<http://rightsstatements.org/vocab/InC/1.0/>

The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

There are several ways to cross the Atlantic

But you

jet across in full comfort.

benefit from

our low fares and our stop-over plan in Iceland.

our experience in

scheduled Trans-Atlantic operations through 25 years ensures that you will be

turning a routine trip into an adventure

For this very special Atlantic crossing contact your travel agent or have us direct you to our nearest office.
