## RECORDS BROKEN

MADE AT RANDALL FIELD YES-  
TERDAY AFTERNOON.

CLASS OF '97 GAINS THE MOST  
POINTS.

Hopkins Could Not Run—Maybury's  
Phenomenal Work.

The postponement of the field day from Saturday to yesterday certainly was a good move as regards weather, for the day was almost an ideal one for record work. Perhaps it might have been a trifle hotter with advantage, and the breeze rose a trifle too high at times, but it was a day such as has not been seen here for field day in several years.

Nine records were broken, counting the two extra events, the standing broad jump and the hitch and kick. As a class affair it was a hot competition. The score by points in the fourteen standard events was as follows: '97 scored 41 points, '96 scored with 33 1-2, '98 third with 32 1-2 and '95 last with 15. The seniors did not score a point in the track events. The class of '97 won last year. Hopkins' absence from the half and mile on account of a severe cold was a disappointment to the crowd, but this feeling was counterbalanced by the fine work of some of the other men. Maybury's work was of a high class, and stamps him as easily the best sprinter Wisconsin has ever had. He won both the dashes with ease, and while the time, 22 2-5 seconds, is fast for the 220, it looked very much as though he could have done 22 1-5 yesterday and perhaps even time on a fast track. Chittenden showed a fine turn of speed in the bicycle and will be a worthy competitor in the meet June 1st. Cochems in the shot and hammer showed himself a sure point-winner when in condition, and his work in both was first class. Richards, in the high hurdles, showed remarkable improvement on his last year's form and is another man who will give a good account of himself at Chicago. In the low hurdles his form was not so good and he could not hold his stride even, but Schucardt, who ran the dead beat with him, has improved wonderfully this year.

Norton's work in the mile walk was commendable and showed the result of hard work. The record of Heck was one of the oldest on the boards here.

The summary of events is as follows:

One hundred yards dash—J. Maybury, first; H. Frame, second; G. F. Downer, third. Time, :10 2-5.

Mile walk—W. C. Norton, first; C. H. Zinn, second; F. Peterson, third. Time, 7:42 1-5—five seconds below the college record.

One hundred and twenty yards hurdle race—J. R. Richards, first; R. F. Schucardt, second; Max Mason, third. Time, :16 2-5. This time does not go on record as Richards knocked down a hurdle.

Eight hundred and eighty yards run—T. S. Bell, first; R. J. Gay, second. Time, 2:13 2-5.

Mile bicycle race—G. Chittenden, first; C. H. Anderson, second; O. B. Zimmerman, third. Time, 2:34 2-5. The record was 2:41 1-2.

Four hundred and forty yards dash—C. C. Montgomery, first; H. D. Tower, second; T. S. Bell, third. Time, :54 4-5.

Two hundred and twenty yards dash—J. Maybury, first; G. F. Downer, second; H. Frame, third. Time, :22 2-5. The record was :23 3-4.

Two hundred and twenty yards hurdle race—J. R. Richards and R. F. Schucardt, tied for first; L. A. Crocker, third. Time, :27 2-5. The record was :28.

Mile run—G. W. Pope, first; G. Elsener, second. Time, 4:59.

Running high jump—R. L. Holt and W. S. Frame tied for first at 5 feet 5 inches, and J. H. Liegler and J. Day tied at 5 feet 4 inches.

Putting the 16-pound shot—H. F. Cochems, first, 40 feet 3-4 inch; G. P. Barth, second, 34 feet 8 1-4 inches. The record was 38 feet 2 2-5 inches.

Running broad jump—A. Lees, first, 19 feet 8 1-2 inches; J. J. Graham, second, 19 feet 2 3-4 inches; C. L. Brewer, third, 19 feet 2 1-2 inches.

Throwing 16-pound hammer—H. F. Cocherus, first, 105 feet 5 1-2 inches; John Day, second, 88 feet 6 inches. The record was 86 feet.

Hitch and kick—R. L. Holt, 8 feet 7 inches. The record was 8 feet 5 1-2 inches.

Pole vault—J. A. Jackson, first, 10 feet 1 inch; E. W. Crane, 10 feet. The record was 10 feet.

Standing broad jump—W. S. Frame, first, 10 feet 2 inches; John Day, second, 9 feet 10 1-4 inches. The record was 9 feet 1 1-2 inches.

## ANN ARBOR FIELD DAY.

Michigan's annual field day was held yesterday. Weather was raw; nevertheless records were broken and much new material brought out. The shot-put was advanced from 37 feet 1 inch to 39 feet 4 inches; the hammer throw from 94 feet 3 inches to 95 feet 9 inches; broad jump from 20 feet 6 to 20 feet 7; the 120 yards hurdle was reduced from 17 2-5 to 17 1-5 seconds.

D. B. Stuart, '96, who appeared in field day for the first time, covered himself with glory and showed himself to be a star man, winning the 120-yard hurdle and tying Vernon on the high jump. He was doing the 220-yard hurdles at a :25 1-2 pace, with twenty feet the lead, when he unfortunately stumbled on the last hurdle.

R. W. Baughman, '98, did the 100-yards in fine form in :10 1-5, with Porter close behind, both new men. In the half mile B. D. Horton, '95, showed up strong, but in this event, as in the walk and mile run, competition was lacking. The class winning most points has its name engraved on the \$100 athletic cup, and for the third consecutive year '96 won the engraving.

## CASTALIA BLOWOUT.

The freshman blowout of the Castalia society will be held in the gym, at Ladies' hall, Friday at 7:30. The farce, "Peggy Green," will be played. All girls are invited.

## TENNIS PLAYING

MANSON AND HUGHITT WIN THE  
DOUBLES.

CLOSE AND EXCITING MATCHES  
YESTERDAY.

Sanborn and Manson play for the  
Singles Championship Tomorrow.

This afternoon Manson and Hughitt won the double championship of the university, defeating Kurtz and Wadsworth in straight sets. The match was not a particularly brilliant one although both teams played good tennis. The winners in this match will represent the university at Beloit and Chicago. The score was 6-1, 6-4, 6-3.

## DOWN TO THE FINALS.

Championships Decided Today and  
Tomorrow.

Yesterday's play in the tennis tournament brought the matches down to the final rounds in both doubles and singles. Manson and Sanborn will play each other for the single championship. In the tournament last week the match between these two players was won by Manson. This match will not be played until Friday as Sanborn hurt his hand in his match with Steensland yesterday. In the doubles the championship lies between Kurtz and Wadsworth and Manson and Hughitt. That match is being played this afternoon.

The first match yesterday was between Rogers, '97, and Hughitt, '98. Rogers was playing a very steady game and won the first set without much difficulty, 6-1. Hughitt braced up in the next and won it 6-3. His game weakened a little in the last set and Rogers won 6-1.

W. L. Ball, '95, played Noyes, '96, a close match in the first round. Ball won the first set 6-2 and had the score 5-2 in his favor on the second. At this point Noyes braced up and won the set 8-6 and the third set 6-3.

Rogers played Sanborn in the first round but was unable to keep up the same form as in his previous match and lost 6-3, 6-1. This left four men in the semi-finals.

The closest match of the afternoon was between Manson and Noyes. The former won the first set 6-3. In the second Noyes played a beautiful driving game and won 6-1. In the last set he played much the same sort of a game as in the second but Manson was playing a very steady game and managed to return many of Noyes' hardest drives. The set finally went to Manson, 6-4.

Sanborn won from Steensland, 6-3, 6-3.

Another match in the doubles was played in which Kurtz and Wadsworth beat Fortier and Hayden, 6-3, 4-6, 6-4. Fortier played much the better game of the four but was not well supported by his partner. Wadsworth was not up to his form of the day before.

Summary (Singles). Preliminary round—Rogers beat Hughitt 6-1, 3-6, 6-1, Sanborn beat Wadsworth 6-1, 2-6, 6-4. Noyes beat Fortier 4-6, 6-1, 6-4. First round—Steensland beat Brewer by default. Sanborn beat Rogers 6-3, 6-1. Noyes beat Ball 3-6, 8-6, 6-2. Manson beat Jones 6-0, 6-2. Second round—Manson beat Noyes 6-3, 1-6, 6-4.

Sanborn beat Steensland, 6-3, 6-3. (Doubles). First round—Kurtz and Wadsworth beat Fortier and Hayden 6-3, 4-6, 6-4. Manson and Hughitt beat Noyes and Sanborn 7-5, 3-6, 6-4.

## PENNANTS PRESENTED.

For the Water Tournament—Referee and Judges Chosen.

The naval board met last evening at 614 Langdon street. The various officers and committees reported, and details of the regatta were attended to. The board adopted the official uniform as was worn last year—namely a navy blue full top cap, sack coat and duck trousers.

Prof. Van Hise was elected referee and Professors Slichter, Barnes and Mr. A. L. Sanborn were elected judges of the races.

The committee on prizes reported the following pennants as already in view for the regatta:

Inter-literary society boat race—presented by Castalia.

Inter-fraternity boat race—presented by the Delta Gamma sorority.

Water-tournament pennant—presented by Laurea.

Canoe paddle pennant—presented by the Kappa Alpha Theta sorority.

The captain of the inter-literary society boat race reported that several of the societies had already taken action and were getting crews out for the contest. The water tournament contest was discussed to some length with a view to correcting some of the objectionable features of last year's experience.

## MELVIN CLUB PARTY.

The Melvin club held a party at Kehl's hall last evening. Music and dancing was indulged in up to 2 o'clock. About thirty-five couples were present and a good time is reported by all. Among those present were the Misses—Gile, McGregor, O'Brien, Reiley, Kelley, Lizzie and Josie Lynch, Fowler, Donovan, Doherty, Nellie and Kittie Luft, Stark, Gallagher, Purcell, Shepherd, Cavanaugh and Coyne; and Messrs.—Dawson, Conway, Reiley, Shimick, Healy, Coughlin, Lynch, Gile, Thompson, Kelly, Conklin, Doherty, Hefferman, Monahan, Smith, Crane and Daly.

## FRESHMEN WILL DECLAIM.

Eight of the Class Will Contest for a Prize.

The Freshman Declamatory contest will take place Saturday next at 7:45 p.m., in Library hall. There are eight contestants and the struggle is expected to be a close one. The prize, a handsome set of Lowell's Prose Works, is now on exhibition in the university library.

Frank Ford is visiting his brother at the Theta Delta Chi lodge.

When our friend the State Journal attempts to give historical facts it is apt to lapse into something resembling fiction. We won the game with Michigan last year by a score of 11 to 9.

Tonight the intercollegiate debaters start for Minneapolis to meet the three representatives chosen by the University of Minnesota tomorrow night. Every indication points to a spirited contest, but it is hoped that our trio will be able to persuade the judges that the pennant belongs to the Badger state.

The free illustrated lecture tonight is an entertainment which is not often to be heard except in a college town. After leaving the institution students will be more apt to realize this than they do now and a failure to take advantage of these opportunities is bound to cause regret when they are beyond reach.

The annual meeting of the Cardinal association will be held on Saturday morning at 12 o'clock in Library hall, for the purpose of electing an editorial board for the ensuing year. This means that all subscribers of the paper are entitled to come and vote for any they desire to elect. If there is any dissatisfaction among the subscribers in any form, let them come and choose any persons they believe can run the paper to please them. As a rule the meetings are not as well attended as might be expected, though ample notice is always given. The paper is for the interests of the students and the constant aim is to make it as repres-

entative as possible of the entire body. Keep this date in mind and let every subscriber who is interested in the welfare of the sheet for the coming year be present at that time.

The general comment on our baseball team's work in other cities seems to be very reasonable, and it is the poorest policy our esteemed contemporary, the Aegis, can adopt to so ridicule their play without having given the matter more than passing attention. If we are going to do our part in keeping a successful team we must give them hearty support. For the club is what the student body makes it. There are many circumstances which are overlooked by such premature criticism. The season is only about half over and while the fellows have any spirit there is plenty of hope.

## COMMUNICATION.

To the Cardinal: An item appeared in last night's issue stating that the men training for the crew whose names were dropped had been assigned to their respective class crews. This is a covering up of the facts. The lists as now made, are uncomplimentary to the men dropped and in justice to them the matter should be rectified. The facts are that five men, three of whom had done faithful training for two years, feeling that they were unjustly discriminated against by the management, resigned their positions before the lists were arranged. They felt from all indications that selections would be made on other bases than form, sand and physique, and to preserve their honor they resigned.

'96.

## RANKNESS ACKNOWLEDGED.

The Daily Times, of South Bend, Ind., in its account of the Notre Dame-Wisconsin game, acknowledges that the decisions of the umpire were flagrantly unfair. It says: "There is no disputing the fact that Umpire McNamur makes some very rank and unfair decisions, either through a lack of knowledge of the rules of the game or else through over-zealous partisanship."

The paper speaks in very complimentary terms of our own team, saying: "Too much cannot be said in praise of the boys from the Badger state. Gentlemanly in their conduct, manly looking in appearance, in all ways a most agreeable lot of ball players, whom it is a pleasure to meet. On the diamond their deportment is the same as at any other place. They are not kickers, and prefer to let an adverse decision go by, no matter how wrong it may be, than to argue objections and make a disturbance. They are ball players from the core, and with Fred Pfeffer's handling make an uncertain aggregation to go against."

Runkle and Gregg composed their battery with Runkle in the pitcher's box. Both take high rank as ball players and Runkle's up shoot was a difficult puzzle to many of the 'Varsity team."

## "GEERCE, PAST AND PRESENT."

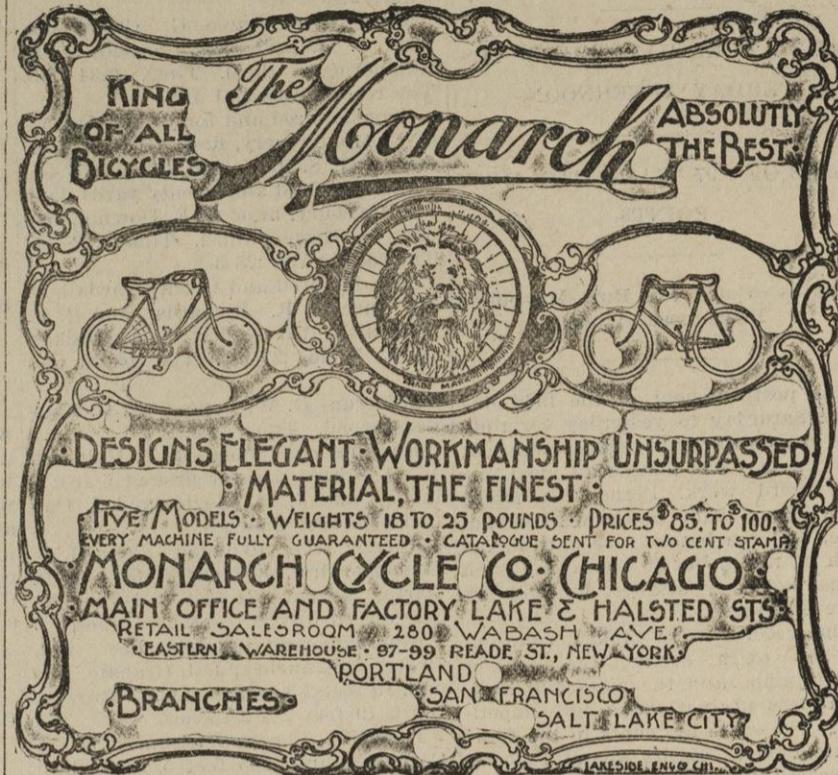

All students should remember the illustrated lecture by Prof. D'Ooge of the University of Michigan, at Library hall at 8 p. m. today. Let the Michigan base ball team see how good an audience we can give one of their great professors. The lecture is free.

—Prof. Stearns will not meet his classes tomorrow as he is out of town inspecting schools.

—Dean Bryant, of the law school, will deliver the Memorial day address at Monroe.

### COLLEGE ATHLETICS.

—Williams beat Wesleyan, 9 to 4.  
—Harvard won from Amherst, 6 to 2.  
—Michigan won from Minnesota at base ball yesterday, 16 to 4.  
—Burt and Scott beat St. John and McCaskey in doubles in the Northwestern University tennis tournament at Evanston yesterday in the most interesting match yet played. The most interesting matches in singles were between Prof. J. H. Gray and E. B. Witwer and between Street and Sweeney. St. John and McCaskey, who were scheduled in singles yesterday, were forced to postpone their game on account of darkness.

### A SURETY BUREAU.

It has been the source of considerable comment among many university graduates that after graduating here they find much difficulty in finding work. For after leaving and in searching for employment many times references are required and the graduate in thinking the matter over finds that there is no one in the university from whom he can get a recommendation without considerable difficulty and delay. Suppose he is offered a position as teacher of science and mathematics in some High School, on condition that he can furnish satisfactory references, —and it maybe said here that references in such cases are almost invariably required,—to whom could he apply for such a recommendation? He could perhaps obtain a letter from the science department or from the mathematical department, but it would be with the greatest difficulty that he could get a joint recommendation from both although he may be well qualified in both departments.

In many of the eastern colleges bureaus have been formed whose duty is to aid the graduate to find work after leaving. A careful analysis is made of his work, and upon his applying for a recommendation the bureau can immediately send him one commensurate

with the quality of his work in the college. These bureaus are of inestimable value to graduates, and many colleges seeing the need of such associations have formed these bureaus.

Could not our own University form such an association and bureau? It would be of great service to its graduate department in finding work.

### RECENT MUSIC.

"The Greater New York," is the name of a grand march for piano which Lyon & Healy have just published; it is composed by Charles Wells. Other instrumental pieces which they have recently issued are "Parlor Queen Mazurka," for two mandolins and guitar, in the series of compositions of Johnson Bane, and Berceuse, in A, for the pipe organ, by G. Delbruck. Several meritorious vocal compositions are among their late pieces. "Ho for the Sea" is a song for baritone or bass by E. L. Morris; "When Bloom the Roses," by Luigi Arditi, is the waltz song sung by Melba. The names of Robert Atkinson and T. R. Sullivan appear upon the title-page of "Love, Stay by and Sing," the one as author of the music and the other of the words, and a "Scythe Song," is the product of Andrew Lang and Maud Conway Blanchard. One more is added to a series of sacred songs in "Save Me, O God," for soprano or tenor, by A. Randagger.

—C. B. Culbertson, '94, has taken editorial charge of the Journal at Stanley, Wis.

—President Adams will lecture in Milwaukee this evening on Germany After the Napoleonic Wars.

—Burr Kneeland Chandler, '98, has composed a new two-step which will be published by Raphael Fassett.

—A large number of summer school circulars have been sent to St. Louis and Chicago. If the circulation is any indication of the success of the school as has heretofore been the case it is a very propitious sign for the coming season.

## A NEW COLLEGE MAGAZINE.

A new college magazine named The Bachelor of Arts has been started and the first copy has just been published. The editor-in-chief is John Seymour Wood and his associates are Walter Camp and Edward S. Martin. This number contains contributions from Henry E. Howland, Charles Stewart Davidson and Mrs. Todd of Amherst. The magazine is to be devoted almost entirely to college interests and there will be no illustrations, a novelty in magazine work which is enforced by considerations of economy. The advisory board consists of James W. Alexander, William B. Hornblower, Joseph H. Choate, Chauncey M. Depew, J. Frederick Kernochan, Buchanan Winthrop, John E. Parsons, Robert Grout, Henry Cabot Lodge, Austin G. Fox, Elihu Root, Daniel G. Rollins, Henry R. Beekman, William Jay, Julien T. Davies and Henry E. Howland.
