BAY LEAVES

VOL. VIII

NO. 10

MARCH 7, 1940

TIME MARCHES ON

It will not be long now before we will be having many signs of Spring. Already over the radio they are telling of "firsts", first robins, first snow flowers, etc.

One week from Sunday is Palm Sunday and the following Sunday is Easter. The stores are advertising that it is time to purchase that Easter suit or dress.

We like the changing seasons, in Winter we like the snow and ice (provided they are in their proper places). We here in Williams Bay enjoy part or all of the Winter Sports. The Citizens of Williams Bay were glad to share their lake and hills with their neighbors either from near or far.

The Winter Sports Committee of Men's Community Club estimate that as many as 800 used the skis or toboggans on one Sunday and that at least 5,000 used them in all. We know that many thousands were on hand to watch the Ice Boat Races on one weekend.

Now the Spring Days will soon be here. We will be glad to have our summer residents come out and look over their properties and make plans to have them repainted, or remodeled, if necessary. It has been a long winter and the men in the building trades are "raring to go".

With most of the world at war, it is said that many who have traveled far will see their own country this Summer. That should mean many visitors in this region which is at the gateway of all Wisconsin.

The Men's Community Club which did valiant work for Winter Sports is planning a big summer program. The Bay will have the All Geneva-Lake-Swim this summer to celebrate the new beach. Many new boats are purchased for the lake this spring. With the increased membership in the Men's Community Club and with such a large addition in man-power Williams Bay should be an important factor on the lake.

Watch us !

The High School Basket Ball team which won the regional conference tournament and Coach Bob Cook were guests of the Men's Community Club at Rose Lane Hotel on Tuesday evening.

The Club members sang several popular songs under the leadership of Kenneth Viste with Larry Fenton at the piano.

Rev. Eric H. Arendt who has joined the Club and attended his first meeting was called upon by the chairman to speak.

Mr. Viste was called upon for remarks, Coach Cook told about the team and introduced the members of the team:

"Sonny" Hansen, Edwin Van Biesbroeck, Verne Lockwood, Allan Forsberg, Carl Bjorge, Marvin Gramley, W. Wittig, Wm Elbert, Jr., Robert Hess, Norman Johnson, Melvin Hansen.

Mike Peterson spoke on "What it Means to Williams Bay to Have a Winning Team."

President Van Epps reported that the membership now stands at 115. Secretary Robert N. Anderson said that 74 memberships have been paid to date.

The next meeting will be held on Tuesday evening, April 2nd. The plan of contacting each members to find out how many plates should be set will be followed next time.

All men of the Village both year round and summer residents are invited to become members.

The Williams Bay High School Basket Ball team was eliminated in the first game by Walworth at the Walworth Tournament, but won the Consolation Plaque. Walworth got first and Darien second in the Tournament. Union Grove took the third place.

The Bay was unfortunate in meeting Walworth first.

The regular March meeting of the Village Board was held on Monday night.

All members of the Board were present.

The Election Board recommended by the Republican and Progressive Committeemen was read by President Atkins and approved by the Board: Fred Weyhrauch, Merlyb Bradt, W.W. Morgan, Clara Gramley, Mrs. Carl Osman, John Andell and Mrs. A.C. Ohl.

The Real Estate Taxes were extended to June 30th without penalty, provided the Personal Property and Special Assessments were paid.

Upon the recommendation of the Water Committee, the Contract with John Wesley which terminates on April 1st will not be renewed.

It was understood at the time that Mr. Wesley came it was for a period of six months. Mr. Wesley is a graduate engineer of the University of Wisconsin and filled in here until spring.

He prefers to get into the engineering field as quickly as possible.

A report from the Winter Sports committee made by Phil Fogle with recommendations, showed that about 5,000 persons used the ski hill and toboggan slide this winter.

The recommendations were referred to the Sports committee of the Board.

At the request of the Clerk permission was given for Codification of the Village Ordinances and the elimination of those not now suitable to present conditions.

A request was received from Mr. Schlenz, representing Olivet and Eleanor, College Camp, Conference Point, for information as to possibility of sewer mains being extended to the Camps. No action.

Election was held on Tuesday night, Feb. 20th.

SIGNS OF SPRING

Rain and a threat of snow, sudden drops in temperature, 37 to 16. (3/7) Orators about democracy encounter the income tax reminders. Water drips from the roofs. Leaves choke up the sewer. A pool of water leads across the street.

People went to Florida for the winter. They got it. A fur coat is still an asset in south Florida.

BOY SCOUT NIGHT AT MEN'S BROTHERHOOD WEDNESDAY .

Seventy-two men and boys, 32 boys and 40 men, is quite a crowd.

That many attended the Father and Son Meeting on Wednesday night at the Congregational Church.

Custodian Fensholt called upon the following for speeches: Bob Thompson, Cub Scoutmaster; Kenneth Viste, Scoutmaster; Larry Fenton, Scout Commissioner; "Bill" McKeown, Scout Executive.

The scouts showed boards of knots and bandages.

McKeown said that there were 1,300,000 Scouts enrolled in the U.S. and that if they marched by the Church at the rate of 35 a minute it would take 5 weeks of 24 hours each to pass.

1940 Farm Institute at Lake Geneva

Highest calibre farm program will be given when the Lake Geneva Lions Club and the Linn Town Farmers club jointly present the program to the farmers throughout the Lake Geneva region, on Saturday March 16, in the Lake Geneva High School. The best agricultural teachers in the state will be present, including three of the best extension men of the University of Wisconsin. Awards and prizes will be given for exhibits and a special program will be arranged for the women. A free lunch will be served in the Congregational church dining room.

The usual refreshments of coffee and doughnuts were served, with milk for those who wished it instead of coffee. Serving were Harold Foote, Ude Immega, Jimmie Vavra and Roy Wickham.

Mr. Fensholt has several very fine programs planned for the rest of the Spring.

A reminder that we who are here in the Winter are guardians of the property of those who are away. A window was recently broken on Spring Street. The proper way to have done was for the one who did it to report the matter.

The sacrifices of God are a broken spirit, a broken and a contrite heart, O God, thou wilt not despise.

Seek ye the Lord while he may be found, call ye upon him while he is near. Let the wicked forsake thy way, and the unrighteous man his thought; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon.

Many in the Bay received an attractive booklet today entitled "Seventy-fifth Anniversary of the First National Bank of Elkhorn, Wisconsin".

The First National Bank was formed in 1865 from the foundations laid by the Elk Horn Bank which was established as the first bank in Elkhorn in 1856.

In the issue of Elkhorn Independent of April 19, 1865 was recorded in one column the death of Abraham Lincoln and in another the notice Comptroller of the Currency that the charter had been issued for the First National Bank of Elkhorn.

Of the 5196 National Banks in existence in the United States today, only 276 are older than the First National of Elkhorn.

They can truthfully have as their slogan "Some Larger, Few Older, None Better".

The present officers are:
W. C. Norton; Chairman of the Board
A. C. Desing, President
William Opitz, Vice President,
George E. Hart, Cashier,
Willis Opitz, Assistant Cashier
