COMMENTS

The entries to the show were extremely varied and so was our selection. We feel that there is real work of strong feeling and competent plastic realization in the show which can compare favorably with current standards in similar shows across the country. We suggest that Wisconsin artists can benefit from participating in a show of this spirit and calibre and should be encouraged to do so. We also feel the community would do well to give it stronger support.

We enjoyed our activities in judging and it was a pleasure to collaborate with the efficient student gallery committee at the Wisconsin Union.

STATISTICS

203 artists submitted 355 works of art in oil and tempera, watercolor, pastel, sculpture, and graphics, with a limit of two entries per person.

105 works were selected by the jury for exhibition in the Salon.

The contributors who were eligible have had three years residence in Wisconsin including the past year, or were ten-year residents in Wisconsin if now living outside of the state, or are faculty or students now in Wisconsin art schools.
