*A nonprofit, nonsectarian
aid program to share the
boon of modern medicine*

In 8 countries of Latin America, Africa and Asia, American and Canadian medical teams and specialists are at work with MEDICO, a service of CARE. Their mission: to upgrade medical services for the people and train local personnel for the years ahead. To meet the continuing requests for this crucial assistance, CARE-MEDICO seeks men and women to serve as members of long-term teams, for 24 months, or as short-term volunteers in specialist programs. Specialists in all categories are particularly needed, for assignments of at least one month. For a professional and personal experience you will treasure, apply today.
