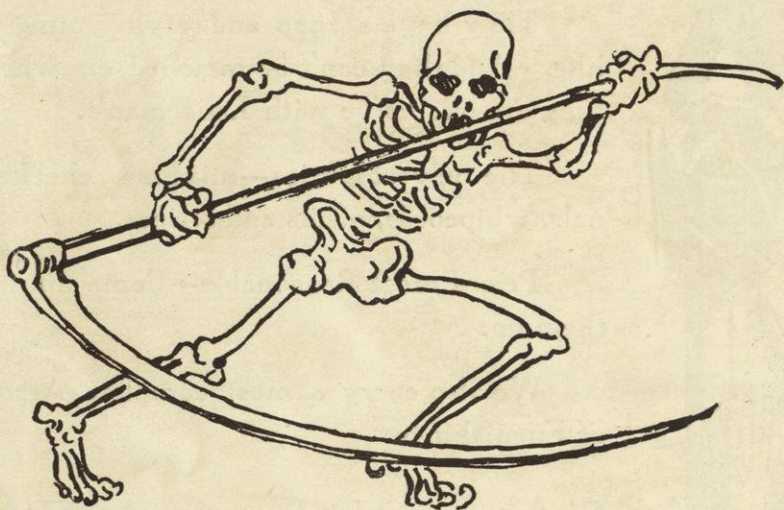

Shirts      Neckwear      Hosiery  
Collars, Etc.

DUNLAP SQUARE

MARINETTE, WIS.

Please don't  
make a practice of  
drawing these kind  
of pictures - when!!!
