Wisconsin Intercollegiate Athletic Conference

2000-01 Directory and Records Book

This is the Fourth Edition of the *WIAC Directory and Records Book*. It is presented as a means of informing educators, writers, broadcasters and staff of the excellence of athletics competition displayed by teams and individual student-athletes of member institutions. This book is published annually to provide a record of all sports in the conference-sponsored program.

It is the purpose of the Wisconsin Intercollegiate Athletic Conference to encourage intercollegiate athletics on an amateur basis, with institutional control, and under the instruction of coaches who have faculty status, in order to assure maximum educational benefit from intercollegiate athletic contests among the member and nonmember institutions.

The University of Wisconsin System marks its 29th anniversary in the fall of 2000. The UW System was created in October 1971, by a law placing all of the state's public university campuses under a single Board of Regents. The UW System is composed of 13 universities, 13 two-year UW Colleges, and UW-Extension which provides outreach services from offices in every county. Although only 28 years old, the UW System was one of the first statewide higher educational systems in the nation and has been a pioneer in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are located in Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior and Whitewater. Colleges are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau, and West Bend.

Gary F. Karner
Commissioner

A native of the Milwaukee area, Karner was named Commissioner of the Wisconsin Women's Intercollegiate Athletic Conference and the Wisconsin State University Conference, effective July 15, 1996. Karner came to the conference from the National Collegiate Athletic Association headquarters in Overland Park, Kansas, where he had served as a compliance services representative beginning in 1988.

In 1975 he received his undergraduate degree in education from UW-Stevens Point and a master's in educational administration from UW-Madison in 1978. While earning his doctorate in educational administration at UW-Madison he served as an intern in the division of intercollegiate athletics (1982-83) and was an administrative assistant in the WSUC office in Madison (1983-84).

The commissioner taught and coached at North Fond du Lac and at Waunakee. He was also an assistant district administrator at Woodruff from 1979-82. After completing his doctorate in 1984, Karner served as district director of athletics and activities in Woodland Park, Colorado, until joining the NCAA staff.

His first major undertaking as commissioner was to facilitate the merger of the former WWIAC and WSUC, which had functioned as separate men's and women's conferences for over 25 years, into the WIAC. During Karner's tenure, the conference has solidified its status as the premier Division III conference in the country. Karner has directed a number of highly successful initiatives including the development of the WIAC Corporate Partner Program and conference web site, as well as events such as the "Border Battle" and the men's and women's postseason basketball tournament.

Matt Stanek
Sports Information Director

Matt Stanek was named Sports Information Director of the Wisconsin Intercollegiate Athletic Conference in May, 1999. Stanek served as an intern in the same position from August, 1998 - May, 1999. Before working with the WIAC, he served an internship in the Media Relations Department of the Milwaukee Brewers Baseball Club from January - May, 1997. Stanek graduated from the University of Wisconsin - La Crosse in May, 1997 with a bachelor of science degree in exercise and sport science with an emphasis in sport management.

Carol Yanna
Program Assistant

Carol Yanna has worked in the conference office since the fall of 1991. Prior to the merger of the Wisconsin Intercollegiate Athletic Conference (WWIAC) and the Wisconsin State University Conference (WSUC) she worked primarily with the WWIAC program.

Mark Braden
Supervisor of Women's
Basketball Officials

Mark Braden, a lifelong resident of Lake Geneva, graduated from Badger High School in 1970 where he lettered and earned all-conference honors in football, lettered in basketball and as a sprinter in track.

He continued his athletic and academic interest at the University of Wisconsin-Madison. While a Badger, Braden was a linebacker on the 1971 UW Football Team. He pursued a History Major with a Business minor before transferring to UW-Whitewater to complete his requirements for Dental School. While at Whitewater he completed the requirements for biology major with chemistry minor. In 1976 he was admitted to the Marquette University School of Dentistry and graduated from Marquette with a Doctor of Dental Surgery in 1980. He set up his General Dentistry practice in Lake Geneva that same year.

Braden began his officiating career in 1975, officiating freshman and sophomore football and basketball. He has officiated college football in the WIAC for the last ten seasons. He has also worked numerous high school playoff games along with three state high school championship games and the 1996 Shrine All-Star game. Mark has officiated high school basketball for over 20 years and has worked numerous WIAA Tournament games along with the State Boys High School All-Star Game.

Braden has been involved with women's college basketball for the past 12 seasons and has worked numerous NCAA Tournament games, twice working the Championship game of the Elite Eight. He has also worked the Great Midwest (1995) and MCAA (1996, 1997) Post Season Tournament. He is currently on the staff of the WIAC, Lake Michigan Conference, Midwest Collegiate Conference, Great Lakes Valley Conference, Mid-Continent Conference, Conference USA, MCC and the Big Ten Conference. He has functioned as the Supervisor of Officials for the WIAC for the last 6 years.

Don Page
Supervisor of Men's
Basketball and Football Officials

Don Page retired as UW-River Falls athletic director in 1992 following a varied career in athletics as a player, coach, administrator and official. The Madison native starred in five sports at West High School (football, basketball, tennis, track and volleyball) and went on to win letters in basketball and tennis at the University of Wisconsin-Madison.

He earned All-Big Eight Conference honors in football and basketball twice when the Regents won titles in each sport both years. He won the conference basketball scoring championship twice and sparked West to the WIAA state basketball championship in 1945. He also won the Big Eight tennis singles championship twice.

Page earned his Bachelor's degree from UW-Madison in 1950 and his Master's from there in 1953. While an undergraduate, he was a regular forward on the 1949-50 Badger basketball team that compiled a 17-5 record and finished second in the Big Ten Conference. Following coaching stints at Edgerton and Madison West High Schools, Page was head basketball, baseball and tennis coach at UW-River Falls and served as the university's athletic director from 1970 to 1992.

Page was a football official from 1949 to 1993 and officiated basketball from 1949 until 1982. He taught two officiating classes at UW-River Falls for 30 years and served as an official observer of football and basketball officials in the WSUC for 22 years.

He developed the "Football Course Outline" for the Wisconsin Interscholastic Athletic Association and is a member of the National Federation Interscholastic Officials Association. He recently received "Distinguished Service Awards" from the Wisconsin High School Football Coaches Association, the National Federation of Interscholastic Coaches Association, and the Pierce/St. Croix Officials Association. He was inducted into the Madison Sports Hall of Fame in 1988.

Wisconsin State University Conference Historical Review

The organization meeting of the Wisconsin State University Athletic Conference, then to be known as the State Normal Conference, was held in Madison in July of 1913. The two-fold purpose of this meeting was to secure for each school a schedule of games and to establish rules to regulate and control athletic competition within the proposed conference. The basic purposes of the rules have been to limit and control competition to bona fide students who are making regular progress in their studies toward a diploma or degree; to insure faculty control of athletics; and to promote harmony among the members. With the exception of a short period during World War II, the conference has maintained a regular schedule of games.

The schools represented at the organization meeting in 1913 were Superior, River Falls, Stevens Point and La Crosse, which were to become known as the Northern Division; with Oshkosh, Whitewater, Milwaukee and Platteville constituting the membership of the Southern Division. Each division determined its champion, and then met for a play-off game or a series, mainly in football and basketball. These championship games were played the first year of the organization and for many years thereafter.

To insure faculty control of athletics, the constitution stated that each institution shall have one representative and one vote; also that the representative must not be one who is paid primarily for services connected with athletics and with the physical education department of the university. Possibly one reason why the code of rules has worked so well, and relations between schools have been so harmonious, is because of the apparent policy of each school to have the same faculty representative serve for reasonably extended periods of time. An example of this is the pioneering and strong leadership given the conference by Dr. R. A. Karges of River Falls, and Mr. William A. Atwood of Milwaukee, who began with the formation of the conference and served more than forty years each. Others who gave long service to the conference were Dr. Wittich of La Crosse, Mr. Whealden and Mr. Smith of Superior, Mr. Clemons of Oshkosh, Mr. Keith of Stout, Mr. Fischer of Whitewater, Mr. Fox of Eau Claire, Mr. Chinnock of Stout, as well as others who served for lesser years. Mr. Keith served for many years as secretary-treasurer of the conference.

From the original membership of eight, the conference increased to ten schools. Stout Institute, now University of Wisconsin-Stout, became a member in 1914, and the first record of membership of the then Eau Claire Normal was in

January 1917. These two, along with the original eight, maintained continuous membership over the years until June, 1964, at which time the University of Wisconsin-Milwaukee (formerly Milwaukee State Teachers College) terminated its membership in the conference.

The above change in the membership has created an eight-team conference in football and nine-team conference in basketball. Championships in these sports are decided on a percentage basis. Some of the original north-south organization structure prevails in baseball, because of the schedule problems due to spring weather. Championships in other sports are decided by conference meets.

In July 1966, Fred Jacoby was appointed as the first commissioner of athletics for the conference. With rapidly increasing enrollments, expanding athletics programs, and increased time needed to administer the affairs of the conference, it was a needed and necessary appointment.

In August 1971, Max Sparger replaced Fred Jacoby as commissioner of athletics. In September 1971, the conference member institutions became part of the newly merged University of Wisconsin System. This merger did not, however, affect the operational procedures and constitution of the Wisconsin State University Conference.

In August 1993, Dr. Dennis Keihn was named commissioner after the retirement of Max Sparger.

Wisconsin Women's Intercollegiate Athletic Conference Historical Review

In 1958, the Wisconsin Athletic and Recreation Federation of College Women (WARFCW) was formed for the purpose of coordinating athletic activity among Wisconsin institutions of higher education. This organization followed the national model (ARFCW) in which governance was primarily the responsibility of student leaders. The WARFCW included representatives from: Eau Claire State College, La Crosse State College, University of Wisconsin-Milwaukee, Oshkosh State College, Platteville State College, Ripon College, River Falls State College and University of Wisconsin-Madison. The WARFCW held sports days in archery, badminton, basketball, golf, gymnastics, tennis and volleyball.

In 1966, a motion to form a women's athletic conference was presented, but defeated. Then, in 1969 at the annual convention held at Carthage College (Kenosha), a motion to limit the number of sports days per sport to one was passed. This constituted a state meet in each particular sport. Member institutions were allowed to travel to other member schools for dual meets.

In the winter of the 1969-70 academic year, a number of schools, which are currently members of the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC), participated in a unique state basketball tournament at the then Wisconsin State University at Stevens Point. As a result of playing a partial round robin, three state champions were recognized. The triumvirate championship of basketball, with its sportsday hues, was questioned later in the spring of 1970 at the state track meet involving essentially the same schools. At that meet, Martha van Steenderen (UW-Whitewater), Chair of the Wisconsin State Division for Girls' and Women's Sports (DGWS), appointed Dr. Judy Wilson of River Falls and Dr. Mary Jo Mullen of Stevens Point to investigate Minnesota's intercollegiate athletic organization for women and report back to the Wisconsin Athletic and Recreation Federation for College Women (WARFCW) schools. Dr. Wilson and Dr. Mullen began their work, with Dr. Wilson contacting the Minnesota contingent and Dr. Mullen organizing the fall 1970 meeting for the presentation of their report. Marty Beck of Bemidji, Sue Day and Joyce Locks of Winona State served as resource people. Dr. Mullen chaired the fall 1970 meeting at Stevens Point to which eleven universities sent representatives. At that time, an agreement was reached that the development of a conference was needed. Dr. Mullen took the draft of the Constitution of the newly formed WWIAC and presented it for final approval at a meeting held at UW-Eau Claire on January 29-30, 1971. After two days of deliberations, the WWIAC became a reality. In the spring of 1971, the first "Governing Board" meeting was held.

The original membership consisted of twelve schools (the nine current members plus Carthage College, UW-Madison and UW-Parkside) and grew to its maximum of 16 by 1975 with the addition of UW-Milwaukee, Carroll College, UW-Green Bay and Marquette University. All members were at one time affiliated with the Association of Intercollegiate Athletics for Women (AIAW), and the Midwest Association of Athletics for Women (MAIAW). Initially, the AIAW conducted regional and national championships with a large school/small school format. This initial format was later changed to a three division format determined by percentages of financial assistance based on athletic ability. In 1982 the AIAW dissolved and members affiliated with the NAIA (National Association of Intercollegiate Athletics) and/or the NCAA (National Collegiate Athletic Association), Division III. As of the 1993-94 academic year, all WWIAC institutions had only NCAA Division III affiliation.

In 1975, the University of Wisconsin System allocated a part-time position for coordination of the WWIAC. Gail Grimm was appointed Executive Secretary, and was succeeded in 1977 by Dr. Emogene Nelson (UW-River Falls). It was through Dr. Nelson's efforts that a commissioner's position became a reality. In August 1979, Dr. Janice Stocker became the first WWIAC Commissioner, resigning in August 1984. Judy Kruckman (UW-Eau Claire) served as acting Commissioner until her appointment in June 1985.

In 1984-85, the Conference functioned for the first time as a non-scholarship (no financial assistance allowed based on athletic ability) organization, and Faculty Athletics Representatives acted upon recommendations made by the Athletics Directors.

In 1988, the Conference initiated a study of gender equity and compliance with Title IX requirements at all member athletic departments. This study was divided into four phases (institutional self-study, plan of action and time frame for rectifying inequities, initial status report, and a final status report), with the final phase to be completed during the fall of 1993. Support from UW System administrators has helped keep the WWIAC on the cutting edge of what may turn out to be the most visible and debated issues in athletics during the 1990s.

Wisconsin Intercollegiate Athletic Conference Historical Review

On July 1, 1997 the nine members of the former Wisconsin State University Conference (WSUC) and the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC) were joined together to form a single conference--The Wisconsin Intercollegiate Athletic Conference. Dr. Gary F. Karner was appointed commissioner in July 1996 to direct the merged conferences.

1999-2000 All-Sports Award

Three separate All-Sports Awards are presented yearly recognizing the top institutions for men's and women's sports separately, as well as an overall winner recognizing men's and women's combined. The awards are based on the highest total number of points accumulated during the previous academic year beginning with the fall sports and ending with the completion of the spring sports season. Points are awarded according to final standings in each sport on a 9-8-7-6-5-4-3-2-1 basis, 8-7-6, etc., or 6-5-4, etc., according to how many schools are competing in the sport. Two member institutions shared the WIAC All-Sports honors for the 1999-2000 year of competition. Eau Claire captured the top honor for its women's program, while Stevens Point won the award for its men's program as well as the combined award.

WIAC Scholastic Honor Roll

Each academic year, the Wisconsin Intercollegiate Athletic Conference honors individual student-athletes for their outstanding work in the classroom by selecting them to the WIAC Scholastic Honor Roll. The conference office compiles the names of the student-athletes who have qualified for the Scholastic Honor Roll from information submitted by the campuses. A student-athlete has to maintain a 3.0 (B) or better grade point average during the last academic year and compete in at least one athletic contest to be recognized.

WIAC All-Academic Awards

Since 1989, the former Wisconsin Women's Intercollegiate Athletic Conference recognized the institution with the highest overall GPA for its female student-athletes. Beginning in 1998, the WIAC began recognizing the institution with the highest GPA for its male and female student-athletes separately, as well as an overall award combining both the men's and women's programs. The awards are announced in June for the preceding academic year.

Tom Butler Award

The Tom Butler Award is presented annually (since 1998) to a representative of the print or electronic media who is considered to have provided outstanding coverage to WIAC athletics. The award is dedicated to Tom Butler, who served the conference faithfully for nearly three decades as its sports information director and played a significant role in establishing the WIAC as one of the premier Division III conferences in the country. The conference's sports information directors select the recipient.

University of Wisconsin - Eau Claire

Donald Mash
Chancellor

Described by many as Wisconsin's most beautiful campus, UW-Eau Claire sits along the banks of the Chippewa River in the heart of Eau Claire, western Wisconsin's largest city. Rated by U.S. News & World Report as one of the top three public regional universities in the Midwest, we're known for our distinctive academic programs, hands-on approach to learning and exceptional international programs. Students choose from 46 majors and 35 areas of concentration in arts and sciences, business, education, nursing, and human sciences and services. We offer 15 programs leading to master degrees. UW-System's only Center of Excellence for faculty and undergraduate research, our students and professors work together to conduct research, providing experiences often available only to graduate students at large institutions. Ninety-nine percent of our students are working or continuing their education within a year of graduation.

University of Wisconsin - La Crosse

Doug Hastad
Interim Chancellor

Ask students why they like the University of Wisconsin-La Crosse and they will mention: high quality academic programs, tall bluffs and picturesque coulees and a compact, park-like friendly campus. These serve as the game plan for more than 9,300 students from throughout the world who find UW-La Crosse a great place to live and learn. Founded in 1909, UW-La Crosse is now one of the 13 four-year campuses in the reputable University of Wisconsin System. The university became known for its strong physical education program shortly after its doors opened. Now, notoriety comes in many undergraduate programs in the following areas - Business Administration; Science and Allied Health; Liberal Studies, which houses the School of Arts and Communication; and Human Development Programs, which include the College of Health, Physical Education and Recreation, and the School of Education. Master's degrees are offered in 21 disciplines.

University of Wisconsin - Oshkosh

At the University of Wisconsin-Oshkosh, an exciting first-year orientation program helps students become part of a learning environment that will nurture and challenge them through graduation. From the beginning, a highly successful career services office helps students find internships, land summer jobs and prepare for "life after college". Four colleges - Letters and Science, Business Administration, Education and Human Services, and Nursing offer learning opportunities in well-equipped laboratories and classrooms around the globe. Geology students take off for the Canadian Rockies and Antarctica. Foreign language and business majors visit Japan, Russia, Mexico and Spain. Nursing faculty and students respond to Russian health-care needs, while education and human services projects flourish in Central America. Founded in 1871, UW-Oshkosh has grown to be one of the largest institutions in the University of Wisconsin System. UW-Oshkosh is a modern campus with more than 35 buildings arranged along a central mall and boulevard.

University of Wisconsin - Platteville

David J. Markee
Chancellor

The University of Wisconsin-Platteville is an important part of Southwest Wisconsin and the tri-state's region, and has been since its founding in 1866. Today, UW-Platteville serves as a major resource for education, community and economic development, and the fine and performing arts. What's more, UWP graduates are teachers, engineers, business leaders and good citizens who are making important contributions throughout Wisconsin, the U.S. and the world. Education is UW-

Platteville's main mission. The university offers a variety of degree programs in three colleges: Business, Industry, Life Science and Agriculture; Engineering, Mathematics and Science; and Liberal Arts and Education. Undergraduate teaching is emphasized, with complementary graduate programs in selected fields.

University of Wisconsin - Stevens Point

Thomas F. George
Chancellor

Established in 1894, the University of Wisconsin-Stevens Point is a comprehensive regional university with 8,400 undergraduate and 400 graduate students. The four academic colleges offer 95 program choices within 48 majors, plus 75 minors and 16 graduate programs. The picturesque campus includes the 265 acre Schmeeckle Nature Reserve which enhances offerings of the College of Natural Resources, largest undergraduate natural resources program in the country. The University offers a wide variety of academic, athletic, scientific, cultural and historical opportunities, plus events of all kinds. The UW-Stevens Point is much, much more than an institution of higher learning. It's a life experience!

University of Wisconsin - Stout

Charles Sorensen
Chancellor

Involvement and innovation typify a way of life for more than 7,400 students attending University of Wisconsin-Stout. Since its founding in 1891, students from around the world have been drawn to the UW-Stout campus by an outstanding curriculum, a faculty with a record of concerned service by students, and facilities that are among the finest anywhere. Founded as an experiment in education, UW-Stout attracted national attention from the beginning. Traditionally,

UW-Stout's programs have prepared students for productive careers in business, industry, technology, education, human development, and art and design. A combination of course work in the humanities, social and natural sciences, as well as work in career fields, is a key part of an educational plan that produces graduates who live, think and work creatively.

University of Wisconsin - Superior

Julius E.
Erlenbach
Chancellor

UW-Superior is located in the Northwest corner of the state on the shore of beautiful Lake Superior. UW-Superior offers 30 undergraduate majors in business, computers, education, science, mathematics, and humanities; 19 pre-professional programs; individually designed majors and minors; dual degree programs in engineering and forestry; graduate programs in education, communicating arts and visual arts. The educational experience at UW-Superior is enhanced by the small size of the institution and the low student-to-faculty ration (17 to 1). Nearly 70 percent of UW-Superior classes have fewer than 21 students allowing for one-on-one interaction with instructors.

University of Wisconsin - Whitewater

John Miller
Chancellor

UW-Whitewater offers the unique mix of a hometown of 12,000, proximity to the Kettle Moraine Recreation Area and its multitude of outdoor activities, and a one hour drive to Madison and Milwaukee. The focal point of campus is a two-block mall which links classroom and administrative buildings with recreation and athletic facilities. A nature preserve and arboretum form the northeast boundary of campus. UW-Whitewater is the only UW System comprehensive university

selected for a tier-one ranking by U.S. News and World Report in the "America's Best Colleges" for six consecutive years, including the 2000 report.

8th Annual WIAC Championship

UW-Stevens Point, Friday-Saturday, Oct. 29-30, 1999

Seeding for the conference championship was determined by points accumulated during a round-robin league schedule. Three points were given for each win and one point for a tie. The play-in match and quarterfinal matches were played at the site of the higher seed and the semifinal and championship matches were played at the site of the highest remaining seed. The winner of the championship received the conference's automatic berth to the NCAA national tournament.
