Dr. Schneck opened the meeting. Minutes of previous meeting was read and approved.

Correspondence was read and discussed. Case of Schuerman family of Hildisheim in which Mrs Walter Hamilton had appealed for aid from Mr Glass was referred to local chairman. Dr. Schneck corresponded with Mis Rozovsky in regard to helping this family.

Dr Schneck gave a report of the Milwaukee meeting of the State Committee at which time the Baltimore meeting was reported. Desire of central committee for communities to accept refugees as sent from New York without meeting requisitions fully as to profession or type of employment.

A plan was suggested to rent land in northern Wisconsin for purpose of rehabilitating refugees in the farming and agricultural industry.

The three phases of resettlement were pointed out as being (1) initial aid, (2) Self support, (3) Reorientation

Dr. Schneck that it was pointed out that many influential groups such as the A.F of L, the C.I.O., the American Legion etc are apposed to the lifting of Immigration quotas. Therefore there was little or no hope of increasing the quotas; but in fact there was fear of action in the opposite direction.
