JANUARY 18, 1940

FOR YOUR PLEASURE

Williams Bay Village Board has made provision on the Thirty acres which it owns at the north edge of the Village for sports by building a Ski Slide and Toboggan Slide.

The Men's Community Club is cooperating in keeping it in condition. Skis and Toboggans can be rented.

You are invited to come up to Williams Bay and use them. Space is cleared on the lake for skaters. Also there will be more ice-boating, this time on Lake Geneva.

You will find hotels and dining rooms to accomodate you for weekends. The Chicago & Northwestern Railroad has a one day special round trip on Sundays, also a special weekend trip. You like Williams Bay in the Summer, you will be delighted with it in the Winter also.

"EVERYBODY TALKS ABOUT THE WEATHER, BUT NOBODY EVER DOES ANYTHING ABOUT IT."

but happened to it last night and this morning, and still is happening. Round, and round and round, below, below, below, went the thermometer in our community Wednesday night and residents woke from their peaceful slumbers on Thursday morning (today) to find it had gone down to 34 degrees below zero, and it looks, or rather, it feels that the thermometer may take a further toboggan slide during the day. br-r-r-r

The sun is shining bright over head, there is a foot of snow (nice and white) on the ground. Wonderful tobogganing, skiing and skating, and sleighing if you like it. The lake is frozen over, altogether it looks and feels like an old-fashioned winter. We waited a long while for this weather for winter sports, so button up your overcoat, come up and help to enjoy it, for in America we can go out for pleasure in the cold, and not have to go out and fight a war in below zero weather. (55 degrees below in Finland.)

If you do not like the cold weather but enjoy more the heat, go to Argentina, where people every day are dying of sunstroke caused by a heat wave, 104 $\frac{1}{2}$  degrees in the shade. for 3 days., and an ice shortage. (none here) take a walk around the lake shore.

You know someone has said, "you have a nice time in America."

#### AWARDED SCHOLARSHIP

Bupt. of Schools, Mr. Visto has word from the University of Wisconsin which states that David Keiser, son of Rev. and Mrs. Victor H. Keiser, formerly pastor of Williams Bay Congregational Church, has been awarded one of the prized scholarships given by the University to High School Students who are of the highest scholarships in their school. 23 such scholarships were awarded this year equal to \$65 each.

David graduated from the Williams Bay High School last June. The amount covers all tuition fees for one year.

The Winter Sports are here at last. The Village has been ready for the past three Winters but somehow the Bay was not in the snow belt.

The Men's Community Club Comm. on Winter Sports wish to extend the invitation for all to come up. The members of the Committee are Gene Hollister, Carl M. Bjorge and Phil Fogle.

The committee meets three times a week and sees that no detail is lacking.

The Village has employed Ed. Zabler again this Winter to look after the Toboggan Slide.

Burhard Beusch of Chicago came out Wednesday night for a few days of Skiing. Mr. Beusch is a native born Swiss and enjoys the cold weather. He was employed at Hermanson Bakery two Summers ago. He is registered at Rose Lane.

James J. Johnson of Harbor View is decorating the parlors of the Congregational Church at Lake Geneva.

Mr. Nathan B. Hunt who has been in California the past month returned to his home "Hickory Dock" on the North Shore today.

The Skeeters postponed their races last week end on account of the heavy snow. This week if the thermometer rises to 10 or 12 above zero the races will be held on Lake Geneva.

Granzow and Peterson sold 80 bags of oranges and grapefruit on Wednesday in the Campaign being made to help out Florida and Texas in getting rid of their surplus due to lack of European market.

Another large shipment is expected to care for Saturday trade.

**CARTOONIST AT BAY SCHOOL**

On Tuesday Robert O.Briggs, the Cartoonist gave an interesting and instructive lecture and drew several pictures.

Since it was voted to omit either February or March meeting of the Men's Community Club, depending upon whether the date for the Annual Banquet was in the first or second half of the month, there will be no meeting in February.

A unique feature of the lecture was the use of colored felt in making pictures. Instead of crayon on one picture he use pieces of felt and produced a beautiful picture.

The following is parts from a letter to Mrs. Leslie Sawyer, written on Williams Bay? It has lakes, woods, by a friend of the family of Mrs. Sawyer and her parents, in Racine. etc. I agree too, if the pictures you sent, and the "Bay Leaves" are any indication of the beauty of Williams Bay.

St. Gregory's High School  
Dacca, Bengal, India

"Dear Friend-

The book, "With Malice Towards Some", which you sent arrived last week, to be exact on Nov. 2. From the greeting which you penned on the cover, it seems that you sent the book in July. The delay was caused by the censorship of all foreign mail which has been in vogue since the start of the war. We are now receiving mail, which was sent from the States in August. But for almost eight weeks none of us heard from anyone back home. Those weeks were certainly ones of exile.

One more word about the book. It was delightfully interesting-I finished it in two sittings. I intend to read it again after it has finished "making the rounds." Those of us who have read it enjoyed it much, especially, as all of us are more or less acquainted with British manners, being now inhabitants of British India. Then again, as we often travel in peaceful times-from America to England on British vessels, we usually get our fill of English formality. Coming over I spent two days in London, it was enough.

If any more of your patrons have other interesting books which they would like to get rid of, we could use them over here. There are a few other faithful friends who keep us supplied with newspapers and magazines.

I have just returned from Shillong, Assam, a hill town, where I spent a month away from the heat, dirt and stink of the plains, getting an answer to my prayer. Shillong provides a tingling wind alright,. In fact I almost froze at night. The atmosphere was zestful and keen, and I met a family of tourists from America. It was a delightful month, but now it is all over until another year..

Did you have a chance to get away for a vacation? Of course, you

will say what place is better than Williams Bay? It has lakes, woods, etc. I agree too, if the pictures you sent, and the "Bay Leaves" are any indication of the beauty of Williams Bay.

To be on the safe side, let me now wish you, your husband and Warren, and all the readers of this letter a very Merry Christmas and a very Happy New Year." As ever,

Brother Matthew, C.S.C."

He will preach again at the Williams Bay Church on January 28th. He will be able to tell by that time if he will accept the call.

### LADIES NIGHT AT MEN'S BROTHERHOOD LAST NIGHT

As usual ties were confiscated at the meeting Wednesday night in spite of the fact that it was ladies night.

Fifty were present at the meeting at which Mr. and Mrs. Viste were the guests of honor. Mr. Viste had been one of the organizers of the Club.

Mr. W. T. Calhoun representing the Wisconsin Conservation Department gave an illustrated lecture with 4 reels of movies: 1st. Wisconsin White Tail Deer; 2nd, Pike Propagation; 3rd, Muskie Fishing; 4th, Vacation Land.

Old fashioned songs with appropriate words for the guests of honor were sung. Games were played.

Messrs. Blakely, Drabek, Fridlund and Schott "poured", no matter if some went in the lap.

Next meeting- Feb. 7th

### BURIAL AT EAST DELAVAN

Last Monday afternoon Mr. Mike Peterson conducted the service at the grave of Mrs. W. Frederickson, who had passed away in Chicago.

Those who have lived in Williams Bay many years will remember her as the sister of the late Mrs. A. H. Arneson.

Mr. and Mrs. Henry Arneson and a sister of the late A. H. Arneson, Miss Arneson, came to the cemetery with the body.

The Rotarians of Delavan are still talking about the great speech that Mike Peterson gave at their meeting January 8th. It was on Cooperation. Let's have it here sometime.

On Friday night he speaks at a Father and Son Banquet at the big Methodist Episcopal Church in Racine.

Mike is modest and doesn't tell much about the enthusiastic reception he has at the many places where he talks, but the editor has been with him several times and knows.

The publicity that Williams Bay gets as being his home is of the best.
