The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# Checking For Fall Prevention Products?

The Bed-Check System is the most effective, cost-effective solution you can buy.

- ✓ Medical professionals worldwide have chosen Bed-Check's practical, affordable occupancy monitoring system as an integral part of their fall prevention programs.
- ✓ In independent hospital studies, our system is documented to increase effectiveness of fall prevention programs more than 50 percent.
- ✓ It works with your nurse-call system to enable you to respond to potential falls ... not false alarms.
- ✓ And because Bed-Check is portable, you transfer "the system" to bed or chair ... not "the patient".

**Everyone gets hurt when patients fall.
