THE UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is marking its ninth anniversary in the fall of 1980. The UW System was created in October 1971 by a law placing all of the state's public university campuses under a single Board of Regents. The 13 universities and 14 two-year UW Centers served 150,629 on-campus students in 1979-80, and UW-Extension provides outreach services from offices in every county. Although only nine years old, the UW System was one of the first statewide higher educational systems in the nation and has pioneered in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are in Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha-Racine (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior and Whitewater. Centers are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Medford, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau, and West Bend.
