Wisconsin Intercollegiate Athletic Conference

2002-03 Directory and Records Book

This is the Sixth Edition of the *WIAC Directory and Records Book*. It is presented as a means of informing educators, writers, broadcasters and staff of the excellence of athletics competition displayed by teams and individual student-athletes of member institutions. This book is published annually to provide a record of all sports in the conference-sponsored program.

It is the purpose of the Wisconsin Intercollegiate Athletic Conference to encourage intercollegiate athletics on an amateur basis, with institutional control, and under the instruction of coaches who have faculty status, in order to assure maximum educational benefit from intercollegiate athletic contests among the member and nonmember institutions.

The University of Wisconsin System marks its 31st anniversary in the fall of 2002. The UW System was created in October 1971, by a law placing all of the state's public university campuses under a single Board of Regents. The UW System is composed of 13 universities, 13 two-year UW Colleges, and UW-Extension which provides outreach services from offices in every county. Although only 31 years old, the UW System was one of the first statewide higher educational systems in the nation and has been a pioneer in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are located in Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior and Whitewater. Colleges are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau and West Bend.

Gary F. Karner
Commissioner

A native of the Milwaukee area, Karner was named Commissioner of the Wisconsin Women's Intercollegiate Athletic Conference and the Wisconsin State University Conference, effective July 15, 1996. Karner came to the conference from the National Collegiate Athletic Association headquarters in Overland Park, Kansas, where he had served as a compliance services representative beginning in 1988.

In 1975, he received his undergraduate degree in education from UW-Stevens Point and a master's in educational administration from UW-Madison in 1978. While earning his doctorate in educational administration at UW-Madison he served as an intern in the division of intercollegiate athletics (1982-83) and was an administrative assistant in the WSUC office in Madison (1983-84).

The commissioner taught and coached at North Fond du Lac and at Waunakee High Schools. He was also an assistant district administrator at Woodruff High School from 1979-82. After completing his doctorate in 1984, Karner served as district director of athletics and activities in Woodland Park, Colorado, until joining the NCAA staff.

His first major undertaking as commissioner was to facilitate the merger of the former WWIAC and WSUC, which had functioned as separate men's and women's conferences for over 25 years, into the WIAC. During Karner's tenure, the conference has solidified its status as the premier Division III conference in the country. Karner has directed a number of highly successful initiatives including the development of the WIAC Corporate Partner Program and conference web site, as well as events such as the "Border Battle" and the men's and women's postseason basketball tournament.

Matt Stanek
Sports Information Director

Matt Stanek was named Sports Information Director for the Wisconsin Intercollegiate Athletic Conference in May, 1999. Stanek served as an intern in the same position from August, 1998 - May, 1999. Before working with the WIAC, he completed an internship in the Media Relations Department of the Milwaukee Brewers Baseball Club from January - May, 1997. Stanek graduated from the University of Wisconsin - La Crosse in May, 1997 with a bachelor of science degree in exercise and sport science with an emphasis in sport management.

Carol Yanna
Program Assistant

Carol Yanna has worked in the conference office since the fall of 1991. Prior to the merger of the Wisconsin Intercollegiate Athletic Conference (WWIAC) and the Wisconsin State University Conference (WSUC) she worked primarily with the WWIAC program.

Wisconsin State University Conference Historical Review

An organizational meeting of the Wisconsin State University Athletic Conference, then to be known as the State Normal Conference, was held in Madison in July of 1913. The two-fold purpose of this meeting was to secure for each school a schedule of games and to establish rules to regulate and control athletic competition within the proposed conference. The basic purposes of the rules have been to limit and control competition to bona fide students who are making regular progress in their studies toward a diploma or degree; to insure faculty control of athletics; and to promote harmony among the members. With the exception of a short period during World War II, the conference has maintained a regular schedule of games.

The schools represented at the organizational meeting in 1913 were Superior, River Falls, Stevens Point and La Crosse, which were to become known as the Northern Division; with Oshkosh, Whitewater, Milwaukee and Platteville constituting the membership of the Southern Division. Each division determined its champion, and then met for a play-off game or a series, mainly in football and basketball. These championship games were played the first year of the organization and for many years thereafter.

To insure faculty control of athletics, the constitution stated that each institution shall have one representative and one vote; also that the representative must not be one who is paid primarily for services connected with athletics and with the physical education department of the university.

From the original membership of eight, the conference increased to ten schools. Stout Institute, now University of Wisconsin-Stout, became a member in 1914, and the first record of membership of the then Eau Claire Normal was in

January 1917. These two, along with the original eight, maintained continuous membership over the years until June, 1964, at which time the University of Wisconsin-Milwaukee (formerly Milwaukee State Teachers College) terminated its membership in the conference.

In July 1966, Fred Jacoby was appointed as the first commissioner of athletics for the conference. With rapidly increasing enrollments, expanding athletics programs, and increased time needed to administer the affairs of the conference, it was a needed and necessary appointment.

In August 1971, Max Sparger replaced Fred Jacoby as commissioner of athletics. In September 1971, the conference member institutions became part of the newly merged University of Wisconsin System. This merger did not, however, affect the operational procedures and constitution of the Wisconsin State University Conference.

In August 1993, Dr. Dennis Keihn was named commissioner following the retirement of Max Sparger. Keihn was succeeded by Dr. Gary Karner in 1996.

Wisconsin Women's Intercollegiate Athletic Conference Historical Review

In 1958, the Wisconsin Athletic and Recreation Federation of College Women (WARFCW) was formed for the purpose of coordinating athletic activity among Wisconsin institutions of higher education. This organization followed the national model (ARFCW) in which governance was primarily the responsibility of student leaders. The WARFCW included representatives from: Eau Claire State College, La Crosse State College, University of Wisconsin-Milwaukee, Oshkosh State College, Platteville State College, Ripon College, River Falls State College and University of Wisconsin-Madison. The WARFCW held sports days in archery, badminton, basketball, golf, gymnastics, tennis and volleyball.

In 1966, a motion to form a women's athletic conference was presented, but defeated. Then, in 1969 at the annual convention held at Carthage College (Kenosha), a motion to limit the number of sports days per sport to one was passed. This constituted a state meet in each particular sport. Member institutions were allowed to travel to other member schools for dual meets.

In the winter of the 1969-70 academic year, a number of schools, which are currently members of the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC), participated in a unique state basketball tournament at the then Wisconsin State University at Stevens Point. As a result of playing a partial round robin, three state champions were recognized. The triumvirate championship of basketball, with its sportsday hues, was questioned later in the spring of 1970 at the state track meet involving essentially the same schools. At that meet, Martha van Steenderen (UW-Whitewater), Chair of the Wisconsin State Division for Girls' and Women's Sports (DGWS), appointed Dr. Judy Wilson of River Falls and Dr. Mary Jo Mullen of Stevens Point to investigate Minnesota's intercollegiate athletic organization for women and report back to the Wisconsin Athletic and Recreation Federation for College Women (WARFCW) schools.

Dr. Wilson and Dr. Mullen began their work, with Dr. Wilson contacting the Minnesota contingent and Dr. Mullen organizing the fall 1970 meeting for the presentation of their report. Marty Beck of Bemidji, Sue Day and Joyce Locks of Winona State served as resource people. Dr. Mullen chaired the fall 1970 meeting at Stevens Point to which eleven universities sent representatives.

At that time, an agreement was reached that the development of a conference was needed. Dr. Mullen took the draft of the Constitution of the newly formed WWIAC and presented it for final approval at a meeting held at UW-Eau Claire on January 29-30, 1971. After two days of deliberations, the WWIAC became a reality. In the spring of 1971, the first "Governing Board" meeting was held.

The original membership consisted of twelve schools (the nine current members plus Carthage College, UW-Madison and UW-Parkside) and grew to its maximum of 16 by 1975 with the addition of UW-Milwaukee, Carroll College, UW-Green Bay and Marquette University.

All members were at one time affiliated with the Association of Intercollegiate Athletics for Women (AIAW), and the Midwest Association of Athletics for Women (MAIAW). Initially, the AIAW conducted regional and national championships with a large school/small school format. This initial format was later changed to a three division format determined by percentages of financial assistance based on athletic ability.

In 1982, the AIAW dissolved and members affiliated with the NAIA (National Association of Intercollegiate Athletics) and/or the NCAA (National Collegiate Athletic Association), Division III. As of the 1993-94 academic year, all WWIAC institutions had only NCAA Division III affiliation.

In 1975, the University of Wisconsin System allocated a part-time position for coordination of the WWIAC. Gail Grimm was appointed Executive Secretary, and was succeeded in 1977 by Dr. Emogene Nelson (UW-River Falls). It was through Dr. Nelson's efforts that a commissioner's position became a reality. In August 1979, Dr. Janice Stocker became the first WWIAC Commissioner, resigning in August 1984. Judy Kruckman (UW-Eau Claire) served as acting Commissioner until her appointment in June 1985.

In 1984-85, the Conference functioned for the first time as a non-scholarship (no financial assistance allowed based on athletic ability) organization, and Faculty Athletics Representatives acted upon recommendations made by the Athletics Directors.

Judy Kruckman served as commissioner until 1996, at which time Dr. Gary Karner was chosen to oversee both the WWIAC and WSUC.

Wisconsin Intercollegiate Athletic Conference Historical Review

On July 1, 1997 the nine members of the former Wisconsin State University Conference (WSUC) and the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC) were joined together to form a single conference--The Wisconsin Intercollegiate Athletic Conference. Dr. Gary F. Karner was appointed commissioner in July 1996 to direct the merged conferences.

The WIAC has continued the record of athletics and academic excellence established by its predecessors. The conference is widely recognized as the premier Division III conference in the country as evident by the number of NCAA championships captured annually by WIAC teams and the overall finish of WIAC institutions in the Division III Sears Directors' Cup standings. The conference also has assumed a significant leadership role in the governance structure of the NCAA and has been recognized for its advances in gender equity and the community activism of its student-athletes.

2001-02 All-Sports Award

Three separate All-Sports Awards are presented yearly recognizing the top institutions for men's and women's sports separately, as well as an overall winner recognizing men's and women's combined. The awards are based on the highest total number of points accumulated during the previous academic year beginning with the fall sports and ending with the completion of the spring sports season. Points are awarded according to final standings in each sport on a 9-8-7-6-5-4-3-2-1 basis, 8-7-6, etc., or 6-5-4, etc., depending on how many schools are competing in the sport. Three member institutions captured the WIAC All-Sports honors for the 2001-02 season. La Crosse won the combined award, while Oshkosh captured the top honor for its women's program and Stevens Point won the men's crown.

WIAC Scholastic Honor Roll

Each academic year, the Wisconsin Intercollegiate Athletic Conference honors individual student-athletes for their outstanding work in the classroom by selecting them to the WIAC Scholastic Honor Roll. The conference office compiles the names of the student-athletes who have qualified for the Scholastic Honor Roll from information submitted by the campuses. A student-athlete has to maintain a 3.0 (B) or better grade point average during the last academic year and compete in at least one athletic contest to be recognized.

WIAC All-Academic Awards

Since 1989, the former Wisconsin Women's Intercollegiate Athletic Conference recognized the institution with the highest overall GPA for its female student-athletes. In 1998, the WIAC began recognizing the institution with the highest GPA for its male and female student-athletes separately, as well as an overall award combining both the men's and women's programs. Effective with the 2001-02 academic year, the academic honor is presented to those institutions in which the grade point average for its student-athletes is equal to, or greater than, the grade point average of the overall student body. The awards are announced in July for the preceding academic year.

University of Wisconsin - Oshkosh

Richard H. Wells
Chancellor

At the University of Wisconsin-Oshkosh, an exciting first-year orientation program helps students become part of a learning environment that will nurture and challenge them through graduation. From the beginning, a highly successful career services office helps students find internships, land summer jobs and prepare for "life after college". Four colleges - Letters and Science, Business Administration, Education and Human Services, and Nursing offer learning opportunities in well-equipped laboratories and classrooms around the globe. Geology students take off for the Canadian Rockies and Antarctica. Foreign language

and business majors visit Japan, Russia, Mexico and Spain. Nursing faculty and students respond to Russian health-care needs, while education and human services projects flourish in Central America. Founded in 1871, UW-Oshkosh has grown to be one of the largest institutions in the University of Wisconsin System. UW-Oshkosh is a modern campus with more than 35 buildings arranged along a central mall and boulevard.
