The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

## THE "WEIGH" OF ALL FLESH

for the patient who is all flesh and no will-power...

# SYNDROX®

Methamphetamine Hydrochloride

helps the patient in spite of himself

Syndrox has a way of putting "backbone" into the obese patient.

First it curbs the desire for food, so that a moderate meal satisfies.

Then the euphoriant nature of Syndrox gives a lighter, brighter look to life—toning down the psychic urge to over-indulge.
