BASKET TEAM OPENS SEASON WITH TEN MEN

"Doc" Meanwell's Squad Strengthened by Foot- ball Men

The basketball season officially starts tomorrow afternoon. Coach W. E. Meanwell has been working with the Badger cagemen for the past six weeks in preparation for a strenuous season which opens on December 4, against the Ripon College quintet.

Starting out October 1 with a squad of more than 50 men, Coach Meanwell has gradually eliminated the candidates until at the present time there are only 10 men left on the squad. These are: Captain Warren Taylor, Karl Ceaser, Al Frogner, Willis Fanning, Clarence McIntosh, Eddie Farrington, Jack Williams, Leslie Gage, Edd Frawley, Will Bloecher, and Charles Horn.

Captain Taylor played a splendid game at forward on last year's team and gives every indication of being a mainstay on the Badger five this season. Ceaser and Frogner were guards on last year's team and Fanning played center. McIntosh was a "W" on the 1918 team.

Williams, Gage, Frawley and Horn were members of last year's frosh team, Bloecher is an "awa" man from last year and this is Farrington's first year of varsity basketball.

The basketball squad will be greatly strengthened this week by the addition of several members of the football squad. Prominent among them will be "Mike" Knapp, star forward and captain of last year's team, and "Red" Weston.

EXODUS NUMBER OF OCTOPUS ON SALE TOMORROW

Latest Issue of Funny Paper Dedicated to Thanksgiving Sore Eye Seniors

The Exodus number of the Octopus will be on sale on the campus tomorrow, and the editors promise copies will be delivered at the same time to those on the subscription list.

"Subscription copies were taken down to the post office this morning, and W. A. Devine the postmaster, guarantees that they will all be delivered on Monday," the business manager said, yesterday afternoon.

The Exodus number is named in honor of the "Thanksgiving seniors," who are leaving on the "Sore-eye Special." "Why Freshmen Leave College," one of the leading articles, written especially for the Octopus by Dean S. H. Goodnight, gives an unusual view of the situation.

Four new members of the Octopus board have been chosen, two juniors and two seniors. They are: Fred Brewer, '22, Wells Carberry, '22, Taylor Merrill, '21, and Penneel Crosby, '21. Appointments were made on the basis of contributions to the first two numbers this year, and to those last year.

Haresfoot Kings Score Hit

union in Chicago

Appearing as the feature of the dinner entertainment of the Wisconsin alumni re-union banquet at the Hotel Sherman in Chicago, Friday night, Wells Carberry, "Sunny" Harold Ray, and "Sparks" Howard Dodge, of the Haresfoot club, were pronounced a marked success. The men will put on their act in the third annual Haresfoot Follies which will be given by the Haresfoot club in Lathrop gym and concert room, Saturday, December 4.

The Haresfoot Follies will be the first Madison appearance of the Haresfoot club since the production of "Mary's Lamb" last spring at the Fuller opera house. Besides the entertainers who appeared in Chicago, "Ace" H. J. Carver, and "Phil" F. D. Reed, of the 1919 Union Vodvil and "Mary's Lamb," will appear in a series of songs. The floor is to be cleared between the numbers on the program for dancing to Thompson's first orchestra.

"Nobs" Norbert W. Markus is general chairman of the Follies, De Witt Van Pinkerton is in charge of the feature numbers, "Shorty" A. H. Fee is controlling the ticket sale, and Walter K. Schwinn is managing the publicity for the event.

The sale of tickets at \$2, including fee for dancing and war tax, is to be limited. A mail order sale for those who wish to be sure of tickets starts Tuesday, November 28. Applications for tickets should be mailed to A. H. Fee, 627 North Lake street.

NOTED BELGIAN TO LECTURE ON CAMPUS MONDAY

Dr. Henry DeMan Will Speak at Bascom Hall and Law Auditorium

Dr. Henry DeMan, Belgian scholar, educator, and engineer, will speak on "Post War Europe" Monday at 4:30 in Bascom hall, and on "Problems of the Labor Movement" in the Law auditorium at 8 o'clock in the evening.

Dr. DeMan was sent to this country by the Belgian government on two different occasions in order to investigate industrial relations for the purpose of aiding the reconstruction of his country by studying recent American experience in the field of industrial management. After the completion of his second official mission he stayed in this country to study social conditions on his own account by working in various capacities. He is now lecturing in the Northwest on his way back to Belgium by way of New York.

"The Re-making of a Mind," Dr. DeMan's latest book, was published last fall by Scribners. It is a description of his spiritual experiences as a combatant in the Great War during 1918 and has been very successful. As one of the foremost non-fiction books of the year it received most favorable comments in the American papers and periodicals. A university president wrote "In recent years we have had nothing with just that intellectual quality about it." Dr. DeMan speaks excellent English and has been invariably successful, as a lecturer.

Four new members of the Octopus board have been chosen, two juniors and two seniors. They are: Fred Brewer, '22, Wells Carberry, '22, Taylor Merrill, '21, and Penneel Crosby, '21. Appointments were made on the basis of contributions to the first two numbers this year, and to those last year.

DAVEY'S KICK GIVES VARSITY 3-0 WIN; TEAM ENDS SEASON IN SECOND PLACE; OHIO WINS

Sensational Run by Williams in Last Minutes of Play Places Ball Within Scoring Distance

BY ALLARD W. FROGNER

CHICAGO—Wisconsin won the undisputed right to second place in the Conference yesterday afternoon by defeating Coach Stagg's fighting Maroons 3 to 0 in the final game of the season. Allan Davey, bringing his football career to a close in a blaze of

glory, kicked a beautiful 40-yard drop kick in the last few minutes of play for the only score of the game.

It was not a brilliant game. Playing nearly three quarters without the services of the star end and leader, "Red" Weston, the Badger eleven bore no resemblance to the powerful machine which rushed the Illinois last week. Inability to catch forward passes ruined the Wisconsin offense and several times when a touchdown seemed certain, some Cardinal player would drop a pass.

Coach Richards' team failed to get started at the beginning of the first quarter and it was not until the end of the period that the Badgers finally took the offensive after they got the ball on the Chicago 40-yard line on an exchange of punts. The Badgers interference could not hold out the desperate Maroons, however, and the Wisconsin backs had little success in running the ends or on off tackle plays. Wisconsin's score came in the fourth quarter as the result of an intercepted forward pass by Otto Eggebrecht followed by a brilliant bit of open field running by "Rollie" Williams, who carried the ball 25 yards to Chicago's 30-yard line. After three failures to gain Davey dropped back to the 40-yard line and booted a drop kick squarely between the uprights.

Eggebrecht Stars

Substituting for Weston in the second quarter, Otto Eggebrecht was the individual star for the Badgers. He was down on every punt tackling the Maroon receiver in his tracks, while his ability in receiving forward passes was the one redeeming feature of the Badger aerial attack. "Rollie" Williams played a great game but lack of interference prevented the speedy halfback from getting away for his customary spectacular runs.

Sundt Outpunted Opponents

Sundt had a decided shade over both Maroon booters in punting and the Badger fullback booted one of the most brilliant games of his career.

STRAIGHT PROGRAM TABOOED AT MIXER

Straight partner dancing was tabooed at the Union mixer last night and as a result more students were able to take part in the affair. The plan of dancing only two consecutive dances with the same partner made the work of the social committee less difficult, and the men and women lent themselves willingly to introductions.

Eleanor Riley delighted the dancers with an interpretive dance. Susie Fisher, S. G. A. representative, and a committee were in charge of the special features.

Mr. and Mrs. Ben Parkinson, Mr. and Mrs. Sheldon, and Mr. and Mrs. Percy Dawson chaperoned the dancers.

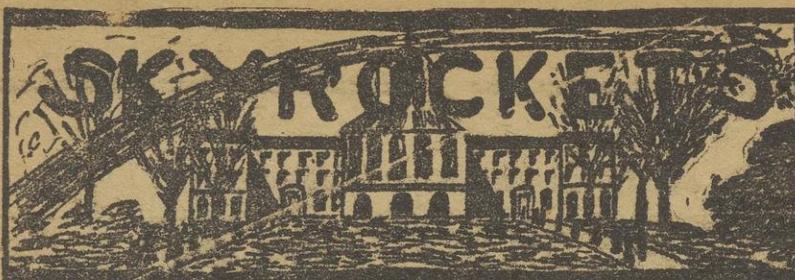

Wisconsin Fifth in Cross Country Run

URBANA, Ill. — Ames cross country runners today won the annual conference cross country run ahead of a field of fourteen university entrants. Ames, which won the run last year, had five entrants and finished with a total of 32 points and in the fast time of 26:30 3-5 Illinois paced second, Ohio third, Purdue fourth and Wisconsin fifth.

who played a great game at guard last season. Guy Sundt, who won his "W" as guard on last year's team will also be in a suit this week. Other football men who will join the squad are: Rollie Williams, former Edgerton High school star, Otto Eggebrecht who was considered one of the strongest normal school centers in Wisconsin during his two years on the River Falls normal quintet, and "Gus" Tebell of last year's freshman team.

Coach Meanwell is not elated over the prospects for the coming season but he is driving his men hard in preparation for the opening game on December 4. The varsity men have been working out nearly every day and for the past two weeks they have been scrimmaging against the freshmen and various city teams.

The game against Ripon on December 4 will be a difficult one for the Badgers to open the season with. Coach Olson's men forced the Badgers to play an overtime game in order to win last year and the collegians have the same team this season. They were the undefeated champions of minor state colleges last year.

Bill Chandler will bring his River Falls normal team here for a game against the Badgers on December 7. Three days later Coach Meanwell's men will meet the fast Knox College five in the gymnasium. This team won the championship of the Illinois minor college conference last year and with the whole team back they will furnish stiff preliminary opposition for the Badgers. There will be a game with some state college on December 15.

The Wisconsin squad will leave for La Crosse on December 17 to meet the normal team there. The next they will play either Marquette or Milwaukee normal, Milwaukee, after which they will disband for the Christmas holidays.

The squad will be called together again on December 27 and after a couple of games with South Dakota here, they will open the fan-

ference season against Northwestern at Evanston. The Badgers will play two games with Northwestern, Chicago, Illinois, Minnesota, Ohio State, and Michigan this season.

Although it is early to predict the strong teams in the conference race it is certain that Illinois and Chicago will be represented by strong fives this year, with Wisconsin, Minnesota, and Northwestern as unknowns.

With Doctor Meanwell back at the helm of Wisconsin basketball after an absence of three years, the Badgers are expected to regain the dominating position that they held for so many years in conference basketball. Whether the great coach can produce a winning team during the first year out of mediocre material is a question, but "Doc" guarantees a championship in 1921.

OHIO STATE IS CONFERENCE CHAMPIONS

Punting Duel Between Hellstrom and Workman Features Early Part

CHAMPAIGN, Ill. — With the 1920 football championship of the western conference at stake, Ohio State, undefeated in the race, and Illinois met here today before a capacity crowd of 20,000 spectators, the biggest crowd that ever witnessed a gridiron contest here. The field was packed and thousands were turned away.

Depler, the Illinois captain and center, was unable to start the game because of an injury to his shoulder. Reitsch played in his place.

First Quarter

Carneys kick-off sailed for a wouchback and Ohio scrimmaged from its 20 yard line. Neither team could gain consistently in the early attempts and a punting duel between Hellstrom for Illinois and H. Workman and Myers for Ohio resulted. Workman got beautiful distance with his kicks one soaring for 65 yards across the Illinois line.

From the 20 yard mark the Illini attacked the line, but Crangle and Ralph Fletcher between them made only five yards and again Hellstrom punted.

Two Ohio bucks were stopped short and Walquist intercepted a forward pass on Illinois' 27 yard line.

Hellstrom gained five yards at end and Crangle bucked for two more but Ohio stiffened and another exchange of punts resulted, Ohio gaining 9 yards on the exchange.

On a tricky shift play Fletcher went through left tackle for 10 yards and in two attempts Walquist added eight more. But the offensive did no good.

Workman kicked back after Hell-

strom's punt, Illinois was back to her 15 yard mark.

Ralph and Bob Fletcher gained five yards in two attempts and Illinois then marched to the 31 yard line where the period ended. Score: Ohio 0, Illinois 0.

Second Period.

More punting marked the opening of the second period. On the

third kick Stinchcomb dodged back nearly 30 yards and Crangle tackled so viciously that he was knocked unconscious. Linden replaced Crangle. Stinchcomb immediately circled left end for 22 yards, placing the ball on Illinois' 48 yard line. H. Workman punted out of bounds on Illinois' four yard line. Hellstrom returned the punt.

From the 48 yard line Stinchcomb broke through tackle for 31 yards.

Blair made three yards, Stinchcomb two and H. Workman from a forward pass formation ran to the five yard line. Illinois held for downs on its one yard line, stopping Willaman and Blair dead in their tracks. Hellstrom punted out 38 yards.

Blair made seven yards through right tackle and Willaman made it first down on the 25 yard line. The next two plays were stopped without gain and H. Workman's forward pass attempt went wild. R. Fletcher knocked down another pass and it was Illinois' ball on its own 24 yard line.

Bob Fletcher made three yards at center as the half ended.

Score: Ohio 0; Illinois 0.

C. Taylor replaced Willaman for Ohio and Stinchcomb electrified the crowd by catching the kick-off on his 15 yard line and running it back 52 yards. Ohio then made a first down on the next three plays.

After Blair and C. Taylor had made ten more yards, Taylor fumbled on Illinois' 18 yard line and Ems recovering for Illinois. Two line attacks failing, Hellstrom punted to Midfield.

After several line plunges failed Workman punted and the ball went to Illinois on its own 20 yard line.

HATS OFF TO THE TEAM

WITH a splendid victory over Chicago the Badgers have come to the end of the 1920 football season. It has been a great year for us. We met the enemy and they were ours, except in one instance where the fates were unfriendly. However, it is a comforting thought that we are only sixty seconds away from the conference championship. Few teams in the history of football, landing second place, have come so close to the coveted goal.

Wisconsin congratulates Ohio, champions in this year of grace, 1920.

We come to the end of the season with mingled pride and regret—pride that every man on the team acquitted himself in a manner creditable to Wisconsin's best traditions, regret that many of the men who helped make the team what it is will not be with us next year. We shall miss them.

HAVE YOU ANY IDEAS?

WHAT can be done to unite the various colleges of the campus into a stronger union?

How can the alumni be brought into a closer relationship with the students of the university?

Is there any justification for an anti-university spirit?

Are there enough organizations on the campus to provide membership for all those who desire to belong to worth while student organizations?

Do you believe that the prices at the various cafeterias can be justified by the present condition of the food market?

What do you think should be done to ticket scalpers?

If you have any ideas, on these or on any other subject, the Daily Cardinal Communication column, is the medium through which you can air them.

Communications should not be more than 300 words in length and should reach the Cardinal office at the Union building before six the afternoon preceding the day of publication.

FOOD REGULATIONS

STUDENTS as well as all other consumers should be interested in the cold storage regulation bill which has passed both houses of congress. The bill is now pending in a conference committee of the two houses where points of disagreement are being thrashed out. The committee will probably report at the next session of congress.

The bill was introduced by Representative Hutchinson of New Jersey, and requires the branding of food products which

have been held in cold storage, with the dates when put in and when taken out of storage.

The bill provides a check on the time of storage and on the period of transportation as well.

Imported eggs in transportation for more than three weeks in a refrigerated vessel or for more than two weeks in a non-refrigerated vessel, would have to be stamped on each individual egg the original point of shipment and the date of shipment.

If the bill becomes a law those who eat at cafeterias in Madison will be benefited by it. Perhaps this will offer another excuse for raising cafeteria prices, or for not reducing the present prices.

BADGER CLUB TO HEAR ABOUT ROME

Prof. Carl Russell Fish, of the history department, will be the principal speaker at the Badger club meeting in the parlors of the university Y. M. C. A. this evening at 8 o'clock. The subject of his talk will be "Rome," and will deal with his experiences in Europe several years ago.

A musical program, including some community singing, led by "Doc" Dowdard, and a number of special events have also been arranged by the committee in charge of the entertainment. The hosts and hostesses will be Prof. and Mrs. C. D. Cool, Mr. and Mrs. Byron H. Stebbins, and Mrs. W. L. Roach, of the Y. W. C. A. board.

During the past week, the committees have been filled out, and all the members will soon be serving on at least one of the committees. At present, the Badger club has over 150 members.

Special plans will be discussed tonight regarding a Thanksgiving vacation hike and next week's Badger club meeting, which will be held at the home of Mr. and Mrs. Frederick E. Wolf, 2154 Keyes

Sunday evening, December 5, all members are asked to report at 7 o'clock for a general committee meeting to arrange the annual Badger club Christmas party for the poor children.

JUBILEE SINGERS INVADE MADISON

The Star Jubilee singers will appear under the auspices of the Wesley High School league, Tuesday evening, November 23, at Wesley hall.

The performance is to consist of old plantation melodies, readings, and solos. These singers have been making a tour of Iowa and Illinois, and are now starting a similar tour through Wisconsin.

The Wesley High School league was begun a year ago for the purpose of carrying out a form of social work among all young people of high school age. It provides, besides religious training, different types of amusements to provide activities for the young people. The price of the concert will be 50 cents.

Y. W. PLANS LONG VESPER SERVICE

The Y. W. C. A. will hold a song service this afternoon at 4:30 in Lathrop parlors. Miss Mary Andersen, secretary of Y. W. C. A., will give a short talk. The public is invited as well as university women.

BOOSTERS DRAW FIRE FROM MEN LIVING IN TEXAS

Slogan at Bottom of Letter Brings Answer From Old Friend

A Boost Madison campaign is being inaugurated and conducted by the Association of Commerce of this city. The business men are starting in an inconspicuous, yet forceful way, to acquaint the people of the United States with what the University of Wisconsin is doing.

All business men sending out mail have been requested to use one of the slogans issued by the Association of Commerce, at the bottom of their letters. A letter was received by the J. J. Fitzpatrick Lumber company of Madison from a large lumber saw mill, Houston, Texas, in answer to the slogan they used, "Over 7,000 students at Wisconsin this year." The letter read as follows:

"I note your post-script to the effect that there are over 7,000 students at Wisconsin this year. This is certainly very fine. I am an old resident of Wisconsin myself, having lived 20 years in La Crosse, and, too, by the way, in Madison. I keep in touch with the athletic accomplishments of the university as closely as possible, and am hoping that the football team wins its remaining two games to make up for the accident at Ohio."

Y. M. HAS FUND TO AID SERVICE MEN

To aid ex-service men who are largely relying upon their own resources to obtain college education the university Y. M. C. A. is now allotting \$3,750 in the form of 182 scholarships. All but 24 scholarships have just been awarded.

The scholarship awards amount to \$100 each in the case of eight very deserving students and to \$50 to each of the others.

In the awarding of the scholarships, the applicants were divided into three groups. The first class consists of men who receive neither state nor federal educational aid, receive no assistance from their families, and have relatives dependent upon them. The second class consists of men who are receiving the state bonus but no other assistance. The third class includes men who are receiving a small amount of family assistance in addition to bonus. About half of the men who have been awarded scholarships do not receive the state bonus.

NOTED RABBI IN MADISON TODAY

Dr. S. N. Deinard will speak tonight at the Woman's building on the subject "The Jewish Situation and its Remedy." The meeting is under the direction of the Jewish Students' association, but everyone interested is welcome. A short discussion will follow the address.

Dr. Deinard is rabbi of the largest Jewish congregation in Minneapolis, and edits the American Jewish World, published at Minneapolis. He has been a professor of Semitics at the University of Minnesota, and received his doctor's degree at the University of Chicago.

An address given by him before the Menorah society several years ago, showed his grasp of the Jewish religion and its present-day status which can not fail to make the talk one of interest.

VARSITY WINS FROM CHICAGO

(Continued from Page 1)

reer. Two of his kicks went over 65 yards forcing the Maroons back to the shadow of their own goal line.

It is to be regretted that "Red" Weston had to retire from the game because of injuries, for the great end was playing a wonderful game for the Badgers. His defensive work was wonderful and he was down under every punt with all of his old time speed. "Gus" Tebell was a tower of strength on defensive and nailed Maroon backs for losses repeatedly. Ralph Scott and "Howie" Stark playing their last game in the cardinal uniform were giants in the Badger lineup and stopped the Maroon drive time and again. Bunge and Brader fought with their customary aggressiveness. As a whole, however, the great Wisconsin line was far below form and the furious Maroon attack gained through it more successfully than any backfield in the conference has done this year.

Maroons Strong

The great strength of the Maroons was the biggest surprise in western conference football this year. Stagg's charges fought desperately against the more powerful Badgers and Maroon alumni compared the spirit of "Red" Jackson and his teammates to the old Chicago fight of former gridiron years. For Chicago, Harold Timme played a wonderful game plowing the Badgers' line for consistent gains.

It was an ideal day for football and more than 30,000 saw the game. More than 8,000 Badger students and alumni were in the Wisconsin section and there was some real old Badger pep in the enthusiastic cheering.

PLAY BY PLAY

First Quarter

Captain Weston won the toss and chose to defend the north goal. Barr kicked off to Hutchison who returned the ball to the 35 yard line. The Maroon backs made several short gains and fullback Timme made first down. Timme again squirmed through the center of the line for three yards, but on the next play Stark piled the Chicago backs up. Wisconsin held and Chicago was forced to kick. Williams returned the ball three yards to his 20 yard line. Williams made 1, and Barr 2. Elliott gained another from a punt formation. Sundt kicked to Chicago's 46 yard line. Timme's line plunging placed the ball on Wisconsin's 42 yard line. An attempted pass failed and on the next play Sundt intercepted a pass on the 35 yard line. Williams and Sundt were each good for a couple of yards. Chicago gained possession of the ball on Badger's 40 yard line on a fumble. Tebell knocked down a pass, and another attempt was unsuccessful. The Maroons attempted a goal from the field but the ball fell short. Wisconsin took the ball on the 20 yard line. Elliott made four yard and Sundt 1. Sundt punted to the middle of the field. Scott piled up the next play, but Timme went through for 9 shortly after. Maroon backs gained a few yards through the line, and a pass netting 8 yards and first down. The Badger line braced and the ball changed hands. Williams went off tackle for three but was thrown for two on next play. Elliott got away for seven yards. Sundt punted out of bounds on Chicago's 30 yard line. Several attempts to pierce the Wisconsin line failed and Chicago punted to Williams who returned 10 yards to his 36 yard line. Barr went through center for three, and Elliott gained one yard when the quarter ended.

Second Quarter

Wisconsin started play with ball on her own 32 yard line. Two passes fell short and Chicago gained possession of the ball. The Badgers again held their opponents, and the Stagmen were forced to punt. Captain Weston received another injury to his knee at this stage of the game, and was relieved by Eggebrecht. Wisconsin was forced to return the punt, the ball rolling over the goal line. Ball went into play on Chicago's 20 yard line. Davey was sent in at quarter for

Barr. An end-around play netted 12 yards for the Maroons, and Timme went through for a yard. On another end-around play Eggebrecht threw the runner for a loss. Again Chicago punted and Davey placed the ball on his own 40 yard line. Davey failed to gain but Williams annexed 2 yards. Williams placed the ball near the side lines and Sundt skilfully punted out of bounds on the Maroons 2 yard line. On the return kick Williams ran to the 30 yard line. Williams was thrown for a five yard loss. Two attempts at passes failed and Davey fell back for a drop kick. The ball failed to cross the bar. Holmes relieved Williams. Wisconsin held and Chicago punted. The referee's whistle called the Maroons back on the charge of being off side, but the punt was fumbled and recovered by Chicago, and Captain Jackson took the gain. Chicago put the ball in play on their own 46 yard line. An intercepted pass by Elliott gave the Badgers the ball on their 45 yard line. From a kick formation Holmes got away for six yards, and on the next play circled right end for 25 yards. A pass was incomplete, and Holmes was thrown for a loss. Davey tried two more passes but both failed. Chicago took the ball, and Timme went through the line for seven. End of quarter. Score: Wisconsin 0, Chicago 0.

Third Quarter

Stagg football knowledge gave the Maroons an edge at the start. The ball was sent rolling to Maroles on the kickoff, who fumbled, Rouse recovering. Palmer relieved Timme at fullback and made seven yards on the first play. Gus Tebell smashed through and stopped the next two plays with no gains. Tatge punted over the goal line. The Badger took the ball on their 20 yard line and Holmes made 12 yards in two downs. Holmes went off tackle for two, but Elliott lost six yards. Holmes failed to gain and Sundt kicked to Chicago's 35 yard line. Maroons were penalized 10 yards for roughness. Halladay made 12 yards. Tatge was thrown for a 12 yard loss. There was an exchange of punts. Hinkle intercepted a pass but the Maroons were

soon forced to kick. Holmes received the ball on the 25 yard line. Sundt returned the kick and the quarter soon ended with ball in Chicago's possession on the 49 yard line.

Fourth Quarter

Palmer made three yards, Gibson substituted for Elliott, Maroon backs made several short passes. The ball changed hands and Gibson made five yards. A pass to Eggebrecht placed the ball on 35 yard line, Chicago intercepted pass on 40 yard line. Palmer made 17 yards on series of line plunges, Scott threw Tatge for a loss. Wisconsin gained ball on fumble on 45 yard line. Crisler entered the game. Wisconsin punted out of bounds on 20 yard line. Palmer again plowed through for several good gains. Eggebrecht intercepted a pass on Wisconsin's 45 yard line. Gibson made three and then one yard. Davey fell back to 40 yard line and kicked a goal from the field. Score: Wisconsin 3, Chicago 0.

Badgers kicked off to goal line but the ball was returned to the 22 yard line. The Maroon opened an aerial attack but were unable to pass the 50 yard line before the whistle blew. Score: Wisconsin 3, Chicago 0.

Like Codfish Cakes?

Postoffice Has Them

Epicures who favor codfish cakes will get their supply in time for Thanksgiving dinner if Gordon E. Ohmhaus, inquiry clerk at the post office, receives a list of the owners in time from the Milwaukee branch of a Gloucester (Mass.) fishing establishment. The cans were insecurely wrapped, and addresses were missing when they arrived here Tuesday. Mr. Ohmhaus has asked for a complete list of Madison residents who have ordered codfish this week. Seven bags and suitcases containing clothing are awaiting owners who failed to paste labels on tight. Other unclaimed articles at the postoffice include castings, auto parts, an auto tire or two, and numerous odds and ends.

This is the season of County Board meetings and the subject of highway improvement is proving the chief subject of interest. Every county board that has yet passed upon the subject has decided to either increase the amount appropriated last year for highway improvement or to continue its program this year. As a result of this attitude on the part of the counties the year 1921 promises to reach the high water mark of highway construction in Wisconsin. Owing to the care with which the state trunk lines have been laid out and the complete method of marking established tourists can reach every large community, or any state park or point of scenic beauty in the state with ease.

HARVARD IS WINNER OVER YALE: 9 TO 0

Harvard Gets Away in First Period With Three Points

(By the Associated Press)

YALE FIELD—Yale's blue eleven, led by Captain Callahan made their formal entry to the arena ten minutes before game time and immediately lined up for a series of limbering plays.

The Harvard eleven rushed out of the East Entry. The rival leaders, Callahan and Horween, went to the center of the field for the coin toss. Captain Horween called the turn and chose to defend the north goal, which gave Harvard the initial kicking advantage of a following wind.

The line-up:

YALE	HARVARD
Cutler	Kane
Walker	Faxon
Acosta	Tolbert
Cross	Havemeyer
Callahan (C)	Woods
Dickins	Hubbard
Bean	Crocker
Kempton	Buell
Aldrich	Owen
Kelley	Fitts
Sturm	Horween (C)

First Quarter

NEW HAVEN, Conn.—Cross kicked off and Owen ran back to midfield. Buell drove off tackle for thirteen yards and a pass made it first down on Yale's 25 yard line.

Aldrich intercepted a pass but a Yale fumble forced a punt which was promptly returned. Aldrich's second kick was fumbled and Yale recovered on Harvard's 40 yard line but Fitts intercepted a Yale pass. Walker fumbled Fitts' kick on Yale's 35 yard line and two Harvard men fell on the ball.

A forward pass, Buell to Owen, put the ball on Yale's 24 yard line. Two Harvard attempts were repulsed and then Buell scored a field goal from the 35 yard line. Score: Harvard 3; Yale 0.

Harvard forwards roughed Aldrich when he punted and the Crimson was fined 15 yards, giving Yale a first down on Harvard's 45 yard line. Two line backs gained five yards but Aldrich's forward pass was caught by Owen on Harvard's 30 yard line. The next Harvard punt went to Kempton on his 35 made 11 yards with considerable interval between plays.

Aldrich tried an on-side kick but Harvard recovered as the half ended. Score: Harvard 3; Yale 0.

Second Period

Starting the second period Humphrey and Horween made a first down, then Owen kicked and the ball was allowed to roll dead on Yale's nine yard. Harvard's line smothered Kempton's buck and Aldrich punted to a fair catch by Buell on Yale's 45 yard line.

Harvard chose to rush but after a forward pass had placed the ball 15 yards from the Blue goal, a penalty set the Crimson back and Kempton caught the next pass, being run out of bounds at the Yale 33 yard line.

Walker took time out and both teams conferred. On the first play Kempton made it first down with a 12 yard gain.

Sturm and Kelly both were thrown for losses and an exchange of punts followed. Dilworth replaced Bean at Yale's end. Sedgwick broke through and spoiled the Yale plays and when Aldrich fumbled Woods recovered for Harvard on the home team's 45 yard line. Both captains, Horween for Harvard and Callahan for Yale, were hurt but refused to leave the game.

It took four drives at the Yale line to make a first down. Harvard advanced to the 36 yard mark. The game was so slow that Harvard twice was penalized for delaying the past-time. Churchill replaced Humphrey in the Harvard back field, and went six yards but Yale fought stubbornly and forced a kick. It was an attempt at a field goal by Owens but was short, Aldrich

catching it on the 28 yard mark. Sturm hit the line for a 12 yard gain. Hubbard was hurt on the next play and another delay ensued.

Buell ran the second kick-off back to Harvard's 31 yard line. Acosta stopped a line buck and Horween punted, Kempton running it back 25 yards to the Yale 45 yard mark.

Cutler dropped Buell on Harvard's 15 yard line on the next punt. Owen slipped past Acosta for 13 yards but Aldrich again intercepted a pass giving Yale the ball on Harvard's 33 yard line.

Harvard's defense smeared the Yale players and forced Aldrich to try a field goal from near the center line. The kick was hurried and short but rolled for a touchback. Harvard advanced to its own 38 yard line by means of a forward pass as the period ended. Score:

Harvard 3.

Yale 0.

THIRD QUARTER.

Yale made no changes when the third period started, but Tierney replaced Havemeyer and Humphrey returned to the Harvard line-up.

Kempton caught Horween's kick-off and aided by Kelly's interference ran back half the length of the field. Two rushes failed and Aldrich tried to drop-kick from the 45 yard mark, the ball falling 10 yards short. Yale lost 5 yards for off-side and Humphrey turned Dilworth's end for a first down on Harvard's 32 yard line. An exchange of punts, a penalty for off-side and a loss on Buell's attempt at a quarterback run put Harvard back to her 11 yard line. Humphrey's next kick rolled 25 yards into Yale territory. Gaston replaced Kane for Harvard. Aldrich's next punt was wafted outside by the wind, and a forward pass, Buell to Owen, gave Harvard the ball on Yale's 47 yard line.

Owen and Horween between them carried the ball to the 25 yard line and Lay replaced Kelley. A forward pass, Buell to Humphrey, gained 20 yards. Acosta was hurt and replaced by Quale and Jordan took Sturm's place. The reinforced defense stopped the Harvard rushes and Buell missed a difficult field goal from the 17 yard line by inches.

Yale scrimmaged from the 20 yard line and Aldrich punted. Gaston and Kempton started a fist fight and Gaston gave way to McComber and Kempton to Murphy. Into replaced Walker in the Yale line, Horween slipped through center for 6 yards and then booted a field goal from the 40 yard mark against the wind.

Score: Harvard 6; Yale 0.

The period ended after the next kick-off with Harvard holding the ball on its own 22 yard line.

Paulo Gruppe Gives Pleasing Recital

A small but appreciative audience greeted the Paulo Gruppe company of Redpath Chautauqua entertainers, who gave a delightful program including almost everything from the dashing romance of the Spanish dance to the classic Allegro Andante of Beethoven last night at the high school auditorium under the auspices of the local post of the American legion. Gruppe, violin-cellist, and star of the group, played his way into the hearts of the audience and was called back for many encores. Other performers were also deservedly well received.

NORTHWESTERN PLANS SCHOOL OF JOURNALISM

The Chicago Tribune is to cooperate with the university authorities in the founding of this school, which will be known as the Joseph Medill School of Journalism, claiming the distinction of being the only metropolitan institution west of the Alleghenies. Afternoon and evening classes will be established in the Northwestern university building for the convenience of the newspaper workers of this city. This will comprise a four year course for the men now actively engaged on newspapers, trade journals, and other periodicals. A school for beginners in journalism who contemplate newspaper careers, will be established at Evanston, Ill., and will be a two year course.
