The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

WELL, WHAT DO YOU KNOW—after grouching for weeks, the old tyrant is smiling! Must be his new nurse . . . even *he* can't resist such an attractive girl.

One of the reasons she's so neat and trim is Griffin Allwite, the white shoe cleaner trained nurses vote their favorite by a big margin, year after year.

And no wonder! Griffin Allwite has not one or two but *all* the features you want in *your* white shoe cleaner.

- *Excellent on all types of white shoes.*
- *A pure, rich white.*
- *Whitens to a new shoe finish.*
- *Cleans as it whitens.*
- *Easy to use—a little goes a long way.*
- *Dries quickly and evenly.*
- *Rub-off resistant—not chalky.*
- *Chemically neutral—safe for all leathers and fabrics.*

*And the patented carton prevents bottle tipping over while in use.*

Remember, keeping white shoes in tip-top condition helps make them last longer, too!
