Throughout the Portage County Soil Conservation District, sheet and gully erosion are steadily carrying away the valuable topsoil which means bread and butter for people of this generation and those which follow. For a complete conservation plan tailored to fit your own individual farm get in touch with your own district office. Technicians for the U. S. Soil Conseration Service will help you reorganize your farming operations acre by acre. The plan is not compulsory, it costs you nothing extra, it boosts your income.

“... AN’ WE WERE GONNA HAVE FUN!”

JOHNNY was counting on a happy day — and now look! Instead of fun, a smash-up. Day spoiled, car wrecked. Daddy and mummy nervous, upset . . . lots of worry-talk: “Are we covered?” . . . “I’m not sure!” . . . “This may ruin us!”

The peace of mind protection you get with Hardware Mutuals automobile insurance means freedom, when you need it most, from worry, strain, uncertainty. The *policy back of the policy* gives you the comforting assurance of fast, friendly, nationwide day and night service . . . prompt, fair claim handling . . . safe, thorough coverage by a company known for its capable management, and recognized for financial strength and reliability . . . which has returned

dividend savings to policyholders every year of its history.

Get acquainted with Hardware Mutuals. Call our representative or stop in at our office sometime when you are in Stevens Point. Whether you want to talk insurance or not we’d like to meet you, arrange for a tour for you through the building, and do anything we can to make your visit pleasant.
